We have not yet determined whether any of the securities that may be offered by this prospectus will be listed on any exchange, or included in any inter-dealer quotation system or over-the-counter market. If we decide to seek the listing or inclusion of any such securities upon issuance, the prospectus supplement relating to those securities will disclose the exchange, quotation system or market on or in which the securities will be listed or included.

Therefore, if anyone does give you information of this sort, you should not rely on it as authorized by us. ABOUT THIS PROSPECTUS

This prospectus is part of an automatic shelf registration statement on Form S-3 that the Company has filed with the Securities and Exchange Commission, or the SEC, utilizing the “shelf” registration process for the offering and sale of securities pursuant to Rule 415 under the Securities Act of 1933, as amended, or the Securities Act. Under the shelf registration process, we may, over time, sell any combination of securities described in this prospectus.

This prospectus provides you with a general description of the securities that the Company may offer hereunder. Each time the Company sells a type or series of securities, we will provide a prospectus supplement that will contain specific information about the offering and the terms of the particular securities offered. The prospectus supplement may also add, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described under the headings “Where You Can Find More Information.”

In each prospectus supplement, we will include the following information:

- designation or classification;
- the aggregate principal amount or aggregate offering price of securities that we propose to sell;
- with respect to debt securities, the maturity;
- original issue discount, if any;
- the rates and times of payment of interest, dividends or other payments, if any;
- redemption, conversion, exchange, settlement or sinking fund terms, if any;
- ranking;
- restrictive covenants, if any;
- the names of any underwriters, agents or dealers to or through which the securities will be sold;
- any compensation of those underwriters, agents or dealers;
- information about any securities exchanges or automated quotation systems on which the securities will be listed or traded or the fact that such securities will not be listed or traded on any exchange;
- any risk factors applicable to the securities that we propose to sell;

- important federal income tax considerations; and
- any other material information about the offering and sale of the securities.

A prospectus supplement may include a discussion of risks or other special considerations applicable to us or the offered securities. A prospectus supplement may also add, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and the applicable prospectus supplement, you must rely on the information in the prospectus supplement. Please carefully read both this prospectus and the applicable prospectus supplement together with additional information described under the heading “Where You Can Find More Information.” This prospectus may not be used to offer or sell any securities unless accompanied by a prospectus supplement.

The registration statement containing this prospectus, including exhibits to the registration statement, provides additional information about us and the securities offered under this prospectus. The registration statement can be read at the SEC website or at the SEC’s public reading room mentioned under the heading “Where You Can Find More Information.”

We have not authorized any broker-dealer, salesperson or other person to give any information or to make any representation other than those contained or incorporated by reference in this prospectus and any accompanying supplement to this prospectus. You must not rely upon any information or representation not contained or incorporated by reference in this prospectus or the accompanying prospectus supplement. This prospectus and the accompanying supplement to this prospectus do not constitute an offer to sell or the solicitation of an offer to buy securities, nor do this prospectus and the accompanying supplement to this prospectus constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation. The information contained in this prospectus and the accompanying prospectus supplement speaks only as of the date set forth on the cover page and may not reflect subsequent changes in our business, financial condition, results of operations and prospects even though this prospectus and any accompanying prospectus supplement is delivered or securities are sold on a later date.

We may sell the securities directly to or through underwriters, dealers or agents. We, and our underwriters or agents, reserve the right to accept or reject all or part of any proposed purchase of securities. If we do offer securities through underwriters or agents, we will include in the applicable prospectus supplement:

- the names of those underwriters or agents;
- applicable fees, discounts and commissions to be paid to them;
- details regarding over-allotment options, if any; and
- the net proceeds to us.

Common Stock. We may issue shares of our voting or non-voting common stock from time to time. Holders of our voting common stock are entitled to one vote per share for the election of directors and on all other matters that require stockholder approval. The holder of each share of non-voting common stock has no voting power to vote on any matter that is submitted to a vote or for the consent of our stockholders, except the designation of the non-voting common stock, the number of the class or series and the voting powers, designations, preferences, limitations, restrictions and relative rights of the non-voting common stock may be amended only if approved by holders of shares of non-voting common stock representing a majority of the outstanding shares of non-voting common stock. Subject to any preferential rights of any outstanding preferred stock, in the event of our liquidation, dissolution or winding up, holders of our common stock are entitled to share ratably in the assets remaining after payment of liabilities and the liquidation preferences of any outstanding preferred stock. Our common stock does not carry any redemption rights or any preemptive rights enabling a holder to subscribe for, or receive shares of, any class of our common stock or any other securities convertible into shares of any class of our common stock. Any such issuance of common stock may cause the dilution of our existing outstanding equity securities.

Preferred Stock. We may issue shares of our preferred stock from time to time, in one or more series. Under our certificate of incorporation, our board of directors has the authority, without further action by stockholders, to designate up to 50,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges, qualifications and restrictions granted to or imposed upon the preferred stock, including dividend rights, conversion rights, voting rights, rights and terms of redemption, liquidation preference and sinking fund terms, any or all of which may be greater than the rights of the common stock.

If we issue preferred stock, we will fix the rights, preferences, privileges, qualifications and restrictions of the preferred stock of each series that we sell under this prospectus and applicable prospectus supplements in the certificate of designations relating to that series. If we issue preferred stock, we will incorporate by reference into the registration statement of which this prospectus is a part the form of any certificate of designations that describes the terms of the series of preferred stock we are offering before the issuance of the related series of preferred stock. We urge you to read the prospectus supplement related to any series of preferred stock we may offer, as well as the complete certificate of designations that contains the terms of the applicable series of preferred stock. Any issuance of our preferred stock may cause the dilution of our existing outstanding equity securities.

Debt Securities. We may issue debt securities from time to time, in one or more series, as either senior or subordinated debt. The senior debt securities will rank equally with any other unsubordinated debt that we may have and may be secured or unsecured. The subordinated debt securities will be subordinate and junior in right of payment, to the extent and in the manner described in the instrument governing the debt, to all or some portion of our indebtedness. Additionally, we may issue common and/or preferred stock from time to time. Any such issuance of equity securities may cause the dilution of our existing outstanding equity securities.

If we issue debt securities, they will be issued under one or more documents called indentures, which are contracts between us and a trustee for the holders of the debt securities. If we issue preferred stock, it will be issued pursuant to a certificate of designation of the rights and preferences of such securities, to the extent and in the manner described in such document. We urge you to read the prospectus supplement related to the series of debt securities or equity securities being offered, as the case may be, as well as the complete indenture that contains the terms of the debt securities (which will include a supplemental indenture) and the complete preferred stock certificate of designation, if any. If we issue debt securities, indentures and forms of debt securities containing the terms of debt securities being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we have filed or would subsequently file with the SEC. Similarly, if we issue preferred stock, the certificate of designation containing the terms of such preferred stock being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we would subsequently file with the SEC.

In this prospectus, when we use the term the “Company,” “we,” “us” or “our,” we mean U-Haul Holding Company (f/k/a AMERCO) and its subsidiaries unless the context requires otherwise.

ABOUT U-HAUL HOLDING COMPANY

We believe we are North America’s largest “do-it-yourself” moving and storage operator through our subsidiary U-Haul International, Inc (“U-Haul”). U-Haul is synonymous with “do-it-yourself” moving and storage and is a leader in supplying products and services to help people move and store their household and commercial goods. Our primary service objective is to provide a better and better product or service to more and more people at a lower and lower cost.

We were founded in 1945 as a sole proprietorship under the name “U-Haul Trailer Rental Company” and have rented trailers ever since. Starting in 1959, we rented trucks on a one-way and in-town basis exclusively through independent U-Haul® dealers. In 1974, we began developing our network of U-Haul® managed retail stores, through which we rent our trucks and trailers, self-storage rooms and portable moving and storage units and sell moving and self-storage products and services to complement our independent dealer network.

We rent our distinctive orange and white U-Haul® trucks and trailers as well as offer self-storage rooms through a network of over 2,100 Company operated retail moving stores and nearly 21,100 independent U-Haul® dealers. We also sell U-Haul® brand boxes, tape and other moving and self-storage products and services to “do-it-yourself” moving and storage customers at all of our distribution outlets and through our uhaul.com website.

Another extension of our strategy to make “do-it-yourself” moving and storage easier is our U-Box® program. A U-Box® portable moving and storage unit is delivered to a location of our customer’s choosing either by the customers themselves through the use of a U-Box® trailer, with the assistance of a Moving help program or by Company personnel. Once the U-Box® portable moving and storage unit is filled, it can be stored at the customer’s location, or taken to any of our Company operated locations, a participating independent dealer, or moved to a location of the customer’s choice.

We believe U-Haul is the most convenient supplier of products and services addressing the needs of North America's "do-it-yourself" moving and storage market. Our broad geographic coverage throughout the United States and Canada and our extensive selection of U-Haul® brand moving equipment rentals, self-storage units, portable moving and storage units and related moving and storage products and services provide our customers with convenient "one-stop" shopping.

Since 1945, U-Haul has incorporated sustainable practices into its everyday operations. We believe that our basic business premise of equipment sharing helps reduce greenhouse gas emissions and reduces the inventory of total large capacity vehicles. We continue to look for ways to reduce waste within our business and are dedicated to manufacturing reusable components and recyclable products. We believe that our commitment to sustainability, through our products and services and everyday operations has helped us to reduce our impact on the environment.

Through Repwest Insurance Company and ARCOA Risk Retention Group, our property and casualty insurance subsidiaries, we manage the property, liability and related insurance claims processing for U-Haul. Oxford Life Insurance Company, our life insurance subsidiary, sells Medicare supplement insurance, life insurance, annuities and other related products to the senior market.

We are a publicly traded Nevada corporation. Our voting and non-voting common stock were previously listed on the Nasdaq Global Select Market under the symbols "UHAL" and "UHALB." Effective December 19, 2022, we transferred the listing of our voting common stock to the New York Stock Exchange under the symbol "UHAL" and our non-voting common stock to the New York Stock Exchange under the symbol "UHALB." Our principal executive offices are located at 5555 Kietzke Lane, Suite 100, Reno, Nevada 89511. Our telephone number is (775) 688-6300, and our website address is investors.uhaul.com. Information contained in or linked to our website is not a part of this prospectus.

You can get more information regarding our business by reading our most recent Annual Report on Form 10-K and the other reports and information that we file with the SEC. See "Where You Can Find More Information."

Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks mentioned elsewhere in this prospectus.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain “forward-looking statements” regarding future events and our future results of operations. Such statements may include, but are not limited to, the risk associated with COVID-19 or similar events on employees or customers, impact on the economic environment or demand of our products and the cost and availability of debt and capital, estimates of capital expenditures, plans for future operations, products or services, financing needs, plans and strategies, our perceptions of our legal positions and anticipated outcomes of government investigations and pending litigation against us, liquidity and the availability of financial resources to meet our needs, goals and strategies, plans for new business, storage occupancy, growth rate assumptions, pricing, costs, and access to capital and leasing markets, the impact of our compliance with environmental laws and cleanup costs, our beliefs regarding our sustainable practices, our used vehicle disposition strategy, the sources and availability of funds for our rental equipment and self-storage expansion and replacement strategies and plans, our plan to expand our U-Haul storage affiliate program, that additional leverage can be supported by our operations and business, the availability of alternative vehicle manufacturers, our estimates of the residual values of our equipment fleet, our plans with respect to off-balance sheet arrangements, our plans to continue to invest in the U-Box® program, the impact of interest rate and foreign currency exchange rate changes on our operations, the sufficiency of our capital resources, the sufficiency of capital of our insurance subsidiaries, inflationary pressures that may challenge our ability to maintain or improve upon our operating margin, expectations regarding the potential impact to our information technology infrastructure and on our financial performance and business operations, including any related costs, fines or lawsuits, and our ability to continue ongoing operations and safeguard the integrity of our information technology infrastructure, data, and employee customer and vendor information, as well as assumptions relating to the foregoing. The words “believe,” “expect,” “anticipate,” “plan,” “may,” “will,” “could,” “estimate,” “project” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made.

Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. The above factors, the following disclosures, as well as other statements in this prospectus and in the notes to our consolidated financial statements, could contribute to or cause such risks or uncertainties, or could cause our stock price to fluctuate dramatically. Consequently, the forward-looking statements should not be regarded as representations or warranties by the Company that such matters will be realized. The Company assumes no obligation to update or revise any of the forward-looking statements, whether in response to new information, unforeseen events, changed circumstances or otherwise, except as required by law.

You should carefully consider the trends, risks and uncertainties described in the “Risk Factors” section of this prospectus and other information in this prospectus and reports filed with the SEC before making any investment decision with respect to the notes. If any of the trends, risks or uncertainties set forth in the “Risk Factors” section of this prospectus actually occurs or continues, our business, financial condition or operating results could be materially adversely affected. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this cautionary statement.

DESCRIPTION OF SECURITIES

We may offer shares of our common stock and preferred stock and various series of debt securities from time to time under this prospectus at prices and on terms to be determined by market conditions at the time of offering. Each time we offer a type or series of securities, we will provide a prospectus supplement that will describe the specific amounts, prices and other important terms of such securities. The debt securities will be unsecured or secured by certain assets owned by us or certain of our subsidiaries or third parties.

A prospectus supplement will describe the specific types, amounts, prices and detailed terms of any of these securities.

USE OF PROCEEDS

We will retain broad discretion over the use of the net proceeds from the sale of our securities offered hereby. Except as described in any prospectus supplement, we currently anticipate using the net proceeds from the sale of our securities offered hereby primarily for general corporate

purposes.

Pending the use of the net proceeds, we may invest the net proceeds in short-term marketable securities.

PLAN OF DISTRIBUTION

We may sell the securities covered by this prospectus from time to time in one or more offerings. Registration of the securities covered by this prospectus does not mean, however, that those securities will necessarily be offered or sold.

We may sell the securities separately or together:

- through one or more underwriters or dealers in a public offering and sale by them;
- through agents; or
- directly to investors.

We will set forth the terms of the offering of any securities being offered in the applicable prospectus supplement.

If we utilize underwriters in an offering of securities using this prospectus, we will execute an underwriting agreement with those underwriters. The underwriting agreement will provide that the obligations of the underwriters with respect to a sale of the offered securities are subject to certain conditions precedent and that the underwriters will be obligated to purchase all the offered securities if any are purchased. Underwriters may sell those securities to or through dealers. The underwriters may change any initial public offering price and any discounts or concessions allowed or re-allowed or paid to dealers from time to time. If we utilize underwriters in an offering of securities using this prospectus, the applicable prospectus supplement will contain a statement regarding the intention, if any, of the underwriters to make a market in the offered securities.

If we utilize a dealer in an offering of securities using this prospectus, we will sell the offered securities to the dealer, as principal. The dealer may then resell those securities to the public at a fixed price or at varying prices to be determined by the dealer at the time of resale.

We may also use this prospectus to offer and sell securities through agents designated by us from time to time. Unless otherwise indicated in the prospectus supplement, any agent will be acting on a reasonable efforts basis for the period of its appointment.

We may offer to sell securities either at a fixed price or at prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices. We may also use this prospectus to directly solicit offers to purchase securities. Except as set forth in the applicable prospectus supplement, none of our directors, officers, or employees nor those of our subsidiaries will solicit or receive a commission in connection with those direct sales. Those persons may respond to inquiries by potential purchasers and perform ministerial and clerical work in connection with direct sales.

We may authorize underwriters, dealers and agents to solicit offers by certain institutions to purchase securities pursuant to delayed delivery contracts providing for payment and delivery on a future date specified in the prospectus supplement. Institutions with which delayed delivery contracts may be made include commercial and savings banks, insurance companies, educational and charitable institutions and other institutions that we may approve. The obligations of any purchaser under any delayed delivery contract will not be subject to any conditions except that any related sale of offered securities to underwriters shall have occurred and the purchase by an institution of the securities covered by its delayed delivery contract shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which that institution is subject.

Underwriters, dealers or agents participating in a distribution of securities by use of this prospectus and an applicable prospectus supplement may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the offered securities, whether received from us or from purchasers of offered securities for whom they act as agent, may be deemed to be underwriting discounts and commissions under the Securities Act.

Under agreements that we may enter into, underwriters, dealers or agents who participate in the distribution of securities by use of this prospectus and an applicable prospectus supplement may be entitled to indemnification by us against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that those underwriters, dealers or agents may be required to make.

Underwriters, dealers, agents or their affiliates may be customers of, engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business, for which they have received or will receive customary compensation.

LEGAL MATTERS

Certain legal matters will be passed upon for us by DLA Piper LLP (US). If counsel for any underwriter, dealer or agent passes on legal matters in connection with an offering made by this prospectus, we will name that counsel in the prospectus supplement relating to the offering.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The following table sets forth the estimated expenses in connection with the issuance and distribution of the securities registered hereby, which will be borne by the registrant.

Securities and Exchange Commission registration fee	\$	(1)
Legal fees and expenses		(2)
Accounting fees and expenses		(2)
Miscellaneous		(2)
Total	\$	(2)

- (1) Deferred in accordance with Rule 456(b) and 457(r) of the Securities Act.
- (2) These fees and expenses depend on the securities offered and the number of issuances and accordingly are not presently known and cannot be estimated at this time.

Item 15. Indemnification of Directors and Officers.

The Nevada General Corporation Law requires the Company to indemnify officers and directors for any expenses incurred by any officer or director in connection with any actions or proceedings, whether civil, criminal, administrative, or investigative, brought against such officer or director because of his or her status as an officer or director, to the extent that the director or officer has been successful on the merits or otherwise in defense of the action or proceeding. The Nevada General Corporation Law permits a corporation to indemnify an officer or director, even in the absence of an agreement to do so, for expenses incurred in connection with any action or proceeding if such officer or director acted in good faith and in a manner in which he or she reasonably believed to be in or not opposed to the best interests of the corporation and such indemnification is authorized by the stockholders, by a quorum of disinterested directors, by independent legal counsel in a written opinion authorized by a majority vote of a quorum of directors consisting of disinterested directors, or by independent legal counsel in a written opinion if a quorum of disinterested directors cannot be obtained. The Amended and Restated Articles of Incorporation of the Company eliminate personal liability of directors and officers, to the Company or its stockholders, for damages for breach of their fiduciary duties as directors or officers, except for liability (i) for acts or omissions that involve intentional misconduct, fraud, or a knowing violation of law, or (ii) for the unlawful payment of dividends. In addition, the Amended and Restated Articles of Incorporation of the Company provide that the Company shall indemnify, to the fullest extent authorized or permitted by law, any person made, or threatened to be made, a defendant in any action, suit, or proceeding by reason of the fact that he or she was a director or officer of the Company so long as such person is not liable pursuant to Section 78.138 of the Nevada General Corporation Law or acted in good faith and in a manner in which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect

to criminal actions or proceedings, had no reasonable cause to believe the conduct was unlawful. The Company has also executed indemnification agreements that provide that certain of the Company's directors and officers shall be indemnified and held harmless by the Company to the fullest extent permitted by applicable law or the Restated Articles of Incorporation or Bylaws of the Company. The Nevada General Corporation Law prohibits indemnification of a director or officer if a final adjudication establishes that the officer's or director's acts or omissions involved intentional misconduct, fraud, or a knowing violation of the law and were material to the cause of action. Despite the foregoing limitations on indemnification, the Nevada General Corporation Law may permit an officer or director to apply to the court for approval of indemnification even if the officer or director is adjudged to have committed intentional misconduct, fraud, or a knowing violation of the law. The Nevada General Corporation Law also provides that indemnification of directors is not permitted for the unlawful payment of distributions, except for those directors registering their dissent to the payment of the distribution.

Item 16. Exhibits.

The information set forth in the Exhibit Index immediately following the signature pages to this Registration Statement in Form S-3 is incorporated by reference into this Item 16. Certain exhibits are incorporated by reference from documents previously filed by the Company with the SEC as required by Item 601 of Regulation S-K.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b), if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in

the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) that, (i) for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and (ii) for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Securities Being Registered under Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as counsel to you in connection with your filing of a Registration Statement on Form S-3 (as amended or supplemented, the “**Registration Statement**”) pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), relating to the registration of any combination of (i) voting common stock, par value \$0.25 per share (the “**Voting Common Stock**”), of U-Haul Holding Company, a Nevada corporation (the “**Company**”), (ii) non-voting common stock, par value \$0.001 per share (the “**Non-Voting Common Stock**”), of the Company, (iii) preferred stock of the Company (the “**Preferred Stock**”), and (iv) debt securities of the Company (“**Debt Securities**”). The Voting Common Stock, Non-Voting Common Stock, Preferred Stock and Debt Securities are sometimes referred to collectively herein as the “**Securities**.” Securities may be issued in an unspecified number (with respect to Voting Common Stock, Non-Voting Common Stock and Preferred Stock) or in an unspecified principal amount (with respect to Debt Securities). The Registration Statement provides that the Securities may be offered separately or together, in separate series, in amounts, at prices and on terms to be set forth in one or more prospectus supplements (each a “**Prospectus Supplement**”) to the prospectus contained in the Registration Statement.

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinions expressed below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinions set forth below, on certificates of officers of the Company.

The opinions expressed below are limited to the General Corporation Law of Nevada (which includes reported judicial decisions interpreting the General Corporation Law of Nevada) and the federal law of the United States. Without limiting the generality of the foregoing, we express no opinion with respect to (i) state securities or “blue sky” laws, or (ii) state or federal antitrust laws.

For purposes of the opinions expressed below, without limiting any other exceptions or qualifications set forth herein, we have assumed that after the issuance of any Securities offered pursuant to the Registration Statement, the total number of issued shares of Voting Common Stock, Non-Voting Common Stock or Preferred Stock, as applicable, will not exceed the total number of authorized shares of Voting Common Stock, Non-Voting Common Stock or Preferred Stock, as applicable, under the Company's Restated Articles of Incorporation, as amended and then in effect (the "**Charter**").

For purposes of the opinions expressed below, we refer to the following as the "**Future Authorization and Issuance**" of Securities:

- with respect to any of the Securities, (a) the authorization by the Company of the terms and issuance of such Securities (the "**Authorization**") and (b) the issuance of such Securities in accordance with the Authorization therefor upon the receipt by the Company of the consideration (which, in the case of shares of Voting Common Stock, Non-Voting Common Stock or Preferred Stock, is not less than the par value of such shares) to be paid therefor in accordance with the Authorization;
- with respect to Preferred Stock, (a) the establishment of the terms of such Preferred Stock by the Company in conformity with the Charter and applicable law and (b) the execution, acknowledgement and filing with the Nevada Secretary of State, and the effectiveness of, a certificate of designations to the Charter setting forth the terms of such Preferred Stock in accordance with the Charter and applicable law; and
- with respect to Debt Securities, (a) the authorization, execution and delivery of the indenture or a supplemental indenture relating to such Securities by the Company and the trustee thereunder and/or (b) the establishment of the terms of such Securities by the Company in conformity with the applicable indenture or supplemental indenture and applicable law, and (c) the execution, authentication and issuance of such Securities in accordance with the applicable indenture or supplemental indenture and applicable law.

Based upon the foregoing, and subject to the additional qualifications set forth below, we are of the opinion that:

1. Upon the Future Authorization and Issuance of shares of Voting Common Stock, such shares of Voting Common Stock will be validly issued, fully paid and non-assessable.
2. Upon the Future Authorization and Issuance of shares of Non-Voting Common Stock, such shares of Non-Voting Common Stock will be validly issued, fully paid and non-assessable.
3. Upon the Future Authorization and Issuance of shares of Preferred Stock, such shares of Preferred Stock will be validly issued, fully paid and non-assessable
4. Upon the Future Authorization and Issuance of Debt Securities, such Debt Securities will be valid and binding obligations of the Company.

December 20, 2022

Ladies and Gentlemen:

I am Secretary of U-Haul Holding Company, a Nevada corporation (the “**Company**”), and have served as counsel to the Company in connection with the preparation and filing of the registration statement on Form S-3 (as amended or supplemented, the “**Registration Statement**”) by the Company with the Securities and Exchange Commission (the “**Commission**”) on December 20, 2022, with respect to the issuance and sale from time to time on a delayed or continuous basis pursuant to Rule 415 under the Securities Act of 1933, as amended (the “**Securities Act**”), of an indeterminate amount and aggregate offering price of the Company’s:

- a. common stock, par value \$0.25 per share (the “**Voting Common Stock**”);
- b. common stock, par value \$0.001 per share (the “**Non-Voting Common Stock**”);
- c. preferred stock, no par value per share, (the “**Preferred Stock**”); and
- d. debt securities (the “**Debt Securities**”).

Collectively, the Voting Common Stock, the Non-Voting Common Stock, the Preferred Stock and the Debt Securities are referred to herein as the “**Securities**.”

In providing this opinion, I have relied as to certain matters on information obtained from public officials and from officers, management and other representatives of the Company. I have been advised by the Company and, for purposes of this opinion, have assumed, that:

- 1. The rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation privileges of each series of Preferred Stock will be set forth in a certificate of designation to be approved by the Company’s board of directors, or in an amendment to the Company’s Amended and Restated Articles of Incorporation (the “**Articles of Incorporation**”), to be approved by the Company’s board of directors and stockholders, and that one or both of these documents will be filed either as an exhibit to an amendment to the Registration Statement to be filed after the date of this opinion or as an exhibit to a Current Report on Form 8-K to be filed after the Registration Statement has become effective;
- 2. The Debt Securities will be issued pursuant to an indenture between the Company and U.S. Bank Trust Company, National Association (the “**Trustee**”), a form of which has been (i) filed as an exhibit to this Registration Statement and (ii) qualified under the Trust Indenture Act of 1939, as amended;

3. The particular terms of any Debt Securities to be issued will be set forth in a supplement to the prospectus forming a part of the Registration Statement; and
4. The number of shares of Voting Common Stock, Non-Voting Common Stock and Preferred Stock to be offered and sold subsequent to the date hereof under the Registration Statement, together with the number of shares of Voting Common Stock, Non-Voting Common Stock and Preferred Stock of the same class issuable upon exercise, conversion or exchange of any Securities will not, in the aggregate, exceed the number of shares of each such class of Voting Common Stock, Non-Voting Common Stock or Preferred Stock authorized in the Articles of Incorporation.

As the Company's counsel, I have examined such corporate records, certificates and other documents, and such questions of law, as I have considered necessary or appropriate for the purposes of this opinion. Upon the basis of such examination, I advise you of the following opinions:

1. The Voting Common Stock and Non-Voting Common Stock will be validly issued, fully paid and nonassessable, assuming that (i) the Company's board of directors or an authorized committee thereof will have specifically authorized the issuance of such Voting Common Stock and Non-Voting Common Stock in exchange for consideration that the board of directors or such committee determines as adequate and in excess of the par value of such Voting Common Stock and Non-Voting Common Stock ("**Common Stock Authorizing Resolutions**"), and (ii) the Company has received the consideration provided for in the applicable Common Stock Authorizing Resolutions.
2. The Preferred Stock will be validly issued, fully paid and nonassessable, assuming that (i) the Company's board of directors or an authorized committee thereof will have specifically authorized the issuance of such Preferred Stock in exchange for consideration that the board of directors or such committee determines as adequate and in excess of the par value of such Preferred Stock ("**Preferred Stock Authorizing Resolutions**"), (ii) the rights, preferences, privileges and restrictions of the Preferred Stock have been established in conformity with applicable law, (iii) an appropriate certificate of designation approved by the Company's board of directors, or an amendment to the Company's Articles of Incorporation approved by the Company's board of directors and stockholders, has been filed with the State of Nevada, (iv) the terms of the offer, issuance and sale of shares of such class or series of Preferred Stock have been duly established in conformity with the Company's Articles of Incorporation and Bylaws (the "**Bylaws**"), and do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company, and (v) the Company has received the consideration provided for in the applicable Preferred Stock Authorizing Resolutions.

3. The Debt Securities will constitute valid and legally binding obligations of the Company, assuming that (i) the Company's board of directors or an authorized committee thereof will have specifically authorized the issuance of such Debt Securities in exchange for consideration that the board of directors or such committee determines as adequate ("***Debt Securities Authorizing Resolutions***"), (ii) the applicable indenture conforms with applicable law and is enforceable in accordance with its terms, (iii) the terms of the Debt Securities and of their issue and sale have been duly established in conformity with the applicable indenture, the Company's Articles of Incorporation and Debt Securities Authorizing Resolutions and do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company, and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company, (iv) such Debt Securities have been duly executed and authenticated in accordance with the applicable indenture and offered, issued and sold as contemplated in the Registration Statement, and (v) the Company has received the consideration provided for in the applicable Debt Securities Authorizing Resolutions.

The foregoing opinions are qualified to the extent that the enforceability of any document, instrument or the Securities may be limited by or subject to bankruptcy, insolvency, fraudulent transfer or conveyance, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally, and general equitable or public policy principles.

The foregoing opinions are limited to the laws of the State of Nevada, and I am expressing no opinion as to the effect of the laws of any other jurisdiction.

I hereby consent to the filing of this opinion as Exhibit 5.2 to the Registration Statement. In giving such consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

**ARTICLES OF ASSOCIATION OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION**

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the

Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars (\$10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

1. Define the duties of the officers, employees, and agents of the Association.
2. Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
3. Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
4. Dismiss officers and employees.
5. Require bonds from officers and employees and to fix the penalty thereof.
6. Ratify written policies authorized by the Association's management or committees of the board.
7. Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

8. Manage and administer the business and affairs of the Association.
9. Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
10. Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.
11. Make contracts.
12. Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. The board of directors shall have the power to establish or change the location of any office or offices of the Association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of the Association, or any shareholder owning, in the aggregate, not less than 25 percent of the stock of the Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of the Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of the Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount; provided, that the scope of the Association's activities and services may not be expanded without the prior written approval of the Comptroller of the Currency. The Association's board of directors may propose one or more amendments to the Articles of Association for submission to the shareholders.

In witness whereof, we have hereunto set our hands this 11th of June, 1997.

In accordance with applicable law, the sole shareholder of the Association is permitted to waive notice of the meeting. If, for any reason, an election of directors is not made on the designated day, the election shall be held on some subsequent day, as soon thereafter as practicable, with prior notice thereof. Failure to hold an annual meeting as required by these Bylaws shall not affect the validity of any corporate action or work a forfeiture or dissolution of the Association.

Section 1.2. Special Meetings. Except as otherwise specially provided by law, special meetings of the shareholders may be called for any purpose, at any time by a majority of the board of directors (the "Board"), or by any shareholder or group of shareholders owning at least ten percent of the outstanding stock. Section 1.3. Nominations for Directors. Nominations for election to the Board may be made by the Board or by any shareholder.

Section 1.6. Quorum and Voting. A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any

meeting of shareholders, unless otherwise provided by law, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held as adjourned without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the Articles of Association.

The Board may, and in the event of its failure so to do, the Chairman of the Board may appoint Inspectors of Election who shall determine the presence of quorum, the validity of proxies, and the results of all elections and all other matters voted upon by shareholders at all annual and special meetings of shareholders.

Section 1.8. Waiver and Consent. The shareholders may act without notice or a meeting by a unanimous written consent by all shareholders.

Section 1.9. Remote Meetings. The Board shall have the right to determine that a shareholder meeting not be held at a place, but instead be held solely by means of remote communication in the manner and to the extent permitted by the General Corporation Law of the State of Delaware.

ARTICLE II Directors

Section 2.1. Board of Directors. The Board shall have the power to manage and administer the business and affairs of the Association. Except as expressly limited by law, all corporate powers of the Association shall be vested in and may be exercised by the Board.

As provided in the Articles of Association, the Board of this Association shall consist of no less than five nor more than twenty-five members, unless the OCC has exempted the Association from the twenty-five- member limit. The Board shall consist of a number of members to be fixed and determined from time to time by resolution of the Board or the shareholders at any meeting thereof, in accordance with the Articles of Association. Between meetings of the shareholders held for the purpose of electing directors, the Board

by a majority vote of the full Board may increase the size of the Board but not to more than a total of twenty-five directors, and fill any vacancy so created in the Board; provided that the Board may increase the number of directors only by up to two directors, when the number of directors last elected by shareholders was fifteen or fewer, and by up to four directors, when the number of directors last elected by shareholders was sixteen or more. Each director shall own such qualifying equity interest in his or her own right and meet any minimum threshold ownership required by applicable law.

Section 2.8. Quorum and Necessary Vote. A majority of the directors shall constitute a quorum at any meeting of the Board, except when otherwise provided by law; but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held as adjourned without further notice. Unless otherwise provided by law or the Articles or Bylaws of this Association, once a quorum is established, any act by a majority of those directors present and voting shall be the act of the Board.

Section 2.9. Written Consent. Except as otherwise required by applicable laws and regulations, the Board may act without a meeting by a unanimous written consent by all directors, to be filed with the Secretary of the Association as part of the corporate records.

Section 2.10. Remote Meetings. Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone, video or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

Section 2.11. Vacancies. When any vacancy occurs among the directors, the remaining members of the Board may appoint a director to fill such vacancy at any regular meeting of the Board, or at a special meeting called for that purpose.

ARTICLE III

Committees

Section 3.1. Advisory Board of Directors. The Board may appoint persons, who need not be directors, to serve as advisory directors on an advisory board of directors established with respect to the business affairs of either this Association alone or the business affairs of a group of affiliated organizations of which this Association is one. Advisory directors shall have such powers and duties as may be determined by the Board, provided, that the Board's responsibility for the business and affairs of this Association shall in no respect be delegated or diminished.

Section 3.2. Trust Audit Committee. At least once during each calendar year, the Association shall arrange for a suitable audit (by internal or external auditors) of all significant fiduciary activities under the direction of its trust audit committee, a function that will be fulfilled by the Audit Committee of the financial holding company that is the ultimate parent of this Association. The Association shall note the results of the audit (including significant actions taken as a result of the audit) in the minutes of the Board. In lieu of annual audits, the Association may adopt a continuous audit system in accordance with 12 C.F.R. § 9.9(b).

The Audit Committee of the financial holding company that is the ultimate parent of this Association, fulfilling the function of the trust audit committee:

Section 3.3. Executive Committee. The Board may appoint an Executive Committee which shall consist of at least three directors and which shall have, and may exercise, to the extent permitted by applicable law, all the powers of the Board between meetings of the Board or otherwise when the Board is not meeting.

Section 3.4. Trust Management Committee. The Board of this Association shall appoint a Trust Management Committee to provide oversight of the fiduciary activities of the Association. The Trust Management Committee shall determine policies governing fiduciary activities. The Trust Management Committee or such sub-committees, officers or others as may be duly designated by the Trust Management Committee shall oversee the processes related to fiduciary activities to assure conformity with fiduciary policies it establishes, including ratifying the acceptance and the closing out or relinquishment of all trusts. The Trust Management Committee will provide regular reports of its activities to the Board.

Section 3.5. Other Committees. The Board may appoint, from time to time, committees of one or more persons who need not be directors, for such purposes and with such powers as the Board may determine; however, the Board will not delegate to any committee any powers or responsibilities that it is prohibited from delegating under any law or regulation. In addition, either the Chairman or the President may appoint, from time to time, committees of one or more officers, employees, agents or other persons, for such purposes and with such powers as either the Chairman or the President deems appropriate and proper. Whether appointed by the Board, the Chairman, or the President, any such committee shall at all times be subject to the direction and control of the Board.

Section 3.6. Meetings, Minutes and Rules. An advisory board of directors and/or committee shall meet as necessary in consideration of the purpose of the advisory board of directors or committee, and shall maintain minutes in sufficient detail to indicate actions taken or recommendations made; unless required by the members, discussions, votes or other specific details need not be reported. An advisory board of directors or a committee may, in consideration of

its purpose, adopt its own rules for the exercise of any of its functions or authority.

ARTICLE IV Officers

Section 4.1. Chairman of the Board. The Board may appoint one of its members to be Chairman of the Board to serve at the pleasure of the Board. The Chairman shall supervise the carrying out of the policies adopted or approved by the Board; shall have general executive powers, as well as the specific powers conferred by these Bylaws; and shall also have and may exercise such powers and duties as from time to time may be conferred upon or assigned by the Board.

Section 4.2. President. The Board may appoint one of its members to be President of the Association. In the absence of the Chairman, the President shall preside at any meeting of the Board. The President shall have general executive powers, and shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the office of President, or imposed by these Bylaws. The President shall also have and may exercise such powers and duties as from time to time may be conferred or assigned by the Board.

Section 4.3. Vice President. The Board may appoint one or more Vice Presidents who shall have such powers and duties as may be assigned by the Board and to perform the duties of the President on those occasions when the President is absent, including presiding at any meeting of the Board in the absence of both the Chairman and President.

Section 4.4. Secretary. The Board shall appoint a Secretary, or other designated officer who shall be Secretary of the Board and of the Association, and shall keep accurate minutes of all meetings.
