## PROXY STATEMENT 2005 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON AUGUST 26, 2005

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of AMERCO, a Nevada corporation (the "Company"), for use at the 2005 Annual Meeting of Stockholders to be held on Friday, August 26, 2005 at 11:00 a.m. at the Airport Plaza Hotel, 1981 Terminal Way, Reno, Nevada 89502 (the "Meeting"), and at any adjournment or adjournments thereof. **The AMERCO Board of Directors is soliciting proxies.**

Only stockholders of record at the close of business on July 7, 2005 (the "Record Date") are entitled to notice of and to vote at the Meeting. At the close of business on the Record Date, the Company had outstanding 15,622,108 shares of its Common Stock, \$0.25 par value, and 5,662,496 shares of its Series A Common Stock, \$0.25 par value (collectively, the "Common Stock").

One-third of the outstanding shares entitled to vote and to be represented in person or by proxy at the Meeting will constitute a quorum for the conduct of business. Abstentions and broker non-votes will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Except as otherwise stated herein, provided a quorum is present, the affirmative vote of the holders of a majority of the shares entitled to vote on the matter is required to approve any matter.

Each stockholder is entitled to one vote per share of Common Stock for the election of directors and on all other matters that may properly be brought before the Meeting. If the accompanying proxy is signed and returned, the shares represented thereby will be voted in accordance with any directions on the proxy. If a proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted for the director nominees named herein. Any stockholder giving the enclosed form of proxy may revoke it at any time before it is voted at the Meeting by filing with the Secretary of the Company a document revoking the proxy or by submitting a proxy bearing a later date. The revocation of the proxy will not affect any vote taken prior to such revocation. This Proxy Statement and the enclosed proxy are first being mailed to stockholders on or about July 21, 2005.

The solicitation of all proxies will be made primarily by mail and the cost of such solicitation will be borne by the Company. The Company will reimburse fiduciaries, nominees, and others for their out-of-pocket expenses in forwarding proxy materials to beneficial owners. Proxies may be solicited by telephone, telegraph, facsimile transmission, and in person by employees of the Company.

Subject to applicable law, if any other matters properly come before the Meeting, the person named in the enclosed proxy will vote thereon in accordance with his judgment.

### ELECTION OF DIRECTORS

The Company's Board of Directors consists of eight directors. The Company's Articles of Incorporation provide for the division of the Board of Directors into four classes, designated Class I, Class II, Class III, and Class IV. Subject to applicable law, each class shall consist, as nearly as may be possible, of one-fourth of the total number of directors constituting the entire Board of Directors. The term of each directorship is four years and the terms of the four classes are staggered in a manner so that in most cases only one class is elected by the stockholders annually.

At the Meeting, two Class III directors will be elected to serve until the 2009 Annual Meeting of Stockholders and one Class I director will be elected to fill the vacancy created by the resignation of James J. Grogan on February 9, 2005 to serve until the 2007 Annual Meeting of Stockholders. It is the intention of the individual named in the enclosed form of proxy to vote for the three nominees named below unless instructed to the contrary. However, if any nominee named herein becomes unavailable to serve at the time of election (which is not anticipated), and, as

a consequence, other nominees are designated, the person named in the proxy or other substitutes shall have the discretion or authority to vote or refrain from voting in accordance with his judgment with respect to other nominees. The two Class III and one Class I director nominees receiving the largest number of votes in favor of their election will be elected as Class III and Class I directors, respectively.

Directors are elected by a plurality of the shares represented at the meeting, in person or by proxy, and entitled to vote at the Annual Meeting, provided that a quorum is present. Votes may be cast FOR all nominees, WITHHOLD for all nominees, or WITHHOLD as to specific nominees. The two Class III nominees and the one Class I nominee who receive the greatest number of votes cast FOR the election of such nominees shall be elected as directors. As a result, any vote other than a vote FOR the nominee will have the practical effect of voting AGAINST the nominee. An abstention will have the same effect as voting WITHHELD for election of directors.

#### **Director Qualification and Independence**

The Independent Governance Committee has evaluated each director's independence. Nasdaq requires that at least a majority of the Board of Directors be independent. In order to be considered independent, a director cannot be an officer or employee of the Company or its subsidiaries or any other person that in the opinion of the Board of Directors has a relationship with the Company which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Based on its evaluation, the Independent Governance Committee has recommended to the Board of Directors that Daniel R. Mullen, M. Frank Lyons, John M. Dodds, William E. Carty, Charles J. Bayer, and John P. Brogan are independent. The full Board of Directors, based in part on the recommendation of the Independent Governance Committee, has determined that the directors listed in this paragraph are independent pursuant to Nasdaq's independence requirements.

#### **OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS**

The full Board of Directors of the Company met seven times during the fiscal year ended March 31, 2005. Each director attended at least 75% of the meetings of the full Board of Directors and of the committees on which he served. One or more of the directors are expected to attend the Meeting. All directors attended our 2004 annual meeting, which was held on September 24, 2004.

The annual fee for all services as a director of the Company is \$50,000. Audit Committee members receive a \$50,000 annual fee, Executive Finance Committee and Compensation Committee members receive a \$20,000 annual fee, and Independent Governance Committee members receive a \$50,000 annual fee. These amounts are paid in equal monthly installments.

The Board of Directors has appointed the following standing committees: Audit Committee, Compensation Committee, Executive Finance Committee, and Independent Governance Committee. The Company does not have a nominating committee. The responsibility for director nominations is vested in the independent members of the board. The Board does not believe that a nominating committee is necessary because every independent director (as determined by Nasdaq's rules) participates in the nominating process. The Board of Directors has adopted a resolution addressing the nominations process and related matters. Our process is described in this Proxy Statement under the heading "Director Nomination Process." Listed below is a summary of the Company's four committees and the membership of those committees.

*Audit Committee.* The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities as to financial reporting, audit functions and risk management. The Audit Committee monitors the financial information that is provided to stockholders and others, the independence and performance of the Company's independent registered public accounting firm and internal audit department and the systems of internal control established by

management and the Board of Directors. The Audit Committee operates pursuant to a written charter approved by the Board of Directors. The Audit Committee is composed of John P. Brogan, Charles J. Bayer and John M. Dodds and met six times during the fiscal year ended March 31, 2005. Messrs. Brogan, Bayer and Dodds are considered “independent” pursuant to the Nasdaq listing standards. The Board of Directors has determined that Mr. Brogan qualifies as an Audit Committee Financial Expert as defined by the rules of the Securities and Exchange Commission, based in part on his past experience in public accounting.

*Executive Finance Committee.* The Executive Finance Committee is authorized to act on behalf of the Board of Directors in approving any transaction involving the finances of the Company. The Committee has the authority to give final approval for the borrowing of funds on behalf of the Company without further action or approval of the Board of Directors. The Executive Finance Committee is comprised of Edward J. Shoen, John P. Brogan and Charles J. Bayer. Although this committee did not meet in person during the fiscal year ended March 31, 2005, it acted by unanimous written consent on approximately 25 occasions.

*Compensation Committee.* The Compensation Committee reviews the Company’s executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company. The Committee reviews and makes recommendations to the Board of Directors regarding management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee met one time during the fiscal year ending March 31, 2005. The Compensation Committee is comprised of John P. Brogan and John M. Dodds, independent directors of the Company.

*Independent Governance Committee.* In 2003, the Company’s Board of Directors approved the formation of an Independent Governance Committee. The Independent Governance Committee is chaired by John P. Brogan. Thomas W. Hayes, the former State Treasurer of California, and Paul A. Bible, a partner in the Reno-based law firm of Bible, Hoy & Trachok, are also members of this committee. Neither Mr. Hayes nor Mr. Bible is a member of the Company’s Board of Directors. The Independent Governance Committee monitors and evaluates the Company’s corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance. The committee may review other matters as referred to it by the Board. The committee has the authority to and a budget from which to retain professionals. Committee membership is for a term of one year and each member is determined by the Board to be free of any relationship that would interfere with his exercise of independent judgment as member of this committee. The Independent Governance Committee met two times during the fiscal year ending March 31, 2005.

Mr. Hayes was president of Metropolitan West Financial Inc, a diversified financial management company with over \$60 billion in managed funds. He has also served as the State Treasurer of California, California’s Director of Finance, and was responsible for overseeing the successful restructuring of Orange County’s investment pool, following that county’s Chapter 11 filing.

Mr. Bible currently serves as the Chairman of the Compliance Committee for H Group Holding, Inc., the holding company of Hyatt Corporation. He also serves as Chairman of the Compliance Committee for Jacobs Entertainment, Inc., the holding company of Black Hawk Gaming & Development Company, Inc. He is the former Chairman of the Board of Trustees of the University of Nevada, Reno Foundation, and is the former Chairman of the Nevada Gaming Commission.

*Advisory Board Members.* In addition to the four committees described above, in 2003, the Board of Directors authorized the inclusion of “advisory” Board members. Advisory Board members do not officially vote, but are given full and complete access to the affairs of the Board, including all meetings and votes of the Board and are treated in all other respects as a Board member. The Board has authorized up to two advisory Board members who shall serve at the will of the Board.

In 2003, the Board of Directors appointed Michael L. Gallagher as a member of the Advisory Board. Mr. Gallagher is a senior partner in the law firm Gallagher & Kennedy. Mr. Gallagher is also a director of Pinnacle West Capital Corporation and the Omaha World Herald Company.

See “Security Ownership of Certain Beneficial Owners and Management” and “Certain Relationships and Related Transactions” for additional information relating to the directors.

## **DIRECTOR NOMINATION PROCESS**

*Director Qualifications.* Persons nominated to the Board should have personal integrity and high ethical character. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Board will assure that:

- at least three of the directors satisfy the financial literacy requirements required for service on the Audit Committee; and
- at least one of the directors qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission.

*Identifying Director Candidates.* The Board utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Board has a policy of re-nominating incumbent directors who continue to satisfy the Board's criteria for membership and whom the independent directors believe continue to make important contributions to the Board and who consent to continue their service on the Board.

In filing vacancies of the Board, the independent directors will solicit recommendations for nominees from the persons the independent directors believe are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The independent directors may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the independent directors will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Board for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board's policies must be possessed by one or more members of the Board.

The independent directors may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's Chairman of the Board and President and other senior members of management.

The independent directors will make its selections based on all the available information and relevant considerations. The independent directors' selection will be based on who, in the view of the independent directors, will be best suited for membership on the Board.

In making its selection, the independent directors will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the independent directors may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The independent directors may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

*Stockholder Nominees.* The policy of the Board of Directors is to consider properly submitted stockholder recommendations for candidates for membership on the Board of Directors as described below. The evaluation process for such nominations is overseen by our independent directors. In evaluating such nominations, the independent directors seek to achieve qualified directors that can represent fairly and equally all stockholders of the Company and based on the membership qualifications and criteria described above. Any stockholder nominations for consideration by the independent directors should be mailed or delivered to the Company's Secretary at 2727 N. Central Avenue, Phoenix, Arizona 85004. Email submissions will not be considered. The recommendation must be accompanied by the following information about the stockholder:

- the stockholder's name and address, including telephone number;
- the number of shares of the Company's stock owned by the recommending stockholder and the time period for which such shares have been held;
- if the recommending stockholder is not a shareholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time that the shares have been held; and
- a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of the next annual meeting at which the candidate would be elected.

If the recommendation is submitted by a group of two or more stockholders, the above information must be submitted with respect to each stockholder in the group. The recommendation must be received by the Company not later than 120 days prior to the first anniversary of the date of the proxy statement for the prior annual meeting, except in the event that the date of the annual meeting for the current year is moved more than 30 days from the anniversary date of the annual meeting for the prior year, the submission will be considered timely if it is submitted a reasonable time in advance of the mailing of the Company's proxy statement for the annual meeting for the current year. The recommendation must be accompanied by a consent of the proposed nominee to be interviewed by the independent directors and other Board members and to serve as director of the Company.

The recommendation must also contain information about the proposed nominee, including:

- the proposed nominee's name and address;
- the information required by Items 401, 403 and 404 of SEC Regulation S-K (generally providing for disclosure of arrangements or understandings regarding the nomination, the business experience of the proposed nominee, legal proceedings involving the proposed nominee, the proposed nominee's ownership of securities of the Company, and transactions and relationships between the proposed nominee and the Company);
- a description of all relationships between the proposed nominee and any of the Company's competitors, customers, supplies, labor unions or other persons with special interests regarding the Company;
- the qualifications of the proposed nominee;
- a statement from the recommending stockholder that in his or her view, the nominee, if elected, would represent all the stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The Secretary will forward all recommendations to the independent directors. The acceptance of a recommendation from a stockholder does not imply that the independent directors will recommend to the Board of Directors the nomination of the stockholder recommended candidate. In addition, the Company's bylaws permit stockholders to nominate directors and nothing in the above procedures is intended to conflict with the provisions of our bylaws governing nominations by stockholders.

This information contained in this proxy about our nominations process is just a summary. A complete copy of the policies and procedures with respect to stockholder director nominations can be obtained from the Company, free of charge, by writing to our Secretary at the address listed above.

#### **COMMUNICATIONS WITH THE BOARD OF DIRECTORS**

Interested persons may communicate with the Board of Directors by writing to our Secretary at 2727 N. Central Avenue, Phoenix, Arizona 85004. All such communications, or summaries thereof, will be relayed to the Board.

## **BOARD REPORT ON EXECUTIVE COMPENSATION**

It is the duty of the Compensation Committee to review and determine the salary and bonus of the Company's Chairman of the Board and President, and to establish the general compensation policies for the Company's executive officers. The Compensation Committee reviewed and determined the amount of compensation paid to the Chairman of the Board and President for fiscal 2005. The determination was subjective and not subject to a specific criteria. Although the Compensation Committee had primary authority with respect to compensation decisions for the Company's other executive officers during fiscal 2005, the Chairman of the Board and President has significant input on these decisions with the counsel of individual Board members, subject to the ability of the Compensation Committee or the full Board to revise or override these decisions. Executive compensation was set at levels designed to retain the Company's executive officers and was based on subjective factors such as the perception of each officer's performance and changes in functional responsibility. The Company has not entered into employment agreements with any of its executive officers.

In addition, the Board of Directors determines the amount, if any, of the Company's contribution pursuant to the AMERCO Employee Savings, Profit Sharing and Employee Stock Ownership Plan.

## **AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors ("Audit Committee") is composed of three independent directors and operates under a written charter adopted by the Board of Directors. Each member of the Audit Committee meets the independence requirements of Nasdaq and the Securities Exchange Act of 1934.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee reviewed and discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Based on the Audit Committee's discussions with management and the independent registered public accounting firm and its review of the representation of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended March 31, 2005 filed with the Securities and Exchange Commission.

## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

AMERCO has engaged in related party transactions, and has continuing related party interests, with certain major stockholders, directors and officers of the consolidated group.

During fiscal 2005, AMERCO purchased \$128,587 of refinishing supplies from Space Age Auto Paint Store Inc. Edward J. Shoen, a major stockholder, officer and director of AMERCO, owns Space Age Auto Paint Store Inc.

Samuel J. Shoen, the son of Edward J. Shoen, is employed by U-Haul as project group supervisor. Mr. Shoen was paid an aggregate salary and bonus of \$94,807 for his services during the fiscal year 2005.

During fiscal 2005 a subsidiary of the Company held various senior and junior unsecured notes of SAC Holdings. Substantially all of the equity interest of SAC Holdings is controlled by Mark V. Shoen, a significant shareholder and executive officer of the Company. The Company does not have an equity ownership interest in SAC Holdings, except for minority investments made by RepWest and Oxford in a SAC Holdings-controlled limited partnership which holds Canadian self-storage properties. The Company received cash interest payments of \$11.7 million from SAC Holdings during fiscal year 2005. The notes receivable balance outstanding at March 31, 2005 was, in the aggregate, \$203.8 million. The largest aggregate amount outstanding during the fiscal year ended March 31, 2005 was \$203.8 million.

Interest accrues on the outstanding principal balance of junior notes of SAC Holdings that the Company holds at a stated rate of basic interest. A fixed portion of that basic interest is paid on a monthly basis. Additional interest is paid on the same payment date based on the amount of remaining basic interest and the cash flow generated by the underlying property. This amount is referred to as the "cash flow-based calculation."

In the event that this cash flow-based calculation exceeds the amount of remaining basic interest, contingent interest is paid on the same monthly date as the fixed portion of basic interest. To the extent that the cash flow-based calculation is less than the amount of remaining basic interest, the additional interest payable on the applicable monthly date is limited to the amount of that cash flow-based calculation. In such a case, the excess of the remaining basic interest over the cash flow-based calculation is deferred. In addition, subject to certain contingencies, the junior notes provide that the holder of the note is entitled to receive payments upon, among other things, the sale of such property by SAC Holdings.

The Company currently manages the self-storage properties owned by SAC Holdings pursuant to a standard form of management agreement with each SAC Holdings subsidiary, under which the Company receives a management fee of between 4% and 10% of the gross receipts. The Company received management fees of \$14.4 million during fiscal year 2005. This management fee is consistent with the fees received for other properties the Company has managed for third parties.

In April 2004, the Company entered into arrangements to manage properties leased by Mercury Partners, L.P. (“Mercury”). Mercury is controlled by Mark V. Shoen. The property management agreement we entered into with Mercury will pay U-Haul a fee of between 4% and 10% of the gross receipts generated by the properties.

RepWest and Oxford currently hold a collective 46% limited partnership interest in Securespace Limited Partnership (“Securespace”), a Nevada limited partnership. A SAC Holdings subsidiary serves as the general partner of Securespace and owns a 1% interest. Another SAC Holdings subsidiary owns the remaining 53% limited partnership interest in Securespace. Securespace was formed by SAC Holdings to be the owner of various Canadian self-storage properties.

During fiscal year 2005, the Company leased space for marketing company offices, vehicle repair shops and hitch installation centers owned by subsidiaries of SAC Holdings. Total lease payments pursuant to such leases were \$2.7 million during fiscal year 2005. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

At March 31, 2005, subsidiaries of SAC Holdings acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with subsidiaries of SAC Holdings are substantially identical to the terms of those with the Company’s other independent dealers. During fiscal 2005, the Company paid subsidiaries of SAC Holdings \$33.1 million in commissions pursuant to such dealership contracts.

SAC Holdings was established in order to acquire self-storage properties which are being managed by the Company pursuant to management agreements. The sale of self-storage properties by the Company to SAC Holdings has in the past provided significant cash flows to the Company. However, in connection with SAC Holdings’ issuance of the New SAC Holdings Notes to AMERCO’s creditors in AMERCO’s Chapter 11 proceeding, certain SAC Holdings notes payable to the Company were satisfied thereby extinguishing the “cash flow-based calculation.”

Management believes that its sales of self-storage properties to SAC Holdings over the past several years provided a unique structure for the Company to earn rental revenues at the SAC Holdings self-storage properties that the Company manages and participate in SAC Holdings’ excess cash flows as described above.

## **EMERGENCE FROM CHAPTER 11**

On June 20, 2003, AMERCO filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code. Amerco Real Estate Company also filed a voluntary petition for relief under Chapter 11 on August 13, 2003. The other subsidiaries of AMERCO were not included in either of the filings. On March 15, 2004, we emerged from Chapter 11 (less than nine months from our petition date) with full payment to our creditors while preserving the interests of our stockholders.

## **DERIVATIVE ACTION**

The disclosure in this section is required by the federal securities laws because the plaintiff, Paul F. Shoen, is the brother of one or more directors, officers and 5% stockholders.

On September 24, 2002, Paul F. Shoen filed a derivative action in the Third Judicial District Court of the State of Nevada, Washoe County, captioned Paul F. Shoen vs. SAC Holding Corporation et al., CV02-05602, seeking damages and equitable relief on behalf of AMERCO from SAC Holdings and certain current and former members of the AMERCO Board of Directors, including Edward J. Shoen, Mark V. Shoen and James P. Shoen as defendants. AMERCO is named a nominal defendant for purposes of the derivative action. The complaint alleges breach of fiduciary duty, self-dealing, usurpation of corporate opportunities, wrongful interference with prospective economic advantage and unjust enrichment and seeks the unwinding of sales of self-storage properties by subsidiaries of AMERCO to SAC Holdings in prior years. The complaint seeks a declaration that such transfers are void as well as unspecified damages. On October 28, 2002, AMERCO, the Shoen directors, the non-Shoen directors and SAC Holdings filed Motions to Dismiss the complaint. In addition, on October 28, 2002, Ron Belec filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Ron Belec vs. William E.

Carty, et al., CV 02-06331 and on January 16, 2003, M.S. Management Company, Inc. filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned M.S. Management Company, Inc. vs. William E. Carty, et al., CV 03-00386. Two additional derivative suits were also filed against these parties. These additional suits are substantially similar to the Paul F. Shoen derivative action. The five suits assert virtually identical claims. In fact, three of the five plaintiffs are parties who are working closely together and chose to file the same claims multiple times. These lawsuits falsely alleged that the AMERCO Board lacked independence. In reaching its decision to dismiss these claims, the court determined that the AMERCO Board of Directors had the requisite level of independence required in order to have these claims resolved by the Board. The court consolidated all five complaints before dismissing them on May 28, 2003. Plaintiffs appealed and the appeal has been fully briefed before the Nevada Supreme Court.

## **RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

BDO Seidman, LLP served as our principal independent registered public accounting firm for the fiscal years ended March 31, 2004 and 2005 and the Audit Committee has selected BDO Seidman, LLP to audit AMERCO's financial statements for fiscal 2006. We expect that representatives of BDO Seidman, LLP will be present at the Meeting. The following table shows the fees that AMERCO and its consolidated entities paid or accrued for the audit and other services provided by BDO Seidman, LLP for fiscal years 2005 and 2004.

	<b>March 31,</b>	
	<b>2005</b>	<b>2004</b>
	(In thousands)	
Audit fees	\$ 3,542	\$ 2,500
Audit-related fees	45	70
Tax fees	—	105
All other fees	—	77
<b>Total</b>	<b>\$ 3,587</b>	<b>\$ 2,752</b>

**Audit Fees.** This category includes the audit of AMERCO's annual financial statements, review of financial statements included in AMERCO's Form 10-Q quarterly reports, the internal control evaluation under Section 404 of the Sarbanes Oxley Act of 2002, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements for those fiscal years. This category also includes advice on accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by U.S. jurisdictions and the preparation of an annual "management letter" on internal control matters.

**Audit-Related Fees.** This category consists of assurance and related services provided by BDO Seidman, LLP that are reasonably related to the performance of the audit or review of AMERCO's financial statements and are not reported above under "Audit Fees." The services for the fees disclosed under this category include benefit plan audits and other accounting consulting.

**Tax Fees.** This category consists of professional services rendered by BDO Seidman, LLP, primarily in connection with AMERCO's tax compliance activities, including the preparation of tax returns in certain jurisdictions and technical tax advice related to the preparation of tax returns.

**All Other Fees.** This category consists of fees for other miscellaneous items. This includes fees associated with various litigation and regulatory inquiries occurring during the current and prior fiscal years.

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the independent registered public accounting firm. All 2005 non-audit services listed above were pre-approved. The Audit Committee has determined that the provision of services by BDO described in the preceding paragraphs were compatible with maintaining BDO's independence as the Company's principal accountant.

## **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership of, and transactions in, the Company's securities with the Securities and Exchange Commission. Such directors, executive officers and 10% stockholders are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms received by it, the Company believes that during fiscal 2005, all Section 16(a) filing requirements applicable to its directors, officers and 10% stockholders were complied with except that a Form 4 filed by James P. Shoen on August 25, 2004 was one day late.

#### **STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING**

For inclusion in the proxy statement and form of proxy relating to the 2006 Annual Meeting of Stockholders, a proposal intended for presentation at that meeting must be submitted in accordance with the applicable rules of the Securities and Exchange Commission and received by the Secretary of AMERCO, c/o U-Haul International, Inc., 2721 North Central Avenue, Phoenix, Arizona 85004, on or before March 23, 2006. Proposals to be presented at the 2006 Annual Meeting of Stockholders that are not intended for inclusion in the proxy statement and form of proxy must be submitted by that date and in accordance with the applicable provisions of the Company's By-Laws, a copy of which is available upon written request, delivered to the Secretary of AMERCO at the address in the preceding sentence. The Company suggests that proponents submit their proposals to the Secretary of AMERCO by Certified Mail-Return Receipt Requested.
