U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of Presentation

U-Haul Holding Company, a Nevada corporation ("U-Haul Holding Company"), has a second fiscal quarter that ends on the 30th of September for each year that is referenced. Our insurance company subsidiaries have a second quarter that ends on the 30th of June for each year that is referenced. They have been consolidated on that basis. Our insurance companies' financial reporting processes conform to calendar year reporting as required by state insurance departments. We believe that consolidating their calendar year into our fiscal year financial statements does not materially affect the presentation of consolidated financial position or consolidated results of operations. We disclose material events, if any, occurring during the intervening period. Consequently, all references to our insurance subsidiaries' years 2025 and 2024 correspond to fiscal 2026 and 2025 for U-Haul Holding Company.

Accounts denominated in non-U.S. currencies have been translated into U.S. dollars.

The accompanying interim consolidated financial statements are unaudited and reflect all adjustments (including normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented in conformity with the accounting principles generally accepted in the United States of America ("GAAP"). Interim results are not necessarily indicative of full year performance. The year-end consolidated balance sheet data was derived from audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2025, which include all disclosures required by GAAP. Compared to the consolidated annual financial statements, certain footnotes within the accompanying interim consolidated financial statements have been condensed. Therefore, these interim consolidated financial statements should be read in conjunction with the consolidated financial statements of the Company included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2025.

In our opinion, all adjustments necessary for the fair presentation of such consolidated financial statements have been included. Such adjustments consist only of normal recurring items.

Intercompany accounts and transactions have been eliminated.

Description of Legal Entities

U-Haul Holding Company is the holding company for:

U-Haul International, Inc. ("U-Haul");

Amerco Real Estate Company ("Real Estate");

Repwest Insurance Company ("Repwest"); and

Oxford Life Insurance Company ("Oxford").

Unless the context otherwise requires, the terms "Company," "we," "us" or "our" refer to U-Haul Holding Company and all of its legal subsidiaries.

Description of Operating and Reportable Segments

U-Haul Holding Company's three operating and reportable segments are Moving and Storage, Property and Casualty Insurance and Life Insurance.

Moving and Storage operations consist of the rental of trucks and trailers, sales of moving supplies, sales of towing accessories, sales of propane, and the rental of fixed and portable moving and storage units to the "do-it-yourself" mover and management of self-storage properties owned by others. Operations are conducted under the registered trade name U-Haul® throughout the United States and Canada.

Property and Casualty Insurance provides loss adjusting and claims handling for U-Haul® through regional offices in the United States and Canada. Property and Casualty Insurance also underwrites components of the Safemove®, Safetow®, Safemove Plus®, Safestor® and Safehaul® protection packages to U-Haul customers. The business plan for Property and Casualty Insurance includes offering property and casualty insurance products in other U-Haul-related programs. ARCOA Risk Retention Group is a

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

group captive insurer owned by us and our wholly owned subsidiaries whose purpose is to provide insurance products related to our moving and storage business.

Life Insurance provides life and health insurance products primarily to the senior market through the direct writing and reinsuring of life insurance, Medicare supplement and annuity policies.

2. Earnings per Share

We calculate earnings per share using the two-class method in accordance with ASC Topic 260, *Earnings Per Share*. The two-class method allocates the undistributed earnings available to common stockholders to the Company's outstanding common stock, \$0.25 par value (the "Voting Common Stock"), and the Company's Series N Non-Voting Common Stock, \$0.001 par value (the "Non-Voting Common Stock"), based on each share's percentage of total weighted average shares outstanding. The Voting Common Stock and the Non-Voting Common Stock are allocated 10% and 90%, respectively, of our undistributed earnings available to common stockholders. This represents earnings available to common stockholders less the dividends declared for both the Voting Common Stock and the Non-Voting Common Stock.

Our undistributed earnings per share is calculated by taking the undistributed earnings available to common stockholders and dividing this number by the weighted average shares outstanding for the respective stock. If there was a dividend declared for that period, the dividend per share is added to the undistributed earnings per share to calculate the basic and diluted earnings per share. The process is used for the Voting Common Stock and the Non-Voting Common Stock.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The calculation of basic and diluted earnings per share for the quarters ended September 30, 2025 and 2024 for the Voting Common Stock and the Non-Voting Common Stock were as follows:

Gross proceeds from sales of securities were \$2.4 million and \$14.0 million for the first six months ended September 30, 2025 and September 30, 2024, respectively. No material gross realized gains or losses were recognized.

For available-for-sale debt securities in an unrealized loss position, we first assess whether the security is below investment grade. For securities that are below investment grade, we evaluate whether the decline in fair value has resulted from credit losses or other factors such as the interest rate environment. Declines in value due to credit are recognized as an allowance. In making this assessment, management considers the extent to which fair value is less than amortized cost, any changes to the rating of the security by a rating agency, and adverse market conditions specifically related to the security, among other factors. If this assessment indicates that a credit loss exists, cumulative default rates based on ratings are used to determine the potential cost of default, by year. The present value of these potential costs is then compared to the amortized cost of the security to determine the credit loss, limited by the amount that the fair value is less than the amortized cost basis.

Declines in fair value that have not been recorded through an allowance for credit losses, such as declines due to changes in market interest rates, are recorded through accumulated other comprehensive income, net of applicable taxes. If we intend to sell a security, or it is more likely than not that we will be required to sell the security before recovery of its amortized cost basis, the security is written down to its fair value and the write down is charged against the allowance for credit losses, with any incremental impairment reported in earnings. Reversals of the allowance for credit losses are permitted and should not exceed the allowance amount initially recognized.

Changes in the allowance for credit losses are recorded as provision for (or reversal of) credit loss expense. There was a \$1.5 million and \$1.8 million net impairment charge recorded in the first six months ended September 30, 2025 and 2024, respectively.

Expected maturities may differ from contractual maturities as borrowers may have the right to call or prepay obligations with or without call or prepayment penalties.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The amortized cost and fair value of available-for-sale investments by contractual maturity were as follows:

Other Reserves

Self-Insurance Liabilities

U-Haul retains the risk for certain public liability and third-party property damage claims related to our rental equipment. The consolidated balance sheets include \$404.0 million and \$360.8 million of liabilities related to these programs as of September 30, 2025 and March 31, 2025, respectively. These liabilities represent an estimate for both reported claims not yet paid and claims incurred but not yet reported and are recorded on an undiscounted basis in policy benefits and losses, claims and loss expenses payable. Requirements are based on actuarial evaluations of historical accident claims expense and trends, as well as future projection of ultimate losses, expenses and administrative costs. The adequacy of the liability is monitored based on evolving claim history. This liability is subject to change in the future based upon changes in the underlying assumptions including claims experience, frequency of incidents, and severity of incidents.

Facility fees	\$ 531	\$ 579

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

6. Derivatives

Cash Flow Hedges

We manage exposure to changes in market interest rates. We use interest rate swap agreements and forward swaps to reduce our exposure to changes in interest rates. Our use of derivative instruments is limited to highly effective interest rate swaps to hedge the risk of changes in cash flows (future interest payments) attributable to changes in secured overnight financing rate ("SOFR") swap rates with the designated benchmark interest rate being hedged on certain of our SOFR indexed variable rate debt. The interest rate swaps effectively fix our interest payments on certain SOFR indexed variable rate debt through July 2032. We monitor our positions and the credit ratings of our counterparties and do not currently anticipate non-performance by the counterparties. Interest rate swap agreements are not entered into for trading purposes. These fair values are determined using pricing valuation models which include broker quotes for which significant inputs are observable. They include adjustments for counterparty credit quality and other deal-specific factors, where appropriate, and are classified as Level 2 in the fair value hierarchy.

The derivative fair values reflected in prepaid expense and accounts payable and accrued expenses in the consolidated balance sheet were as follows:

as follows:

	Derivatives Fair Values as of			
	September 30, 2025		March 31, 2025	
	(Unaudited)			
	(In thousands)			
Interest rate swaps designated as cash flow hedges:				
Assets	\$	2,647	\$	4,381
Liabilities	\$	436	\$	777
Notional amount	\$	272,647	\$	376,887

(Gains) or losses recognized in income on interest rate derivatives are recorded as interest expense in the consolidated statements of operations. During the first six months of fiscal 2026 and 2025, we recognized a (decrease)/increase in the fair value of our cash flow hedges of \$4.4 million and \$0.2 million, respectively, net of taxes. During the first six months of fiscal 2026 and 2025, we reclassified (\$3.6) million and \$8.2 million, respectively, from accumulated other comprehensive income (loss) ("AOCI") to interest expense, net of tax. As of September 30, 2025, we expect to reclassify \$2.5 million of net gains on interest rate contracts from AOCI to earnings as interest expense over the next 12 months.

Economic Hedges

We use derivatives to economically hedge our equity market exposure to indexed annuity products sold by our Life Insurance company. These contracts earn a return for the contract holder based on the change in the value of the S&P 500 index between annual index point dates. We buy and sell listed equity and index call options and call option spreads. The credit risk is with the party in which the options are written. The net option price is paid up front and there are no additional cash requirements or additional contingent liabilities. These contracts are held at fair value on our balance sheet. These derivative instruments are included in Investments, other on the consolidated balance sheets. The fair values of these call options are determined based on quoted market prices from the relevant exchange and are classified as Level 1 in the fair value hierarchy. Net (gains) losses recognized in net investment and interest income for the first six months of September 30, 2025 and 2024 were \$5.9 million and \$6.5 million, respectively.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

	Derivatives Fair Values as of			
	September 30, 2025		March 31, 2025	
	(Unaudited)			
	(In thousands)			
Equity market contracts as economic hedging instruments:				
Assets	\$	7,657	\$	8,819
Notional amount	\$	285,821	\$	326,218

Although the call options are employed to be effective hedges against our policyholder obligations from an economic standpoint, they do not meet the requirements for hedge accounting under GAAP. Accordingly, the changes in fair value of the call options are recognized each reporting date as a component of net investment and interest income. The change in fair value of the call options include the gains or losses recognized at the expiration of the option term and the changes in fair value for open contracts.

7. Accumulated Other Comprehensive Loss

10. Contingencies

Environmental

Compliance with environmental requirements of federal, state, provincial and local governments may affect the Company's business operations. Among other things, these requirements regulate the discharge of materials into the air, land and water and govern the use and disposal of hazardous substances. The Company is aware of issues regarding hazardous substances on some of its properties. The Company regularly makes capital and operating expenditures to stay in compliance with environmental laws and has put in place a remedial plan at each site where it believes such a plan is necessary.

Based upon the information currently available to the Company, compliance with environmental laws and its share of the costs of investigation and cleanup of known hazardous waste sites are not expected to result in a material adverse effect on the Company's financial position, results of operations or cash flows.

Other

We are named as a defendant in various other claims and litigation arising out of the normal course of business. In our opinion, none of these other claims and litigation will have a material effect on our financial position and results of operations.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

11. Related Party Transactions

U-Haul Holding Company has engaged in related party transactions and has continuing related party interests with certain major stockholders, directors and officers of the consolidated group as disclosed below.

SAC Holding Corporation and SAC Holding II Corporation (collectively, "SAC Holdings") were established in order to acquire and develop self-storage properties. These properties are being managed by us pursuant to management agreements. SAC Holdings, Four SAC Self-Storage Corporation, Five SAC Self-Storage Corporation, Galaxy Investments, L.P. and 2015 SAC-Self-Storage, LLC are substantially controlled by Blackwater Investments, Inc. ("Blackwater"). Blackwater is wholly owned by Willow Grove Holdings LP, which is owned by Mark V. Shoen (a significant stockholder), and various trusts associated with Edward J. Shoen (our Chairman of the Board, President and a significant stockholder) and Mark V. Shoen.

Related Party Revenue

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
U-Haul management fee revenue from Blackwater	\$ 7,830	\$ 7,805
U-Haul management fee revenue from Mercury	1,791	1,781

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
U-Haul management fee revenue from Blackwater	\$ 15,608	\$ 15,520
U-Haul management fee revenue from Mercury	3,595	3,561
	<u>\$ 19,203</u>	<u>\$ 19,081</u>

We currently manage the self-storage properties owned or leased by Blackwater and Mercury Partners, L.P. ("Mercury"), pursuant to a standard form of management agreement, under which we receive a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. We received management fees, exclusive of reimbursed expenses, of \$19.4 million and \$19.5 million from the above-mentioned entities during the first six months of fiscal 2026 and 2025, respectively. This management fee is consistent with the fee received for other properties we previously managed for third parties. Mark V. Shoen controls the general partner of Mercury. The limited partner interests of Mercury are owned indirectly by James P. Shoen and various trusts benefiting Edward J. Shoen and James P. Shoen or their descendants.

We lease space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of Blackwater and Mercury. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to us.

SAC Holdings provides ancillary and specialty printing services to us. The financial and other terms of the transactions are substantially identical to the terms of additional specialty printing vendors.

As of September 30, 2025, subsidiaries of Blackwater and Mercury acted as independent dealers. The financial and other terms of the dealership contracts are substantially identical to the terms of those with our other independent dealers whereby commissions are paid by us based upon equipment rental revenues.

These agreements with subsidiaries of Blackwater and Mercury, excluding Dealer Agreements, provided revenues of \$19.2 million and \$19.1 million, expenses of \$4.2 million and \$3.8 million and we received cash flows of \$18.1 million and \$18.2 million, respectively, during the first six months of fiscal 2026 and 2025. Revenues were \$291.9 million and \$289.6 million and commission expenses were \$60.7 million and \$59.6 million, respectively, related to the Dealer Agreements, during the first six months of fiscal 2026 and 2025.

We determined that we do not have a variable interest pursuant to the variable interest entity model under ASC 810, *Consolidation* in the holding entities of Blackwater and Mercury.

12. Reportable Segment Information:

Our Chief Executive Officer serves as our chief operating decision-maker ("CODM"). The CODM uses net earnings available to common stockholders for each reportable segment in the annual budgeting and monthly forecasting processes and as a basis for making decisions about allocating capital and other resources to each segment.

U-Haul Holding Company has identified three reportable segments, which are consistent with its operating segments and are organized based primarily on the nature of services provided, as follows:

- Moving and Storage operations consist of the rental of trucks and trailers, sales of moving supplies, sales of towing accessories, sales of propane, and the rental of fixed and portable moving and storage units to the "do-it-yourself" mover and management of self-storage properties owned by others. Operations are conducted under the registered trade name U-Haul throughout the United States and Canada.
- Property and Casualty Insurance provides loss adjusting and claims handling for U-Haul through regional offices in the United States and Canada. Property and Casualty Insurance also underwrites components of the Safemove, Safetow, Safemove Plus, Safestor and Safehaul protection packages to U-Haul customers.
- Life Insurance provides life and health insurance products primarily to the senior market through the direct writing and reinsuring of life insurance, Medicare supplement and annuity policies.

The amounts presented in the following tables represent gross amounts at each segment before the elimination column. Intersegment revenues are not presented as they are immaterial.

We track revenues separately, but do not report any separate measure of the profitability for rental vehicles, rentals of self-storage spaces and sales of products. The information includes elimination entries necessary to consolidate U-Haul Holding Company, the parent, with its subsidiaries. Depreciation, net of gains on disposals, and total expenditures for property and equipment are only recorded within the Moving and Storage segment.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Revenues and net earnings available to common stockholders by reportable segment for the quarter ended September 30, 2025 were as follows:

15. Fair Value Measurements

Certain assets and liabilities are recorded at fair value on the consolidated balance sheets and are measured and classified based upon a three-tiered approach to valuation. Financial assets and liabilities are recorded at fair value and are classified and disclosed in one of the following three categories:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices for identical or similar financial instruments in markets that are not considered to be active, or similar financial instruments for which all significant inputs are observable, either directly or indirectly, or inputs other than quoted prices that are observable, or inputs that are derived principally from or corroborated by observable market data through correlation or other means; and

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and are unobservable. These reflect management's assumptions about the assumptions a market participant would use in pricing the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fair values of investments available-for-sale are based on quoted market prices, dealer quotes or discounted cash flows.

Fair values of derivatives are based on using pricing valuation models which include broker quotes.

The following tables represent the financial assets and liabilities on the consolidated balance sheets as of September 30, 2025 and March 31, 2025, that are measured at fair value on a recurring basis and the level within the fair value hierarchy:

As of September 30, 2025	Total	Level 1	Level 2	Level 3

We estimate the fair value for financial instruments not carried at fair value using the same methods and assumptions as those we carry at fair value. The financial instruments presented below are reported at carrying value on the consolidated balance sheets.

Cash equivalents were \$786.7 million and \$700.0 million as of September 30, 2025 and March 31, 2025, respectively. Fair values of cash equivalents approximate carrying value due to the short period of time to maturity.

Fair values of mortgage loans and notes on real estate are based on quoted market prices, dealer quotes or discounted cash flows. Fair values of trade receivables approximate their recorded value.

Our financial instruments that are exposed to concentrations of credit risk consist primarily of temporary cash investments, trade receivables, and notes receivable. Limited credit risk exists on trade receivables due to the diversity of our customer base and their dispersion across broad geographic markets. We place our temporary cash investments with financial institutions and limit the amount of credit exposure to any one financial institution.

We have mortgage loans, which potentially expose us to credit risk. The portfolio of loans is principally collateralized by self-storage facilities and commercial properties. We have not experienced any material losses related to the loans from individual or groups of loans in any particular industry or geographic area. The estimated fair values were determined using the discounted cash flow method and using interest rates currently offered for similar loans to borrowers with similar credit ratings.

The carrying and fair value of interest sensitive contract liabilities below includes fixed indexed and traditional fixed annuities without mortality or morbidity risks, funding agreements and payout annuities without life contingencies. The embedded derivatives within fixed indexed annuities without mortality or morbidity risks are excluded, as they are carried at fair value. The valuation of the investment contracts is based on discounted cash flow methodologies using significant unobservable inputs. The estimated fair value is determined using currently credited market interest rates.

Other investments are substantially current or bear reasonable interest rates. As a result, the carrying values of these financial instruments approximate fair value.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES

16. Revenue Recognition

Revenue Recognized in Accordance with Topic 606

ASC Topic 606, *Revenue from Contracts with Customers*, outlines a five-step model for entities to use in accounting for revenue arising from contracts with customers. The standard applies to all contracts with customers except for leases, insurance contracts, financial instruments, certain nonmonetary exchanges and certain guarantees. The standard also requires disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

We enter into contracts that may include various combinations of products and services, which are generally capable of being distinct and accounted for as separate performance obligations. Revenue is recognized net of amounts collected from customers for taxes, such as sales tax, and remitted to the applicable taxing authorities. We account for a contract under Topic 606 when it has approval and commitment from both parties, the rights of the parties are identified, the payment terms are identified, the contract has commercial substance and collectability of consideration is probable. For contracts scoped into this standard, revenue is recognized when (or as) the performance obligations are satisfied by means of transferring goods or services to the customer as applicable to each revenue stream as discussed below. There were no material contract assets as of September 30, 2025 and March 31, 2025.

Sales of self-moving and self-storage related products are recognized at the time that title passes and the customer accepts delivery. The performance obligations identified for this portfolio of contracts include moving and storage product sales, installation services and/or propane sales. Each of these performance obligations has an observable stand-alone selling price. We concluded that the performance obligations identified are satisfied at a point in time. The basis for this conclusion is that the customer does not receive the product/propane or benefit from the installation services until the related performance obligation is satisfied. These products/services being provided have an alternative use as they are not customized and can be sold/provided to any customer. In addition, we only have the right to receive payment once the products have been transferred to the customer or the installation services have been completed. Although product sales have a right of return policy, our estimated obligation for future product returns is not material to the financial statements at this time.

Property management fees are recognized over the period that agreed-upon services are provided. The performance obligation for this portfolio of contracts is property management services, which represents a series of distinct days of service, each of which is comprised of activities that may vary from day to day. However, those tasks are activities to fulfill the property management services and are not separate promises in the contract. We determined that each increment of the promised service is distinct. This is because the customer can benefit from each increment of service on its own and each increment of service is separately identifiable because no day of service significantly modifies or customizes another and no day of service significantly affects either the entity's ability to fulfill another day of service or the benefit to the customer of another day of service. As such, we concluded that the performance obligation is satisfied over time. Additionally, in certain contracts the Company has the ability to earn an incentive fee based on operational results. We measure and recognize the progress toward completion of the performance obligation on a quarterly basis using the most likely amount method to determine an accrual for the incentive fee portion of the compensation received in exchange for the property management service. The variable consideration recognized is subject to constraints due to a range of possible consideration amounts based on actual operational results. The amount accrued in the second quarter of fiscal 2026 did not have a material effect on our financial statements.

Other revenue consists of numerous services or rentals, of which U-Box contracts and service fees from Moving Help® are the main components. The performance obligations identified for U-Box contracts are fees for rental, storage and shipping of U-Box portable moving and storage units to a specified location, each of which are distinct. A contract may be partially within the scope of Topic 606 and partially within the scope of other topics. The rental and storage obligations in U-Box contracts meet the definition of a lease in Topic 842, while the shipping obligation represents a contract with a customer accounted for under Topic 606. Therefore, we allocate the total transaction price between the performance obligations of storage fees and rental fees and the shipping fees on a standalone selling price basis. U-Box shipping fees are collected once the shipment is in transit. Shipping fees in U-Box contracts are set at the initiation of the contract based on the shipping origin and destination, and the performance obligation is satisfied over time. U-Box shipping contracts span over a relatively short period of time, and the majority of these contracts begin and end within the same fiscal year. Moving Help® services fees are recognized in accordance with Topic 606. Moving Help® services are generated as we provide a neutral venue for the connection between the service provider and the customer for agreed upon services. We do not control the specified services provided by the service provider before that service is transferred to the customer.

Deferred income primarily relates to payments received from customers prior to satisfaction of our performance obligations. Of the amounts recorded as unearned revenue as of March 31, 2025, \$1.3 million

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

and \$51.7 million, respectively, was recognized as revenue for the second quarter and six months ended September 30, 2025.

Revenue Recognized in Accordance with Topic 842

The Company's self-moving rental revenues meet the definition of a lease pursuant to the guidance in ASC Topic 842, Leases because those substitution rights do not provide an economic benefit to the Company that would exceed the cost of exercising the right. Please see Note 9, Leases, of the Notes to Consolidated Financial Statements.

Self-moving equipment rentals are recognized over the contract period that trucks and moving equipment are rented. We offer two types of self-moving rental contracts, one-way rentals and in-town rentals, which have varying payment terms. Customer payment is received at the initiation of the contract for one-way rentals, which covers an allowable limit for equipment usage. An estimated fee in the form of a deposit is received at the initiation of the contract for in-town rentals, and final payment is received upon the return of the equipment based on actual fees incurred. Self-moving rental contracts span a relatively short period of time, and the majority of these contracts began and ended within the same fiscal year.

Self-storage revenues are recognized as earned over the contract period based upon the number of paid storage contract days.

We lease portions of our operating properties to tenants under agreements that are classified as operating leases. We recognize the total minimum lease payments provided for under the leases on a straight-line basis over the lease term. Generally, under the terms of our leases, the majority of our rental expenses, including common area maintenance, real estate taxes and insurance, are recovered from our customers.

The following table summarizes the minimum lease payments due from our customers and operating property tenants on leases for the next five years and thereafter:

	Years Ending September 30,				
	2026	2027	2028	2029	2030
			(Unaudited)		Thereafter
			(In thousands)		
Self-moving equipment rental revenues	\$ 5,276	\$ —	\$ —	\$ —	\$ —
Property lease revenues	10,525	17,433	10,937	7,961	28,496
Total	<u>\$ 15,801</u>	<u>\$ 17,433</u>	<u>\$ 10,937</u>	<u>\$ 7,961</u>	<u>\$ 28,496</u>

The amounts above do not reflect future rental revenue from the renewal or replacement of existing leases.

Revenue Recognized in Accordance with Other Topics

Traditional life and Medicare supplement insurance premiums are recognized as revenue over the premium-paying periods of the contracts when due from the policyholders. For products where premiums are due over a significantly shorter duration than the period over which benefits are provided, such as our single premium whole life product, premiums are recognized when received and excess profits are deferred and recognized in relation to the insurance in-force.

Property and casualty insurance premiums are recognized as revenue over the policy periods. Interest and investment income are recognized as earned.

Net investment and interest income has multiple components. Interest income from bonds and mortgage notes are recognized when earned. Dividends on common and preferred stocks are recognized on the ex-dividend dates. Realized gains and losses on the sale or exchange of investments are recognized at the trade date.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

In the following tables, revenue is disaggregated by timing of revenue recognition:

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Revenues recognized over time:	\$ 134,942	\$ 125,792
Revenues recognized at a point in time:	109,890	107,382
Total revenues recognized under ASC 606	244,832	233,174
Revenues recognized under ASC 842	1,386,690	1,339,320
Insurance premium revenues recognized under ASC 944	48,378	47,820
Net investment and interest income recognized under other topics	40,022	37,794
Total revenues	<u>\$ 1,719,922</u>	<u>\$ 1,658,108</u>

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Revenues recognized over time:	\$ 250,811	\$ 225,967
Revenues recognized at a point in time:	226,077	221,107
Total revenues recognized under ASC 606	476,888	447,074
Revenues recognized under ASC 842	2,707,559	2,593,637
Insurance premium revenues recognized under ASC 944	90,712	90,968
Net investment and interest income recognized under other topics	75,233	74,919
Total revenues	<u>\$ 3,350,392</u>	<u>\$ 3,206,598</u>

In the above tables, the revenues recognized over time include property management fees, the shipping fees associated with U-Box container rentals and a portion of other revenues. Revenues recognized at a point in time include self-moving and self-storage products and service sales and a portion of other revenues.

We recognized liabilities resulting from contracts with customers for self-moving equipment rentals, self-storage revenues, U-Box revenues and tenant revenues, in which the length of the contract goes beyond the reported period end, although rental periods of the equipment, storage and U-Box contract are generally short-term in nature. The timing of revenue recognition results in liabilities that are reflected in deferred income on the balance sheet.

17. Allowance for Credit Losses

Trade Receivables

Moving and Storage has two primary components of trade receivables, receivables from corporate customers and credit card receivables from customer sales and rental of equipment. The Company rents equipment to corporate customers for which payment terms are 30 days.

The Company performs ongoing credit evaluations of its customers and assesses each customer's credit worthiness. In addition, the Company monitors collections and payments from its customers and maintains an allowance based upon applying an expected credit loss rate to receivables based on the historical loss rate from similar high-risk customers adjusted for current conditions, including any specific

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

customer collection issues identified, and forecasts of economic conditions. For credit card receivables, the Company uses a trailing 13-month average historical chargeback percentage of total credit card receivables to estimate a credit loss reserve. Delinquent account balances are written off after management has determined that the likelihood of collection is remote.

We believe that the historical loss information it has compiled is a reasonable base on which to determine expected credit losses for trade receivables because the composition of trade receivables as of that date is consistent with that used in developing the historical credit loss percentages (i.e., the similar risk characteristics of its customers and its lending practices have not changed significantly over time). To adjust the historical loss rates to reflect the effects of these differences in current conditions and forecasted changes, management assigns a rating to each customer which varies depending on the assessment of risk. Management estimated the loss rate at approximately 4% as of September 30, 2025 and March 31, 2025. Management developed this estimate based on its knowledge of past experience for which there were similar improvements in the economy. As a result, management applied the applicable credit loss rates to determine the expected credit loss estimate for each aging category. Accordingly, the allowance for expected credit losses as of September 30, 2025 and March 31, 2025 was \$3.6 million and \$5.1 million, respectively.

Accrued Interest Receivable

Accrued interest receivables on available for sale securities totaled \$29.1 million and \$29.4 million as of September 30, 2025 and March 31, 2025, respectively, and are excluded from the estimate of credit losses.

We have elected not to measure an allowance on accrued interest receivables as our practice is to write off the uncollectible balance that is 90 days or more past due. Furthermore, we have elected to write off accrued interest receivables by reversing interest income.

Mortgage Loans, Net

Loans that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported at amortized cost. Modeling for the Company's mortgage loans is based on inputs most highly correlated to defaults, including loan-to-value, occupancy, and payment history. Historical credit loss experience provides additional support for the estimation of expected credit losses. In assessing the credit losses, the portfolio is reviewed on a collective basis, using loan-specific cash flows to determine the fair value of the collateral in the event of default. Adjustments to this analysis are made to assess loans with a loan-to-value of 65% or greater. These loans are evaluated on an individual basis and loan specific risk characteristics such as occupancy levels, expense, income growth and other relevant available information from internal and external sources relating to past events, current conditions, and reasonable and supportable forecasts.

When management determines that credit losses are expected to occur, an allowance for expected credit losses based on the fair value of the collateral is recorded.

There were no delinquent commercial mortgage loans as of September 30, 2025 and March 31, 2025. As of September 30, 2025 and March 31, 2025, the Company had no commercial mortgage loans in non-accrual status. The Company had no unfunded commitment balance to commercial loan borrowers as of September 30, 2025.

Reinsurance Recoverables

Reinsurance recoverables on paid and unpaid benefits was less than 1% of the total assets as of September 30, 2025, which is immaterial based on historical loss experience and high credit rating of the reinsurers.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Premium Receivables

Premium receivables were \$1.0 million and \$4.1 million as of September 30, 2025 and March 31, 2025, respectively, in which the credit loss allowance is immaterial based on our ability to cancel the policy if the policyholder does not pay premiums.

The following details the changes in the Company's reserve allowance for credit losses for trade receivables, fixed maturities and investments, other:

	Allowance for Credit Losses			
	Trade Receivables	Investments, Fixed Maturities	Investments, other	Total
		(Unaudited) (in thousands)		
Balance as of March 31, 2024	\$ 6,236	\$ 1,052	\$ 817	\$ 8,105

Recoveries	—	—	—	—
Balance as of September 30, 2025	\$ 3,648	\$ 4,573	\$ 448	\$ 8,669

18. Income Tax

Tax regulations may require items to be included in our tax return at different times than when those items are reflected in our financial statements. Some of the differences are permanent, such as expenses that are not deductible on our tax return, and some are temporary differences, such as the timing of depreciation expense. Temporary differences create deferred tax assets and liabilities. Deferred tax assets generally represent items that will be used as a tax deduction or credit in our tax return in future years, which we have already recorded in our financial statements. Deferred tax liabilities generally represent deductions taken on our tax return that have not yet been recognized as an expense in our financial statements. We establish valuation allowances for our deferred tax assets if the amount of expected future taxable income is more likely than not to allow for the use of the deduction credit. Our effective tax rates for the second quarters ended September 30, 2025 and 2024 was a provision of 22.9% and 24.1%, respectively and for the six months ended September 30, 2025 and 2024 was a provision of 23.1% and 24.0%, respectively. Such rates differed from the federal statutory rate of 21.0% primarily due to state and local income taxes for both periods.

The Canadian government issued draft Pillar Two legislation (Global Minimum Tax Act) on June 20, 2024. The Canadian legislation went into effect for our fiscal year beginning April 1, 2024. We have performed an assessment of the potential exposure to Pillar Two income taxes. Based on the assessment performed, we do not expect the Pillar Two rules to have an impact on the income tax provision or cash taxes. We will continue to evaluate such legislation.

On July 4, 2025, the One Big Beautiful Bill Act ("OBBA") was enacted into law. OBBA extends the expiring tax provisions from the 2017 Tax Cuts and Jobs Act, reinstates immediate expensing of qualified business property and bonus depreciation and allows for full expensing of domestic research and experimental expenditures. We have evaluated the tax provisions of OBBA and the impact to our financial statements, and we do not expect the newly enacted legislation to have a material impact on our effective tax rate.

U-HAUL HOLDING COMPANY AND CONSOLIDATED SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

19. Accounting Pronouncements

In December 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosure*. ("ASU 2023-09") which requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income tax paid. Early adoption is permitted. The amendment is effective prospectively to all annual periods beginning after December 15, 2024. We are currently evaluating the impact of this standard on our consolidated financial statements and related disclosures.

In March 2024, the United States Securities and Exchange Commission ("SEC") issued a final rule that requires disclosure of: (i) financial statement impacts of severe weather events and other natural conditions; (ii) a roll forward of carbon offset and renewable energy credit balances if material to the Company's plan to achieve climate-related targets or goals; and (iii) material impacts on estimates and assumptions in the financial statements. In April 2024, the SEC issued an order staying the final rule pending judicial review of consolidated challenges to the rules by the Court of Appeals for the Eighth Circuit. In March 2025, the SEC notified the Court that it was withdrawing its defense of the rules. The Court subsequently held the litigation in abeyance, pending a status report from the SEC on: (1) whether the SEC intends to review or reconsider the rules; (2) if taking no action, whether the SEC would adhere to the rules if petitions for review are denied; and (3) if not, why the SEC will not review or reconsider the rules at this time. In July 2025, the SEC provided its status report to the Court, stating that the SEC does not intend to review or reconsider the rules at this time, and declined to provide a definitive response to questions 2 or 3. The SEC further advised that given the previously expressed views of a majority of the current Commissioners, it is possible that the SEC would consider whether to replace, rescind, or modify the rules. The Company cannot determine at this time the future outcome of the litigation or future actions of the SEC.

In November 2024, the FASB issued ASU 2024-03, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses* ("ASU 2024-03"). In January 2025, the FASB issued ASU 2025-01, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-30): Clarifying the Effective Date*, which clarified the effective date of this standard. The standard requires the disclosure of additional information about specific expense categories in the notes to the financial statements. The standard is effective for fiscal years beginning after December 15, 2026, and interim periods within fiscal years beginning after December 15, 2027. Early adoption is permitted. The standard allows for adoption on a prospective or retrospective basis. We are currently assessing the impact of adopting ASU 2024-03 on our consolidated financial statements and related disclosures.

In July 2025, the FASB issued ASU 2025-05, *Financial Instruments – Credit Losses (Topic 326)* which provides public companies with a practical expedient in developing reasonable and supportable forecasts as part of estimating expected credit losses. All entities may elect a practical expedient that assumes that current conditions as of the balance sheet date do not change for the remaining life of the asset. Early adoption is permitted. The amendment is effective for annual periods beginning after December 15, 2025, and interim periods within those annual reporting periods. We are currently evaluating the impact of this standard on our consolidated financial statements and related disclosures.

In September 2025, the FASB issued ASU 2025-06, *Intangibles—Goodwill and Other—Internal-Use Software (Subtopic 350-40)* which amends Subtopic 350-40 by removing all references to prescriptive and sequential software development stages previously used to determine the timing of software cost capitalization. Instead, the new guidance establishes that an entity should begin capitalizing software costs when both of the following conditions are met: 1) Management has authorized and committed funding for the software project. 2) It is probable that the project will be completed and the software will be used for its intended functional purpose. These changes are intended to align software cost capitalization practices with a more principles-based approach, improving consistency and comparability across entities. The amendments in this update are effective for all entities for annual reporting periods beginning after December 15, 2027, and interim reporting periods within those annual reporting periods. Early adoption is permitted as of the beginning of an annual reporting period. We are currently assessing the impact of this standard on our consolidated financial statements and related disclosures.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

General

We begin Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") with U-Haul Holding Company's overall strategy, followed by a description of, and strategy related to, our operating segments to give the reader an overview of the goals of our businesses and the direction in which our businesses and products are moving. We then discuss our critical accounting estimates that we believe are important to understanding the assumptions and judgments incorporated in our reported financial results. Next, we discuss our results of operations for the second quarter and first six months of fiscal 2026, compared with the second quarter and first six months of fiscal 2025, which is followed by an analysis of liquidity changes in our balance sheets and cash flows, and a discussion of our financial commitments in the sections entitled "Liquidity and Capital Resources - Summary" and "Use of Cash". We conclude this MD&A by discussing our current outlook for the remainder of fiscal 2026.

This MD&A should be read in conjunction with the other sections of this Quarterly Report on Form 10-Q (this "Quarterly Report"), including the Notes to Consolidated Financial Statements. The various sections of this MD&A contain a number of forward-looking statements, as discussed under the caption, Cautionary Statements Regarding Forward-Looking Statements, all of which are based on our current expectations and could be affected by the uncertainties and risks described throughout this filing or in our most recent Annual Report on Form 10-K for the fiscal year ended March 31, 2025. Many of these risks and uncertainties are beyond our control and our actual results may differ materially from these forward-looking statements.

U-Haul Holding Company, a Nevada corporation, has a second fiscal quarter that ends on the 30th of September for each year that is referenced. Our insurance company subsidiaries have a second quarter that ends on the 30th of June for each year that is referenced. They have been consolidated on that basis. Our insurance companies' financial reporting processes conform to calendar year reporting as required by state insurance departments. Management believes that consolidating their calendar year into our fiscal year financial statements does not materially affect the presentation of financial position or results of operations. We disclose material events, if any, occurring during the intervening period. Consequently, all references to our insurance subsidiaries' years 2025 and 2024 correspond to fiscal 2026 and 2025 for U-Haul Holding Company.

Overall Strategy

Our overall strategy is to maintain our leadership position in the North American "do-it-yourself" moving and storage industry. We accomplish this by providing a seamless and integrated supply chain to the "do-it-yourself" moving and storage market. As part of executing this strategy, we leverage the brand recognition of U-Haul® with our full line of moving and self-storage related products and services and the convenience of our broad geographic presence.

Our primary focus is to provide our customers with a wide selection of moving rental equipment, convenient self-storage rental facilities, portable moving and storage units and related moving and self-storage products and services. We are able to expand our distribution and improve customer service by increasing the amount of moving equipment and storage units and portable moving and storage units available for rent, expanding the number of independent dealers and Company operated locations in our network and taking advantage of our Storage Affiliate and Moving Help® capabilities.

Property and Casualty Insurance is focused on providing and administering property and casualty insurance to U-Haul and its customers, its independent dealers and affiliates.

Life Insurance is focused on long term capital growth through direct writing and reinsuring of life insurance, Medicare supplement and annuity products in the senior marketplace.

Description of Operating and Reportable Segments

U-Haul Holding Company's three operating and reportable segments are Moving and Storage, Property and Casualty Insurance and Life Insurance.

Moving and Storage

Moving and Storage consists of the rental of trucks, trailers, portable moving and storage units, specialty rental items and self-storage spaces primarily to the household mover as well as sales of moving supplies, towing accessories and propane. Operations are conducted under the registered trade name U-Haul® throughout the United States and Canada.

With respect to our truck, trailer, specialty rental items and self-storage rental business, we are focused on expanding our dealer and center network, which provides added convenience for our customers, and expands the selection and availability of rental equipment to satisfy the needs of our customers.

U-Haul® branded self-moving related products and services, such as boxes, pads and tape, allow our customers to, among other things, protect their belongings from potential damage during the moving process. We are committed to providing a complete line of products selected with the "do-it-yourself" moving and storage customer in mind.

U-Haul's mobile app, Truck Share 24/7, Skip-the-Counter Self-Storage rentals and Self-checkout for moving supplies provide our customers methods for conducting business with us directly via their mobile devices and also limiting physical exposure.

uhaul.com® is an online marketplace that connects consumers to our operations as well as independent Moving Help® service providers and thousands of independent Self-Storage Affiliates. Our network of customer-rated affiliates and service providers furnish pack and load help, cleaning help, self-storage and similar services throughout the United States and Canada. Our goal is to further utilize our web-based technology platform to increase service to consumers and businesses in the moving and storage market.

Since 1945, U-Haul has incorporated sustainable practices into its everyday operations. We believe that our basic business premise of equipment sharing helps reduce greenhouse gas emissions and reduces the inventory of total large capacity vehicles. We continue to look for ways to reduce waste within our business and are dedicated to manufacturing reusable components and recyclable products. We believe that our commitment to sustainability, through our products and services and everyday operations has helped us to reduce our impact on the environment.

Property and Casualty Insurance

Property and Casualty Insurance provides loss adjusting and claims handling for U-Haul through regional offices across the United States and Canada. Property and Casualty Insurance also underwrites components of the Safemove®, Safetow®, Safemove Plus®, Safestor® and Safehaul® protection packages to U-Haul customers. We continue to focus on increasing the penetration of these products into the moving and storage market. The business plan for Property and Casualty Insurance includes offering property and casualty insurance products in other U-Haul related programs.

Life Insurance

Life Insurance provides life and health insurance products primarily to the senior market through the direct writing and reinsuring of life insurance, Medicare supplement and annuity policies.

Critical Accounting Policies and Estimates

Please refer to our Annual Report on Form 10-K for the fiscal year ended March 31, 2025, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations.

Results of Operations

U-Haul Holding Company and Consolidated Entities

Quarter Ended September 30, 2025 compared with the Quarter Ended September 30, 2024

Listed below, on a consolidated basis, are revenues for our major product lines for the second quarter of fiscal 2026 and the second quarter of fiscal 2025:

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Self-moving equipment rental revenues	\$ 1,110,477	\$ 1,087,348
Self-storage revenues	246,299	224,519
Self-moving and self-storage products and service sales	89,829	87,763
Property management fees	9,621	9,586
Life insurance premiums	18,370	20,488
Property and casualty insurance premiums	28,272	25,767
Net investment and interest income	40,022	37,794
Other revenue	177,032	164,843
Consolidated revenue	<u>\$ 1,719,922</u>	<u>\$ 1,658,108</u>

Self-moving equipment rental revenues increased \$23.1 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. Revenue per transaction increased for both our In-Town and one-way markets. Compared to the same period last year, we increased the number of Company operated retail locations, independent dealers, along with the number of box trucks in the rental fleet.

Self-storage revenues increased \$21.8 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. The growth in revenues and square feet rented comes from a combination of occupancy gains, the addition of new capacity to the portfolio and a 4.9% improvement in average revenue per occupied foot. During the second quarter of fiscal 2026, we added approximately 1.6 million new net rentable square feet.

Sales of self-moving and self-storage products and services increased \$2.1 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. This was due to increased sales of hitches and moving supplies.

Life insurance premiums decreased \$2.1 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025 due primarily to decreased life and Medicare supplement premiums.

Property and casualty insurance premiums increased \$2.5 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. A significant portion of Repwest's premiums are from policies sold in conjunction with U-Haul moving and storage transactions and generally correspond to the related activity at U-Haul during the same period.

Net investment and interest income increased \$2.2 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. Our Property and Casualty subsidiaries' investment and interest income increased primarily from mortgage loans and cash and cash equivalents and changes in the market value of common stock investments.

Other revenue increased \$12.2 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025, caused primarily by increases in our U-Box® program. We continue to expand our breadth and reach of this program through additional warehouse space, moving and storage containers and delivery equipment.

Listed below are revenues and earnings from operations at each of our operating segments for the second quarter of fiscal 2026 and the second quarter of fiscal 2025. The insurance companies' two quarters ended June 30, 2025 and 2024.

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Moving and storage		
Revenues	\$ 1,632,827	\$ 1,573,643
Earnings from operations before equity in earnings of subsidiaries	197,440	280,695
Property and casualty insurance		
Revenues	35,891	31,461
Earnings from operations	17,154	13,823
Life insurance		
Revenues	54,113	56,157
Earnings from operations	3,028	7,690
Eliminations		
Revenues	(2,909)	(3,153)
Earnings from operations before equity in earnings of subsidiaries	(28)	(252)
Consolidated results		
Revenues	1,719,922	1,658,108
Earnings from operations	217,594	301,956

Total costs and expenses increased \$146.2 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. Operating expenses for Moving and Storage increased \$19.4 million. Repair expenses associated with the rental fleet experienced a \$10.4 million increase during the quarter while personnel increased \$11.7 and liability costs increased by \$23.1 million. These increases were offset by a decrease of \$16.5 million due to non-recurring costs associated with our transition to a new box supplier in the second quarter of fiscal 2025.

Depreciation expense associated with our rental fleet increased \$50.6 million for the second quarter of fiscal 2026 compared with the second quarter of fiscal 2025 due to an increase in the total number of box trucks in the fleet combined with expected decreases in resale values for certain units currently in the fleet. Net losses from the disposal of rental equipment increased \$56.1 million as resale values decreased, while the average cost of units being sold has increased. Depreciation expense on all other assets, largely from buildings and improvements, increased \$6.7 million. Net losses on the disposal or retirement of buildings largely from renovation activity increased \$1.5 million. Additional details are available in the following Moving and Storage section.

As a result of the changes in revenues and expenses described above, earnings from operations decreased to \$217.6 million for the second quarter of fiscal 2026, compared with \$302.0 million for the second quarter of fiscal 2025.

Interest expense for the second quarter of fiscal 2026 was \$90.3 million, compared with \$71.5 million for the second quarter of fiscal 2025, due to an increase in the amount of debt outstanding and our average cost of debt.

Other interest income at Moving and Storage for the second quarter of fiscal 2026 was \$10.0 million, compared with the \$16.1 million for the second quarter of fiscal 2025, due to reduced invested cash balances and lower interest yields compared to fiscal 2025.

Income tax expense was \$31.4 million for the second quarter of fiscal 2026, compared with \$59.4 million for the second quarter of fiscal 2025.

As a result of the above-mentioned items, earnings available to common stockholders were \$105.6 million for the second quarter of fiscal 2026, compared with \$186.8 million for the second quarter of fiscal 2025.

Moving and Storage

Quarter Ended September 30, 2025 compared with the Quarter Ended September 30, 2024

Listed below are revenues for our major product lines at Moving and Storage for the second quarter of fiscal 2026 and the second quarter of fiscal 2025:

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Self-moving equipment rental revenues	\$ 1,111,622	\$ 1,088,334
Self-storage revenues	246,299	224,519
Self-moving and self-storage products and service sales	89,829	87,763
Property management fees	9,621	9,586
Net investment and interest income	—	—
Other revenue	175,456	163,441
Moving and Storage revenue	<u>\$ 1,632,827</u>	<u>\$ 1,573,643</u>

Self-moving equipment rental revenues increased \$23.3 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. Revenue per transaction increased for both our In-Town and one-way markets. Compared to the same period last year, we increased the number of Company operated retail locations, independent dealers, along with the number of box trucks in the rental fleet.

Self-storage revenues increased \$21.8 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. The growth in revenues and square feet rented comes from a combination of occupancy gains, the addition of new capacity to the portfolio and a 4.9% improvement in average revenue per occupied foot. During the quarter, we added approximately 1.6 million new net rentable square feet.

We own and manage self-storage facilities. Self-storage revenues reported in the consolidated financial statements represent Company-owned locations only. Listed below are self-storage data for our owned storage locations:

	Quarter ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands, except occupancy rate)	
Unit count as of September 30	831	758
Square footage as of September 30	71,167	64,499
Average monthly number of units occupied	630	610
Average monthly occupancy rate based on unit count	76.3%	80.9%
End of September occupancy rate based on unit count	74.4%	80.0%
Average monthly square footage occupied	55,623	53,108

Over the last 12 months we added approximately 6.7 million net rentable square feet of new storage to the system. This was a mix of approximately 2.0 million square feet of existing storage locations we acquired and 4.7 million square feet of new development.

Sales of self-moving and self-storage products and services increased \$2.1 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. This was due to increased sales of hitches and moving supplies.

Other revenue increased \$12.0 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025, caused primarily by increases in our U-Box[®] program.

Total costs and expenses increased \$142.4 million during the second quarter of fiscal 2026, compared with the second quarter of fiscal 2025. Operating expenses increased \$19.4 million. Repair expenses

associated with the rental fleet experienced a \$10.4 million increase during the quarter while personnel increased \$11.7 million and liability costs increased by \$23.1 million. These increases were offset by a decrease of \$16.5 million due to non-recurring costs associated with our transition to a new box supplier in the second quarter of fiscal 2025.

Depreciation expense associated with our rental fleet increased \$50.6 million for the second quarter of fiscal 2026 compared with the second quarter of fiscal 2025 due to an increase in the total number of box trucks in the fleet combined with expected decreases in resale values for certain units currently in the fleet. Net losses from the disposal of rental equipment increased \$56.1 million as resale values decreased, while the average cost of units being sold has increased. Depreciation expense on all other assets, largely from buildings and improvements, increased \$6.7 million. Net losses on the disposal or retirement of land and buildings increased \$1.5 million.

The components of depreciation, net of (gains) losses on disposals were as follows:

	Quarter ended September 30,	
	2025	2024
	(Unaudited) (In thousands)	
Depreciation expense - rental equipment	\$ 226,909	\$ 176,340
Depreciation expense - non rental equipment	23,760	23,750
Depreciation expense - real estate	51,440	44,735
Total depreciation expense	\$ 302,109	\$ 244,825
Net (gains) losses on disposals of rental equipment	38,329	\$ (17,892)
Net (gains) losses on disposals of non-rental equipment	170	337
Total net (gains) losses on disposals equipment	\$ 38,499	\$ (17,555)
Depreciation, net of (gains) losses on disposals	\$ 340,608	\$ 227,270
Net (gains) losses on disposals of real estate	\$ 4,531	\$ 2,991

As a result of the changes in revenues and expenses described above, earnings from operations for Moving and Storage, before consolidation of the equity in the earnings of the insurance subsidiaries, decreased to \$197.4 million for the second quarter of fiscal 2026, compared with \$280.7 million for the second quarter of fiscal 2025.

Equity in the earnings of our insurance subsidiaries was \$16.0 million for the second quarter of fiscal 2026, compared with \$17.0 million for the second quarter of fiscal 2025.

As a result of the changes in revenues and expenses described above, consolidated earnings from operations for Moving and Storage decreased to \$213.4 million for the second quarter of fiscal 2026, compared with \$297.7 million for the second quarter of fiscal 2025.

Property and Casualty Insurance

Quarter Ended June 30, 2025 compared with the Quarter Ended June 30, 2024

Net premiums were \$29.2 million and \$26.5 million for the quarters ended June 30, 2025 and 2024, respectively. A significant portion of Repwest's premiums come from policies sold in conjunction with U-Haul rental transactions. The premium written corresponded with the change in moving and storage transactions at U-Haul during the same period.

Net investment and interest income was \$6.7 million and \$4.9 million for the quarters ended June 31, 2025 and 2024, respectively. The main driver of the change in net investment and interest income was an increase in the realized gains on common stock and higher income from mortgage loans and cash and cash equivalents.

Operating expenses were \$12.9 million and \$11.9 million for the quarters ended June 30, 2025 and 2024, respectively. The change was primarily due to an increase in commission expense.

Benefits and losses incurred for the second quarters ended June 30, 2025 were even with the second quarter ended June 30, 2024 of \$5.7 million.

As a result of the changes in revenues and expenses described above, pretax earnings from operations were \$17.2 million and \$13.8 million for the quarters ended June 30, 2025 and 2024, respectively.

Life Insurance

Quarter Ended June 30, 2025 compared with the Quarter Ended June 30, 2024

Net premiums were \$18.4 million and \$20.5 million for the quarters ended June 30, 2025 and 2024, respectively. Medicare Supplement premiums decreased \$0.9 million from the policy decrements offset by premium rate increases. Life premiums decreased \$1.0 million primarily from the decrease in sales of single premium life and final expense. Both decreases are due to policyholder lapses currently outweighing sales levels. Deferred annuity deposits were \$46.2 million or \$104.0 million below the second quarter ended June 30, 2024 and are accounted for on the balance sheet as deposits rather than premiums.

Net investment income was \$34.0 million and \$34.1 million for the quarters ended June 30, 2025 and 2024, respectively.

Operating expenses were \$3.6 million and \$5.3 million for the quarters ended June 30, 2025 and 2024, respectively due to the write-off of uncollectible balances..

Benefits and losses incurred were \$42.4 million and \$38.7 million for the quarters ended June 30, 2025 and 2024, respectively. Interest credited to policyholders increased \$6.2 million due to an increase in the interest rate we credit to contract holders. Life benefits decreased \$2.1 million due to lower death claims related to COVID-19 and lower sales stemming from premium adjustments that occurred in late 2021. All other benefits decreased \$0.4 million.

Amortization of deferred acquisition costs ("DAC"), sales inducement asset ("SIA") and the value of business acquired ("VOBA") was \$5.0 million and \$4.4 million for the quarters ended June 30, 2025 and 2024, respectively. The increase in DAC amortization is primarily due to a higher amount of mortgage prepayment penalty gains, for which we offset gains with a corresponding level of amortization.

As a result of the changes in revenues and expenses described above, pretax earnings from operations were \$2.9 million and \$7.6 million for the quarters ended June 30, 2025 and 2024, respectively.

U-Haul Holding Company and Consolidated Entities

Six Months Ended September 30, 2025 compared with the Six Months Ended September 30, 2024

Listed below on a consolidated basis are revenues for our major product lines for the first six months of fiscal 2026 and the first six months of fiscal 2025:

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Self-moving equipment rental revenues	\$ 2,168,750	\$ 2,101,680
Self-storage revenues	480,536	440,256
Self-moving and self-storage products and service sales	188,017	184,354
Property management fees	19,203	19,081
Life insurance premiums	37,539	41,228
Property and casualty insurance premiums	50,010	46,996
Net investment and interest income	75,233	74,919
Other revenue	331,104	298,084
Consolidated revenue	<u>\$ 3,350,392</u>	<u>\$ 3,206,598</u>

Self-moving equipment rental revenues increased \$67.1 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025. Revenue per transaction increased for both our In-Town and one-way markets. Compared to the same period last year, we increased the number of Company operated retail locations, independent dealers, along with the number of box trucks in the rental fleet.

Self-storage revenues increased \$40.3 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025. The growth in revenues and square feet rented comes from a combination of occupancy gains, the addition of new capacity to the portfolio and a 3.1% improvement in average revenue per occupied foot. During the first six months, we added approximately 2.8 million of new net rentable square feet.

Sales of self-moving and self-storage products and services increased \$3.7 million for the first six months of fiscal 2026, compared with the first six months of fiscal 2025. This was due to an increase in sales of hitches and moving supplies.

Life insurance premiums decreased \$3.7 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025 due primarily to decreased Medicare supplement premiums.

Property and casualty insurance premiums increased \$3.0 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025.

Net investment and interest income increased \$0.3 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025.

Other revenue increased \$33.0 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025, caused primarily by increases in our U-Box® program. We continue to expand our breadth and reach of this program through additional warehouse space, moving and storage containers and delivery equipment.

Listed below are revenues and earnings from operations at each of our operating segments for the first six months of fiscal 2026 and the first six months of fiscal 2025. The insurance companies' first six months ended June 30, 2025 and 2024.

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Moving and storage		
Revenues	\$ 3,186,686	\$ 3,042,804
Earnings from operations before equity in earnings of subsidiaries	440,318	575,753
Property and casualty insurance		
Revenues	65,612	59,639
Earnings from operations	29,042	25,306
Life insurance		
Revenues	104,207	109,906
Earnings from operations	5,704	7,643
Eliminations		
Revenues	(6,113)	(5,751)
Earnings from operations before equity in earnings of subsidiaries	(56)	(504)
Consolidated results		
Revenues	3,350,392	3,206,598
Earnings from operations	475,008	608,198

Total costs and expenses increased \$277.0 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025. Operating expenses for Moving and Storage increased \$63.8 million. Repair costs associated with the rental fleet experienced a \$15.6 million increase during the first six months of fiscal 2026 while personnel increased \$31.8 million and liability costs increased by \$40.3 million. These increases were offset by a decrease of \$16.5 million due to non-recurring costs associated with our transition to a new box supplier in the second quarter of fiscal 2025.

Depreciation expense associated with our rental fleet increased \$101.3 million for the first six months of fiscal 2026 compared with the first six months of fiscal 2025 due to an increase in the total number of box trucks in the fleet combined with expected decreases in resale values for certain units currently in the fleet. Net losses from the disposal of rental equipment increased \$85.8 million as resale values decreased, while the average cost of units being sold has increased. We increased the number of retired trucks sold compared to the same period last year. Depreciation expense on all other assets, largely from buildings and improvements, increased \$13.8 million. Net gains on the disposal or retirement of land and buildings increased \$3.2 million. Additional details are available in the following Moving and Storage section.

As a result of the above-mentioned changes in revenues and expenses, earnings from operations decreased \$133.2 million to \$475.0 million for the first six months of fiscal 2026, as compared with \$608.2 million for the first six months of fiscal 2025.

Interest expense for the first six months of fiscal 2026 was \$172.6 million, compared with \$138.7 million for the first six months of fiscal 2025, due to an increase in our average cost of debt.

Other interest income at Moving and Storage for the first six months of fiscal 2026 was \$20.7 million, compared with \$34.4 million for the first six months of fiscal 2025, due to reduced invested cash balances and lower interest yields compared to fiscal 2025.

Income tax expense was \$74.5 million for the first six months of fiscal 2026, compared with \$120.4 million for the first six months of fiscal 2025.

As a result of the above-mentioned items, earnings available to common stockholders were \$247.9 million for the first six months of fiscal 2026, compared with \$382.2 million for the first six months of fiscal 2025.

Moving and Storage

Six Months Ended September 30, 2025 compared with the Six Months Ended September 30, 2024

Listed below are revenues for the major product lines at our Moving and Storage operating segment for the first six months of fiscal 2026 and the first six months of fiscal 2025:

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Self-moving equipment rental revenues	\$ 2,170,653	\$ 2,103,497
Self-storage revenues	480,536	440,256
Self-moving and self-storage products and service sales	188,017	184,354
Property management fees	19,203	19,081
Net investment and interest income	—	—
Other revenue	328,277	295,616
Moving and Storage revenue	<u>\$ 3,186,686</u>	<u>\$ 3,042,804</u>

Self-moving equipment rental revenues increased \$67.2 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025. Revenue per transaction increased for both our In-Town and one-way markets. Compared to the same period last year, we increased the number of Company operated retail locations, independent dealers, along with the number of box trucks in the rental fleet.

Self-storage revenues increased \$40.3 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025. The growth in revenues and square feet rented comes from a combination of occupancy gains, the addition of new capacity to the portfolio and a 3.1% improvement in average revenue per occupied foot. During the first six months, we added approximately 2.8 million of new net rentable square feet.

We own and manage self-storage facilities. Self-storage revenues reported in the consolidated financial statements represent Company-owned locations only. Self-storage data for our owned storage locations follows:

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands, except occupancy rate)	
Unit count as of September 30	831	758
Square footage as of September 30	71,167	64,499
Average monthly number of units occupied	631	602
Average monthly occupancy rate based on unit count	77.2%	80.5%
End of September occupancy rate based on unit count	74.4%	80.0%
Average monthly square footage occupied	55,511	52,412

Over the last twelve months we added approximately 6.7 million net rentable square feet of new storage to the system. This was a mix of approximately 2.0 million square feet of existing storage locations we acquired and 4.7 million square feet of new development.

Sales of self-moving and self-storage products and services increased \$3.7 million for the first six months of fiscal 2026, compared with the first six months of fiscal 2025. This was due to an increase in sales of hitches and moving supplies.

Other revenue increased \$32.7 million during the first six months of fiscal 2026, compared with the first six months of fiscal 2025, caused primarily by increases in our U-Box® program. We continue to expand our breadth and reach of this program through additional warehouse space, moving and storage containers and delivery equipment.

Total costs and expenses increased \$279.3 million during the first six months of fiscal 2026, compared with the six months of fiscal 2025. Operating expenses increased \$63.8 million. Repair costs associated with the rental fleet experienced a \$15.6 million increase during the first six months of fiscal 2026 while personnel increased \$31.8 million and liability costs increased by \$40.3 million. These increases were offset by a decrease of \$16.5 million due to non-recurring costs associated with our transition to a new box supplier in the second quarter of fiscal 2025.

Depreciation expense associated with our rental fleet increased \$101.3 million for the first six months of fiscal 2026 compared with the first six months of fiscal 2025 due to an increase in the total number of box trucks in the fleet combined with expected decreases in resale values for certain units currently in the fleet. Net losses from the disposal of rental equipment increased \$85.8 million as resale values decreased, while the average cost of units being sold has increased. We increased the number of retired trucks sold compared to the same period last year. Depreciation expense on all other assets, largely from buildings and improvements, increased \$13.8 million. Net gains on the disposal or retirement of land and buildings increased \$3.2 million.

The components of depreciation, net of gains on disposals for the first six months of fiscal 2026 were as follows:

	Six months ended September 30,	
	2025	2024
	(Unaudited) (In thousands)	
Depreciation expense - rental equipment	\$ 435,121	\$ 333,868
Depreciation expense - non rental equipment	47,779	47,711
Depreciation expense - real estate	101,285	87,559
Total depreciation expense	\$ 584,185	\$ 469,138
Net (gains) losses on disposals of rental equipment	60,454	\$ (25,840)
Net (gains) losses on disposals of non-rental equipment	(22)	517
Total net (gains) losses on disposals equipment	\$ 60,432	\$ (25,323)
Depreciation, net of (gains) losses on disposals	\$ 644,617	\$ 443,815
Net (gains) losses on disposals of real estate	\$ 2,914	\$ 6,095

As a result of the above-mentioned changes in revenues and expenses, earnings from operations for Moving and Storage before consolidation of the equity in the earnings of the insurance subsidiaries decreased to \$440.3 million for the first six months of fiscal 2026, compared with \$575.8 million for the first six months of fiscal 2025.

Equity in the earnings of our insurance subsidiaries was \$27.5 million for the first six months of fiscal 2026, compared with \$26.0 million for the first six months of fiscal 2025.

As a result of the above-mentioned changes in revenues and expenses, earnings from operations decreased to \$467.8 million for the first six months of fiscal 2026, compared with \$601.8 million for the first six months of fiscal 2025.

Property and Casualty Insurance

Six Months Ended June 30, 2025 compared with the Six Months Ended June 30, 2024

Premiums were \$52.5 million and \$48.5 million for the six months ended June 30, 2025 and 2024, respectively. A significant portion of Repwest's premiums relate to policies sold in conjunction with U-Haul rental transactions. The premiums written corresponded with the change in moving and storage transactions at U-Haul during the same period.

Net investment and interest income was \$13.1 million and \$11.1 million for the six months ended June 30, 2025 and 2024, respectively. The main driver of the change in net investment income was a net increase

in the valuation on unaffiliated common stock and higher income from mortgage loans and cash and cash equivalents.

Operating expenses were \$25.2 million and \$23.5 million for the six months ended June 30, 2025 and 2024, respectively. The change was primarily due to an increase in commissions.

Benefits and losses incurred were \$11.2 million and \$10.6 million for the six months ended June 30, 2025 and 2024, respectively. Benefits and losses incurred corresponded with the change in moving and storage transactions at U-Haul during the same period.

As a result of the above-mentioned changes in revenues and expenses, pretax earnings from operations were \$29.0 million and \$25.3 million for the six months ended June 30, 2025 and 2024, respectively.

Life Insurance

Six Months Ended June 30, 2025 compared with the Six Months Ended June 30, 2024

Premiums were \$37.5 million and \$41.2 million for the six months ended June 30, 2025 and 2024, respectively. Medicare Supplement premiums decreased \$2.0 million due to policy lapses. Life premiums decreased \$1.6 million primarily from the decrease in sales of single premium life and final expense. The decrease in final expense sales is the result of premium rate adjustment in late 2021. Deferred annuity deposits were \$173.6 million or \$38.1 million below prior year and are accounted for on the balance sheet as deposits rather than premiums.

Net investment income was \$63.5 million and \$65.9 million for the six months ended June 30, 2025 and 2024, respectively. The change in the provision for expected credit losses resulted in a decrease of \$1.4 million to the investment income. Net interest income and realized gain on the invested assets decreased \$1.2 million.

Operating expenses were \$6.4 million and \$15.4 million for the six months ended June 30, 2025 and 2024, respectively. The prior year included a write-down of a receivable with no such adjustment made this year.

Benefits and losses incurred were \$82.1 million and \$77.8 million for the six months ended June 30, 2025 and 2024, respectively. Interest credited to policyholders increased \$7.4 million due to an increase in the interest rates we credited to contract holders. Life benefits decreased \$2.6 million due to lower death claims related to COVID-19 and lower sales due to premium adjustments that took place in late 2021. All other benefits increased \$0.7 million.

Amortization of DAC, SIA and VOBA were \$9.9 million and \$9.1 million for the six months ended June 30, 2025 and 2024, respectively. The increase in DAC amortization is primarily due to a higher amount of mortgage prepayment penalty gains, for which we offset gains with a corresponding level of amortization.

As a result of the above-mentioned changes in revenues and expenses, pretax earnings from operations were \$5.5 million and \$7.4 million for the six months ended June 30, 2025 and 2024, respectively.

Liquidity and Capital Resources

We believe our current capital structure is a positive factor that will enable us to pursue our operational plans and goals and provide us with sufficient liquidity. There are many factors that could affect our liquidity,

including some which are beyond our control, and there is no assurance that future cash flows and liquidity resources will be sufficient to meet our outstanding debt obligations and our other future capital needs.

As of September 30, 2025, cash and cash equivalents totaled \$1,083.3 million, compared with \$988.8 million as of March 31, 2025. The assets of our insurance subsidiaries are generally unavailable to fulfill the obligations of non-insurance operations (Moving and Storage). As of September 30, 2025 (or as otherwise indicated), cash and cash equivalents, other financial assets (receivables, other investments, fixed maturities, equity securities, and related party assets) and debt obligations of each operating segment were as follows:

	<u>Moving & Storage</u>	<u>Property & Casualty Insurance (a)</u>	<u>Life Insurance (a)</u>
		(Unaudited) (In thousands)	
Cash and cash equivalents	\$ 910,969	\$ 127,395	\$ 44,456
Other financial assets	154,980	421,085	2,920,549
Debt obligations (b)	7,732,505	—	—

(a) As of June 30, 2025

(b) Excludes (\$37,865) of debt issuance costs

As of September 30, 2025, Moving and Storage had additional cash available under existing credit facilities of \$465.0 million. The majority of invested cash in the Moving and Storage segment is held in government money market funds.

Net cash provided by operating activities increased \$165.7 million in the first six months of fiscal 2026 compared with the first six months of fiscal 2025 due to improved operations, a decrease in income taxes paid, and the timing of credit card receivable settlements.

Net cash used in investing activities decreased \$100.5 million in the first six months of fiscal 2026, compared with the first six months of fiscal 2025. Purchases of property, plant and equipment decreased \$12.5 million. Fleet related spending increased \$169.0 million while investment spending on real estate acquisitions and development decreased \$208.2 million. Cash from the sales of property, plant and equipment increased \$21.2 million largely due to fleet sales. For our insurance subsidiaries, net cash used in investing activities decreased \$134.4 million due to an increase in proceeds received for fixed maturity investments. For Moving and Storage investing activities for the first six months of last year included the redemption of \$73.0 million of short-term Treasury notes.

Net cash provided by financing activities increased \$73.4 million in the first six months of fiscal 2026, as compared with the first six months of fiscal 2025. This was due to a combination of decreased debt repayments of \$17.6 million, decreased finance lease repayments of \$14.6 million, a decrease in cash from borrowings of \$20.9 million and an increase in net annuity withdrawals from Life Insurance of \$82.9 million.

Liquidity and Capital Resources and Requirements of our Segments

Moving and Storage

To meet the needs of our customers, U-Haul maintains a large fleet of rental equipment. Capital expenditures have primarily consisted of new rental equipment acquisitions and the buyouts of existing fleet from leases. The capital to fund these expenditures has historically been obtained internally from operations and the sale of used equipment and externally from debt and lease financing. U-Haul estimates that during fiscal 2026, the Company will reinvest in its rental equipment fleet approximately \$1,295 million, net of equipment sales and excluding any lease buyouts. Through the first six months of fiscal 2026, the Company invested, net of sales, approximately \$947.1 million before any lease buyouts in its rental equipment fleet. Fleet investments in fiscal 2026 and beyond will be dependent upon several factors including the availability of capital, the truck rental environment, the availability of equipment from our original equipment manufacturers and the used-truck sales market. We anticipate that the fiscal 2026 investments will be funded largely through debt financing, external lease financing and cash from operations. Management considers several factors including cost and tax consequences when selecting a method to fund capital expenditures. Our allocation between debt and lease financing can change from year to year based upon financial market conditions which may alter the cost or availability of financing options.

The Company has traditionally funded the acquisition of self-storage properties to support U-Haul's growth through debt financing and funds from operations. The Company's plan for the expansion of owned storage properties includes the acquisition of existing self-storage locations from third parties, the acquisition and development of bare land, and the acquisition and redevelopment of existing buildings not currently used for self-storage. For the first six months of fiscal 2026, the Company invested \$526.0 million in real estate acquisitions, new construction and renovation and repair. For fiscal 2026, the timing of new projects will be dependent upon several factors, including the entitlement process, availability of capital, weather, and the identification and successful acquisition of target properties and the availability of labor and materials. We are likely to maintain a high level of real estate capital expenditures in fiscal 2026. U-Haul's growth plan in self-storage also includes the expansion of the U-Haul Storage Affiliate program, which does not require significant capital.

Net capital expenditures (purchases of property, plant and equipment less proceeds from the sale of property, plant and equipment and lease proceeds) at Moving and Storage were \$1,528.4 million and \$1,562.2 million for the first six months of fiscal 2026 and 2025, respectively. The components of our net capital expenditures are provided in the following table:

	Six months ended September 30,	
	2025	2024
	(Unaudited)	
	(In thousands)	
Purchases of rental equipment	\$ 1,325,141	\$ 1,156,115
Purchases of real estate, construction and renovations	526,041	734,276
Other capital expenditures	63,320	36,611
Gross capital expenditures	1,914,502	1,927,002
Less: Sales of property, plant and equipment	(386,058)	(364,824)
Net capital expenditures	\$ 1,528,444	\$ 1,562,178

Moving and Storage continues to hold significant cash and we believe has access to additional liquidity. Management may invest these funds in our existing operations, expand our product lines or pursue external opportunities in the self-moving and storage marketplace, pay dividends, repurchase shares of common stock or reduce existing indebtedness where possible.

Property and Casualty Insurance

State insurance regulations restrict the amount of dividends that can be paid to stockholders of insurance companies. As a result, Property and Casualty Insurance's assets are generally not available to satisfy the claims of U-Haul Holding Company or its legal subsidiaries. We believe that stockholders' equity at Property and Casualty Insurance remains sufficient, and we do not believe that its ability to pay ordinary dividends to U-Haul Holding Company will be restricted per state regulations.

Property and Casualty Insurance's stockholder's equity was \$417.9 million and \$392.3 million as of June 30, 2025 and December 31, 2024, respectively. The increase resulted from net earnings of \$23.1 million and an increase in other comprehensive income of \$2.6 million due to the increase in the market value of its investment portfolio. Property and Casualty Insurance does not use debt or equity issues to increase capital and therefore has no direct exposure to capital market conditions other than through its investment portfolio.

Life Insurance

Life Insurance manages its financial assets to meet policyholder and other obligations, including investment contract withdrawals and deposits. Life Insurance's net withdrawals as of June 30, 2025 were \$40.6 million. State insurance regulations restrict the amount of dividends that can be paid to stockholders of insurance companies. As a result, Life Insurance's assets are generally not available to satisfy the claims of U-Haul Holding Company or its legal subsidiaries.

Life Insurance's stockholder's equity was \$259.0 million and \$217.6 million as of June 30, 2025 and December 31, 2024, respectively. The increase resulted from net earnings of \$4.4 million and an increase in other comprehensive income of \$36.9 million primarily due to the effect of interest rate changes on the fixed maturity portion of the investment portfolio. Outside of its membership in the Federal Home Loan Bank ("FHLB") system, Life Insurance has not historically used debt or equity issues to increase capital and therefore has not had any significant direct exposure to capital market conditions other than through its investment portfolio. As of June 30, 2025, Oxford had outstanding deposits of \$85.0 million in the FHLB, for which Oxford pays fixed interest rates between 0.55% and 4.52% with maturities between September 29, 2025 and April 2, 2029. As of June 30, 2025, available-for-sale-investments held with the FHLB totaled \$207.2 million, of which \$181.8 million were pledged as collateral to secure the outstanding advances. The balances of these advances are included within liabilities from investment contracts on the consolidated balance sheets.

Cash Flows by Segments

Moving and Storage

Net cash provided from operating activities were \$1,084.4 million and \$920.9 million for the first six months of fiscal 2026 and 2025, respectively, due to improved operations, a decrease in income taxes paid, and the timing of credit card receivable settlements.

Property and Casualty Insurance

Net cash provided by operating activities were \$22.2 million and \$18.2 million for the first six months ended June 30, 2025 and 2024, respectively. The increase was driven primarily by timing differences of premium collections.

Property and Casualty Insurance's cash and cash equivalents amounted to \$127.4 million and \$96.2 million as of June 30, 2025 and December 31, 2024, respectively. These balances reflect funds in transition from maturity proceeds to long-term investments. Management believes this level of liquid assets, combined with budgeted cash flow, is adequate to meet our future operating cash needs. Capital and operating budgets allow Property and Casualty Insurance to schedule cash needs in accordance with investment and underwriting proceeds.

Life Insurance

Net cash provided by operating activities were \$43.4 million and \$45.2 million for the second quarters ended June 30, 2025 and 2024, respectively. The increase in operating cash flows was primarily due to

timing of settlement of receivables for securities. This was offset by the decrease in premiums net of benefits and commissions.

In addition to cash flows from operating activities and financing activities, a substantial amount of liquid funds are available through Life Insurance's short-term portfolio and its membership in the FHLB. As of June 30, 2025 and December 31, 2024, cash and cash equivalents amounted to \$44.5 million and \$20.2 million, respectively. Management believes that the overall sources of liquidity are adequate to meet our future operating cash needs.

Liquidity and Capital Resources - Summary

We believe we have the financial resources needed to meet our business plans, including our working capital needs. We continue to hold significant cash and have access to existing credit facilities and additional liquidity to meet our anticipated capital expenditure requirements for investment in our rental fleet, rental equipment and storage acquisitions and build outs.

The Internal Revenue Service ("IRS") completed and finalized their examination for tax years March 2014 through March 2021. As a result, we are owed \$129 million which is reflected in prepaid expense, plus interest of \$22.4 million, which is reflected in trade receivables and reinsurance recoverables, net. The refund is being processed by the Centralized Case Processing department of the IRS.

Our borrowing strategy has primarily focused on asset-backed financing, rental equipment leases and private placement borrowings limited by the amount of unencumbered assets available. As part of this strategy, we seek to ladder maturities and fix interest rates. While each of these loans typically contains provisions governing the amount that can be borrowed in relation to specific assets, the overall structure is flexible with no limits on overall Company borrowings. Management believes it has adequate liquidity between cash and cash equivalents and unused borrowing capacity in existing credit facilities to meet the current and expected needs of the Company over the next several years. As of September 30, 2025, we had available borrowing capacity under existing credit facilities of \$465.0 million. While it is possible that circumstances beyond our control could alter the ability of the financial institutions to lend us the unused lines of credit, we believe that there are additional opportunities for leverage in our existing capital structure.

Use of Cash

Our estimates as to future use of cash have not materially changed from the disclosure included under the subheading Use of Cash in Part II, Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, of our Annual Report on Form 10-K for the fiscal year ended March 31, 2025.

Fiscal 2026 Outlook

We will continue to focus our attention on increasing transaction volume and improving pricing, product and utilization for self-moving equipment rentals. Maintaining an adequate level of new investment in our truck fleet is an important component of our plan to meet our operational goals and is likely to increase in fiscal 2026. Revenue in the U-Move[®] program could be adversely impacted should we fail to execute in any of these areas. Should we be unable to acquire enough new rental equipment to properly rotate our fleet, repair and maintenance costs will continue to increase. Even if we execute our plans, we could see declines in revenues primarily due to unforeseen events including adverse economic conditions or heightened competition that is beyond our control.

With respect to our storage business, we have added new locations and expanded existing locations. In fiscal 2026, we are actively looking to complete current projects, increase occupancy in our existing portfolio of locations and acquire new locations. New projects and acquisitions will be considered and pursued if they fit our long-term plans and meet our financial objectives. It is likely spending on acquisitions and new development will increase in fiscal 2026. We will continue to invest capital and resources in the U-Box[®] program throughout fiscal 2026.

Inflationary pressures may challenge our ability to maintain or improve upon our operating margin.

Property and Casualty Insurance will continue to provide loss adjusting and claims handling for U-Haul and underwrite components of the Safemove®, Safetow®, Safemove Plus®, Safestor® and Safehaul® protection packages to U-Haul customers.

Life Insurance is pursuing its goal of expanding its presence in the senior market through the sales of its Medicare supplement, life and annuity policies. This strategy includes growing its agency force, expanding its new product offerings, and pursuing business acquisition opportunities.

Consolidating Schedules by Segment (Unaudited)

This information includes elimination entries necessary to consolidate U-Haul Holding Company, the parent with its subsidiaries.

Consolidating balance sheets by segment as of September 30, 2025 were as follows:

	Moving & Storage Consolidated	Property & Casualty Insurance (a)	Life Insurance (a)	Eliminations	U-Haul Holding Company Consolidated

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We are exposed to financial market risks, including changes in interest rates and currency exchange rates. To mitigate these risks, we may utilize derivative financial instruments, among other strategies. We do not use derivative financial instruments for speculative purposes.

Interest Rate Risk

The exposure to market risk for changes in interest rates relates primarily to our variable rate debt obligations and one variable rate operating lease. We have used interest rate swap agreements and forward swaps to reduce our exposure to changes in interest rates. We enter into these arrangements with counterparties that are significant financial institutions with whom we generally have other financial arrangements. We are exposed to credit risk should these counterparties not be able to perform their obligations. The following table is a summary of our interest rate swap agreements as of September 30, 2025:

Notional Amount	Fair Value	Effective Date	Expiration Date	Fixed Rate	Floating Rate
(Unaudited)					
(In thousands)					
\$ 54,147	\$ 1,633	7/15/2022	7/15/2032	2.86%	1 Month SOFR
65,750	510	8/1/2022	8/1/2026	2.72%	1 Month SOFR
65,250	504	8/1/2022	8/31/2026	2.75%	1 Month SOFR
87,500	(436)	8/1/2024	8/1/2026	4.36%	1 Month SOFR

As of September 30, 2025, we had \$820.1 million of variable rate debt obligations, of this amount, \$547.5 million is not fixed through interest rate swaps. If Secured Overnight Funding Rate ("SOFR") were to increase 100 basis points, the increase in interest expense on the variable rate debt would decrease future earnings and cash flows by \$5.5 million annually (after consideration of the effect of the above derivative contracts). Certain senior mortgages have an anticipated repayment date and a maturity date. If these senior mortgages are not repaid by the anticipated repayment date the interest rate on these mortgages would increase from the current fixed rate. We are using the anticipated repayment date for our maturity schedule.

Additionally, our insurance subsidiaries' fixed income investment portfolios expose us to interest rate risk. This interest rate risk is the price sensitivity of a fixed income security to changes in interest rates. As part of our insurance companies' asset and liability management, actuaries estimate the cash flow patterns of our existing liabilities to determine their duration. These outcomes are compared to the characteristics of the assets that are currently supporting these liabilities assisting management in determining an asset allocation strategy for future investments that management believes will mitigate the overall effect of interest rates.

We use derivatives to hedge our equity market exposure to indexed annuity products sold by our Life Insurance company. These contracts earn a return for the contract holder based on the change in the value of the S&P 500 index between annual index point dates. We buy and sell listed equity and index call options and call option spreads. The credit risk is with the party in which the options are written. The net option price is paid up front and there are no additional cash requirements or additional contingent liabilities. These contracts are held at fair market value on our balance sheet. As of September 30, 2025 and March 31, 2025, these derivative hedges had a net market value of \$7.7 million and \$8.8 million, respectively, with notional amounts of \$285.8 million and \$326.2 million, respectively. These derivative instruments are included in Investments, other, on the consolidated balance sheets.

Although the call options are employed to be effective hedges against our policyholder obligations from an economic standpoint, they do not meet the requirements for hedge accounting under GAAP. Accordingly, the call options are marked to fair value on each reporting date with the change in fair value, plus or minus, included as a component of net investment and interest income. The change in fair value of

the call options includes the gains or losses recognized at the expiration of the option term and the changes in fair value for open contracts.

Foreign Currency Exchange Rate Risk

The exposure to market risk for changes in foreign currency exchange rates relates primarily to our Canadian business. Approximately 5.5% and 5.4% of our revenue was generated in Canada during the first six months of fiscal 2026 and 2025, respectively. The result of a 10% change in the value of the U.S. dollar relative to the Canadian dollar would not be material to net income. We typically do not hedge any foreign currency risk since the exposure is not considered material.

Cautionary Statements Regarding Forward-Looking Statements

This Quarterly Report contains “forward-looking statements” regarding future events and our future results of operations. We may make additional written or oral forward-looking statements from time to time in filings with the SEC or otherwise. We believe such forward-looking statements are within the meaning of the safe-harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Such statements may include, but are not limited to:

- the risk associated with potential future pandemics or similar events on system members or customers;
- the impact of the economic environment on demand for our products and the cost and availability of debt and capital;
- estimates of capital expenditures;
- plans for future operations, products or services, financing needs, and strategies;
- our perceptions of our legal positions and anticipated outcomes of government investigations and pending litigation against us;
- liquidity and the availability of financial resources to meet our needs, goals and strategies;
- plans for new business, storage occupancy, growth rate assumptions, pricing, costs, and access to capital and leasing markets;
- the impact of our compliance with environmental laws and cleanup costs;
- our beliefs regarding our sustainability practices;
- our used vehicle disposition strategy;
- the sources and availability of funds for our rental equipment and self-storage expansion and replacement strategies and plans;
- our plan to expand our U-Haul® storage affiliate program;
- that additional leverage can be supported by our operations and business;
- the availability of alternative vehicle manufacturers;
- the availability and economics of electric vehicles for our rental fleet;
- our estimates of the residual values of our equipment fleet;
- our plans with respect to off-balance sheet arrangements;
- our plans to continue to invest in the U-Box® program;
- our ability to expand our breadth and reach of the U-Box® program;
- the impact of interest rate and foreign currency exchange rate changes on our operations;
- the sufficiency of our capital resources;

- the sufficiency of capital of our insurance subsidiaries;
- inflationary pressures and/or imposition of tariffs that may challenge our ability to maintain or improve upon our operating margin;
- our belief that we have the financial resources needed to meet our business plans;
- our belief that we will maintain a high level of real estate capital expenditures in fiscal 2026;
- expectations regarding the potential impact to our information technology infrastructure and on our financial performance and business operations of technology, cybersecurity or data security breaches, including any related costs, fines or lawsuits, and our ability to continue ongoing operations and safeguard the integrity of our information technology infrastructure, data, and employee, customer and vendor information, as well as assumptions relating to the foregoing.
- our ability to increase transaction volume and improve pricing, product, and utilization for self-moving equipment rentals;
- our ability to maintain or increase adequate levels of new investment for our rental equipment fleet;
- our ability to complete current projects, increase occupancy in our existing portfolio of locations, and acquire new locations;
- our ability to expand our Life Insurance segment in the senior market;
- our ability to grow our agency force, expand our product offerings, and pursue business acquisition opportunities in our Life Insurance segment;
- our belief that fiscal 2026 investments will be largely funded through debt financing, external lease financing, private placements and cash from operations; and
- our plan to expand owned storage properties and our belief that such development projects will be funded through a combination of internally generated funds, corporate debt and with borrowings against existing properties as they operationally mature.

The words “believe,” “expect,” “anticipate,” “plan,” “may,” “will,” “could,” “estimate,” “project” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made.

Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could significantly affect results include, without limitation,

- the degree and nature of our competition;
- our leverage;
- general economic conditions; fluctuations in our costs to maintain and update our fleet and facilities;
- the limited number of manufacturers that supply our rental trucks;
- our ability to effectively hedge our variable interest rate debt;
- that we are controlled by a small contingent of stockholders;
- fluctuations in quarterly results and seasonality;
- changes in, and our compliance with, government regulations, particularly environmental regulations and regulations relating to motor carrier operations;
- outcomes of litigation;
- our reliance on our third party dealer network;

- liability claims relating to our rental vehicles and equipment;
- our ability to attract, motivate and retain key employees;
- reliance on our automated systems and the internet;
- our credit ratings;
- our ability to recover under reinsurance arrangements; and
- other factors described in our Annual Report on Form 10-K in Item 1A, Risk Factors, and in this Quarterly Report or the other documents we file with the SEC.

The above factors, as well as other statements in this Quarterly Report and in the Notes to Consolidated Financial Statements, could contribute to or cause such risks or uncertainties, or could cause our stock price to fluctuate dramatically. Consequently, the forward-looking statements should not be regarded as representations or warranties by us that such matters will be realized. We assume no obligation to update or revise any of the forward-looking statements, whether in response to new information, unforeseen events, changed circumstances or otherwise, except as required by law.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, conducted an evaluation of the effectiveness of our disclosure controls and procedures (as such term is defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of September 30, 2025. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that as of September 30, 2025, our disclosure controls and procedures were effective.

Changes in Internal Control Over Financial Reporting

There have not been any changes in our internal control over financial reporting as such term is defined in Exchange Act Rules 13a-15(f) and 15d-15(f) during the quarter ended September 30, 2025 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II OTHER INFORMATION

Item 1. Legal Proceedings

The information regarding our legal proceedings in Note 10, Contingencies, of the Notes to Consolidated Financial Statements is incorporated by reference herein.

SEC regulations require us to disclose certain information about environmental proceedings if a governmental authority is a party to such proceedings and such proceedings involve potential monetary sanctions that we reasonably believe will exceed a stated threshold. Pursuant to the SEC regulations, we will use a threshold of \$1 million for purposes of determining whether disclosure of any such proceedings is required. We believe that this threshold is reasonably designed to result in disclosure of any such proceedings that are material to our business or financial condition.

Item 1A. Risk Factors

We are not aware of any material updates to the Risk Factors described in our previously filed Annual Report on Form 10-K for the fiscal year ended March 31, 2025.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Not applicable.

Item 3. Defaults Upon Senior Securities

Not applicable.

Item 4. Mine Safety Disclosures

Not applicable.

Item 5. Other Information

During the quarter ended September 30, 2025, none of our directors or officers adopted or terminated a “Rule 10b5-1 trading arrangement” or “non-Rule 10b5-1 trading arrangement”, as those terms are defined in Item 408 of Regulation S-K.

Item 6. Exhibits

The following documents are filed or furnished as part of this Quarterly Report:

Exhibit Number	Description	Page or Method of Filing
31.1	Rule 13a-14(a)/15d-14(a) Certificate of Edward J. Shoen, President and Chairman of the Board of U-Haul Holding Company	Filed herewith

Rule 13a-14(a)/15d-14(a) Certification

I, Edward J. Shoen, certify that:

1. I have reviewed this quarterly report on Form 10-Q of U-Haul Holding Company (the "Registrant");
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the Registrant as of, and for, the periods presented in this report;
4. The Registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the Registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the Registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the Registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the Registrant's internal control over financial reporting that occurred during the Registrant's most recent fiscal quarter (the Registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the Registrant's internal control over financial reporting; and
5. The Registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the Registrant's auditors and the audit committee of the Registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Registrant's ability to record, process, summarize and report financial information; and
 - (e) Any fraud, whether or not material, that involves management or other employees who have a significant role in the Registrant's internal control over financial reporting.

Rule 13a-14(a)/15d-14(a) Certification

I, Jason A. Berg, certify that:

1. I have reviewed this quarterly report on Form 10-Q of U-Haul Holding Company (the Registrant);
2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the Registrant as of, and for, the periods presented in this report;
4. The Registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the Registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the Registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the Registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the Registrant's internal control over financial reporting that occurred during the Registrant's most recent fiscal quarter (the Registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the Registrant's internal control over financial reporting; and
5. The Registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the Registrant's auditors and the audit committee of the Registrant's board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Registrant's ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the Registrant's internal control over financial reporting.
