Company Overview

We are North America's largest "do-it-yourself" moving and storage operator through our subsidiary U-Haul International, Inc. ("U-Haul"). U-Haul is synonymous with "do-it-yourself" moving and storage and is a leader in supplying products and services to help people move and store their household and commercial goods. Our primary service objective is to provide the best product and service to the most people at the lowest cost.

We rent our distinctive orange U-Haul trucks and trailers as well as offer self-storage rooms through a network of over 1,450 Company operated retail moving centers and 13,950 independent U-Haul dealers. In addition, we have an independent storage facility network with approximately 2,700 active affiliates. We also sell U-Haul brand boxes, tape and other moving and self-storage products and services to "do-it-yourself" moving and storage customers at all of our distribution outlets and through our eMove web site.

U-Haul is the most convenient supplier of products and services meeting the needs of North America's "do-it-yourself" moving and storage market. Our broad geographic coverage throughout the United States and Canada and our extensive selection of U-Haul brand moving equipment rentals, self-storage rooms and related moving and storage products and services provide our customers with convenient "one-stop" shopping.

Through Republic Western Insurance Company ("RepWest"), our property and casualty insurance subsidiary, we manage the property, liability and related insurance claims processing for U-Haul. Oxford Life Insurance Company ("Oxford"), our life insurance subsidiary, sells Medicare supplement, life insurance, annuities and other related products to non U-Haul customers and also administers the self-insured employee health and dental plans for Arizona employees of the Company.

We were founded in 1945 under the name "U-Haul Trailer Rental Company." Since 1945, we have rented trailers. Starting in 1959, we rented trucks on a one-way and in-town basis exclusively through independent U-Haul dealers. Since 1974, we have developed a network of U-Haul managed retail centers, through which we rent our trucks and trailers and sell moving and self-storage products and services to complement our independent dealer network.

AMERCO and U-Haul are each incorporated in Nevada. U-Haul's Internet address is www.uhaul.com. On AMERCO's investor relations web site, www.amerco.com, we post the following filings as soon as it is reasonably practical after they are electronically filed with or furnished to the United States Securities and Exchange Commission ("SEC"): our annual report on Form 10-K, our quarterly reports on Form 10-Q, our current reports on Form 8-K, our proxy statement related to our annual meeting of stockholders, and any amendments to those reports or statements filed or furnished pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934. All such filings on our web site are available free of charge.

Products and Rental Equipment

Our customers are primarily "do-it-yourself" household movers. U-Haul moving equipment is specifically designed, engineered and manufactured for the "do-it-yourself" household mover. These "do-it-yourself" movers include individuals and families moving their belongings from one home to another, college students moving their belongings, vacationers and sports enthusiasts needing extra space or having special towing needs, people trying to save on home furniture and home appliance delivery costs, and "do-it-yourself" home remodeling and gardening enthusiasts who need to transport materials.

As of March 31, 2006, our rental fleet consisted of approximately 93,000 trucks, 80,675 trailers and 33,500 tow devices. This equipment and our U-Haul brand of self-moving products and services are available through our network of managed retail moving centers and independent U-Haul dealers. Independent U-Haul dealers receive rental equipment from the Company, act as a rental agent and are paid a commission based on gross revenues generated from their U-Haul rentals.

Our rental truck chassis are manufactured by domestic and foreign truck manufacturers. These chassis are joined with the U-Haul designed and manufactured van boxes at U-Haul operated manufacturing and assembly facilities strategically located throughout the United States. U-Haul rental trucks feature our proprietary Lowest Deck SM, which provides our customers with extra ease of loading. The loading ramps on our trucks are the widest in the industry, which reduce the time needed to move belongings. Our Gentle Ride Suspension SM helps our customers safely move delicate and prized possessions. Also, the engineers at our U-Haul Technical Center determined that the softest ride in our trucks was at the front of the van box. Consequently, they designed the part of the van box that hangs over the front cab of the truck to be the location for our customers to place their most fragile items during their move. We call this area Mom's Attic SM.

Our distinctive orange trailers are also manufactured at these same U-Haul operated manufacturing and assembly facilities. These trailers are well suited to the low profile of many of today's newly manufactured automobiles. Our engineering staff is committed to making our trailers easy to tow, aerodynamic and fuel efficient.

To provide our self-move customers with added value, our rental trucks and trailers are designed for fuel efficiency. To help make our rental equipment more trouble free, we perform extensive preventive maintenance and repairs.

We also provide customers with equipment to transport their vehicle. We provide three towing options, including: auto transport, in which all four wheels are off the ground, tow dolly, in which the front wheels of the towed vehicle are off the ground, and tow bar, where all four wheels are on the ground.

To help our customers load their boxes and larger household appliances and furniture, we offer several accessory rental items. Our utility dolly has a lightweight design and is easy to maneuver. Another rental accessory is our four wheel dolly, which provides a large, flat surface for moving dressers, wall units, pianos and other large household items. U-Haul appliance dollies provide the leverage needed to move refrigerators, freezers, washers and dryers easily and safely. These utility, furniture and appliance dollies, along with the low decks and the wide loading ramps on all U-Haul trucks and trailers, are designed for easy loading and unloading of our customers' belongings.

The total package U-Haul offers the "do-it-yourself" household mover doesn't end with trucks, trailers and accessory rental items. Our moving supplies include a wide array of affordably priced U-Haul brand boxes, tape and packing materials. We also provide specialty boxes for dishes, computers and sensitive electronic equipment, carton sealing tape, security locks, and packing supplies, like wrapping paper and cushioning foam. U-Haul brand boxes are specifically sized to make stacking and tiering easier.

Also, U-Haul is North America's largest seller and installer of hitches and towing systems. In addition to towing U-Haul equipment these hitching and towing systems can tow jet skis, motorcycles, boats, campers and horse trailers. Our hitches, ball mounts, and balls undergo stringent testing requirements. Each year, more than one million customers visit our locations for expertise on complete towing systems, trailer rentals and the latest in towing accessories.

U-Haul is also North America's largest retail propane distributor, with more than 980 retail centers offering propane. We employ trained, certified personnel to refill all propane cylinders, and our network of propane dispensing locations is the largest automobile alternative refueling network in North America.

Self-storage is a natural outgrowth of the self-moving industry. Conveniently located U-Haul self-storage rental facilities provide clean, dry and secure space for storage of household and commercial goods, with storage units ranging in size from 6 square feet to 845 square feet. We operate nearly 1,045 self-storage locations in North America, with more than 377,750 rentable rooms comprising approximately 33.2 million square feet of rentable storage space. Our self-storage centers feature a wide array of security measures, ranging from electronic property access control gates to individually alarmed storage units. At many centers, we offer climate controlled storage rooms to protect temperature sensitive goods such as video tapes, albums, photographs and precious wood furniture.

Additionally, we offer moving and storage protection packages such as Safemove and Safetow, protecting moving and towing customers with a damage waiver, cargo protection and medical and life coverage, and Safestor, protecting storage customers from loss on their goods in storage.

Our eMove web site, www.emove.com, is the largest network of customers and businesses in the self-moving and self-storage industry. The eMove network consists of channels where customers, businesses and service providers transact business. The eMove Moving Help marketplace connects “do-it-yourself” movers with independent service providers to assist movers pack, load, unload, clean, drive and other services. Thousands of independent service providers already participate in the eMove network.

Through the eMove Storage Affiliate Program, independent storage businesses can join the world’s largest storage reservation system. Self-storage customers making a reservation through eMove can access all of the U-Haul self-storage centers and all of our independent storage affiliate partners for even greater convenience to meet their self-storage needs.

Description of Operating Segments

AMERCO has four reportable segments. They are Moving and Storage Operations (AMERCO, U-Haul and Real Estate), Property and Casualty Insurance, Life Insurance and SAC Holding II Corporation and its subsidiaries (“SAC Holding II”) for fiscal 2006 and fiscal 2005 and SAC Holdings for fiscal 2004 (see Note 2 to the Notes to Consolidated Financial Statements, Principles of Consolidation).

Financial information for each of our Operating Segments is included in the Notes to Consolidated Financial Statements as part of Item 8 of this report.

Moving and Storage Operating Segment

Our “do-it-yourself” moving business consists of U-Haul truck and trailer rentals and U-Haul moving supply and service sales. Our storage business consists of U-Haul self-storage room rentals, self-storage related products and service sales and management of non-owned self-storage facilities.

Net revenue from our Moving and Storage operating segment were approximately 90.2%, 89.2% and 81.3% of consolidated net revenue in fiscal 2006, 2005 and 2004, respectively.

During fiscal 2006, the Company added over 15,500 new trucks and over 3,000 new trailers to our existing rental fleet. These additions were a combination of U-Haul manufactured vehicles and purchases. As new trucks were added to the fleet, the Company rotated out of the fleet older trucks keeping the overall fleet size constant. The continued expansion and upgrading of our rental fleet will allow us to enter new markets and to achieve better utilization in existing markets.

Within our truck and trailer rental operation we are focused on expanding our independent dealer network to provide added convenience for our customers. U-Haul has approximately 13,950 dealers which are independent contractors, and are exclusive to U-Haul International, Inc. An independent dealer must maintain a singular fleet of U-Haul vehicles. U-Haul maximizes vehicle utilization by effective distribution of the truck and trailer fleets among the Company’s centers and independent dealers. Utilizing its sophisticated reservations management system, the Company’s centers and dealers electronically report their inventory in real-time, which facilitates matching equipment to customer demand.

At our owned and operated retail centers we have implemented several customer service initiatives. These initiatives include improving management of our rental equipment to provide our retail centers with the right type of rental equipment, at the right time and at the most convenient location for our customers, effective marketing of our broad line of self-moving related products and services, maintaining longer hours of operation to provide more convenience to our customers, and increasing staff by attracting and retaining “moonlighters” (part-time U-Haul employees with full-time jobs elsewhere) during our peak hours of operation.

Effective marketing of our self-moving related products and services, such as boxes, pads and insurance, helps our customers have a better moving experience and helps them protect their belongings from potential damage during the moving process. We are committed to providing a complete line of products selected with the “do-it-yourself” moving and storage customer in mind.

These actions are leveraged by over 1,450 Company operated retail centers and enable the Company to provide better customer service, which we believe has led to increased sales and increased productivity.

Our self-storage business consists of U-Haul self-storage room rentals, self-storage related products and service sales and management of self-storage facilities not owned by the Company.

U-Haul is one of the largest North American operators of self-storage and has been a leader in the self-storage industry since 1974. U-Haul operates over 377,750 storage rooms, approximately 33.2 million square feet of storage space with locations in 49 states and 10 Canadian provinces. U-Haul’s owned and managed self-storage facility locations range in size up to 171,500 square feet of storage space, with individual storage units in sizes ranging from 6 square feet to 845 square feet.

The primary market for storage rooms is the storage of household goods. We believe that our self-storage services provide a competitive advantage through such things as Maximum Security (“MAX”), an electronic system that monitors the storage facility 24 hours a day; climate control; individually alarmed rooms; extended hour access; and an internet - based customer reservation and account management system.

eMove is an online marketplace that connects consumers to over 2,880 independent sellers of Moving Help® and Self-Storage services. Our network of customer-rated Affiliates provides pack and load help, cleaning help, self-storage and similar services, all over North America.

An individual or a company can connect to the eMove network by becoming an eMove Moving Help® Affiliate or an eMove Storage Affiliate™. Moving Helpers assist customers with packing, loading, cleaning and unloading their truck or storage unit. The Storage Affiliate program enables independent self-storage facilities to expand their reach by connecting into a centralized 1-800 and internet reservation system and for a fee, receive an array of services including web-based management software, Secured Online Affiliated Rentals (S.O.A.R.®), co-branded rental trucks, savings on insurance, credit card processing and more. Approximately 2,700 facilities are now registered on the eMove network.

With over 69,000 unedited reviews of independent vendors, the marketplace has facilitated Moving Help® and Self-Storage transactions all over North America. We believe that acting as an intermediary, with little added investment, serves the customer in a cost effective manner. Our goal is to further utilize our web-based technology platform to increase service to consumers and businesses in the moving and storage market.

Property and Casualty Insurance Operating Segment

RepWest provides loss adjusting and claims handling for U-Haul through regional offices across North America. Through the Company's affiliation with RepWest, U-Haul offers its customers moving and storage contents insurance products, branded Safemove and Safestor, respectively. The Safemove policy provides moving customers with a damage waiver, cargo protection and medical and life coverage. Management believes that its Safemove product is highly competitive, as competing policies contain deductibles, higher premiums and more confusing layers of coverage. We continue to focus on increasing the penetration of these products. The business plan for RepWest includes offering property and casualty products for other U-Haul related programs.

Net revenue from our Property and Casualty Insurance operating segment were approximately 1.8%, 2.1% and 5.2% of consolidated net revenue in fiscal 2006, 2005 and 2004, respectively.

Life Insurance Operating Segment

Oxford originates and reinsures annuities, ordinary life, group life and disability coverage, and Medicare supplement insurance. Oxford also administers the self-insured employee health and dental plans for Arizona employees of the Company.

Net revenue from our Life Insurance operating segment was approximately 6.7%, 7.6% and 7.8% of consolidated net revenue in fiscal 2006, 2005 and 2004, respectively.

SAC Holdings Operating Segment

SAC Holding Corporation and its subsidiaries, and SAC Holding II Corporation and its subsidiaries, collectively referred to as "SAC Holdings", own self-storage properties that are managed by U-Haul under property management agreements and act as independent U-Haul rental equipment dealers. AMERCO, through its subsidiaries, has contractual interests in certain of SAC Holdings' properties entitling AMERCO to potential future income based on the financial performance of these properties. With respect to SAC Holding II, AMERCO is considered the primary beneficiary of these contractual interests. Consequently, we include the results of SAC Holding II in the consolidated financial statements of AMERCO, as required by FIN 46(R).

Net revenue from our SAC Holdings operating segment was approximately 1.3%, 1.1% and 5.7% of consolidated net revenue in fiscal 2006, 2005 and 2004, respectively.

Employees

As of March 31, 2006, we employed approximately 17,500 people throughout North America with approximately 98% of these employees working within our Moving and Storage operating segment.

Sales and Marketing

We promote U-Haul brand awareness through direct and co-marketing arrangements. Our direct marketing activities consist of yellow pages, print and web based advertising as well as trade events, movie cameos of our rental fleet and boxes, and industry and consumer communications. Our rental equipment is our best form of advertisement. We support our independent U-Haul dealers through advertising of U-Haul moving and self-storage rentals, products and services.

Our marketing plan includes maintaining our leadership position with U-Haul being synonymous with "do-it-yourself" moving and storage. We accomplish this by continually improving the ease of use and efficiency of our rental equipment, by providing added convenience to our retail centers through independent U-Haul dealers, and by expanding the capabilities of our eMove web site.

A significant driver of U-Haul's rental transaction volume is our utilization of an online reservation and sales system, through www.uhaul.com, www.eMove.com and our 24-hour 1-800-GO-U-HAUL telephone reservations system. The Company's 1-800-GO-U-HAUL telephone reservation line is prominently featured on nationwide yellow page advertising, its websites and on the outside of its vehicles, and is a major driver of customer lead sources.

Competition

Moving and Storage Operating Segment

The moving truck and trailer rental industry is large and highly competitive. There are two distinct users of rental trucks: commercial and “do-it-yourself” residential users. We focus primarily on the “do-it-yourself” residential user. Within this segment, we believe the principal competitive factors are convenience of rental locations, availability of quality rental moving equipment, breadth of essential products and services, and price. Our major competitors in the moving equipment rental market are Budget Car and Truck Rental Company and Penske Truck Leasing.

The self-storage market is large and highly fragmented. We believe the principal competitive factors in this industry are convenience of storage rental locations, cleanliness, security and price. Our primary competitors in the self-storage market are Public Storage Inc., Extra Space Storage, Inc., and Sovran Self-Storage Inc.

Insurance Operating Segments

The highly competitive insurance industry includes a large number of life insurance companies and property and casualty insurance companies. In addition, the marketplace now includes financial services firms offering both insurance and financial products. Some of the insurance companies are owned by stockholders and others are owned by policyholders. Many competitors have been in business for a longer period of time or possess substantially greater financial resources and broader product portfolios than our insurance companies. We compete in the insurance business based upon price, product design, and services rendered to agents and policyholders.

Corporate Governance

Corporate governance is typically defined as the system that allocates duties and authority among a Company’s stockholders, board of directors and management. The stockholders elect the board and vote on extraordinary matters; the board is the Company’s governing body; and management runs the day-to-day operations of the Company.

Our current AMERCO Board members are William E. Carty, John M. Dodds, Charles J. Bayer, John P. Brogan, Daniel R. Mullen, M. Frank Lyons, James P. Shoen and Edward J. Shoen.

Board Responsibilities and Structure

The primary responsibilities of the Board of Directors (the “Board”) are oversight, counseling and providing direction to the management of the Company in the long-term interests of the Company and its stockholders.

The Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as needed. The Board has delegated various responsibilities and authority to different Board committees as generally described below. Committees regularly report on their activities and actions to the full Board.

Board Committees

The Board currently has an Audit, Executive Finance, Compensation, and Independent Governance Committees, as well as an Advisory Board.

Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities as to financial reporting, audit functions and risk management. The Audit Committee monitors the financial information that is provided to stockholders and others, the independence and performance of the Company's independent registered public accounting firm and internal audit department and the systems of internal control established by management and the Board.

The Audit Committee operates pursuant to a written charter approved by the Board. The Audit Committee is comprised of Charles J. Bayer, John M. Dodds, Daniel R. Mullen, and John P. Brogan, each qualifying as "independent" under special standards developed by the SEC and NASDAQ for members of audit committees, and each member has been determined by the Board to meet the qualifications of an "audit committee financial expert." Mr. John P. Brogan is designated the audit committee financial expert. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Brogan's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Brogan any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or Board.

Executive Finance Committee. The Executive Finance Committee is authorized to act on behalf of the Board in approving any transaction involving the finances of the Company. The committee has the authority to give final approval for the borrowing of funds on behalf of the Company without further action or approval of the Board. The Executive Finance Committee is comprised of Edward J. Shoen, John P. Brogan and Charles J. Bayer.

Compensation Committee. The Compensation Committee reviews the Company's executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company. The committee reviews and makes recommendations to the Board regarding management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee is composed of John P. Brogan and John M. Dodds, independent directors of the Company.

Independent Governance Committee. The Independent Governance Committee is chaired by John P. Brogan, an independent member of the Board. Thomas W. Hayes, the former State Treasurer of California, and Paul A. Bible, a partner in the Reno-based law firm of Bible, Hoy & Trachok, are also members of this committee. Neither Mr. Hayes nor Mr. Bible are members of the Company's Board. The Independent Governance Committee evaluates the Company's corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance. The committee may review potential candidates for Board membership. The committee may review other matters as referred to it by the Board. The committee has the authority to and a budget from which to retain professionals. The committee membership term is one year and each member is determined by the Board to be free of any relationship that would interfere with his ability to exercise independent judgment as a member of this committee.

Advisory Board Members. In addition to the four committees described above, the Board authorized up to two Advisory Board Members. On June 4, 2003, the Board appointed Michael L. Gallagher as a member of the Advisory Board. Mr. Gallagher is a senior partner in the law firm Gallagher & Kennedy. Mr. Gallagher is also a director of Pinnacle West Capital Corporation, Action Performance Companies, Inc. and the Omaha World Herald Company. On October 5, 2005 the Board appointed Barbara Smith Campbell as a second Advisory Board Member. Ms. Campbell is President of Consensus, LLC. and is also a trustee for the Donald W. Reynolds Foundation.

Cautionary Statement Regarding Forward-Looking Statements

This Annual Report on Form 10-K, including the documents incorporated by reference, contains “forward-looking statements” regarding future events and our future results. We may make additional written or oral forward-looking statements from time to time in filings with the Securities and Exchange Commission (the “SEC”) or otherwise. We believe such forward-looking statements are within the meaning of the safe-harbor provisions of Section 27A of the Securities Act of 1933, as amended, and section 21E of the Securities Exchange Act of 1934, as amended. Such statements may include, but are not limited to, projections of revenues, earnings or loss; estimates of capital expenditures, plans for future operations, products or services; financing needs and plans; our perceptions of our legal positions and anticipated outcomes of government investigations and pending litigation against us; liquidity; goals and strategies; plans for new business; growth rate assumptions, pricing, costs, and access to capital and leasing markets as well as assumptions relating to the foregoing. The words “believe”, “expect”, “anticipate”, “estimate”, “project” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could significantly affect results include, without limitation, the risk factors enumerated at the end of this section, as well as the following: the Company’s ability to operate pursuant to the terms of its credit facilities; the Company’s ability to maintain contracts that are critical to its operations; the costs and availability of financing; the Company’s ability to execute its business plan; the Company’s ability to attract, motivate and retain key employees; general economic conditions; fluctuations in our costs to maintain and update our fleet and facilities; our ability to refinance our debt; changes in government regulations, particularly environmental regulations; our credit ratings; the availability of credit; changes in demand for our products; changes in the general domestic economy; the degree and nature of our competition; the resolution of pending litigation against the Company; changes in accounting standards and other factors described in this report or the other documents we file with the SEC. The above factors, the following disclosures, as well as other statements in this report and in the Notes to our Consolidated Financial Statements, could contribute to or cause such differences, or could cause our stock price to fluctuate dramatically. Consequently, the forward-looking statements should not be regarded as representations or warranties by the Company that such matters will be realized. The Company disclaims any intent or obligation to update or revise any of the forward-looking statements, whether in response to new information, unforeseen events, changed circumstances or otherwise.

Item 1A. Risk Factors

The following discussion of risk factors should be read in conjunction with Management’s Discussion and Analysis of Financial Condition and Results of Operations (MD&A), the consolidated financial statements and related notes. These risk factors may be important in understanding this Annual Report on Form 10-K or elsewhere.

We operate in a highly competitive industry .

The truck rental industry is highly competitive and includes a number of significant national, regional and local competitors. Competition is generally based on convenience of rental locations, availability of quality rental moving equipment, breadth of essential services and price. In our truck rental business, our primary competitors are Budget Car and Truck Rental Company and Penske Truck Leasing. Some of our competitors may have greater financial resources than we have. We can not assure you that we will be able to maintain existing rental prices or implement price increases.

The self-storage industry is large and highly fragmented. We believe the principle competitive factors in this industry are convenience of storage rental locations, cleanliness, security and price. Some of our primary competitors in the self-storage market are Public Storage, Inc., Extra Space Storage, Inc., and Sovran Self-Storage Inc. Competition in the market areas in which we operate is significant and affects the occupancy levels, rental sales and operating expenses of our facilities. Competition might cause us to experience a decrease in occupancy levels, limit our ability to raise rental sales and require us to offer discounted rates that would have a material affect on operating results.

Entry into the self-storage business through acquisition of existing facilities is possible for persons or institutions with the required initial capital. Development of new self-storage facilities is more difficult however, due to zoning, environmental and other regulatory requirements. The self-storage industry has in the past experienced overbuilding in response to perceived increases in demand. We cannot assure you that we will be able to successfully compete in existing markets or expand into new markets.

Control of AMERCO remains in the hands of a small contingent.

As of March 31, 2006, Edward J. Shoen, Chairman of the Board of Directors and President of AMERCO, James P. Shoen, a director of AMERCO, and Mark V. Shoen, an executive officer of AMERCO, collectively are beneficial owners of 8,967,632 shares (approximately 42.1%) of the outstanding common shares of AMERCO. Accordingly, Edward J. Shoen, Mark V. Shoen and James P. Shoen will be in a position to continue to influence the election of the members of the Board of Directors and approval of significant transactions. In addition, 2,031,070 shares (approximately 9.5%) of the outstanding common shares of AMERCO are held by our Employee Savings and Employee Stock Ownership Trust.

Our operations subject us to numerous environmental regulations and the possibility that environmental liability in the future could adversely affect our operations.

Compliance with environmental requirements of federal, state and local governments significantly affects our business. Among other things, these requirements regulate the discharge of materials into the water, air and land and govern the use and disposal of hazardous substances. Under environmental laws or common law principles, we can be held strictly liable for hazardous substances that are found on real property we have owned or operated. We are aware of issues regarding hazardous substances on some of our real estate and we have put in place a remedial plan at each site where we believe such a plan is necessary (see Note 17 of our Consolidated Financial Statements). We regularly make capital and operating expenditures to stay in compliance with environmental laws. In particular, we have managed a testing and removal program since 1988 for our underground storage tanks. Despite these compliance efforts, risk of environmental liability is part of the nature of our business.

Environmental laws and regulations are complex, change frequently and could become more stringent in the future. We cannot assure you that future compliance with these regulations, future environmental liabilities, the cost of defending environmental claims, conducting any environmental remediation or generally resolving liabilities caused by us or related third parties will not have a material adverse effect on our business, financial condition or results of operations.

Our quarterly results of operations fluctuate due to seasonality and other factors associated with our industry.

Our business is seasonal and our results of operations and cash flows fluctuate significantly from quarter to quarter. Historically, revenues have been stronger in the first and second fiscal quarters due to the overall increase in moving activity during the spring and summer months. The fourth fiscal quarter is generally weakest, due to a greater potential for adverse weather conditions and other factors that are not necessarily seasonal. As a result, our operating results for a quarterly period are not necessarily indicative of operating results for an entire year.

We obtain our rental trucks from a limited number of manufacturers.

In the last ten years, we purchased most of our rental trucks from Ford Motor Company and General Motors Corporation. Although we believe that we could obtain alternative sources of supply for our rental trucks, termination of one or both of our relationships with these suppliers could have a material adverse effect on our business, financial condition or results of operations for an indefinite period of time or we may not be able to obtain rental trucks under similar terms, if at all.

Our property and casualty insurance business has suffered extensive losses.

Between January 1, 2000 and December 31, 2004, RepWest, reported pretax losses totaling approximately \$164.0 million. These losses are primarily attributable to business lines that were unprofitable as underwritten. To restore profitability in RepWest, we have exited all non U-Haul related lines of business. RepWest's pretax earnings for fiscal 2006 were \$1.1 million primarily due to its exit from all non U-Haul lines of business. Although we believe the terminated lines are adequately reserved, we cannot assure that there will not be future adverse loss development.

Our life insurance business was downgraded by A.M. Best due to events surrounding the restructuring.

A.M. Best downgraded Oxford and its subsidiaries during AMERCO's restructuring to C+. Upon AMERCO's emergence from bankruptcy in March 2004, Oxford and its subsidiaries were upgraded to B-. The ratings were again upgraded in October 2004 to B. In October 2005, A.M. Best upgraded Oxford and its subsidiaries to B+ with a stable outlook. Prior to AMERCO's restructuring, Oxford was rated B++. Financial strength ratings are important external factors that can affect the success of Oxford's business plans. Accordingly, if Oxford's ratings, relative to its competitors, do not continue to improve, Oxford may not be able to retain and attract business as currently planned.

Our notes receivable from SAC Holdings.

At March 31, 2006, we held approximately \$203.7 million of notes receivable from SAC Holdings, of which \$75.1 million are related to SAC Holding II and have been eliminated in the consolidating financial statements. SAC Holdings is highly leveraged with significant indebtedness to others. We hold various junior unsecured notes of SAC Holdings. If SAC Holdings is unable to meet its obligations to its senior lenders, it could trigger a default of its obligations to us. In such an event of default, we could suffer a loss to the extent the value of the underlying collateral of SAC Holdings is inadequate to repay SAC Holding's senior lenders and our junior unsecured notes. We cannot assure you that SAC Holdings will not default on its loans to its senior lenders or that the value of SAC Holdings assets upon liquidation would be sufficient to repay us in full.

We face risks related to an SEC investigation and securities litigation.

The SEC has issued a formal order of investigation to determine whether we have violated Federal Securities laws. Although we have cooperated with the SEC in this matter and intend to continue to cooperate, the SEC may determine that we have violated Federal Securities laws. We cannot predict when this investigation will be completed or its outcome. If the SEC makes a determination that we have violated Federal Securities laws, we may face sanctions, including, but not limited to, significant monetary penalties and injunctive relief.

In addition, the Company has been named a defendant in a number of class action and related lawsuits. The findings and outcome of the SEC investigation may affect the class-action lawsuits that are pending. We are generally obligated, to the extent permitted by law, to indemnify our directors and officers who are named defendants in some of these lawsuits. We are unable to estimate what our liability in these matters may be, and we may be required to pay judgments or settlements and incur expenses in aggregate amounts that could have a material adverse effect on our financial condition or results of operations. Please refer to Item 3. Legal Proceedings.

Item 1B. *Unresolved Staff Comments*

There were no unresolved staff comments at March 31, 2006.

Item 2. *Properties*

The Company, through its legal subsidiaries, owns property, plant and equipment that are utilized in the manufacture, repair and rental of U-Haul equipment and storage space as well as providing office space for the Company. Such facilities exist throughout the United States and Canada. The Company also manages storage facilities owned by others. The Company operates over 1,450 U-Haul retail centers, and operates 13 manufacturing and assembly facilities. We also operate over 245 fixed site-repair facilities located throughout the United States and Canada.

SAC Holdings owns property, plant and equipment that are utilized in the sale of moving supplies, rental of self-storage rooms and U-Haul equipment. Such facilities exist throughout the United States and Canada. We manage the storage facilities under property management agreements whereby the management fees are consistent with management fees received by U-Haul for other properties owned by unrelated parties and previously managed by us.

Item 3. *Legal Proceedings*

Shoen

On September 24, 2002, Paul F. Shoen filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Paul F. Shoen vs. SAC Holding Corporation et al., CV02-05602, seeking damages and equitable relief on behalf of AMERCO from SAC Holdings and certain current and former members of the AMERCO Board of Directors, including Edward J. Shoen, Mark V. Shoen and James P. Shoen as defendants. AMERCO is named a nominal defendant for purposes of the derivative action. The complaint alleges breach of fiduciary duty, self-dealing, usurpation of corporate opportunities, wrongful interference with prospective economic advantage and unjust enrichment and seeks the unwinding of sales of self-storage properties by subsidiaries of AMERCO to SAC Holdings over the last several years. The complaint seeks a declaration that such transfers are void as well as unspecified damages. On October 28, 2002, AMERCO, the Shoen directors, the non-Shoen directors and SAC Holdings filed Motions to Dismiss the complaint. In addition, on October 28, 2002, Ron Belec filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Ron Belec vs. William E. Carty, et al., CV 02-06331 and on January 16, 2003, M.S. Management Company, Inc. filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned M.S. Management Company, Inc. vs. William E. Carty, et al., CV 03-00386. Two additional derivative suits were also filed against these parties. These additional suits are substantially similar to the Paul F. Shoen derivative action. The five suits assert virtually identical claims. In fact, three of the five plaintiffs are parties who are working closely together and chose to file the same claims multiple times. These lawsuits alleged that the AMERCO Board lacked independence. In reaching its decision to dismiss these claims, the court determined that the AMERCO Board of Directors had the requisite level of independence required in order to have these claims resolved by the Board. The court consolidated all five complaints before dismissing them on May 28, 2003. Plaintiffs appealed and, on September 12, 2005 the Nevada Supreme Court heard oral arguments. The parties are awaiting a ruling.

Securities Litigation

AMERCO is a defendant in a consolidated putative class action lawsuit entitled “In Re AMERCO Securities Litigation”, United States District Court, Case No. CV-N-03-0050-ECR (RAM). The action alleges claims for violation of Section 10(b) of the Securities Exchange Act and Rule 10b-5 thereunder, section 20 (a) of the Securities Exchange Act of 1934 and sections 11, 12, and 15 of the Securities Act of 1933. The action alleges, among other things, that AMERCO engaged in transactions with the SAC entities that falsely improved AMERCO’s financial statements and that AMERCO failed to disclose the transactions properly. The action has been transferred to the United States District Court, District of Arizona and assigned to Judge Bryan. Motions to Dismiss are fully briefed and are before the court. Prior to the ruling on the Motions to Dismiss, the parties have agreed to a settlement in principle, subject to final documentation and approval by the Court. The settlement in the amount of \$5.0 million, will be covered by AMERCO’s D&O insurance carrier.

Securities and Exchange Commission

The SEC has issued a formal order of investigation to determine whether the Company has violated the Federal Securities laws. The Company has produced and delivered all requested documents and information and provided testimony from all requested witnesses to the SEC. The Company continues to cooperate with the SEC. We cannot predict the outcome of the investigation.

Environmental

In the normal course of business, AMERCO is a defendant in a number of suits and claims. AMERCO is also a party to several administrative proceedings arising from state and local provisions that regulate the removal and/or cleanup of underground fuel storage tanks. It is the opinion of management, that none of these suits, claims or proceedings involving AMERCO, individually or in the aggregate, are expected to result in a material loss.

Compliance with environmental requirements of federal, state and local governments significantly affects Real Estate's business operations. Among other things, these requirements regulate the discharge of materials into the water, air and land and govern the use and disposal of hazardous substances. Real Estate is aware of issues regarding hazardous substances on some of its properties. Real Estate regularly makes capital and operating expenditures to stay in compliance with environmental laws and has put in place a remedial plan at each site where it believes such a plan is necessary. Since 1988, Real Estate has managed a testing and removal program for underground storage tanks.

Based upon the information currently available to Real Estate, compliance with the environmental laws and its share of the costs of investigation and cleanup of known hazardous waste sites are not expected to have a material adverse effect on AMERCO's financial position or operating results. Real Estate expects to spend approximately \$7.6 million through 2011 to remediate these properties.

Other

The Company is named as a defendant in various other litigation and claims arising out of the normal course of business. In managements' opinion none of these other matters will have a material effect on the Company's financial position and results of operations.

Item 4. *Submission of Matters to a Vote of Security Holders*

No matter was submitted to a vote of the security holders of AMERCO or U-Haul during the fourth quarter of the fiscal year covered by this report, through the solicitation of proxies or otherwise.

PART II

Item 5. *Market for the Registrant's Common Equity, Related Stockholder Matters and Issuer Purchases of Equity Securities*

As of April 30, 2006 there were approximately 3,200 holders of record of the common stock. AMERCO's common stock is listed on NASDAQ (its principal market) under the trading symbol "UHAL". The number of shareholders' is derived using internal stock ledgers and utilizing Mellon Investor Services Stockholder listings.

The following table sets forth the high and the low sales price of the common stock of AMERCO for the periods indicated:

	Year Ended March 31,			
	2006		2005	
	High	Low	High	Low
First quarter	\$ 56.10	\$ 42.75	\$ 29.50	\$ 19.76
Second quarter	\$ 63.61	\$ 52.80	\$ 38.03	\$ 21.00
Third quarter	\$ 73.68	\$ 54.60	\$ 46.54	\$ 36.89
Fourth quarter	\$ 101.24	\$ 65.45	\$ 48.23	\$ 41.50

The common stock of U-Haul is wholly-owned by AMERCO. As a result, no active trading market exists for the purchase and sale of such common stock.

Dividends

AMERCO does not have a formal dividend policy. The Board of Directors of AMERCO periodically considers the advisability of declaring and paying dividends in light of existing circumstances

U-Haul has not declared cash dividends to AMERCO during the three most recent fiscal years. On January 1, 2006, U-Haul paid a non-cash dividend to AMERCO in the form of a reduction in an intercompany payable.

See Note 20 of Notes to Consolidated Financial Statements for a discussion of certain statutory restrictions on the ability of the insurance subsidiaries to pay dividends to AMERCO.

See Note 11 of Notes to Consolidated Financial Statements for a discussion of AMERCO's preferred stock.

During the fourth quarter of fiscal 2006 we did not repurchase any shares of our equity securities.

Item 7. *Management's Discussion and Analysis of Financial Condition and Results of Operations*

General

We begin Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A) with the overall strategy of AMERCO, followed by a description of our operating segments and the strategy of our operating segments to give the reader an overview of the goals of our business and the direction in which our businesses and products are moving. This is followed by a discussion of the Critical Accounting Policies and Estimates that we believe are important to understanding the assumptions and judgments incorporated in our reported financial results. In the next section, we discuss our Results of Operations for fiscal 2006 compared with fiscal 2005, and for fiscal 2005 compared with fiscal 2004 beginning with an overview. We then provide an analysis of changes in our balance sheet and cash flows, and discuss our financial commitments in the sections entitled "Liquidity and Capital Resources" and "Disclosures about Contractual Obligations and Commercial Commitments." We conclude this MD&A by discussing our outlook for fiscal 2007.

This MD&A should be read in conjunction with the other sections of this Annual Report on Form 10-K, including "Item 1: Business", "Item 6: Selected Financial Data" and "Item 8: Financial Statements and Supplementary Data." The various sections of this MD&A contain a number of forward looking statements, as discussed under the caption "Cautionary Statements Regarding Forward Looking Statements", all of which are based on our current expectations and could be affected by the uncertainties and risk factors described throughout this filing and particularly under the section "Item 1A. Risk Factors". Our actual results may differ materially from these forward looking statements.

AMERCO has a fiscal year that ends on the 31st of March for each year that is referenced. Our insurance company subsidiaries have fiscal years that end on the 31st of December for each year that is referenced. They have been consolidated on that basis. Consequently, all references to our insurance subsidiaries' years 2005, 2004 and 2003 correspond to fiscal 2006, 2005 and 2004 for AMERCO. The operating results and financial position of AMERCO's consolidated insurance operations are determined as of December 31st of each year.

Overall Strategy

Our overall strategy is to maintain our leadership position in the North American "do-it-yourself" moving and storage industry. We accomplish this by providing a seamless and integrated supply chain to the "do-it-yourself" moving and storage market. As part of executing this strategy, we leverage the brand recognition of U-Haul with our full line of moving and self-storage related products and services and the convenience of our broad geographic presence.

Our primary focus is to provide our customers with a wide selection of moving rental equipment, convenient self-storage rental facilities and related moving and self-storage products and services. We are able to expand our distribution and improve customer service by increasing the amount of moving equipment and storage rooms available for rent, expanding the number of independent dealers in our network and expanding and taking advantage of our growing eMove capabilities.

RepWest is focused on providing and administering property and casualty insurance to U-Haul, its customers, its independent dealers and affiliates. By exiting its non U-Haul lines of business we believe that RepWest will be able to focus its core competencies and financial resources to better support our overall strategy.

Oxford is focused on long-term capital growth through direct writing and reinsuring of annuity, life and Medicare supplement products primarily in the senior marketplace. Oxford is pursuing increased direct writing via acquisitions of insurance companies, expanded distribution channels and product development. In 2005, Oxford determined that it would no longer pursue growth in the credit life and disability market and is exploring options to divest its current business through reinsurance. We believe this will enable Oxford to focus more on its core senior population demographic.

Description of Operating Segments

AMERCO has four reportable segments. They are Moving and Storage Operations (AMERCO, U-Haul and Real Estate), Property and Casualty Insurance, Life Insurance and SAC Holding II for fiscal 2006 and fiscal 2005 and SAC Holdings for fiscal 2004. (See Notes 1, 21 and 21A to the Consolidated Financial Statements included in this Form 10-K.)

Moving and Storage Operating Segment

Our Moving and Storage Operating Segment consists of the rental of trucks, trailers and self-storage spaces primarily to the household mover as well as sales of moving supplies, towing accessories and propane. Operations are conducted under the registered trade name U-Haul[®] throughout the United States and Canada.

With respect to our truck, trailer and self-storage rental business, we are focused on expanding our dealer network, which provides added convenience for our customers and expanding the selection and availability of rental equipment to satisfy the needs of our customers.

With respect to our retail sales, U-Haul has developed a number of specialty packing boxes, Mover's Wrap and Smart Move tape. Mover's Wrap is a sticks-to-itself plastic stretch wrap used to bind, bundle, and fasten items when moving or storing. Additionally, U-Haul has added a full line of Smart Move tape products. Smart Move tape is a color coded packing tape that has the room printed right on it allowing customers to tape and label their belongings in one quick step.

eMove is an online marketplace that connects consumers to over 2,880 independent sellers of Moving Help[®] as well as 2,700 suppliers of Self-Storage services. Our network of customer-rated affiliates provides pack and load help, cleaning help, self-storage and similar services, all over North America.

An individual or a company can connect to the eMove network by becoming an eMove Moving Help[®] Affiliate or an eMove Storage Affiliate[™]. Moving Helpers assist customers with packing, loading, cleaning and unloading their truck or storage unit. The Storage Affiliate program enables independent self-storage facilities to expand their reach by connecting into a centralized 1-800 and internet reservation system, and for a fee receive an array of services including web-based management software, Secured Online Affiliated Rentals (S.O.A.R.[®]), co-branded rental trucks, savings on insurance, credit card processing and more. Approximately 2,700 independent self-storage facilities are now registered on the eMove network.

With over 69,000 unedited reviews of independent vendors, the marketplace has facilitated Moving Help[®] and Self-Storage transactions all over North America. We believe that acting as an intermediary, with little added investment, serves the customer in a cost effective manner. Our goal is to further utilize our web-based technology platform to increase service to consumers and businesses in the moving and storage market.

Property and Casualty Insurance Operating Segment

RepWest provides loss adjusting and claims handling for U-Haul through regional offices across North America. RepWest also underwrites components of the Safemove, Safetow and Safestor protection packages to U-Haul customers. We continue to focus on increasing the penetration of these products. The business plan for RepWest includes offering property and casualty products in other U-Haul related programs.

Life Insurance Operating Segment

Oxford provides life and health insurance products primarily to the senior market through the direct writing or reinsuring of annuities, life insurance, and Medicare supplement policies. Additionally, Oxford administers the self-insured employee health and dental plans for Arizona employees of the Company and provides insurance for the employee group life and disability coverage.

SAC Holdings Operating Segment

SAC Holding Corporation and its subsidiaries, and SAC Holding II Corporation and its subsidiaries, collectively referred to as "SAC Holdings", own self-storage properties that are managed by U-Haul under property management agreements and act as independent U-Haul rental equipment dealers. AMERCO, through its subsidiaries, has contractual interests in certain SAC Holdings' properties entitling AMERCO to potential future income based on the financial performance of these properties. With respect to SAC Holding II, AMERCO is considered the primary beneficiary of these contractual interests. Consequently, we include the results of SAC Holding II in the consolidated financial statements of AMERCO, as required by FIN 46(R).

Critical Accounting Policies and Estimates

The Company's financial statements have been prepared in accordance with the United States generally accepted accounting principles. The methods, estimates and judgments we use in applying our accounting policies can have a significant impact on the results we report in our financial statements. Note 3 to our Consolidated Financial Statements in Item 8 of this Form 10-K summarizes the significant accounting policies and methods used in the preparation of our consolidated financial statements and related disclosures. Certain accounting policies require us to make difficult and subjective judgments, often as a result of the need to make estimates of matters that are inherently uncertain.

The accounting policies that we deem most critical to us and that require management's most difficult and subjective judgments includes our principles of consolidation, the recoverability of property, plant and equipment, the adequacy of insurance reserves, the recognition and measurement of impairment for investments, and the recognition and measurement of income tax assets and liabilities. These estimates are based on historical experience, observance of trends in particular areas, information and valuations available from outside sources and on various other assumptions that are believed to be reasonable under the circumstances and which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual amounts may differ from these estimates under different assumptions and conditions; such differences may be material.

We also have other policies that we consider key accounting policies, such as revenue recognition; however, these policies do not meet the definition of critical accounting estimates, because they do not generally require us to make estimates or judgments that are difficult or subjective. The accounting policies that we deem most critical to us, and involve the most difficult, subjective or complex judgments include the following:

Principles of Consolidation

The Company applies FIN 46(R), "Consolidation of Variable Interest Entities" and ARB 51 in its principles of consolidation. ARB 51 addresses the policy when the company owns a majority of the voting or similar rights and exercises effective control. FIN 46(R) addresses arrangements where the company does not hold a majority of the voting or similar interests or a variable interest entity (VIE). The company is required to consolidate a VIE if it is determined it is the primary beneficiary.

As promulgated by FIN 46(R), a VIE is not self-supportive by having one or both of the following conditions: a) it has an insufficient amount of equity for it to finance its activities without receiving additional subordinated financial support or b) its owners do not hold the typical risks and rights of equity owners. This determination is made upon the creation of a variable interest and can be re-assessed should certain changes in the operations of a VIE, or its relationship with the primary beneficiary trigger a reconsideration under the provisions of FIN 46(R). After a triggering event occurs the most recent facts and circumstances are utilized in determining whether or not a company is a variable interest entity, which other company(s) have a variable interest in the entity, and whether or not the company's interest is such that it is the primary beneficiary.

The fiscal 2006 and fiscal 2005 consolidated financial statements include the accounts of AMERCO, its wholly-owned subsidiaries, and SAC Holding II. The 2004 statements of operations, comprehensive income, and cash flows include all of those entities plus SAC Holding Corporation and its subsidiaries.

In fiscal 2003 and fiscal 2002, SAC Holding Corporation and SAC Holding II (together, "SAC Holdings") were considered special purpose entities and were consolidated based on the provisions of Emerging Issues Task Force (EITF) Issue No. 90-15. In fiscal 2004, the Company applied FIN 46(R) to its interests in SAC Holdings. Initially, the Company concluded that SAC Holdings were variable interest entities (VIE's) and that the Company was the primary beneficiary. Accordingly, the Company continued to include SAC Holdings in its consolidated financial statements.

In February, 2004, SAC Holding Corporation restructured the indebtedness of three subsidiaries and then distributed its interest in those subsidiaries to its sole shareholder. This triggered a requirement to reassess AMERCO's involvement with those subsidiaries, which led to the conclusion that based on current contractual and ownership interests between AMERCO and this entity, AMERCO ceased to have a variable interest in those three subsidiaries at that date.

Separately, in March 2004, SAC Holding Corporation restructured its indebtedness, triggering a similar reassessment of SAC Holding Corporation that led to the conclusion that SAC Holding Corporation was not a VIE and that AMERCO ceased to be the primary beneficiary of SAC Holding Corporation and its remaining subsidiaries. This conclusion was based on SAC Holding Corporation's ability to fund its own operations and execute its business plan without any future subordinated financial support.

Accordingly, at the dates AMERCO ceased to have a variable interest and ceased to be the primary beneficiary of SAC Holding Corporation and its current or former subsidiaries, it deconsolidated those entities. The deconsolidation was accounted for as a distribution of SAC Holding Corporations interests to the sole shareholder of the SAC entities. Because of AMERCO's continuing involvement with SAC Holding Corporation and its current and former subsidiaries, the distributions do not qualify as discontinued operations as defined by SFAS No. 144.

It is possible that SAC Holding Corporation could take actions that would require us to re-determine whether SAC Holding Corporation has become a VIE or whether we have become the primary beneficiary of SAC Holding Corporation. Should this occur, we could be required to consolidate some or all of SAC Holding Corporation with our financial statements.

Similarly, SAC Holding II could take actions that would require us to re-determine whether it is a VIE or whether we continue to be the primary beneficiary of our variable interest in SAC Holding II. Should we cease to be the primary beneficiary, we would be required to deconsolidate some or all of our variable interest in SAC Holding II from our financial statements.

Recoverability of Property, Plant and Equipment

Property, plant and equipment are stated at cost. Interest cost incurred during the initial construction of buildings and rental equipment is considered part of cost. Depreciation is computed for financial reporting purposes using the straight-line or an accelerated method based on a declining balance formula over the following estimated useful lives: rental equipment 2-20 years and buildings and non-rental equipment 3-55 years. Major overhauls to rental equipment are capitalized and are amortized over the estimated period benefited. Routine maintenance costs are charged to operating expense as they are incurred. Gains and losses on dispositions of property, plant and equipment are netted against depreciation expense when realized. Depreciation is recognized in amounts expected to result in the recovery of estimated residual values upon disposal, i.e., no gains or losses. During the first quarter of fiscal 2005, the Company lowered its estimates for residual values on new rental trucks and rental trucks purchased off TRAC leases from 25% of the original cost to 20%. In determining the depreciation rate, historical disposal experience, holding periods and trends in the market for vehicles are reviewed.

We regularly perform reviews to determine whether facts and circumstances exist which indicate that the carrying amount of assets, including estimates of residual value, may not be recoverable or that the useful life of assets is shorter or longer than originally estimated. Reductions in residual values (i.e., the price at which we ultimately expect to dispose of revenue earning equipment) or useful lives will result in an increase in depreciation expense over the life of the equipment. Reviews are performed based on vehicle class, generally subcategories of trucks and trailers. We assess the recoverability of our assets by comparing the projected undiscounted net cash flows associated with the related asset or group of assets over their estimated remaining lives against their respective carrying amounts. We consider factors such as current and expected future market price trends on used vehicles and the expected life of vehicles included in the fleet. Impairment, if any, is based on the excess of the carrying amount over the fair value of those assets. If assets are determined to be recoverable, but the useful lives are shorter or longer than originally estimated, the net book value of the assets is depreciated over the newly determined remaining useful lives.

Fiscal 2006 marked the first time in ten years that the Company has acquired a significant number of new trucks via purchase rather than lease. Management performed an analysis of the expected economic value of new rental trucks and determined that additions to the fleet resulting from purchase should be depreciated on an accelerated method based upon a declining formula. The salvage value and useful life assumptions of the rental truck fleet remain unchanged.

The Company had previously used the straight-line method for new truck purchases. Under the new declining balances method (2.4 times declining balance) the book value of a rental truck is reduced 16% at the end of its first year, 70% by the end of its seventh year, and 80% at the end of year fifteen. Under the straight-line method the book value of a rental truck is reduced 5% at the end of its first year, 37% by the end of its seventh year, and 80% at the end of year fifteen.

For trucks purchased in fiscal 2006, the depreciation recorded under the declining balance method was approximately \$4.0 million greater than what would have been recorded under the straight-line method.

We typically sell our used vehicles at one of our sales centers throughout North America, on our web site at trucksales.uhaul.com or by calling 1-866-404-0355. Although we attempt to sell our used vehicles for prices approximating book value, the extent to which we are able to realize a gain on the sale of used vehicles is dependent upon various factors including the general state of the used vehicle market, the age and condition of the vehicle at the time of its disposal and depreciation rates with respect to the vehicle.

Insurance Reserves

Liabilities for life insurance and certain annuity policies are established to meet the estimated future obligations of policies in force, and are based on mortality and withdrawal assumptions from recognized actuarial tables which contain margins for adverse deviation. Liabilities for deferred annuity contracts consist of contract account balances that accrue to the benefit of the policyholders, excluding surrender charges. Liabilities for health, disability and other policies represent estimates of payments to be made on insurance claims for reported losses and estimates of losses incurred, but not yet reported.

Insurance reserves for RepWest and U-Haul are based upon actuarial estimates of losses expected to be incurred. These estimates are based on past claims experience and current claim trends as well as social and economic conditions such as changes in legal theories and inflation. Due to the nature of underlying risks and the high degree of uncertainty associated with the determination of the liability for future policy benefits and claims, the amounts to be ultimately paid to settle liabilities cannot be precisely determined and may vary significantly from the estimated liability.

A consequence of the long tail nature of the assumed reinsurance and the excess workers compensation lines of insurance that were written by RepWest is that it takes a number of years for claims to be fully reported and finally settled. Also, the severity of the commercial transportation and the commercial multiple peril programs can fluctuate unexpectedly.

Investments

For investments accounted for under SFAS No. 115, in determining if and when a decline in market value below amortized cost is other than temporary, management makes certain assumptions or judgments in its assessment including but not limited to: ability and intent to hold the security, quoted market prices, dealer quotes or discounted cash flows, industry factors, financial factors, and issuer specific information. Other-than-temporary impairment in value is recognized in the current period operating results.

Income Taxes

The Company records deferred tax assets and liabilities based upon the differences between the tax basis of assets and liabilities and the financial statement carrying amounts. Management reviews any deferred tax assets for realization and establishes a valuation allowance in relation to such assets should we believe they may not be ultimately realized. As part of this assessment, management makes certain assumptions regarding future taxable income, timing of the reversals of timing differences, and implementation of tax planning strategies. A change in any of these assumptions can alter our valuation allowance and cause an increase or decrease in our effective tax rate that could materially impact our financial results.

The Company's tax returns are periodically reviewed by various taxing authorities. Despite our belief that all of our tax treatments are supportable, the final outcome of these audits may cause changes in our valuation allowance should we not prevail. These changes could materially impact our financial results. Our current tax rate is approximately 39.5 %.

AMERCO files a consolidated tax return with all of its legal subsidiaries, except for CFLIC which still files on a stand alone basis. SAC Holding Corporation and its legal subsidiaries and SAC Holding II Corporation and its legal subsidiaries file consolidated tax returns, which are in no way associated with AMERCO's consolidated returns.

Recent Accounting Pronouncements

On November 3, 2005, the Financial Accounting Standards Board ("FASB") issued FSP SFAS 115-1 and SFAS 124-1: The Meaning of Other-Than-Temporary Impairment and Its Application to Certain Investments. This FSP nullifies certain requirements of EITF 03-1 and supersedes EITF Topic No. D-44 "Recognition of Other-Than-Temporary Impairment upon the Planned Sale of a Security Whose Cost Exceeds Fair Value." This FSP addresses (1) the determination of when an investment is considered impaired, (2) whether such impairment is other than temporary, and (3) the measurement of an impairment loss. This FSP also includes accounting considerations subsequent to the recognition of an other-than-temporary impairment and requires certain disclosures about unrealized losses that have not been recognized as other-than-temporary impairments. FSP SFAS 115-1 and SFAS 124-1 is effective for periods beginning after December 15, 2005, with earlier application permitted. We do not believe that the application of FSP SFAS 115-1 and SFAS 124-1 will have a material effect on our results of operations or financial position.

The AICPA issued Statement of Position SOP 05-1, on September 29, 2005, to provide guidance on accounting by insurance enterprises for internal policy replacements other than the replacement of traditional life contracts with universal-life contracts specifically addressed in FASB Statement of Financial Accounting Standards (SFAS) 97. The guidance applies to both short-duration and long-duration insurance contracts under SFAS 60 and to investment contracts defined in SFAS 97. SOP 05-1 is effective for internal replacement transactions occurring in fiscal years beginning after December 15, 2006, with earlier application encouraged. Retroactive application to previously issued financial statements is not permitted. Initial application should be as of the start of the entity's fiscal year. We do not believe that the application of SOP 05-1 will have a material effect on our results of operations or financial position.

Fiscal 2006 Compared with Fiscal 2005

Listed below on a consolidated basis are revenues for our major product lines for fiscal 2006 and fiscal 2005:

	Year Ended March 31,	
	2006	2005
	(In thousands)	
Self-moving equipment rentals	\$ 1,503,569	\$ 1,437,895
Self-storage revenues	122,119	114,155
Self-moving and self-storage product and service sales	223,721	206,098
Property management fees	21,195	11,839
Life insurance premiums	118,833	126,236
Property and casualty insurance premiums	26,001	24,987
Net investment and interest income	53,094	56,739
Other revenue	38,094	30,172
Consolidated revenue	<u>\$ 2,106,626</u>	<u>\$ 2,008,121</u>

During fiscal 2006, self-moving equipment rentals increased \$65.7 million with increases in truck, trailer, and support rental items. The increases are due to improved equipment utilization, pricing, and product mix that included the introduction of approximately 15,500 new trucks in fiscal 2006. In most cases, these trucks replaced older trucks removed from the fleet.

Self-storage revenues increased \$8.0 million for fiscal 2006, compared to fiscal 2005 as occupancy rates increased period over period.

Sales of self-moving and self-storage products and service sales increased \$17.6 million for fiscal 2006, compared to fiscal 2005 generally following the growth in self-moving equipment rentals. Support sales items, hitches, and propane all had increases for the year.

RepWest continued to exit from non U-Haul related lines of business. However, premium revenues increased \$1.0 million for fiscal 2006, compared to fiscal 2005 due to increases in retrospective premiums related to U-Haul business in fiscal 2006. Additionally, fiscal 2005 included the commutation of a non U-Haul related reinsurance contract reducing premium revenues.

Oxford's premium revenues declined \$7.4 million primarily as a result of decreased credit and Medicare supplement business, offset by growth in life insurance premiums.

Net investment and interest income decreased \$3.6 million for fiscal 2006, compared to fiscal 2005 due primarily to declining invested asset balances at the insurance companies.

As a result of the items mentioned above, revenues for AMERCO and its consolidated entities were \$2,106.6 million for fiscal 2006, compared with \$2,008.1 million for fiscal 2005.

Listed below are revenues and earnings (loss) from operations at each of our four operating segments for fiscal 2006 and fiscal 2005, the insurance companies years ended are December 31, 2005 and 2004.

Earnings (loss) from operations	305,381	166,996

Total costs and expenses decreased \$39.9 million for fiscal 2006, compared to fiscal 2005. Total costs and expenses for both insurance companies decreased \$43.3 million due primarily to reductions in benefits and losses. Fiscal 2005 included a \$10.6 million charge for litigation at Oxford not present in fiscal 2006. Increases in operating costs associated with the improved business volume at Moving and Storage were offset by reductions in repair and maintenance expenses related to rotating the fleet. Trucks with higher maintenance costs are being replaced by new trucks with lower initial maintenance costs.

In our second quarter of fiscal 2006, hurricanes Katrina and Rita struck the Gulf Coast of the United States causing business interruption to a number of our operating facilities. We identified customers impacted by the hurricanes and our rapid response teams provided a variety of solutions to divert operations to alternate facilities and restore operations where possible. We have been able to redeploy assets and employees to service our customers in cases where the facilities remain inoperable or have not returned to full operating capacity. We lost approximately 150 trucks and 150 trailers during and after the devastation caused by these hurricanes. We maintain property and business interruption insurance coverage to mitigate the financial impact of these types of catastrophic events. Our insurance deductible is \$500,000 and was recorded in our second quarter.

During fiscal 2006, the Company received insurance proceeds of \$4.8 million, of this amount \$4.5 million was applied to the losses incurred on trucks and trailers and \$0.3 million was applied to the losses sustained at operating facilities. The net book value of the trucks and trailers lost during the 2005 hurricanes approximates \$1.1 million. Additional insurance recoveries are expected as facilities are fully restored and claims are filed.

As a result of the aforementioned changes in revenues and expenses, earnings from operations improved to \$305.4 million for fiscal 2006, compared with \$167.0 million for fiscal 2005.

Interest expense for fiscal 2006 was \$105.1 million, compared with \$73.2 million in fiscal 2005. Fiscal 2006 results included a one-time, non-recurring charge of \$35.6 million before taxes which includes fees for early extinguishment of debt of \$21.2 million and the write-off of \$14.4 million of debt issuance costs. The expense related to the increase in average borrowings was partially offset by a reduction in the average borrowing rate resulting from the refinancing activities in fiscal 2006. The refinancing costs had the effect of decreasing, on a nonrecurring basis, earnings for the year ended March 31, 2006 by \$1.71 per share before taxes, in which the tax effect was approximately \$0.63 per share.

During the third quarter of fiscal 2005, the Company settled our litigation against our former auditor and received a settlement (net of attorneys' fees and costs) of \$51.3 million before taxes. The settlement had the effect of increasing, on a nonrecurring basis, earnings for the year ended March 31, 2005 by \$2.47 per share before taxes, in which the tax effect was approximately \$0.91 per share.

Income tax expense was \$79.1 million in fiscal 2006, compared with \$55.7 million in fiscal 2005.

Dividends accrued on our Series A preferred stock were \$13.0 million in both fiscal 2006 and 2005, respectively.

As a result of the above mentioned items, net earnings available to common shareholders were \$108.2 million in fiscal 2006, compared with \$76.5 million in fiscal 2005.

The weighted average common shares outstanding: basic and diluted were 20,857,108 in fiscal 2006 and 20,804,773 in fiscal 2005.

Basic and diluted earnings per share in fiscal 2006 were \$5.19, compared with \$3.68 in fiscal 2005.

Fiscal 2005 Compared with Fiscal 2004

Listed below on a consolidated basis are revenues for our major product lines for fiscal 2005 and fiscal 2004:

	Year Ended March 31,	
	2005	2004
	(In thousands)	
Self-moving equipment rentals	\$ 1,437,895	\$ 1,381,208
Self-storage revenues	114,155	247,640
Self-moving and self-storage product and service sales	206,098	232,965
Property management fees	11,839	259
Life insurance premiums	126,236	145,082
Property and casualty insurance premiums	24,987	92,036
Net investment and interest income	56,739	38,281
Other revenue	30,172	38,523
Consolidated revenue	<u>\$ 2,008,121</u>	<u>\$ 2,175,994</u>

During fiscal 2005, self-moving equipment rentals increased \$56.7 million through steady transaction volume, modest price increases and improved product mix.

Self-storage revenues decreased \$133.5 million for fiscal 2005, compared to fiscal 2004. Reported storage revenues were reduced by \$109.2 million due to the deconsolidation of SAC Holding Corporation in fiscal 2004, and were reduced by \$29.7 million as a result of the W.P. Carey Transactions (see footnote 9 for a more detailed discussion of the W.P. Carey Transactions). Storage revenues from remaining properties grew as a result of an increase in the number of rooms available for rent, higher occupancy rates and modest price increases.

Sales of self-moving and self-storage products and service sales decreased \$26.9 million for fiscal 2005, compared to fiscal 2004. Sales for the Moving and Storage segment increased \$8.7 million, while the deconsolidation of SAC Holding Corporation caused a decrease of \$36.0 million. Support sales items, hitches, and propane all had increases for the year.

RepWest continued to exit from non U-Haul related lines of business as a result premium revenues decreased \$67.0 million for fiscal 2005, compared to fiscal 2004.

Oxford's premium revenues declined \$18.8 million primarily as a result of the lingering effects of its rating downgrade by A.M. Best in 2003.

Net investment and interest income increased \$18.5 million for fiscal 2005, compared to fiscal 2004 due primarily to the deconsolidation of SAC Holding Corporation.

As a result of the items mentioned above, revenues for AMERCO and its consolidated entities were \$2,008.1 million for fiscal 2005, compared with \$2,176.0 million for fiscal 2004.

Listed below are revenues and earnings (loss) from operations at each of our four operating segments for fiscal 2005 and fiscal 2004; for the insurance companies years ended are December 31, 2004 and 2003:

Earnings (loss) from operations	166,996	126,915

Total costs and expenses decreased \$208.0 million for fiscal 2005, compared to fiscal 2004 as a result of the productivity initiatives of U-Haul, the effect of the W.P. Carey Transaction and the deconsolidation of SAC Holding Corporation. The decrease in total costs and expenses was partially offset by payroll and benefit inflation, self-moving equipment impairment charges related to lease buy-outs, additional depreciation expense related to lower residual value assumptions, and litigation settlement costs of \$10.6 million at Oxford, net of insurance recoveries. Benefits and losses fell as a result of lower premium revenues at RepWest and Oxford. Benefits and losses included approximately \$8.5 million as a result of hurricane related losses at RepWest. The absence of restructuring costs in fiscal 2005 contributed to lower costs and expenses compared with fiscal 2004.

As a result of the aforementioned changes in revenues and expenses, earnings from operations improved to \$167.0 million for fiscal 2005, compared with \$126.9 million for fiscal 2004.

Interest expense for fiscal 2005 was \$73.2 million, compared with \$121.7 million in fiscal 2004. Lower interest expense in fiscal 2005 reflects the deconsolidation of SAC Holding Corporation, lower borrowings and a lower cost of borrowing.

During fiscal 2005, the Company settled its litigation against its former auditor and received a settlement (net of attorneys' fees and costs) of \$51.3 million before taxes. The settlement had the effect of increasing, on a nonrecurring basis, earnings for the year ended March 31, 2005 by \$2.47 per share before taxes, in which the tax effect was approximately \$0.91 per share.

Income tax expense was \$55.7 million in fiscal 2005, compared with \$8.1 million in fiscal 2004 and reflects our higher pretax earnings for fiscal 2005, net of an increase in tax in fiscal 2004 of \$4.8 million resulting from our settlement with the IRS for tax audits related to 1996 and 1997.

Dividends accrued on our Series A preferred stock were \$13.0 million in both fiscal 2005 and 2004.

As a result of the above mentioned items, net earnings (loss) available to common shareholders were \$76.5 million in fiscal 2005, compared with (\$15.8) million in fiscal 2004.

The weighted average common shares outstanding: basic and diluted were 20,804,773 in fiscal 2005 and 20,749,998 in fiscal 2004.

Basic and diluted earnings (loss) per share in fiscal 2005 were \$3.68, compared with (\$0.76) in fiscal 2004.

Moving and Storage

Fiscal 2006 Compared with Fiscal 2005

Listed below are revenues for the major product lines at our Moving and Storage operating segment for fiscal 2006 and fiscal 2005:

	Year Ended March 31,	
	2006	2005
	(In thousands)	
Self-moving equipment rentals	\$ 1,503,569	\$ 1,437,895
Self-storage revenues	103,250	96,202
Self-moving and self-storage product and service sales	207,119	191,078
Property management fees	23,988	14,434
Net investment and interest income	30,025	29,902
Other revenue	32,517	22,156
Moving and Storage revenue	\$ 1,900,468	\$ 1,791,667

During fiscal 2006, self-moving equipment rentals increased \$65.7 million with increases in truck, trailer, and support rental items. The increases are due to improved equipment utilization, pricing, and product mix that included the introduction of approximately 15,500 new trucks in fiscal 2006. In most cases, these trucks replaced older trucks removed from the fleet.

Self-storage revenues increased \$7.0 million for fiscal 2006, compared to fiscal 2005 generally in line with the increases in occupancy rates. Average occupancy based on room count has increased 5.5% in fiscal 2006, compared to fiscal 2005.

Sales of self-moving and self-storage products and service increased \$16.0 million for fiscal 2006, compared to fiscal 2005. Retail sales generally increase in line with moving equipment rentals. In fiscal 2006 we have seen increases beyond this trend due to improved customer demand for towing accessories and propane. U-Haul is the largest single retail provider of propane and towing accessories in the United States through our Company owned and managed locations. The Company continues to improve its visibility as a provider of propane and towing accessories. Self-moving and storage related retail products continue to improve as we have increased our product offerings.

The Company owns and manages self-storage facilities. Self-storage revenues reported in the consolidated financial statements for Moving and Storage represent Company-owned locations only. Self-storage data for our owned storage locations is as follows:

	Year Ended March 31,	
	2006	2005
	(In thousands, except occupancy rate)	
Room count as of March 31	123	127
Square footage as of March 31	9,592	10,003
Average number of rooms occupied	107	108
Average occupancy rate based on room count	87.9%	82.4%
Average square footage occupied	8,516	8,514

Total costs and expenses increased \$2.7 million for fiscal 2006, compared to fiscal 2005. Commissions on self-moving equipment rentals and cost of sales increased in proportion to the related revenues. Operating expenses decreased \$26.1 million for fiscal 2006, compared to fiscal 2005. Increases in operating costs associated with the improved business volume were more than offset by reductions in repair and maintenance expenses related to rotating the fleet. Trucks with higher maintenance costs are being replaced by new trucks with lower initial maintenance costs. Overall total cost and expense increases were less than revenue increases for fiscal 2006.

During fiscal 2006, the Company received insurance proceeds of \$4.8 million, of this amount \$4.5 million was applied to the losses incurred on trucks and trailers and \$0.3 million was applied to the losses sustained at operating facilities. The net book value of the trucks and trailers lost during the 2005 hurricanes approximates \$1.1 million. Additional insurance recoveries are expected as facilities are restored and claims are filed.

As a result of the above mentioned changes in revenues and expenses, earnings from operations increased to \$292.8 million in fiscal 2006, compared with \$166.0 million for fiscal 2005.

Fiscal 2005 Compared with Fiscal 2004

Other revenue	22,156	32,639
Moving and Storage revenue	<u>\$ 1,791,667</u>	<u>\$ 1,768,872</u>

During fiscal 2005, self-moving equipment rentals increased \$56.7 million primarily due to increased transaction volume, modest price increases and improved product mix.

Self-storage revenues decreased \$25.0 million for fiscal 2005, compared to fiscal 2004. The W.P. Carey transaction accounted for a \$29.7 million decrease (see footnote 9 for a more detailed discussion of the W.P. Carey Transaction), while storage revenues at remaining properties grew as a result of an increase in the number of rooms available for rent, higher occupancy rates and modest price increases.

Sales of self-moving and self-storage products and service sales increased \$8.7 million for fiscal 2005, compared to fiscal 2004 generally following the growth in self-moving equipment rentals. Support sales items, hitches, and propane all had increases for the year.

The Company owns and manages self-storage facilities. Self-storage revenues reported in the consolidating financial statements for Moving and Storage represent Company-owned locations only. Self-storage data for our owned storage locations is as follows:

	Year Ended March 31,	
	2005	2004

Average number of rooms occupied	108	130
Average occupancy rate based on room count	82.4%	75.3%
Average square footage occupied	8,514	10,463

Total costs and expenses decreased \$32.1 million for fiscal 2005, compared to fiscal 2004. Commissions on self-moving equipment rentals and cost of sales increased in proportion to the related revenues. Expense decreased in fiscal 2005, due primarily to the absence of restructuring expenses of \$44.1 million.

As a result of the above mentioned changes in revenues and expenses, earnings from operations increased to \$166.0 million in fiscal 2005, compared with \$93.6 million for fiscal 2004.

U-Haul International, Inc.

Fiscal 2006 Compared with Fiscal 2005

U-Haul International, Inc. revenue	<u>\$ 1,897,933</u>	<u>\$ 1,787,357</u>

During fiscal 2006, self-moving equipment rentals increased \$65.7 million with increases in truck, trailer, and support rental items. The increases are due to improved equipment utilization, pricing, and product mix that included the introduction of approximately 15,500 new trucks in fiscal 2006. The Company continues to improve its visibility as a provider of propane and towing accessories. Self-moving and storage related retail products continue to improve as we have increased our product offerings.

Total costs and expenses increased \$9.3 million for fiscal 2006, compared to fiscal 2005. Commissions on self-moving equipment rentals and cost of sales increased in proportion to the related revenues. Operating expenses decreased \$15.1 million for fiscal 2006, compared to fiscal 2005. Increases in operating costs associated with the improved business volume were more than offset by reductions in repair and maintenance expenses related to rotating the fleet. Trucks with higher maintenance costs are being replaced by new trucks with lower initial maintenance costs. Depreciation expense increased \$17.8 million for fiscal 2006, compared to fiscal 2005 primarily due to buy-outs of leases, new truck purchases and certain residual value adjustments on the rental trucks. The buy-outs of the leases are the primary reason for the \$8.6 million decrease in lease expense for fiscal 2006, compared to fiscal 2005. Overall total cost and expense increases were less than revenue increases for fiscal 2006.

During fiscal 2006, the Company received insurance proceeds of \$4.8 million, of this amount \$4.5 million was applied to the losses incurred on trucks and trailers and \$0.3 million was applied to the losses sustained at operating facilities. The net book value of the trucks and trailers lost during the 2005 hurricanes approximates \$1.1 million. Additional insurance recoveries are expected as facilities are fully restored as claims are filed.

As a result of the above mentioned changes in revenues and expenses, earnings from operations increased to \$241.7 million in fiscal 2006, compared with \$140.5 million for fiscal 2005.

During fiscal 2005, self-moving equipment rentals increased \$56.9 million with increases in truck, trailer, and support rental items. The increases are due to improved equipment utilization, pricing, and product mix.

Self-storage revenues decreased \$23.9 million for fiscal 2005, compared to fiscal 2004 due to the W.P Carey transaction (see footnote 9 for a more detailed discussion of the W.P. As a result of the above mentioned changes in revenues and expenses, earnings from operations remained constant at \$140.5 million for fiscal 2005 and 2004, respectively.

Republic Western Insurance Company

2005 Compared with 2004

Premium revenues were \$26.0 million and \$25.0 million for the years ended December 31, 2005 and 2004, respectively. U-Haul related premiums were \$20.2 million and \$18.9 million for the years ended December 31, 2005 and 2004, respectively. Other non U-Haul lines of business were \$5.8 million and \$6.1 million for the years ended December 31, 2005 and 2004, respectively.

Net investment income was \$11.4 million and \$16.4 million for 2005 and 2004, respectively. The reduction was due to a decrease in RepWest's invested asset base and gains on capital assets sold in 2004.

Benefits and losses incurred were \$22.6 million and \$39.7 million for 2005 and 2004, respectively. The decrease resulted from reduced exposure to non U-Haul policies combined with the absence of approximately \$8.5 million of incurred losses in 2004 due to hurricane claims.

Amortization of deferred acquisition costs were \$2.9 million and \$4.7 million for 2005 and 2004, respectively. The decreases are due to a reduction of in-force business related to the exit of non U-Haul lines of business.

Operating expenses were \$10.8 million and \$11.8 million for 2005 and 2004, respectively. The decrease was due to a reduction of general administrative expenses resulting from the exit of the non U-Haul lines of business.

Earnings (loss) from operations were \$1.1 million and (\$14.8) million for 2005 and 2004, respectively.

2004 Compared with 2003

Premium revenues were \$25.0 million and \$93.2 million for the years ended December 31, 2004 and 2003, respectively. The overall decrease is due to RepWest exiting non U-Haul lines of business. U-Haul related premiums were \$18.9 million and \$23.6 million for 2004 and 2003, respectively. The decrease was a result of RepWest being under DOI supervision and the “C” rating by A.M. Best. Premium revenues on non U-Haul lines of business were \$6.1 million and \$69.6 million for 2004 and 2003, respectively.

Net investment income was \$16.4 million and \$21.7 million for 2004 and 2003, respectively. The reduction was due to a decrease in the RepWest’s invested asset base.

Benefits and losses incurred were \$39.7 million and \$109.4 million for 2004 and 2003, respectively. The decreases resulted from reduced exposure resulting from RepWest’s decision to exit its non U-Haul lines of business, which was offset by the losses from the Florida hurricanes and additional reserves added to the long-tailed programs.

Amortization of deferred acquisition costs was \$4.7 million and \$14.1 million for 2004 and 2003, respectively. The decrease is due to decreased premium writings.

Operating expenses were \$11.8 million and \$27.4 million for 2004 and 2003, respectively. The decrease was due to decreased commissions, as well as, a reduction of general administrative expenses due to the exit of the non U-Haul lines of business.

Losses from operations were \$14.8 million and \$36.0 million for 2004 and 2003, respectively. The loss in 2004 was the result of approximately \$8.5 million in incurred losses and related expenses resulting from the hurricanes that hit the Southeastern United States in the summer and fall of 2004, as well as additional reserves recorded for RepWest’s cancelled lines of business.

The following table illustrates the change in unpaid loss and loss adjustment expenses. The first line represents reserves as originally reported at the end of the stated year. The second section, reading down, represents cumulative amounts paid as of the end of successive years with respect to that reserve. The third section, reading down, represents revised estimates of the original recorded reserve as of the end of successive years. The last section compares the latest revised estimated reserve amount to the reserve amount as originally established. This last section is cumulative and should not be summed.

Balance at December 31	\$ 346,928	\$ 380,875	\$ 416,259

The liability for incurred losses and loss adjustment expenses (net of reinsurance recoverable of \$181.4 million) decreased by \$25.9 million in 2005. The decrease is a result of eliminating unprofitable programs.

2005 Compared with 2004

Premium revenues were \$120.4 million and \$127.7 million for the years ended December 31, 2005 and 2004, respectively. Medicare supplement premiums decreased by \$5.7 million due to lapses on closed lines being greater than new business written on active lines. Credit insurance premiums decreased \$3.8 million. Oxford is no longer writing credit insurance. Oxford expects the majority of the existing credit policies to earn out over the next three years. Life premiums increased \$1.6 million primarily due to increased sales from the final expense product. Annuitizations increased \$0.4 million, while other health premiums increased slightly. Other income decreased \$2.5 million in the current year, compared to the prior year primarily due to decreased surrender charge income.

Net investment income was \$22.0 million and \$23.5 million for 2005 and 2004, respectively. The decrease was primarily due to realized losses on the sale of investments in the current year. Investment yields were consistent between the two years.

Benefits and losses incurred were \$85.7 million and \$91.5 million for 2005 and 2004, respectively. This decrease was primarily a result of a \$5.4 million decrease in Medicare supplement benefits due to reduced exposure and a slightly improved loss ratio. All other lines combined for a \$0.4 million decrease.

Amortization of deferred acquisition costs (DAC) and the value of business acquired (VOBA) was \$21.4 million and \$23.8 million for 2005 and 2004, respectively. These costs are amortized for life and health policies as the premium is earned over the term of the policy; and for deferred annuities in relation to interest spreads. Annuity amortization decreased \$1.9 million from 2004 primarily due to reduced surrender activity. Other segments combined for a \$0.5 million decrease primarily due to a decline in new business volume.

Operating expenses were \$27.0 million and \$42.2 million for 2005 and 2004, respectively. The decrease is primarily due to a \$10.6 million accrual in the prior year for the Kocher settlement as well as reduced legal and overhead expenses in the current year. Included in operating expenses for the current year is \$0.7 million of expense related to the write-off of goodwill associated with a subsidiary engaged in selling credit insurance. Non-deferrable commissions decreased \$2.3 million due to decreased sales of Medicare supplement and credit products.

Earnings from operations were \$13.9 million and \$2.1 million for 2005 and 2004, respectively. The increase is due primarily to the prior year accrual of \$10.6 million related to the Kocher settlement as well as improved loss ratios in the Medicare supplement and other health lines of business.

2004 Compared with 2003

Premiums revenues were \$127.7 million, \$147.8 million for the years ended December 31, 2004 and 2003, respectively. Medicare supplement premiums decreased by \$8.2 million from 2003 due to lapses on closed lines being greater than new business written on active lines. Credit insurance premiums decreased \$6.9 million from 2003 due to fewer accounts resulting from the rating downgrade by A.M. Best. Life, other health, and annuity premiums decreased \$5.0 million from 2003 primarily from reduced life insurance sales and fewer annuitizations.

Net investment income was \$23.5 million and \$19.0 million for 2004 and 2003, respectively.

Benefits and losses incurred were \$91.5 million and \$103.5 million for 2004 and 2003, respectively. Medicare supplement benefits decreased \$5.8 million from 2003 due primarily to reduced exposure. Credit insurance benefits decreased \$2.8 million from 2003 due to reduced exposure and improved disability experience. Life insurance benefits decreased \$3.6 million from 2003 as new business declined and existing exposure decreased. All other lines had increases of \$0.2 million from 2003.

Amortization of deferred acquisition costs (DAC) and the value of business acquired (VOBA) was \$23.8 million and \$25.0 million for 2004 and 2003, respectively. Annuity amortization increased \$0.8 million from 2003 primarily due to increased surrender activity. Other segments, primarily credit, had decreases of \$2.0 million from 2003 due to decreased new business volume.

Operating expenses were \$42.2 million and \$38.1 million for 2004 and 2003, respectively. The \$10.6 million accrual related to the Kocher settlement, net of insurance recoveries, accounted for the majority of the variance. Non-deferrable commissions have decreased \$5.5 million from 2003 primarily due to decreased sales of Medicare supplement and life products.

Earnings from operations were \$2.1 million and \$11.3 million for 2004 and 2003, respectively. The decrease in 2004 from 2003 is due primarily to the \$10.6 million accrual for the Kocher settlement offset by improved investment income, and positive loss experience in the Medicare supplement and credit insurance segments.

SAC Holding II

Fiscal 2006 Compared with Fiscal 2005

Listed below are revenues for the major product lines at SAC Holding II for fiscal 2006 and fiscal 2005:

	Year Ended March 31,	
	2006	2005
	(In thousands)	
Self-moving equipment rentals	\$ 9,498	\$ 9,008
Self-storage revenues	18,869	17,953

Segment revenue	<u>\$ 46,239</u>	<u>\$ 43,172</u>

Total revenues were \$46.2 million in fiscal 2006, compared with \$43.2 million in fiscal 2005. The increase was driven by self-moving and self-storage product and service sales. This increase grew in conjunction with increases in self-storage revenues due to improved occupancy and pricing.

Total costs and expenses were \$32.6 million in fiscal 2006, compared with \$32.7 million in fiscal 2005.

Earnings from operations were \$13.6 million in fiscal 2006, compared with \$10.5 million in fiscal 2005.

Fiscal 2005 Compared with Fiscal 2004

Listed below are revenues for the major product lines at SAC Holding II for fiscal 2005 and SAC Holdings for fiscal 2004:

	Year Ended March 31,	
	2005	2004
	(In thousands)	
Self-moving equipment rentals	\$ 9,008	\$ 29,155
Self-storage revenues	17,953	126,436
Self-moving and self-storage product and service sales	15,020	50,577
Other revenue	1,191	12,787
Segment revenue	<u>\$ 43,172</u>	<u>\$ 218,955</u>

During March 2004, SAC Holding Corporation ceased to be a VIE and AMERCO ceased being the primary beneficiary of SAC Holding Corporation. As a result of this, AMERCO deconsolidated its interests in SAC Holding Corporation at that time. AMERCO remains the primary beneficiary of its contractual variable interests in SAC Holding II Corporation for fiscal 2005 and 2004.

Revenues for fiscal 2005 fell \$175.8 million, primarily as a result of the above mentioned deconsolidation.

Total costs and expenses were \$32.7 million in fiscal 2005, compared with \$154.3 million in fiscal 2004. Total costs and expenses fell \$121.6 million, primarily as a result of the above mentioned deconsolidation.

Earnings from operations were \$10.5 million in fiscal 2005 compared with \$64.7 million in fiscal 2004. Earnings from operations fell \$54.2 million in fiscal 2005 compared with fiscal 2004, primarily as a result of the above mentioned deconsolidation.

Liquidity and Capital Resources

We believe that our current capital structure will allow us to achieve our operational plans and goals, and provide us with sufficient liquidity for the next three to five years. The majority of the debt obligations currently in place mature in fiscal 2010 or 2015. This allows us to focus on our operations and business to further improve liquidity in the long term. We believe that these improvements will enhance our access to capital markets. However, there is no assurance that future cash flows will be sufficient to meet our outstanding obligations or our future capital needs.

Our financial condition remains strong. At March 31, 2006, cash and short-term investments totaled \$155.5 million, compared with \$56.0 million at March 31, 2005. Total short-term and long-term debt, were \$965.6 million at March 31, 2006, compared with \$780.0 million at March 31, 2005, and represented 1.4 times stockholders' equity for both periods.

A summary of our cash flows for fiscal 2006, 2005 and 2004 is shown in the table below:

	Year Ended March 31,		
	2006	2005	2004
		(In thousands)	
Cash flow from operating activities	\$ 270,508	\$ 220,697	\$ (62,818)
Cash flow from investing activities	(258,836)	36,176	60,187
Cash flow from financing activities	88,018	(282,497)	17,369
Effects of exchange rate on cash	(186)	22	(15)
Net cash flow	99,504	(25,602)	14,723
Cash at the beginning of the period	55,955	81,557	66,834
Cash at the end of the period	<u>\$ 155,459</u>	<u>\$ 55,955</u>	<u>\$ 81,557</u>

Cash provided by operating activities increased in fiscal 2006, compared with fiscal 2005 due primarily to improved operating performance. The Moving and Storage segment experienced increased operating cash flows as collected revenues outpaced increased total costs and expenses. Operating cash flows from the insurance companies declined from fiscal 2005 as business volume declined.

Net cash used in investing activities increased in fiscal 2006, compared with fiscal 2005 due primarily to higher capital expenditures in the Moving and Storage segment. Capital expenditures increased in fiscal 2006 due to planned manufacturing of rental vehicles to replace our older rental fleet; additionally, the Company continued to buyout trucks and trailers at the expiration of their TRAC lease.

Cash provided by financing activities increased in fiscal 2006, compared with cash used in financing activities in fiscal 2005 due to higher debt borrowings used to fund increased capital requirements and the absence of capital lease payments also contributed to the overall increase of cash provided by financing activities.

Liquidity and Capital Resources and Requirements of Our Operating Segments

Moving and Self-Storage

To meet the needs of our customers, U-Haul maintains a large fleet of rental equipment. Capital expenditures have primarily reflected new rental equipment acquisitions and the buyouts of existing fleet from TRAC leases. The capital to fund these expenditures has historically been obtained internally from operations and the sale of used equipment, and externally from lease financing. In the future we anticipate that our internally generated funds will be used to service the existing debt and support operations. U-Haul estimates that during the next three fiscal years, at least \$340.0 million each year will be reinvested in the truck and trailer rental fleet. This investment will be funded through external lease financing, debt financing and internally from operations and sales of used equipment. Management considers several factors including cost and tax consequences when selecting a method to fund capital expenditures. Because the Company has utilized all of its net operating loss carry forwards, there will be more of a focus on financing the fleet through asset-backed debt. Net capital expenditures were \$322.2 million and \$40.7 million for fiscal 2006 and 2005, respectively.

Real Estate has traditionally financed the acquisition of self-storage properties to support U-Haul's growth through debt financing and funds from operations and sales. U-Haul's growth plan in self-storage is primarily focused on eMove, which does not require acquisition or construction of self-storage properties by the Company. This primary focus does not preclude the Company from using debt and internally generated funds to finance storage acquisitions or construction in the future.

Property and Casualty Insurance

As of December 31, 2005, RepWest had no notes and loans due in less than one year and its accounts payable, accrued expenses and other policyholders' funds and liabilities were approximately \$5.2 million. RepWest's financial assets (cash, receivables, short-term investments, other investments, fixed maturities and related party assets) at December 31, 2005, were \$456.0 million. State insurance regulations restrict the amount of dividends that can be paid to stockholders of insurance companies. As a result, RepWest's assets are generally not available to satisfy the claims of AMERCO or its legal subsidiaries.

Stockholder's equity was \$137.4 million, \$154.8 million, and \$169.0 million at December 31, 2005, 2004, and 2003 respectively. RepWest paid \$27.0 million in dividends to its parent during 2005; payment was effected by a reduction in intercompany accounts. The decrease was offset by increases from earnings and gains from the sale of real estate to affiliated entities recorded directly to additional paid in capital. RepWest does not use debt or equity issues to increase capital and therefore has no exposure to capital market conditions other than through its investment portfolio.

Life Insurance

Other than amounts payable to AMERCO, Oxford had no other notes and loans payable in less than one year. Its accounts payable, accrued expenses were approximately \$3.2 million. Oxford's financial assets (cash, receivables, short-term investments, other investments and fixed maturities) at December 31, 2005 were approximately \$702.0 million. State insurance regulations restrict the amount of dividends that can be paid to stockholders of insurance companies. As a result, Oxford's funds are generally not available to satisfy the claims of AMERCO or its legal subsidiaries.

Oxford's stockholder's equity was \$127.3 million, \$115.0 million, and \$121.0 million at December 31, 2005, 2004 and 2003, respectively. The increase resulted from earnings of \$8.9 million, \$9.8 million of related party gains from the sale of real estate recorded directly to additional paid-in capital, offset by a \$6.4 million decrease in other comprehensive income. Oxford does not use debt or equity issues to increase capital and therefore has no exposure to capital market conditions other than through its investment portfolio.

SAC Holding II

SAC Holding II operations are funded by various mortgage loans and unsecured notes. SAC Holding II does not utilize revolving lines of credit to finance its operations or acquisitions. Certain of SAC Holding II loan agreements contain restrictive covenants and restrictions on incurring additional subsidiary indebtedness.

Cash Provided from Operating Activities by Operating Segments

Moving and Self-Storage

Cash provided by operating activities was \$276.1 million, \$226.5 million and \$60.7 million in fiscal 2006, 2005 and 2004, respectively. Cash provided by operating activities increased in fiscal 2006, compared with fiscal 2005 due primarily to improved operating performance.

Property and Casualty Insurance

Cash used by operating activities was \$28.9 million, \$31.6 million, and \$86.1 million for the years ending December 31, 2005, 2004, and 2003, respectively. The decrease in cash used by operating activities was the result of RepWest's exiting its non U-Haul lines of business and the associated reduction of reserves in the lines exited.

RepWest's cash and cash equivalents and short-term investment portfolio were \$106.2 million, \$90.3 million, and \$62.1 million at December 31, 2005, 2004, and 2003, respectively. This balance reflects funds in transition from maturity proceeds to long term investments. This level of liquid assets, combined with budgeted cash flow, is adequate to meet periodic needs. Capital and operating budgets allow RepWest to schedule cash needs in accordance with investment and underwriting proceeds.

Life Insurance

Cash provided (used) by operating activities from Oxford were (\$0.7) million, \$24.8 million and \$20.9 million for the years ending December 31, 2005, 2004 and 2003, respectively. 2005 includes the \$10.6 million settlement payment related to the Kocher lawsuit.

In addition to cash flows from operating activities, a substantial amount of liquid funds are available through Oxford's short-term portfolio. At December 31, 2005, 2004 and 2003, short-term investments amounted to \$33.0 million, \$113.8 million and \$124.7 million, respectively. Management believes that the overall sources of liquidity will continue to meet foreseeable cash needs.

SAC Holding II

Cash provided (used) by operating activities at SAC Holding II was \$2.8 million and \$1.1 million for fiscal 2006 and fiscal 2005, respectively. Cash of \$8.2 million was used by operating activities in fiscal 2004 for SAC Holdings. The primary use of cash in fiscal 2004 was the deconsolidation of SAC Holding Corporation.

Liquidity and Capital Resources - Summary

We believe we have the financial resources needed to meet our business requirements including capital expenditures for the investment in and expansion of our rental fleet, rental equipment and storage space, working capital requirements and our preferred stock dividend program.

For a more detailed discussion of our long-term debt and borrowing capacity, please see footnote 9 “Borrowings” to the “Notes to the Consolidated Financial Statements.”

Off Balance Sheet Arrangements

The Company uses off-balance sheet arrangements where the economics and sound business principles warrant their use.

AMERCO utilizes operating leases for certain equipment and facilities with terms expiring substantially through 2034, with the exception of one land lease expiring in 2079. In the event of a shortfall in proceeds from the sales of the underlying rental equipment assets, AMERCO has guaranteed approximately \$193.1 million of residual values at March 31, 2006 for these assets at the end of their respective lease terms. AMERCO has been leasing rental equipment since 1987. Thus far, we have experienced no residual value shortfalls.

AMERCO has used off-balance sheet arrangements in connection with the expansion of our self-storage business. The Company currently manages the self-storage properties of SAC Holdings (see Note 19 of our Consolidated Financial Statements).

The Company currently manages the self-storage properties owned or leased by SAC Holdings, Mercury, 4 SAC, 5 SAC, Galaxy, and Private Mini Storage Realty ("Private Mini") pursuant to a standard form of management agreement, under which the Company receives a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. The Company received management fees, exclusive of expenses, of \$ 22.5 million, and \$14.4 million from the above mentioned entities during fiscal 2006 and 2005, respectively. This management fee is consistent with the fee received for other properties the Company previously managed for third parties. SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini are substantially controlled by Blackwater. Mercury is substantially controlled by Mark V. Shoen. James P. Shoen, a significant shareholder and director of AMERCO, has an interest in Mercury.

At March 31, 2006, subsidiaries of SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with the aforementioned companies and their subsidiaries are substantially identical to the terms of those with the Company's other 13,950 independent dealers. During fiscal 2006 and fiscal 2005, the Company paid the above mentioned entities \$36.8 million and \$33.1 million, respectively in commissions pursuant to such dealership contracts.

The Company leases space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of SAC Holdings, 5 SAC and Galaxy. Total lease payments pursuant to such leases were \$2.7 million in both fiscal 2006 and 2005. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

During fiscal 2006 subsidiaries of the Company held various junior unsecured notes of SAC Holdings. Substantially all of the equity interest of SAC Holdings is controlled by Blackwater, wholly-owned by Mark V. Shoen, a significant shareholder and executive officer of AMERCO. The Company does not have an equity ownership interest in SAC Holdings, except for minority investments made by RepWest and Oxford in a SAC Holdings-controlled limited partnership which holds Canadian self-storage properties. The Company recorded interest income of \$19.4 million and \$22.0 million, and received cash interest payments of \$11.2 million and \$11.7 million, from SAC Holdings during fiscal 2006 and fiscal 2005. The largest aggregate amount of notes receivable outstanding during fiscal 2006 and the aggregate notes receivable balance at March 31, 2006 was \$203.7 million, of which \$75.1 million is with SAC Holding II and have been eliminated in the consolidating financial statements.

These agreements with Blackwater entities, excluding dealer agreements, provided revenue of \$38.7 million, expenses of \$2.7 million and cash flows of \$27.5 million during fiscal 2006. Revenues and commission expenses related to the Dealer Agreements were \$171.5 million and \$36.7 million, respectively.

Fiscal 2007 Outlook

We have many developments which we believe should positively affect performance in fiscal 2007. We believe the momentum in our Moving and Storage Operations will continue. The revenue gains during fiscal 2006 were primarily due to improved pricing, product mix, occupancy, and utilization.

In fiscal 2007 we are working towards increasing transaction volume, product mix and utilization for self-moving equipment rentals. Investing in our truck fleet is a key initiative to reach this goal. Over the past year we have placed over 14,300 of our large and mid-size rental trucks in service, along with approximately 3,000 new trailers and approximately 1,200 pickup trucks and cargo vans. We continue to manufacture our large and mid-size rental trucks and expect to produce approximately 15,000 additional vehicles and 4,200 additional trailers during the next year. This investment is expected to increase the number of rentable equipment days available to meet our customer demands and to reduce future spending on repair costs and equipment downtime. In fiscal 2007 we are working towards increasing our storage occupancy at existing sites, adding new affiliates and building new locations. We believe that additional occupancy gains in our current portfolio of locations can be realized in fiscal 2007. We continue to add new storage affiliates through our eMove Storage Affiliate program and plan for growth in this program in fiscal 2007. Additionally, we are developing new facilities that will increase our overall capacity in future years.

At RepWest, our plans to exit non U-Haul related lines of business are progressing well. Additionally, RepWest will continue to provide loss adjusting and claims handling for U-Haul and underwrite components of the Safemove, Safetow and Safestor protection packages to U-Haul customers.

At Oxford, the recent ratings upgrade by A.M. Best in October 2005 to B+ should support the expansion of its distribution capabilities.

Item 7A. *Quantitative and Qualitative Disclosures about Market Risk*

We are exposed to financial market risks, including changes in interest rates and currency exchange rates. To mitigate these risks, we may utilize derivative financial instruments, among other strategies. We do not use derivative financial instruments for speculative purposes. We do not believe that inflation has or will have a direct impact on our operations.

Interest Rate Risk

The exposure to market risk for changes in interest rates relates primarily to our variable rate debt obligations. We have used interest rate swap and cap agreements to reduce our exposure to changes in interest rates.

	Notional Amount	Effective Date	Expiration Date	Fixed Rate	Floating Rate
\$	100,000,000 (a)	6/8/2005	6/8/2008	3.97%	3 Month LIBOR
	100,000,000 (a)	6/8/2005	6/8/2010	4.09%	3 Month LIBOR
	142,264,071 (a)	5/10/2006	4/10/2012	5.06%	1 Month LIBOR
	200,000,000 (b)	5/17/2004	5/17/2006	3.00%	3 Month LIBOR
	50,000,000 (b)	5/17/2004	5/17/2007	3.00%	3 Month LIBOR

(a) interest rate swap agreement

(b) interest rate cap agreement

As of March 31, 2006, the Company had approximately \$434.3 million of variable rate debt obligations. If LIBOR were to increase or decrease 100 basis points, the increase or decrease in interest expense on the variable rate debt would increase or decrease future earnings and cash flows by approximately \$4.3 million annually (before consideration of the effect of the above derivative contracts).

Additionally, our insurance subsidiaries' fixed income investment portfolio's expose the Company to interest rate risk. This interest rate risk is the price sensitivity of a fixed income security to change in interest rates. As part of our insurance companies' asset and liability management, actuaries estimate the cash flow patterns of our existing liabilities to determine their duration. These outcomes are compared to the characteristics of the assets that are currently supporting these liabilities assisting management in determining an asset allocation strategy for future investments that management believes will mitigate the overall effect of interest rates.

Foreign Currency Exchange Rate Risk

The exposure to market risk for changes in foreign currency exchange rates relates primarily to our Canadian business. Approximately 2.5%, 2.6% and 3.0% of our revenue in fiscal 2006, 2005 and 2004, respectively was generated in Canada. The result of a 10.0% change in the value of the U.S. dollar relative to the Canadian dollar would not be material. We typically do not hedge any foreign currency risk since the exposure is not considered material.

Item 8. *Financial Statements and Supplementary Data*

The Report of Independent Registered Public Accounting and Consolidated Financial Statements of AMERCO and its consolidated subsidiaries including the notes to such statements and the related schedules are set forth on pages F-3 through F-63 and are thereby incorporated herein.

Item 9. *Changes in and Disagreements with Accountants on Accounting and Financial Disclosure*

Not applicable.

Item 9A. *Controls and Procedures*

Attached as exhibits to this Form 10-K are certifications of the registrants' Chief Executive Officer (CEO), Chief Accounting Officer (CAO) and Chief Financial Officer (CFO), which are required in accordance with Rule 13a-14 of the Securities Exchange Act of 1934, as amended (the Exchange Act). This "Controls and Procedures" section includes information concerning the controls and controls evaluation referred to in the certifications. Following this discussion is the report of BDO Seidman LLP, our independent registered public accounting firm, regarding its audit of AMERCO's internal control over financial reporting and of management's assessment of internal control over financial reporting set forth below in this section. This section should be read in conjunction with the certifications and the BDO Seidman, LLP report for a more complete understanding of the topics presented.

Evaluation of Disclosure Controls and Procedures

The Company's management, with the participation of the CEO, CAO, and CFO, conducted an evaluation of the effectiveness of the design and operation of the Company's "disclosure controls and procedures" (as such term is defined in the Exchange Act Rules 13a-15(e) and 15d-15(e)) (Disclosure Controls) as of the end of the period covered by this Form 10-K. Our Disclosure Controls are designed to reasonably assure that information required to be disclosed in our reports filed under the Exchange Act, such as this Form 10-K, is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Our disclosure Controls are also designed to reasonably assure that such information is accumulated and communicated to our management, including the CEO, CAO and CFO, as appropriate to allow timely decisions regarding required disclosure. Based upon the controls evaluation, our CEO, CAO and CFO have concluded that as of the end of the period covered by this Form 10-K, our Disclosure Controls were effective.

Management Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) to provide reasonable assurance regarding the reliability of our financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Management assessed our internal control over financial reporting as of March 31, 2006, the end of our fiscal year. Management based its assessment on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. Management's assessment included evaluation of such elements as the design and operating effectiveness of key financial reporting controls, process documentation, accounting policies, and our overall control environment. This assessment is supported by testing and monitoring performed both by our Internal Audit organization and our Finance organization.

Based on our assessment, management has concluded that our internal control over financial reporting was effective as of the end of the fiscal year. We reviewed the results of management's assessment with the Audit Committee of our Board of Directors.

Our independent registered public accounting firm, BDO Seidman, LLP, has audited management's assessment of the Company's internal control over financial reporting and has issued their report, which is included below.

Inherent Limitations on Effectiveness of Controls

The Company's management, including the CEO, CAO and CFO, does not expect that our Disclosure Controls or our internal control over financial reporting will prevent or detect all error and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system's objectives will be met. The design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Further, because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that misstatements due to error or fraud will not occur or that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Controls can also be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls is based in part on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Projections of any evaluation of controls effectiveness to future periods are subject to risks. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with policies or procedures.

There have not been any changes in the Company's internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the most recent fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Board of Directors and Stockholders
AMERCO
Reno, Nevada

We have audited management's assessment, included in the accompanying Management's Report on Internal Control over Financial Reporting that AMERCO and consolidated entities (the "Company") maintained effective internal control over financial reporting as of March 31, 2006, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting principles generally accepted in the United States of America. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that the Company maintained effective internal control over financial reporting as of March 31, 2006, is fairly stated, in all material respects, based on the criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of March 31, 2006, based on the criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of the Company as of March 31, 2006 and 2005 and the related consolidated statements of operations, changes in stockholders' equity, other comprehensive income / (loss), and cash flows for each of the three years in the period ended March 31, 2006, and our report dated June 10, 2006 expressed an unqualified opinion thereon.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Stockholders
AMERCO
Reno, Nevada

We have audited the accompanying consolidated balance sheets of AMERCO and consolidated entities (the "Company") as of March 31, 2006 and 2005 and the related consolidated statements of operations, changes in stockholders' equity, other comprehensive income / (loss), and cash flows for each of the three years in the period ended March 31, 2006. We have also audited the schedules listed in the accompanying index. These financial statements and schedules are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedules based on our audits. We did not audit the financial statements of SAC Holding II Corporation for 2006 and 2005, which statements reflect total assets of \$152.3 million and \$152.4 million as of March 31, 2006 and 2005, respectively, and total revenues of \$46.2 million and \$43.2 million for the years then ended, respectively. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for such consolidated entity, is based solely on the report of the other auditors.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and schedules, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements and schedules. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company at March 31, 2006 and 2005, and the results of its operations and its cash flows for each of the three years in the period ended March 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements and schedules taken as a whole. The summary of earnings of independent rental fleet information included on pages F-56 through pages F-57 is presented for purposes of additional analysis of the consolidated financial statements rather than to present the earnings of the independent trailer fleets. Accordingly, we do not express an opinion on the earnings of the independent trailer fleets. However, such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and schedules and, in our opinion, is fairly presented in all material respects in relation to the consolidated financial statements and schedules taken as a whole.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the effectiveness of the Company's internal control over financial reporting as of March 31, 2006, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) and our report dated June 10, 2006 expressed an unqualified opinion thereon.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Stockholder
SAC Holding II Corporation
(A Wholly-Owned Subsidiary of Blackwater Investments, Inc.)

We have audited the accompanying consolidated balance sheets of SAC Holding II Corporation, a wholly-owned subsidiary of Blackwater Investments, Inc. (the "Company"), as of March 31, 2006 and 2005 and the related consolidated statements of operations, stockholder's deficit, and cash flows for the years then ended. The financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company at March 31, 2006 and 2005, and the results of its operations, stockholder's deficit and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Basis of Presentation

AMERCO has a fiscal year that ends on the 31st of March for each year that is referenced. Our insurance company subsidiaries have fiscal years that end on the 31st of December for each year that is referenced. They have been consolidated on that basis. Consequently, all references to our insurance subsidiaries' years 2005, 2004 and 2003 correspond to fiscal 2006, 2005 and 2004 for AMERCO. The operating results and financial position of AMERCO's consolidated insurance operations are determined as of December 31st of each year.

Accounts denominated in non-U.S. currencies have been re-measured into U.S. dollars. Certain amounts reported in previous years have been reclassified to conform to the current presentation. The opening March 31, 2003 balances for Accumulated Other Comprehensive Income (Loss) and Retained Earnings were adjusted for the correction of an immaterial error in the amount of \$6.0 million.

Note 2: Principles of Consolidation

The fiscal 2006 and fiscal 2005 consolidated financial statements include the accounts of AMERCO, its wholly-owned subsidiaries, and SAC Holding II Corporation and its subsidiaries ("SAC Holding II"). The fiscal 2004 statements of operations, comprehensive income, and cash flows include all of those entities plus SAC Holding Corporation and its subsidiaries.

In fiscal 2003 and 2002, SAC Holding Corporation and SAC Holding II Corporation (collectively referred to as "SAC Holdings") were considered special purpose entities and were consolidated based on the provision of Emerging Issues Task Force (EITF) Issue No. 90-15.

In February 2004, SAC Holding Corporation restructured the indebtedness of three subsidiaries and then distributed its interest in those subsidiaries to its sole shareholder. This triggered a requirement to reassess AMERCO's involvement with those subsidiaries, which led to the conclusion that based on the current contractual and ownership interests between AMERCO and this entity, AMERCO ceased to have a variable interest in those three subsidiaries at that date.

In March 2004, SAC Holding Corporation restructured its indebtedness, triggering a similar reassessment of SAC Holding Corporation that led to the conclusion that SAC Holding Corporation was not a VIE and that AMERCO ceased to be the primary beneficiary of SAC Holding Corporation and its remaining subsidiaries. This conclusion was based on SAC Holding Corporation's ability to fund its own operations and execute its business plan without any future subordinated financial support.

Accordingly, at the dates AMERCO ceased to have a variable interest in or ceased to be the primary beneficiary of SAC Holding Corporation and its current or former subsidiaries, it deconsolidated those entities. The deconsolidation was accounted for as a distribution of SAC Holding Corporations interests to the sole shareholder of the SAC entities. Because of AMERCO's continuing involvement with SAC Holding Corporation and its current and former subsidiaries, the distributions do not qualify as discontinued operations as defined by SFAS No. 144.

It is possible that SAC Holding Corporation could take actions that would require us to re-determine whether SAC Holding Corporation has become a VIE or whether we have become the primary beneficiary of SAC Holding Corporation. Should this occur, we could be required to consolidate some or all of SAC Holding Corporation with our financial statements.

Similarly, SAC Holding II could take actions that would require us to re-determine whether it is a VIE or whether we continue to be the primary beneficiary of our variable interest in SAC Holding II. Should we cease to be the primary beneficiary, we would be required to deconsolidate some or all of our variable interest in SAC Holding II from our financial statements.

Intercompany accounts and transactions have been eliminated.

Description of Legal Entities

AMERCO, a Nevada corporation (“AMERCO”), is the holding company for:

U-Haul International, Inc. (“U-Haul”),

Amerco Real Estate Company (“Real Estate”),

Republic Western Insurance Company (“RepWest”) and its wholly-owned subsidiary

North American Fire & Casualty Insurance Company (“NAFCIC”),

Oxford Life Insurance Company (“Oxford”) and its wholly-owned subsidiaries

North American Insurance Company (“NAI”) and

Christian Fidelity Life Insurance Company (“CFLIC”),

Unless the context otherwise requires, the term “Company”, “we”, “us” or “our” refers to AMERCO and all of its legal subsidiaries.

Description of Operating Segments

AMERCO has four reportable segments. They are Moving and Storage Operations, Property and Casualty Insurance, Life Insurance and SAC Holding II for fiscal 2006 and fiscal 2005 and SAC Holdings for fiscal 2004.

Moving and Storage operations include AMERCO, U-Haul, and Real Estate and the wholly-owned subsidiaries of U-Haul and Real Estate and consist of the rental of trucks and trailers, sales of moving supplies, sales of towing accessories, sales of propane, the rental of self-storage spaces to the “do-it-yourself” mover and management of self-storage properties owned by others. Operations are conducted under the registered trade name U-Haul[®] throughout the United States and Canada.

Property and Casualty Insurance includes RepWest and its wholly-owned subsidiary. RepWest provides loss adjusting and claims handling for U-Haul through regional offices across North America. RepWest also underwrites components of the Safemove, Safetow and Safestor protection packages to U-Haul customers.

Life Insurance includes Oxford and its wholly-owned subsidiaries. Oxford originates and reinsures annuities, ordinary life, group life, disability coverage and Medicare supplement insurance. Oxford also administers the self-insured employee health and dental plans for Arizona employees of the Company.

SAC Holding Corporation and its subsidiaries, and SAC Holding II Corporation and its subsidiaries, collectively referred to as “SAC Holdings”, own self-storage properties that are managed by U-Haul under property management agreements and act as independent U-Haul rental equipment dealers. AMERCO, through its subsidiaries, has contractual interests in certain SAC Holdings’ properties entitling AMERCO to potential future income based on the financial performance of these properties. With respect to SAC Holding II, AMERCO is considered the primary beneficiary of these contractual interests. Consequently, we include the results of SAC Holding II in the consolidated financial statements of AMERCO, as required by FIN 46(R).

Note 3: Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States requires management to make estimates and judgments that affect the amounts reported in the financial statements and accompanying notes. The accounting policies that we deem most critical to us and that require management’s most difficult and subjective judgments include the principles of consolidation, the recoverability of property, plant and equipment, the adequacy of insurance reserves, the recognition and measurement of impairments for investments accounted for under SFAS No. 115, and the recognition and measurement of income tax assets and liabilities. The actual results experienced by the Company may differ from management’s estimates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

Cash and Cash Equivalents

The Company considers cash equivalents to be highly liquid debt securities with insignificant interest rate risk with original maturities from the date of purchase of three months or less.

Financial Instruments that potentially subject the Company to concentrations of credit risk consist principally of cash deposits. Accounts at each United States financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. Accounts at each Canadian financial institution are insured by the Canada Deposit Insurance Corporation (CDIC) up to \$100,000 CAD per account. At March 31, 2006, and March 31, 2005, the Company had approximately \$143.8 million and \$44.5 million, respectively, in excess of FDIC and CDIC insured limits. To mitigate this risk, the Company selects financial institutions based on their credit ratings and financial strength.

Investments

Fixed Maturities. Fixed maturity investments consist of either marketable debt or redeemable preferred stocks. As of the balance sheet dates, these investments are classified as available-for-sale or held-to-maturity investments are recorded at cost, as adjusted for the amortization of premiums or the accretion of discounts. Available-for-sale investments are reported at fair value, with unrealized gains or losses recorded net of taxes and applicable adjustments to deferred policy acquisition costs in stockholders' equity. Fair value for these investments is based on quoted market prices, dealer quotes or discounted cash flows. The cost of investments sold is based on the specific identification method.

For investments accounted for under FAS 115, in determining if and when a decline in market value below amortized cost is an other than a temporary impairment, management makes certain assumptions or judgments in its assessment including but not limited to: ability to hold the security, quoted market prices, dealer quotes, discounted cash flows, industry factors, financial factors, and issuer specific information. Other than temporary impairments, to the extent of the decline, as well as realized gains or losses on the sale or exchange of investments are recognized in the current period operating results.

Mortgage Loans and Notes on Real Estate. Mortgage loans and notes on real estate are reported at their unpaid balance, net of any allowance for possible losses and any unamortized premium or discount.

Recognition of Investment Income. Interest income from bonds and mortgage notes is recognized when it becomes earned. Dividends on common and preferred stocks are recognized on the ex-dividend dates. Realized gains and losses on the sale or exchange of investments are recognized at the trade date.

Fair Values

Fair values of cash equivalents approximate cost due to the short period of time to maturity. Fair values of short-term investments, investments available-for-sale, long-term investments, mortgage loans and notes on real estate, and interest rate cap and swap contracts are based on quoted market prices, dealer quotes or discounted cash flows. Fair values of trade receivables approximate their recorded value.

Limited credit risk exists on trade receivables due to the diversity of our customer base and their dispersion across broad geographic markets. The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of temporary cash investments, trade receivables and notes receivable. The Company places its temporary cash investments with financial institutions and limits the amount of credit exposure to any one financial institution.

The Company has mortgage receivables, which potentially expose the Company to credit risk. The portfolio of notes is principally collateralized by mini-warehouse storage facilities and other residential and commercial properties. The Company has not experienced losses related to the notes from individual notes or groups of notes in any particular industry or geographic area. The estimated fair values were determined using the discounted cash flow method and using interest rates currently offered for similar loans to borrowers with similar credit ratings.

Other investments including short-term investments are substantially current or bear reasonable interest rates. As a result, the carrying values of these financial instruments approximate fair value. The fair value of long-term debt is based on current rates at which the Company could borrow funds with similar remaining maturities and approximates the carrying amount due to its recent issuance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

Derivative Financial Instruments

The Company's primary objective for holding derivative financial instruments is to manage interest rate risk. The Company's derivative instruments are recorded at fair value under SFAS No. 133 and are included in prepaid expenses.

The Company uses derivative financial instruments to reduce its exposure to interest rate volatility. The exposure to market risk for changes in interest rates relates primarily to our variable rate debt obligations. We have used interest rate swap and interest rate cap agreements to provide for matching the gain or loss recognition on the hedging instrument with the recognition of the changes in the cash flows associated with the hedged asset or liability attributable to the hedge risk or the earnings effect of the hedged forecasted transaction. On June 8, 2005 the Company entered into separate interest rate swap contracts for \$100.0 million of our variable rate debt over a three year term and for \$100.0 million of our variable rate debt over a five year term, which were designated as cash flow hedges effective July 1, 2005. On May 13, 2004 the Company entered into separate interest rate cap contracts for \$200.0 million of our variable rate debt over a two year term and for \$50.0 million of our variable rate debt over a three year term, however these contracts were designated as cash flow hedges effective July 11, 2005 when the debt was paid down by \$222.4 million. On November 15, 2005 the Company entered into a forward starting interest rate swap contract for \$142.3 million of a variable rate debt over a six year term, that started on May 10, 2006, in conjunction with the expiration of the \$200.0 million interest rate cap.

The hedging relationship of the cap agreements is considered to be perfectly effective for the portion of the instrument hedging debt. Therefore all changes in the interest rate caps fair value (including changes in the option's time value), except for changes in the interest rate caps fair value associated with un-hedged amounts, are charged to accumulated other comprehensive income. The change in each caplets' respective allocated fair value amount is reclassified out of accumulated other comprehensive income into earnings when each of the hedged forecasted transactions (the quarterly interest payments) impact earnings and when interest payments are either made or received. For the year ended March 31, 2006 the Company recorded \$0.6 million to interest expense related to these cap agreements which is offset by \$1.5 million of interest income representing the portion of the caps in excess of the balance of related debt that impacted earnings during the period.

The hedging relationship of the interest rate swap agreements is not considered to be perfectly effective. Therefore, for each reporting period an effectiveness test is performed. For the portion of the change in the interest rate swaps fair value deemed effective, this is charged to accumulated other comprehensive income. The remaining ineffective portion is charged to interest expense for the period. The change in each of the swaps fair value amounts are reclassified out of accumulated other comprehensive income into earnings each quarter when interest payments are made or received. For the year ended March 31, 2006 the Company recorded \$1.0 million to interest income related to these swap agreements of which \$1.1 million of interest income represented the ineffective component of the swap that impacted earnings during the period.

Inventories, net

Inventories were as follows:

	2006	2005
	(In thousands)	
Truck and trailer parts and accessories (a)	\$ 52,089	\$ 50,095

Less: excess and obsolete reserves	(1,500)	(1,500)
Total	\$ 64,919	\$ 63,658

(a) Primarily held for internal usage, including equipment manufacturing and repair

(b) Primarily held for retail sales

Inventories consist primarily of truck and trailer parts and accessories used to manufacture and repair rental equipment as well as products and accessories available for retail sale. Inventory is held at Company-owned locations; our independent dealers do not hold any of the Company's inventory.

Inventory cost is primarily determined using the last-in, first-out method ("LIFO"). Inventories valued using LIFO consisted of approximately 95% and 93% of the total inventories for March 31, 2006 and 2005, respectively. Had the Company utilized the first-in, first-out method ("FIFO"), stated inventory balances would have been \$5.7 million and \$3.2 million higher at March 31, 2006 and 2005, respectively. In fiscal 2006, the effect on income due to liquidation of a portion of the LIFO inventory was \$0.1 million. In fiscal 2006, the Company began utilizing the inventory price index computation ("IPIC") method of computing changes in LIFO pools compared to the internal index method used in prior periods which is considered a preferable method and the effect of the change on current income is not considered material. This change reduced the time and expense of the calculation without resulting in a material effect to the financial statements.

Property, Plant and Equipment

Property, plant and equipment are stated at cost. Interest cost incurred during the initial construction of buildings and rental equipment is considered part of cost. Depreciation is computed for financial reporting purposes using the straight-line or an accelerated declining method based on a declining balances formula over the following estimated useful lives: rental equipment 2-20 years and buildings and non-rental equipment 3-55 years. Major overhauls to rental equipment are capitalized and are amortized over the estimated period benefited. Routine maintenance costs are charged to operating expense as they are incurred. Gains and losses on dispositions of property, plant and equipment are netted against depreciation expense when realized. The amount of loss netted against depreciation expense amounts to \$9.2 million, \$3.0 million and \$3.9 million during fiscal 2006, 2005 and 2004, respectively. Depreciation is recognized in amounts expected to result in the recovery of estimated residual values upon disposal, i.e., no gains or losses. During the first quarter of fiscal 2005, the Company lowered its estimates for residual values on new rental trucks and rental trucks purchased off TRAC leases from 25% of the original cost to 20%. In determining the depreciation rate, historical disposal experience, holding periods and trends in the market for vehicles are reviewed.

We regularly perform reviews to determine whether facts and circumstances exist which indicate that the carrying amount of assets, including estimates of residual value, may not be recoverable or that the useful life of assets is shorter or longer than originally estimated. Reductions in residual values (i.e., the price at which we ultimately expect to dispose of revenue earning equipment) or useful lives will result in an increase in depreciation expense over the life of the equipment. Reviews are performed based on vehicle class, generally subcategories of trucks and trailers. We assess the recoverability of our assets by comparing the projected undiscounted net cash flows associated with the related asset or group of assets over their estimated remaining lives against their respective carrying amounts. We consider factors such as current and expected future market price trends on used vehicles and the expected life of vehicles included in the fleet. Impairment, if any, is based on the excess of the carrying amount over the fair value of those assets. If assets are determined to be recoverable, but the useful lives are shorter or longer than originally estimated, the net book value of the assets is depreciated over the newly determined remaining useful lives.

AMERCO AND CONSOLIDATED ENTITIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

During the fourth quarter of fiscal 2005, based on an economic market analysis, the Company decreased the estimated residual value of certain rental trucks. The effect of the change decreased earnings from operations for fiscal 2005 by \$2.1 million or \$0.10 per share before taxes, in which the tax effect was approximately \$0.04 per share. The in-house analysis of sales of trucks compared the truck model, size, age and average residual value of units sold. Based on the analysis, the estimated residual values are being decreased to approximately 20% of historic cost. The adjustment reflects management's best estimate, based on information available, of the estimated residual value of these rental trucks.

Fiscal 2006 marked the first time in ten years that the Company has acquired a significant number of new trucks via purchase rather than lease. Management performed an analysis of the expected economic value of new rental trucks and determined that additions to the fleet resulting from purchases should be depreciated on an accelerated method based upon a declining formula. The salvage value and useful life assumptions of the rental truck fleet remain unchanged. This represents management's best estimate based on information available, of the appropriate method of depreciation for trucks purchased new.

The Company had previously used the straight-line method for new truck purchases. Under the new declining balances method (2.4 times declining balance) the book value of a rental truck is reduced 16% at the end of its first year, 70% by the end of its seventh year, and 80% at the end of year fifteen. Under the straight-line method the book value of a rental truck is reduced 5% at the end of its first year, 37% by the end of its seventh year, and 80% at the end of year fifteen.

The effect of the change in depreciation for trucks purchased in the current fiscal year decreased earnings from operations for fiscal 2006 by \$4.0 million or \$0.20 per share before taxes, in which the tax effect was approximately \$0.08 per share.

We typically sell our used vehicles at one of our sales centers throughout North America, on our web site at trucksales.uhaul.com or by calling 1-866-404-0355. Although we typically sell our used vehicles for prices approximating book value, the extent to which we are able to realize a gain on the sale of used vehicles is dependent upon various factors including the general state of the used vehicle market, the age and condition of the vehicle at the time of its disposal and depreciation rates with respect to the vehicle .

The carrying value of surplus real estate, which is lower than market value at the balance sheet date, was \$7.9 million and \$9.0 million for fiscal 2006 and 2005, respectively, and is included in Investments, other.

Receivables

Accounts receivable include trade accounts from moving and self-storage customers and dealers, insurance premiums and amounts due from ceding re-insurers, less management's estimate of uncollectible accounts.

Insurance premiums receivable for policies that are billed through contracted agents are recorded net of commission's payable. A commission payable is recorded as a separate liability for those premiums that are billed direct.

Reinsurance recoverables includes case reserves and actuarial estimates of claims incurred but not reported ("IBNR"). These receivables are not expected to be collected until after the associated claim has been adjudicated and billed to the re-insurer. The reinsurance recoverables may have little or no allowance for doubtful accounts due to the fact that reinsurance is typically procured from carriers with strong credit ratings. Furthermore, the Company does not cede losses to a re-insurer if the carrier is deemed financially unable to perform on the contract. Also, reinsurance recoverables includes insurance ceded to other insurance companies.

Notes and mortgage receivables include accrued interest and are reduced by discounts and amounts considered by management to be uncollectible.

Policy Benefits and Losses, Claims and Loss Expenses Payable

Oxford's liabilities for life insurance and certain annuity and health policies are established to meet the estimated future obligations of policies in force, and are based on mortality and withdrawal assumptions from recognized actuarial tables which contain margins for adverse deviation. Oxford's liabilities for deferred annuity contracts consist of contract account balances. Liabilities for health, disability and other policies represents estimates of payments to be made on insurance claims for reported losses and estimates of losses incurred, but not yet reported.

AMERCO AND CONSOLIDATED ENTITIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

RepWest's liability for reported and unreported losses is based on RepWest's historical data along with industry averages. The liability for unpaid loss adjustment expenses is based on historical ratios of loss adjustment expenses paid to losses paid. Amounts recoverable from re-insurers on unpaid losses are estimated in a manner consistent with the claim liability associated with the re-insured policy. Adjustments to the liability for unpaid losses and loss expenses as well as amounts recoverable from re-insurers on unpaid losses are charged or credited to expense in the periods in which they are made.

Self-Insurance Reserves

U-Haul retains the risk for certain public liability and property damage programs related to the rental equipment. The consolidated balance sheets include \$295.6 million and \$249.1 million as of March 31, 2006 and 2005, respectively. Such liabilities are recorded within policy benefits and losses payable. Management takes into account losses incurred based upon actuarial estimates, past experience, current claim trends, as well as social and economic conditions. This liability is subject to change in the future based upon changes in the underlying assumptions including claims experience, frequency of incidents, and severity of incidents.

Additionally, as of March 31, 2006 and 2005 the consolidated balance sheets include liabilities of \$4.9 million and \$6.7 million for fiscal 2006 and fiscal 2005, respectively, related to Company provided medical plan benefits for eligible employees. The Company estimates this liability based on actual claims outstanding as of the balance sheet date as well as an actuarial estimate of claims incurred but not reported. This liability is reported net of estimated recoveries from excess loss reinsurance policies with unaffiliated insurers. These amounts are recorded in accounts payable on the consolidated balance sheet.

Revenue Recognition

Self-moving rentals are recognized for the period that trucks and moving equipment are rented. Self-storage revenues, based upon the number of paid storage contract days, are recognized as earned during the period. Sales of self-moving and self-storage related products are recognized at the time that title passes and the customer accepts delivery. Insurance premiums are recognized over the policy periods. Interest and investment income are recognized as earned.

Advertising

All advertising costs are expensed as incurred. Advertising expense was \$31.3 million in fiscal 2006, \$32.9 million in fiscal 2005 and \$32.7 million in fiscal 2004.

Deferred Policy Acquisition Costs

Commissions and other costs that fluctuate with, and are primarily related to the acquisition or renewal of certain insurance premiums, are deferred. For Oxford, these costs are amortized in relation to revenue such that costs are realized as a constant percentage of revenue. For RepWest, these costs are amortized over the related contract periods, which generally do not exceed one year.

Environmental Costs

Liabilities are recorded when environmental assessments and remedial efforts, if applicable, are probable and the costs can be reasonably estimated. The amount of the liability is based on management's best estimate of undiscounted future costs. Certain recoverable environmental costs related to the removal of underground storage tanks or related contamination are capitalized and amortized over the estimated useful lives of the properties. These costs improve the safety or efficiency of the property or are incurred in preparing the property for sale.

Income Taxes

AMERCO files a consolidated tax return with all of its legal subsidiaries, except for CFLIC, which files on a stand alone basis. SAC Holding Corporation and its legal subsidiaries and SAC Holding II Corporation and its legal subsidiaries file consolidated tax returns, which is in no way associated with AMERCO's consolidated returns. In accordance with SFAS No. 109, the provision for income taxes reflects deferred income taxes resulting from changes in temporary differences between the tax basis of assets and liabilities and their reported amounts in the financial statements.

Comprehensive Income (Loss)

Comprehensive income (loss) consists of net income, foreign currency translation adjustments, unrealized gains and losses on investments and the fair market value of interest rate hedges, net of the related tax effects.

Recent Accounting Pronouncements

On November 3, 2005, the Financial Accounting Standards Board ("FASB") issued FSP SFAS 115-1 and SFAS 124-1: The Meaning of Other-Than-Temporary Impairment and Its Application to Certain Investments. This FSP nullifies certain requirements of EITF 03-1 and supersedes EITF Topic No. D-44 "Recognition of Other-Than-Temporary Impairment upon the Planned Sale of a Security Whose Cost Exceeds Fair Value." This FSP addresses (1) the determination of when an investment is considered impaired, (2) whether such impairment is other than temporary, and (3) the measurement of an impairment loss. This FSP also includes accounting considerations subsequent to the recognition of an other-than-temporary impairment and requires certain disclosures about unrealized losses that have not been recognized as other-than-temporary impairments. FSP SFAS 115-1 and SFAS 124-1 is effective for periods beginning after December 15, 2005, with earlier application permitted. We do not believe that the application of this FSP will have a material effect on our results of operations or financial position.

The AICPA issued Statement of Position SOP 05-1, on September 29, 2005, to provide guidance on accounting by insurance enterprises for internal policy replacements other than the replacement of traditional life contracts with universal-life contracts specifically addressed in FASB Statement of Financial Accounting Standards (SFAS) 97. The guidance applies to both short-duration and long-duration insurance contracts under SFAS 60 and to investment contracts defined in SFAS 97. SOP 05-1 is effective for internal replacement transactions occurring in fiscal years beginning after December 15, 2006, with earlier application encouraged. Retroactive application to previously issued financial statements is not permitted. Initial application should be as of the start of the entity's fiscal year. We do not believe that the application of SOP 05-1 will have a material effect on our results of operations or financial position.

Note 4: Earnings Per Share

Net income for purposes of computing earnings per common share is net income minus preferred stock dividends. Preferred stock dividends include accrued dividends of AMERCO.

The shares used in the computation of the Company's basic and diluted earnings per common share were as follows:

	Year Ended March 31,		
	2006	2005	2004
Basic and diluted earnings (loss) per common share	\$ 5.19	\$ 3.68	\$ (0.76)
Weighted average common share outstanding:			
Basic and diluted	20,857,108	20,804,773	20,749,998

The weighted average common shares outstanding listed above exclude post-1992 shares of the employee stock ownership plan that have not been committed to be released. The unreleased shares net of shares committed to be released were 393,174, 456,254 and 505,453 as of March 31, 2006, 2005, and 2004, respectively.

6,100,000 shares of preferred stock have been excluded from the weighted average shares outstanding calculation because they are not common stock and they are not convertible into common stock.

The Company sold available-for-sale securities with a fair value of \$170.6 million in 2005, \$167.5 million in 2004, and \$267.9 million in 2003. W.P. Carey Transactions

In 1999, AMERCO, U-Haul and Real Estate entered into financing agreements for the purchase and construction of self-storage facilities with the Bank of Montreal and Citibank (the “leases” or the “synthetic leases”). Title to the real property subject to these leases was held by non-affiliated entities.

These leases were amended and restated on March 15, 2004. In connection with such amendment and restatement, we paid down approximately \$31.0 million of lease obligations and entered into leases with a three year term, with four one year renewal options. After such pay down, our lease obligation under the amended and restated synthetic leases was approximately \$218.5 million.

On April 30, 2004, the amended and restated leases were terminated and the properties underlying these leases were sold to UH Storage (DE) Limited Partnership, an affiliate of W. P. Carey. U-Haul entered into a ten year operating lease with W. P. Carey (UH Storage DE) for a portion of each property (the portion of the property that relates to U-Haul’s truck and trailer rental and moving supply sales businesses). The remainder of each property (the portion of the property that relates to self-storage) was leased by W. P. Carey (UH Storage DE) to Mercury Partners, LP (“Mercury”) pursuant to a twenty year lease. These events are referred to as the “W. P. Carey Transactions.” As a result of the W. P. Carey Transactions, we no longer have a capital lease related to these properties.

The sales price for these transactions was \$298.4 million and cash proceeds were \$298.9 million. The Company realized a gain on the transaction of \$2.7 million, which is being amortized over the life of the lease term.

As part of the W. P. Carey Transactions, U-Haul entered into agreements to manage these properties (including the portion of the properties leased by Mercury). These management agreements allow us to continue to operate the properties as part of the U-Haul moving and self-storage system.

U-Haul’s annual lease payments under the new lease are approximately \$10.0 million per year, with Consumer Price Index (“CPI”) inflation adjustments beginning in the sixth year of the lease. The lease term is ten years, with a renewal option for an additional ten years. Upon closing of the W. P. Carey Transactions, we made a \$22.9 million earn-out deposit, providing us with the opportunity to be reimbursed for certain capital improvements we previously made to the properties, and a \$5.0 million security deposit. U-Haul met the requirements under the lease regarding the return of the earn-out deposit which was refunded in fiscal 2006.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

The property management agreement we entered into with Mercury provides that Mercury will pay U-Haul a management fee based on gross self-storage rental revenues generated by the properties. During fiscal 2006, U-Haul received \$3.4 million in management fees from Mercury.

The exposure to market risk for changes in interest rates relates primarily to our variable rate debt obligations. We have used interest rate swap and interest rate cap agreements to provide for matching the gain or loss recognition on the hedging instrument with the recognition of the changes in the cash flows associated with the hedged asset or liability attributable to the hedged risk or the earnings effect of the hedged forecasted transaction. On June 8, 2005 the Company entered into separate interest rate swap contracts for \$100.0 million of our variable rate debt over a three year term and for \$100.0 million of our variable rate debt over a five year term, which were designated as cash flow hedges effective July 1, 2005. On May 13, 2004 the Company entered into separate interest rate cap contracts for \$200.0 million of our variable rate debt over a two year term and for \$50.0 million of our variable rate debt over a three year term, however these contracts were designated as cash flow hedges effective July 11, 2005 when the Real Estate loan was paid down by \$222.4 million. On November 15, 2005 the Company entered into a forward starting interest rate swap contract for \$142.3 million of a variable rate debt over a six year term that started on May 10, 2006.

Under the provisions of the Tax Reform Act of 1984 (the Act), the balance in Oxford's account designated "Policyholders' Surplus Account" is frozen at its December 31, 1983 balance of \$19.3 million. Federal income taxes (Phase III) will be payable thereon at applicable current rates if amounts in this account are distributed to the stockholder or to the extent the account exceeds a prescribed maximum. Oxford did not incur a Phase III liability for the years ended December 31, 2005, 2004 and 2003.

At March 31, 2006 and March 31, 2005, AMERCO has alternative minimum tax credit carry forwards of \$0 and \$17.8 million, respectively, which do not have an expiration date, and may only be utilized in years in which regular tax exceeds alternative minimum tax.

SAC Holdings II began to file tax returns in the fiscal year ending March 31, 2003, and has net operating losses of \$18.2 million and \$20.6 million in fiscal years ending March 31, 2006 and March 31, 2005, respectively, to offset taxable income in future years. These carry forwards expire in 2025 and 2026.

Under certain circumstances and sections of the Internal Revenue Code, a change in ownership for tax purposes will limit the amount of net operating loss carry forwards that can be used to offset future taxable income.

Note 14: Employee Benefit Plans

Profit Sharing Plans

The Company provides tax-qualified profit sharing retirement plans for the benefit of eligible employees, former employees and retirees in the U.S. and Canada. The plans are designed to provide employees with an accumulation of funds for retirement on a tax-deferred basis and provide for annual discretionary employer contributions. Amounts to be contributed are determined by the Chief Executive Officer (CEO) of the Company under the delegation of authority from the Board of Directors, pursuant to the terms of the Profit Sharing Plan. No contributions were made to the profit sharing plan during fiscal 2006, 2005 or 2004.

The Company also provides an employee savings plan which allows participants to defer income under Section 401(k) of the Internal Revenue Code of 1986.

ESOP Plan

The Company sponsors a leveraged employee stock ownership plan (ESOP) that generally covers all employees with one year or more of service. The ESOP shares initially were pledged as collateral for its debt which was originally funded by U-Haul. As the debt is repaid, shares are released from collateral and allocated to active employees, based on the proportion of debt service paid in the year. When shares are scheduled to be released from collateral, prorated over the year, the Company reports compensation expense equal to the current market price of the shares scheduled to be released, and the shares become outstanding for earnings per share computations. ESOP compensation expense was \$3.3 million and \$1.8 million for fiscal 2006 and fiscal 2005, respectively. Listed below is a summary of these financing arrangements as of fiscal year-end:

Financing Date	Outstanding as of March 31, 2006	Interest Payments		
		2006	2005	2004
			(In thousands)	
June, 1991	\$ 11,600	\$ 1,070	\$ 1,008	\$ 1,159
March, 1999	80	9	8	11
February, 2000	524	53	54	74
April, 2001	119	10	9	12

Shares are released from collateral and allocated to active employees based on the proportion of debt service paid in the plan year. Contributions to the Plan Trust (ESOT) during fiscal 2006, 2005 and 2004 were \$2.3 million, \$2.1 million and \$2.1 million, respectively.

Shares held by the Plan were as follows:

	Year Ended March 31,	
	2006	2005
	(In thousands)	
Allocated shares	1,474	1,514
Unreleased shares	569	652
Fair value of unreleased shares	\$ 41,726	\$ 21,554

For purposes of the above schedule, the fair value of unreleased shares issued prior to 1992 is defined as the historical cost of such shares. The fair value of unreleased shares issued subsequent to December 31, 1992 is defined as the trading value of such shares as of March 31, 2006 and March 31, 2005, respectively.

Insurance Plans

Oxford insures various group life and group disability insurance plans covering employees of the Company. Premiums earned by Oxford on these policies were \$3.5 million, \$3.3 million and \$4.5 million for the years ended December 31, 2005, 2004, and 2003, respectively. The group life premiums are paid by the Company and those amounts were eliminated from the Company's financial statements in consolidation. The group disability premiums are paid by the covered employees.

Post Retirement and Post Employment Benefits

The Company provides medical and life insurance benefits to its eligible employees and their dependents upon retirement from the Company. The retirees must have attained age sixty-five and earned twenty years of full-time service upon retirement for coverage under the medical plan. The medical benefits are capped at a \$20,000 lifetime maximum per covered person. The benefits are coordinated with Medicare and any other medical policies in force. Retirees who have attained age sixty-five and earned at least ten years of full-time service upon retirement from the Company are entitled to group term life insurance benefits. The life insurance benefit is \$2,000 plus \$100 for each year of employment over ten years. The plan is not funded and claims are paid as they are incurred. The Company has elected to use a December 31 measurement date for its post retirement benefit disclosures as of March 31.

The components of net periodic post retirement benefit cost were as follows:

	Year Ended March 31,		
	2006	2005	2004
		(In thousands)	
Service cost for benefits earned during the period	\$ 373	\$ 316	\$ 315

Other components	(299)	(317)	(293)
Net periodic postretirement benefit cost	<u>\$ 380</u>	<u>\$ 312</u>	<u>\$ 353</u>

The fiscal 2006 and fiscal 2005 post retirement benefit liability included the following components:

	Year Ended March 31,	
	2006	2005
	(In thousands)	
Beginning of year	\$ 5,376	\$ 5,074
Service cost for benefits earned during the period	373	316

Actuarial (gain) loss	<u>2,545</u>	<u>(211)</u>
Accumulated postretirement benefit obligation	8,183	5,376
Unrecognized net gain	<u>1,563</u>	<u>4,406</u>
Total post retirement benefit liability	<u>\$ 9,746</u>	<u>\$ 9,782</u>

The discount rate assumptions in computing the information above were as follows:

	Year Ended March 31,		
	2006	2005	2004
	(In percentages)		
Accumulated postretirement benefit obligation	5.75%	5.75%	6.25%

The discount rate represents the expected yield on a portfolio of high grade (AA to AAA rated or equivalent) fixed income investments with cash flow streams sufficient to satisfy benefit obligations under the plan when due. Fluctuations in the discount rate assumptions primarily reflect changes in U.S. interest rates. The estimated health care cost inflation rates used to measure the accumulated post retirement benefit obligation was 5.00% in fiscal 2006, which was projected to decline annually to an ultimate rate of 4.20% in fiscal 2013.

AMERCO AND CONSOLIDATED ENTITIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

If the estimated health care cost inflation rate assumptions were increased by one percent, the accumulated post retirement benefit obligation as of fiscal year-end would increase by approximately \$272,973 and the total of the service cost and interest cost components would increase by \$55,626. A decrease in the estimated health care cost inflation rate assumption of one percent would decrease the accumulated post retirement benefit obligation as of fiscal year-end by \$307,943 and the total of the service cost and interest cost components would decrease by \$60,870.

Post employment benefits provided by the Company, other than retirement, are not material.

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid:

Note 16: Contingent Liabilities and Commitments

The Company leases a portion of its rental equipment and certain of its facilities under operating leases with terms that expire at various dates substantially through 2034 with the exception of one land lease expiring in 2079. At March 31, 2006, AMERCO has guaranteed \$193.1 million of residual values for these rental equipment assets at the end of the respective lease terms. Certain leases contain renewal and fair market value purchase options as well as mileage and other restrictions. At the expiration of the lease, the Company has options to renew the lease, purchase the asset for fair market value, or sell the asset to a third party on behalf of the lessor. AMERCO has been leasing equipment since 1987 and has experienced no material losses relating to these types of residual value guarantees.

Shoen

On September 24, 2002, Paul F. Shoen filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Paul F. Shoen vs. SAC Holding Corporation et al., CV02-05602, seeking damages and equitable relief on behalf of AMERCO from SAC Holdings and certain current and former members of the AMERCO Board of Directors, including Edward J. Shoen, Mark V. Shoen and James P. Shoen as defendants. AMERCO is named a nominal defendant for purposes of the derivative action. The complaint alleges breach of fiduciary duty, self-dealing, usurpation of corporate opportunities, wrongful interference with prospective economic advantage and unjust enrichment and seeks the unwinding of sales of self-storage properties by subsidiaries of AMERCO to SAC Holdings over the last several years. The complaint seeks a declaration that such transfers are void as well as unspecified damages. On October 28, 2002, AMERCO, the Shoen directors, the non-Shoen directors and SAC Holdings filed Motions to Dismiss the complaint. In addition, on October 28, 2002, Ron Belec filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Ron Belec vs. William E. Carty, et al., CV 02-06331 and on January 16, 2003, M.S. Management Company, Inc. filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned M.S. Management Company, Inc. vs. William E. Carty, et al., CV 03-00386. Two additional derivative suits were also filed against these parties. These additional suits are substantially similar to the Paul F. Shoen derivative action. The five suits assert virtually identical claims. In fact, three of the five plaintiffs are parties who are working closely together and chose to file the same claims multiple times. These lawsuits alleged that the AMERCO Board lacked independence. In reaching its decision to dismiss these claims, the court determined that the AMERCO Board of Directors had the requisite level of independence required in order to have these claims resolved by the Board. The court consolidated all five complaints before dismissing them on May 28, 2003. Plaintiffs appealed and, on September 12, 2005 the Nevada Supreme Court heard oral arguments. The parties are awaiting a ruling.

Securities Litigation

AMERCO is a defendant in a consolidated putative class action lawsuit entitled “In Re AMERCO Securities Litigation”, United States District Court, Case No. CV-N-03-0050-ECR (RAM). The action alleges claims for violation of Section 10(b) of the Securities Exchange Act and Rule 10b-5 there under, section 20 (a) of the Securities Exchange Act of 1934 and sections 11, 12, and 15 of the Securities Act of 1933. The action alleges, among other things, that AMERCO engaged in transactions with the SAC entities that falsely improved AMERCO’s financial statements and that AMERCO failed to disclose the transactions properly. The action has been transferred to the United States District Court, District of Arizona and assigned to Judge Bryan. Motions to Dismiss are fully briefed and are before the court. Prior to the ruling on the Motions to Dismiss, the parties have agreed to a settlement in principle, subject to final documentation and approval by the Court. The settlement in the amount of \$5.0 million, will be covered by AMERCO’s D&O insurance carrier.

Securities and Exchange Commission

The Securities and Exchange Commission (“SEC”) has issued a formal order of investigation to determine whether the Company has violated the Federal Securities laws. The Company has produced and delivered all requested documents and information and provided testimony from all requested witnesses to the SEC. The Company continues to cooperate with the SEC. We cannot predict the outcome of the investigation.

Environmental

In the normal course of business, AMERCO is a defendant in a number of suits and claims. AMERCO is also a party to several administrative proceedings arising from state and local provisions that regulate the removal and/or cleanup of underground fuel storage tanks. It is the opinion of management, that none of these suits, claims or proceedings involving AMERCO, individually or in the aggregate, are expected to result in a material loss.

Compliance with environmental requirements of federal, state and local governments significantly affects Real Estate’s business operations. Among other things, these requirements regulate the discharge of materials into the water, air and land and govern the use and disposal of hazardous substances. Real Estate is aware of issues regarding hazardous substances on some of its properties. Real Estate regularly makes capital and operating expenditures to stay in compliance with environmental laws and has put in place a remedial plan at each site where it believes such a plan is necessary. Since 1988, Real Estate has managed a testing and removal program for underground storage tanks.

Based upon the information currently available to Real Estate, compliance with the environmental laws and its share of the costs of investigation and cleanup of known hazardous waste sites are not expected to have a material adverse effect on AMERCO’s financial position or operating results. Real Estate expects to spend approximately \$7.6 million through 2011 to remediate these properties.

Other

The Company is named as a defendant in various other litigation and claims arising out of the normal course of business. In managements’ opinion none of these other matters will have a material effect on the Company’s financial position and results of operations.

Note 18: Preferred Stock Purchase Rights

The Board of Directors of AMERCO adopted a stockholder-rights plan in July 1998. The rights were declared as a dividend of one preferred share purchase right for each outstanding share of the common stock of AMERCO. The dividend distribution was payable on August 17, 1998 to stockholders of record on that date. When exercisable, each right will entitle its holder to purchase from AMERCO one one-hundredth of a share of AMERCO Series C Junior Participating Preferred Stock (Series C), no par value, at a price of \$132.00 per one one-hundredth of a share of Series C, subject to adjustment. AMERCO has created a series of 3,000,000 shares of authorized but not issued preferred stock for the Series C stock authorized in this stockholder-rights plan.

The rights will become exercisable if a person or group of affiliated or associated persons acquire or obtain the right to acquire beneficial ownership of 10% or more of the common stock without approval of a majority of the Board of Directors of AMERCO. The rights expire on August 7, 2008 unless earlier redeemed or exchanged by AMERCO.

In the event AMERCO is acquired in a merger or other business combination transaction after the rights become exercisable, each holder of a right would be entitled to receive that number of shares of the acquiring company's common stock equal to the result obtained by multiplying the then current purchase price by the number one one-hundredths of a share of Series C for which a right is then exercisable and dividing that product by 50% of the then current market price per share of the acquiring company.

Note 19: Related Party Transactions

AMERCO has engaged in related party transactions and has continuing related party interests with certain major stockholders, directors and officers of the consolidated group as disclosed below. Management believes that the transactions described below and in the related notes were consummated on terms equivalent to those that would prevail in arm's-length transactions.

During fiscal 2006 subsidiaries of the Company held various junior unsecured notes of SAC Holdings. Substantially all of the equity interest of SAC Holdings is controlled by Blackwater, wholly-owned by Mark V. Shoen, a significant shareholder and executive officer of AMERCO. The Company does not have an equity ownership interest in SAC Holdings, except for minority investments made by RepWest and Oxford in a SAC Holdings-controlled limited partnership which holds Canadian self-storage properties. The Company recorded interest income of \$19.4 million and \$22.0 million, and received cash interest payments of \$11.2 million and \$11.7 million, from SAC Holdings during fiscal 2006 and fiscal 2005. The largest aggregate amount of notes receivable outstanding during fiscal 2006 and the aggregate notes receivable balance at March 31, 2006 was \$203.7 million, of which \$75.1 million is with SAC Holding II and have been eliminated in the consolidating financial statements.

Interest accrues on the outstanding principal balance of junior notes of SAC Holdings that the Company holds at a stated rate of basic interest. A fixed portion of that basic interest is paid on a monthly basis.

Additional interest is paid on the same payment date based on the amount of remaining basic interest and of the cash flow generated by the underlying property. This amount is referred to as the "cash flow-based calculation."

To the extent that this cash flow-based calculation exceeds the amount of remaining basic interest, contingent interest is paid on the same monthly date as the fixed portion of basic interest. To the extent that the cash flow-based calculation is less than the amount of remaining basic interest, the additional interest payable on the applicable monthly date is limited to the amount of that cash flow-based calculation. In such a case, the excess of the remaining basic interest over the cash flow-based calculation is deferred. In addition, subject to certain contingencies, the junior notes provide that the holder of the note is entitled to receive 90% of the appreciation realized upon, among other things, the sale of such property by SAC Holdings.

The Company currently manages the self-storage properties owned or leased by SAC Holdings, Mercury, 4 SAC, 5 SAC, Galaxy, and Private Mini Storage Realty ("Private Mini") pursuant to a standard form of management agreement, under which the Company receives a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. The Company received management fees, exclusive of expenses, of \$22.5 million, and \$14.4 million from the above mentioned entities during fiscal 2006 and 2005, respectively. This management fee is consistent with the fee received for other properties the Company previously managed for third parties. SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini are substantially controlled by Blackwater. Mercury is substantially controlled by Mark V. Shoen. James P. Shoen, a significant shareholder and director of AMERCO, has an interest in Mercury.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

RepWest and Oxford currently hold a 46% limited partnership interest in Securespace Limited Partnership ("Securespace"), a Nevada limited partnership. A SAC Holdings subsidiary serves as the general partner of Securespace and owns a 1% interest. Another SAC Holdings subsidiary owns the remaining 53% limited partnership interest in Securespace. Securespace was formed by SAC Holdings to be the owner of various Canadian self-storage properties. RepWest's and Oxford's investment in Securespace is included in Related Party Assets and is accounted for using the equity method. We do not believe that the carrying amount of their investments in Securespace is in excess of fair value.

The Company leases space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of SAC Holdings, 5 SAC and Galaxy. Total lease payments pursuant to such leases were \$2.7 million in both fiscal 2006 and 2005. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

At March 31, 2006, subsidiaries of SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with the aforementioned companies and their subsidiaries are substantially identical to the terms of those with the Company's other 13,950 independent dealers. During fiscal 2006 and fiscal 2005, the Company paid the above mentioned entities \$36.8 million and \$33.1 million, respectively in commissions pursuant to such dealership contracts.

These agreements with Blackwater entities, excluding dealer agreements, provided revenue of \$38.7 million, expenses of \$2.7 million and cash flows of \$27.5 million during fiscal 2006. Revenues and commission expenses related to the Dealer Agreements were \$171.5 million and \$36.7 million, respectively.

SAC Holdings was established in order to acquire self-storage properties. These properties are being managed by the Company pursuant to management agreements. The sale of self-storage properties by the Company to SAC Holdings has in the past provided significant cash flows to the Company and the Company's outstanding loans to SAC Holdings entitle the Company to participate in SAC Holdings' excess cash flows (after senior debt service).

Management believes that its sales of self-storage properties to SAC Holdings has provided a unique structure for the Company to earn moving equipment rental revenues and management fee income from the SAC Holdings self-storage properties the Company manages and to participate in SAC Holdings' excess cash flows as described above.

Independent fleet owners own approximately 2.4% of all U-Haul rental trailers. There are approximately 835 independent fleet owners, including certain officers, directors, employees and stockholders of AMERCO. Such AMERCO officers, directors, employees and stockholders owned less than 1.0% of all U-Haul rental trailers during fiscal 2006, 2005 and 2004, respectively. Payments to these individuals under this program are de minimis (less than one thousand dollars per quarter, per person). All rental equipment is operated under contract with U-Haul whereby U-Haul administers the operations and marketing of such equipment and in return receives a percentage of rental fees paid by customers. Based on the terms of various contracts, rental fees are distributed to U-Haul (for services as operators), to the fleet owners (including certain subsidiaries and related parties of U-Haul) and to rental dealers (including Company-operated U-Haul Centers).

In February 1997, AMERCO, through its insurance subsidiaries, invested in the equity of Private Mini, a Texas-based self-storage operator. RepWest invested \$13.5 million and had a direct 30.6% interest and an indirect 13.2% interest. Oxford invested \$11.0 million and had a direct 24.9% interest and an indirect 10.8% interest. On June 30, 2003, RepWest and Oxford exchanged their respective interests in Private Mini for certain real property owned by 4 SAC and 5 SAC. The exchanges were non-monetary and were recorded on the basis of the book values of the assets exchanged.

During 1997, Private Mini secured a \$225.0 million line of credit with a financing institution, which was subsequently reduced in accordance with its terms to \$125.0 million in December 2001. Under the terms of this credit facility, AMERCO entered into a support party agreement with Private Mini whereby upon default or noncompliance with certain debt covenants by Private Mini, AMERCO assumes responsibility in fulfilling all obligations related to this credit facility. In 2003, the support party obligation was bifurcated into two separate support party obligations; one consisting of a \$55.0 million support party obligation and one consisting of a \$70.0 million support party obligation. At March 31, 2003, \$55.0 million of AMERCO's support party obligation had been triggered. AMERCO satisfied the \$55.0 million obligation by issuing notes to the Private Mini creditor, and we correspondingly increased our receivable from Private Mini by \$55.0 million. Interest from Private Mini on this receivable is being recorded by AMERCO on a regular basis. The Company expects to fully recover this amount. Under the terms of FIN 45, the remaining \$70.0 million support party obligation was recognized by the Company as a liability at March 31, 2004 and March 31, 2003. This resulted in AMERCO increasing Other Liabilities by \$70.0 million and increasing our receivable from Private Mini by an additional \$70.0 million. At March 31, 2005, the Company revalued the FIN 45 liability to \$2.9 million. Effective July 15, 2005 the \$70.0 million support party obligation was terminated and AMERCO is no longer obligated on behalf of Private Mini. The \$2.9 million liability recorded in the Company's books was eliminated at the time the support party obligation was terminated. Private Mini is now a wholly-owned subsidiary of 4 SAC and 5 SAC.

In prior years, U-Haul sold various properties to SAC Holding Corporation at prices in excess of U-Haul's carrying values resulting in gains which U-Haul deferred and treated as additional paid-in capital. The transferred properties have historically been stated at the original cost basis as the gains were eliminated in consolidation. In March 2004, these deferred gains were recognized and treated as contributions from a related party in the amount of \$111.0 million as a result of the deconsolidation of SAC Holding Corporation.

In August 2005, RepWest completed the sale of three storage properties to 5 SAC and the sale of nineteen storage properties to Real Estate, for approximately \$50.5 million. The gains realized by RepWest were recorded directly to additional paid-in capital. The purchase price was based upon existing re-purchase agreements management believes were consummated on terms equivalent to those that prevail in arm's-length transactions.

In October 2005, Oxford completed the sale of three storage properties to 5 SAC, one storage property to Real Estate and was fully repaid by U-Haul on a mortgage note secured by twenty-five storage properties. These transactions totaled approximately \$38.0 million. The gains realized by Oxford were recorded directly to additional paid-in capital. The purchase price was based upon existing re-purchase agreements management believes were consummated on terms equivalent to those that prevail in arm's-length transactions.

The amount of dividends that can be paid to shareholders by insurance companies domiciled in the State of Arizona is limited. Any dividend in excess of the limit requires prior regulatory approval. At December 31, 2005, Oxford cannot distribute any of its statutory surplus as dividends without regulatory approval. RepWest paid \$27.0 million in non-cash dividends to its parent during 2005; payment was effected by a reduction in intercompany accounts. Consequently, at December 31, 2005, RepWest did not have any statutory surplus available for distribution without regulatory approval.

On May 20, 2003, RepWest consented to an Order for Supervision issued by the State of Arizona Department of Insurance ("DOI"). The DOI determined that RepWest's level of risk based capital ("RBC") allowed for regulatory control. Pursuant to this order and Arizona law, during the period of supervision, RepWest could not engage in certain activities without the prior approval of the DOI. The order was abated on June 9, 2005.

Note 21A: Consolidating Financial Information by Industry Segment

AMERCO has four reportable segments. They are Moving and Storage Operations, Property and Casualty Insurance, Life Insurance and SAC Holding II. Management tracks revenues separately, but does not report any separate measure of the profitability for rental vehicles, rentals of self-storage spaces and sales of products that are required to be classified as a separate operating segment and accordingly does not present these as separate reportable segments. Deferred income taxes are shown as liabilities on the consolidating statements.

This section includes condensed consolidating financial information which presents the condensed consolidating balance sheets as of March 31, 2006 and 2005, respectively and the related condensed consolidating statements of operations and condensed consolidating cash flow statements for the years ended March 31, 2006, 2005, and 2004, respectively for:

- (b) RepWest and its subsidiary
- (c) Oxford and its subsidiaries
- (d) SAC Holding II and its subsidiaries

The information includes elimination entries necessary to consolidate AMERCO, the parent with its subsidiaries and SAC Holding II and its subsidiaries.

Investments in subsidiaries are accounted for by the parent using the equity method of accounting.

The accompanying notes are an integral part of this Summary of Earnings of Independent Rental Fleets.

(A) The accompanying Summary of Earnings of Independent Rental Fleets includes the operations of rental equipment under the brand name of “U-Haul” owned by independent fleet owners. Earnings data represent the aggregate results of operations before depreciation and taxes. Investment data represent the cost of the rental equipment and investments before accumulated depreciation. Fleet owner income is based on Independent Rental Dealer reports of rentals transacted through the day preceding the last Monday of each month and received by U-Haul International, Inc. by the end of the month and U-Haul Center reports of rentals transacted through the last day of each month. Payments to fleet owners for trailers lost or retired from rental service as a result of damage by accident have not been reflected in this summary because such payments do not relate to earnings before depreciation and income taxes but, rather, investment (depreciation).

The investment data is based upon the cost of the rental equipment to the fleet owners as reflected by sales records of the U-Haul manufacturing facilities.

(B) The summary of earnings data stated in terms of an amount per \$100 of average investment represents the aggregate results of operations (earnings data) divided by the average amount of investment during the periods. The average amount of investment is based upon a simple average of the month-end investment during each period. Average earnings data is not necessarily representative of an individual fleet owner’s earnings.

No funds of Owner contained in the UHI concentration account may be used for the benefit of any property or person (including, without limitation, UHI and Manager) other than Owner and the Properties. Subject to the terms and

c onditions of the Loan Documents, Gross Revenue of the Owner shall be applied first to the repayment of Owner's senior mortgage debt with respect to the Property and other requirements of Owner's senior mortgage loan agreements, and then to Manager in reimbursement of expenses and for management fees as provided under Section 4 below.

(p) **Obligations under Loan Documents and other Material Contracts.** Manager shall take such actions as are necessary or appropriate under the circumstances to ensure that Owner is in compliance with the terms of the Loan Documents and any other material agreement relating to the Property to which Owner is a party. Nothing herein contained shall be deemed to obligate Manager to fund from its own resources any payments owed by Owner under the Loan Documents or otherwise be deemed to make Manager a direct obligor under the Loan Documents or other material contract of Owner.

(q) **Management Standard** . Manager shall perform all of its obligations under this Agreement in a professional manner consistent with the standards it employs at all of its managed locations and in any event, consistent with the standard set forth in the Loan Documents.

3. **Duties of Owner.** Owner shall cooperate with Manager in the performance of Manager's duties under this Agreement and to that end, upon the request of Manager, to provide reasonable office space for Manager employees on the premises of the Property (to the extent available) and to give Manager access to all files, books and records of Owner relevant to the Property. Owner shall not unreasonably withhold or delay any consent or authorization to Manager required or appropriate under this Agreement, subject to the conditions of the Loan Documents.

4. **Compensation of Manager.**

(a) **Reimbursement of Expenses** . Manager shall be entitled to reimbursement, on a monthly basis, for all out-of-pocket reasonable and customary expenses actually incurred by Manager in the discharge of its duties hereunder, including, without limitation, all expenses incurred on Owner's behalf pursuant to Section 2 of this Agreement, including the cost to Manager of the personnel pursuant to Section 2(d). Such expense reimbursement shall be the obligation of Owner, whether or not Gross Revenues are sufficient to pay such amounts.

(b) **Management Fee** . Owner shall pay to Manager as the full amount due for the services herein provided a monthly fee (the "Management Fee") which shall be five percent (5%) of the Property's trailing twelve month Gross Revenue divided by twelve (12) ("Base Fee"), plus an annual incentive fee (the "Incentive Fee") based upon the performance of the Property as set forth on Exhibit B hereto. For purposes of this Agreement, the term "Gross Revenue" shall mean all receipts (excluding security deposits unless and until Owner recognizes the same as income) of Manager or Owner (whether or not received by Manager on behalf or for the account of Owner) arising from the operation of Owner's business at the Property, including without limitation, rental payments of self-storage customers at the Property, vending machine or concessionaire revenues, maintenance charges, if any, paid by the tenants of the Property in addition to basic rent and parking fees, if any. Gross Revenue shall be determined on a cash

basis. The Management Fee shall be paid promptly, in arrears within thirty (30) days of the end of each month.

Except as provided in this Section 4, it is further understood and agreed that Manager shall not be entitled to additional compensation of any kind in connection with the performance by it of its duties under this Agreement.

(c) **Inspection of Books and Records** . Owner shall have the right, upon prior reasonable notice to Manager, to inspect Manager's books and records with respect to the Property, to assure that proper fees and charges are assessed hereunder. Manager shall cooperate with any such inspection. Owner shall bear the cost of any such inspection; provided, however, that if it is ascertained that Manager has overcharged Owner by more than 5% in any given quarter, the cost of such inspection shall be borne by Manager. Manager shall promptly reimburse Owner for any overpayment.

5. Use of Trademarks, Service Marks and Related Items.

(a) GJR Investments, Inc. ("GJR") hereby grants Manager, as its agent, the non-exclusive right to operate the Property under the name and flag of "Private Mini Storage" or any derivation thereof (collectively, "Private Mini"). Accordingly, in executing its duties hereunder, Manager shall have the non-exclusive right to use Private Mini signage, stationary, uniforms and the like as well as any name, mark, slogan, caricature, design or other trade or service mark incident to the foregoing. It is further understood and agreed that the Private Mini name and all such marks, slogans, caricatures, designs and other trade or service items shall remain and be at all times the sole and exclusive property of GJR, and that except as expressly provided in this Agreement, Manager shall have no right whatsoever therein.

GJR has granted and may grant others the right to use Private Mini. Except as set forth herein, Manager acknowledges that GJR has the sole and exclusive right to license Private Mini. Manager further agrees that all use of Private Mini by Manager shall inure to the benefit of Private Mini. As between GJR and Manager, all rights not specifically granted to Manager are reserved to GJR. Manager shall cooperate with GJR, at GJR's expense in the execution, filing, and prosecution of any trademark or trade name applications that GJR may desire to file, and for that purpose Manager will supply to GJR, upon GJR 's written request and at GJR 's expense, such information as may be reasonably required. Manager shall inform GJR forthwith if Manager learns of any adoption, use, or registration of any trademark, trade name, or corporate name that could infringe or impair or tend to impair GJR's rights in Private Mini. Manager shall provide complete information and assistance to GJR concerning such infringements. Upon learning of such infringements, GJR shall be entitled, at its sole discretion and expense, to take such action, if any as GJR considers necessary or appropriate to enforce its rights, including without limitation, action to suppress or eliminate the infringements. Manager shall cooperate with GJR, and its attorneys and other authorized representatives, at GJR's expense, in any investigation or legal proceedings or action which GJR may deem desirable to protect its rights in Private Mini. Manager shall use commercially reasonable efforts to include the trademark notice on all product and other materials bearing any of Private Mini's trademarks, service marks or other protected logo.

(b) Notwithstanding the foregoing, Owner has the right, at Owner's sole cost and expense, to require that Manager operate the Property under the name and flag of U-Haul®. In the event Manager (or UHI) requires that the Properties (or any of them) be operated under the U-Haul ® name and flag, such conversion shall be at UHI's sole cost and expense. In such event, Owner acknowledges and agrees that the name, trademark and service mark "U-Haul", and related marks, slogans, caricatures, designs and other trade or service items (the "Manager Trade Marks") shall be utilized for the non-exclusive benefit of Owner in the rental and operation of the Property, and in comparable operations elsewhere. It is further understood and agreed that the name and all such marks, slogans, caricatures, designs and other trade or service items shall remain and be at all times the property of Manager and its affiliates, and that except as expressly provided in this Agreement, Owner shall have no right whatsoever therein. At the election and sole cost of Owner, Owner shall have the right to require Manager to convert the sign faces, stationary, uniforms and the like at the Property to the name "U-Haul." Upon termination of this Agreement at any time for any reason, all such use by and for the benefit of Owner of any such name, mark, slogan, caricature, design or other trade or service item in connection with the Property shall be terminated and any signs bearing any of the foregoing shall be removed from view and no longer used by Owner. It is understood and agreed that Manager will use and shall be unrestricted in its use of the U-Haul® name, mark, slogan caricature, design or other trade or service item in the management and operation of other storage facilities both during and after the expiration or termination of the term of this Agreement.

6. Default Termination.

(a) Any material failure by Manager or Owner (a "Defaulting Party") to perform its duties or obligations hereunder (other than a default by Owner under Section 4 of this Agreement), which material failure is not cured within thirty (30) calendar days after receipt of written notice of such failure from the non-defaulting party, shall constitute an event of default hereunder; provided, however, the foregoing shall not constitute an event of default hereunder in the event the Defaulting Party commences cure of such material failure within such thirty (30) day period and diligently prosecutes the cure of such material failure thereafter but in no event shall such extended cure period exceed ninety (90) days from the date of receipt by the non-defaulting party of written notice of such material default; provided further, however that in the event such material failure constitutes a default under the terms of the Loan Documents and the cure period for such matter under the Loan Documents is shorter than the cure period specified herein, the cure period specified herein shall automatically shorten such that it shall match the cure period for such matter as specified under the Loan Documents. In addition, following notice to Manager of the existence of any such material failure by Manager, Owner and Lender shall each have the right to cure any such material failure by Manager, and any sums so expended in curing shall be owed by Manager to such curing party and may be offset against any sums owed to Manager under this Agreement.

(b) Any material failure by Owner to perform its duties or obligations under Section 4, which material failure is not cured within thirty (30) calendar days after receipt of written notice of such failure from Manager, shall constitute an event of default hereunder.

(c) Upon an event of default hereunder, the non-defaulting party shall have the right to terminate this Agreement upon notice to the defaulting party.

(d) In addition to the foregoing, Manager shall have the right to terminate this Agreement, with or without cause, by giving not less than ninety (90) days' written notice to Owner pursuant to Section 14 hereof.

8. Assignment . Manager shall not assign this Agreement to any party without the consent of Owner, which consent shall not be unreasonably withheld; provided however, Manager shall have the right to assign this Agreement, or any portion thereof and any duties hereunder to any UHI affiliated entity or Private Mini Storage Manager, Inc., or its affiliates. Notwithstanding anything to the contrary contained herein, Manager shall not assign this Agreement except in accordance with, and consistent with, the terms and conditions of the Loan Documents.

We managed the Texas properties through Thursday, August 4, 2005. Our submanagement agreement terminated that day, subject to only the payment of the management fees that we earned through that day. Walter Pennington has provided Dennis with a detail of those fees for his approval. We would appreciate prompt payment since our cash is tight. Thank you.

Exhibit D
Loan Documents

For purposes of this Agreement, "Loan Documents" shall mean, collectively:

-Loan Agreement between Owner and GMAC Commercial Mortgage Corporation dated on or about the date hereof, and all Loan Documents as defined therein, including without limitation the Lockbox Deposit Account Control Agreement.

- The mezzanine loans made by the parent entities of Owner, in favor of GMAC Commercial Mortgage Corporation on or about the date hereof.

-Promissory note made by Private Mini Storage Realty, L.P. to the order of AMERCO, dated on or about the date hereof, in the original face amount of approximately \$55,500,000.

Promissory Note

\$59,423,706.00

December 1, 2005

FOR VALUE RECEIVED, Private Mini Storage Realty, L.P., a Texas limited partnership ("Borrower"), hereby promises to pay to the order of AMERCO, a Nevada corporation (together with any and all of its successors and assigns and/or any other holder of this Note, "Lender"), without offset, in immediately available funds in lawful money of the United States of America, at 2727 North Central Avenue, Phoenix, Arizona 85004, the principal sum of Fifty-Nine Million, Four Hundred and Twenty-Three Thousand, Seven Hundred and Six and no/100ths Dollars (\$59,423,706.00) (or the unpaid balance of all principal advanced against this Note, if that amount is less), together with interest on the unpaid principal balance of this Note from day to day outstanding as hereinafter provided.

Section 1 Payment Schedule and Maturity Date.

This Promissory Note shall mature on December 1, 2017 (the "Maturity Date"). From the date hereof through July 31, 2010, Borrower shall make monthly payments to Lender of principal and interest hereunder. Interest shall accrue hereunder at the Stated Rate (as hereinafter defined). The principal hereunder, together with any Deferred Interest (as hereinafter defined) shall be amortized on the basis of a thirty-year amortization schedule.

From August 1, 2010 through July 31, 2015, Borrower shall make monthly payments to Lender of interest only, at the Stated Rate. There shall be no amortization payments due and payable from August 1, 2010 through July 31, 2015.

From August 1, 2015 through the Maturity Date, amortization payments shall resume, and Borrower shall make monthly payments to Lender of principal and interest hereunder. Such principal payments shall again be amortized on the basis of a thirty-year amortization schedule.

All payments hereunder of principal and interest shall be in arrears and shall be made on the first day or each month, commencing on January 1, 2006 and continuing on the 1st day of each succeeding month through and including the Maturity Date. The entire principal balance of this Note then unpaid, together with all accrued and unpaid interest and Deferred Interest, if any, and all other amounts payable hereunder, shall be due and payable in full on the Maturity Date.

At Borrower's request and the approval by Lender in Lender's sole discretion, the Maturity Date may be extended to December 1, 2020.

Section 2 Interest Rate: Deferral of Portion of Interest.

(a) The unpaid principal balance of this Note from day to day outstanding, which is not past due, shall bear interest at a fixed rate of 7% per annum from December 1, 2005 through November 30, 2007, 7.5% per annum from December 1, 2007 through November 30, 2009; 8% per annum from December 1, 2009 through the Maturity Date (as may be extended as provided

herein) (collectively, as applicable, the "Stated Rate"). Interest shall be computed for the actual number of days which have elapsed, on the basis of a 365-day year.

(b) If any amount payable by Borrower hereunder is not paid when due (without regard to any applicable grace periods), such amount shall thereafter bear interest at a fixed rate of the then-applicable Stated Rate plus two percent (the "Past Due Rate") per annum, to the fullest extent permitted by applicable law.

(c) Notwithstanding the foregoing or any other provision in this instrument to the contrary, Borrower shall have the right to make a minimum payment of interest hereunder for such month at a pay rate equal to two percent (2%) per annum of the outstanding principal hereunder. In such event, the deferred amount (meaning the amount otherwise due pursuant to Section I above, less the amount actually paid pursuant to this Section 2(c)) shall be deferred, added to the principal balance hereunder, and shall accrue interest at the Stated Rate.

Section 3 Prepayment. Borrower may prepay the principal balance of this Note, in full at any time or in part from time to time, without fee, premium or penalty of any nature or kind whatsoever.

Section 4 Certain Provisions Regarding Payments. All payments made under this Note shall be applied, to the extent thereof to accrued but unpaid interest, to unpaid principal, and to any other sums due and unpaid to Lender under this Note in such manner and order as Lender may elect. Remittances shall be made without offset, demand, counterclaim, deduction, or recoupment (each of which is hereby waived) and shall be accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due on any indebtedness shall be deemed an acceptance on account only, notwithstanding any notation on or accompanying such partial payment to the contrary, and shall not in any way (a) waive or excuse the existence of an Event of Default, (b) waive, impair or extinguish any right or remedy available to Lender hereunder, or (c) waive the requirement of punctual payment and performance or constitute a novation in any respect. Whenever any payment under this Note falls due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day.

Section 5 Representations and Warranties. As of the date hereof, Borrower hereby represents and warrants to Lender as follows:

(a) The Borrower is a Texas limited partnership, duly organized and qualified to do business under the laws of the State of Texas with the power and authority to enter into this Note and to conduct its business as currently conducted and to own its assets;

(b) The execution and delivery of and performance by the Borrower of its obligations under this Agreement are within the power and authority of the Borrower, and have been duly authorized by all necessary partnership action of the Borrower; and

(c) This Note is a legal, valid and binding agreement of the Borrower, enforceable against the Borrower in accordance with its terms, except as such enforceability may be limited by the Borrower's bankruptcy, insolvency, reorganization, moratorium or other laws or equitable principles relating to or limiting creditors' rights generally and except indemnifications to the extent unenforceable as a matter of public policy, and any instrument or agreement required hereunder, when executed and delivered, will be similarly legal, valid, binding and enforceable.

Section 6 Events of Default. The occurrence of anyone or more of the following shall constitute an "Event of Default" under this Note:

(a) Borrower fails to pay when and as due and payable any amounts payable by Borrower to Lender under the terms of this Note and such failure continues for one-hundred and eighty (180) calendar days after Borrower's receipt of written notice from Lender of its failure to pay such amounts and Lender determines in its sole discretion that there is no reasonable likelihood that Borrower will cure such failure within a reasonable period of time thereafter.

(b) Any other covenant, agreement or condition in this Note is not fully and timely performed, observed or kept, and such failure to perform, observe or keep continues for thirty (30) days after Borrower's receipt of written notice from Lender of its failure to so perform.

(c) The Borrower files a bankruptcy petition, a bankruptcy petition is filed against any of the foregoing parties, or the Borrower makes a general assignment for the benefit of creditors.

(d) A receiver or similar official is appointed for a substantial portion of the Borrower's business, or the business is terminated, or, the Borrower is liquidated or dissolved.

Section 7 Remedies. Upon the occurrence of an Event of Default, Lender may at any time thereafter exercise anyone or more of the following rights, powers and remedies:

(a) Lender may accelerate the maturity date and declare the unpaid principal balance and accrued but unpaid interest on this Note, and all other amounts payable hereunder, at once due and payable, and upon such declaration the same shall at once be due and payable.

(b) Lender may set off the amount due against any and all accounts, credits, money, securities or other property now or hereafter on deposit with, held by or in the possession of Lender to the credit or for the account of Borrower, without notice to or the consent of Borrower.

(c) Lender may exercise any of its other rights, powers and remedies at law or in equity.

Section 8 Remedies Cumulative. All of the rights and remedies of Lender under this Note are cumulative of each other and of any and all other rights at law or in equity, and the exercise by Lender of anyone or more of such rights and remedies shall not preclude the simultaneous or later exercise by Lender of any or all such other rights and remedies. No single or partial exercise of any right or remedy shall exhaust it or preclude any other or further exercise thereof, and every right and remedy may be exercised at any time and from time to time. No failure by Lender to exercise, nor delay in exercising, any right or remedy shall operate as a waiver of such right or remedy or as a waiver of any Event of Default.

Section 9 Costs and Expenses of Enforcement. Borrower agrees to pay to Lender on demand all costs and expenses incurred by Lender in seeking to collect this Note, including court costs and reasonable out-of-pocket attorneys' fees and expenses, whether or not suit is filed hereon, or whether in connection with bankruptcy, insolvency or appeal.

Section 10 Heirs, Successors and Assigns. The terms of this Note shall bind and inure to the benefit of the representatives, successors and assigns of the parties.

Section 11 General Provisions. Time is of the essence with respect to Borrower's obligations under this Note. Borrower hereby (a) waives demand, presentment for payment, notice of dishonor and of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices (except any notices which are specifically required by this Note) or filing of suit and diligence in collecting this Note, consent to any extensions or postponements of time of payment of this Note for any period or periods of time and to any partial payments, before or after maturity, and to any other indulgences with respect hereto, without notice thereof to any of them; (b) submits (and waives all rights to object) to non-exclusive personal jurisdiction of any state or federal court sitting in the state and county in which payment of this Note is to be made for the enforcement of any and all obligations under this Note; and (c) waive the benefit of all homestead and similar exemptions as to this Note. A determination that any provision of this Note is unenforceable or invalid shall not affect the enforceability or validity of any other provision and the determination that the application of any provision of this Note to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to other persons or circumstances. This Note may not be amended except in a writing specifically intended for such purpose and executed by the party against whom enforcement of the amendment is sought. Captions and headings in this Note are for convenience only and shall be disregarded in construing it. This Note and its validity, enforcement and interpretation shall be governed by the laws of the state in which payment of this Note is to be made (without regard to any principles of conflicts of laws) and applicable United States federal law. Whenever a time of day is referred to herein, unless otherwise specified such time shall be the local time of the place where payment of this Note is to be made. \$11,700,000.00

December 1, 2005

FOR VALUE RECEIVED, PMSI Investors, LLC, a Texas limited liability company, ("Borrower"), hereby promises to pay to the order of U-Haul International, Inc., a Nevada corporation (together with any and all of its successors and assigns and/or any other holder of this Note, "Lender"), without offset, in immediately available funds in lawful money of the United States of America, at 2727 North Central Avenue, Phoenix, Arizona 85004, the principal sum of Eleven Million, Seven Hundred Thousand and no/100ths Dollars (\$11,700,000.00) (or the unpaid balance of all principal advanced against this Note, if that amount is less), together with interest on the unpaid principal balance of this Note from day to day outstanding as hereinafter provided.

Section 1 Payment Schedule and Maturity Date.

From the date hereof through December 1, 2020 (the "Maturity Date"), Borrower shall make quarterly payments to Lender of principal and interest hereunder. Interest shall accrue hereunder at the Stated Rate (as hereinafter defined). The principal hereunder, together with any Deferred Interest (as hereinafter defined) shall be amortized on the basis of a twenty-year amortization schedule. All payments hereunder of principal and interest shall be in arrears and shall be made on the first day or each quarter, commencing on January 1, 2006 and continuing on the 1st day of each succeeding quarter through and including the Maturity Date. The entire principal balance of this Note then unpaid, together with all accrued and unpaid interest and Deferred Interest, if any, and all other amounts payable hereunder, shall be due and payable in full on the Maturity Date.

Section 2 Interest Rate; Deferral of Portion of Interest. (a) The unpaid principal balance of this Note from day to day outstanding, which is not past due, shall bear interest at a fixed rate of seven percent (7%) per annum from December 1, 2005 through November 30, 2006; eight percent (8%) per annum from December 1, 2006 through November 30, 2007; and nine percent (9%) per annum from December 1, 2007 through the Maturity Date (collectively, as applicable, the "Stated Rate"). Interest shall be computed for the actual number of days which have elapsed, on the basis of a 365-day year.

(b) If any amount payable by Borrower hereunder is not paid when due (without regard to any applicable grace periods), such amount shall thereafter bear interest at a fixed rate of the then-applicable Stated Rate plus two percent (the "Past Due Rate") per annum, to the fullest extent permitted by applicable law.

(c) Notwithstanding the foregoing or any other provision in this instrument to the contrary, Borrower shall have the right to make a minimum payment of interest hereunder for such quarter at a pay rate equal to two percent (2%) per annum of the outstanding principal hereunder. In such event, the deferred amount (meaning the amount otherwise due pursuant to Section I above, less the amount actually paid pursuant to this Section 2(c)) shall be deferred, added to the principal balance hereunder, and shall accrue interest at the Stated Rate.

Section 3 Prepayment. Borrower may prepay the principal balance of this Note, in full at any time or in part from time to time, without fee, premium or penalty of any nature or kind whatsoever.

Section 4 Certain Provisions Regarding Payments. All payments made under this Note shall be applied, to the extent thereof to accrued but unpaid interest, to unpaid principal, and to any other sums due and unpaid to Lender under this Note in such manner and order as Lender may elect. Remittances shall be made without offset, demand, counterclaim, deduction, or recoupment (each of which is hereby waived) and shall be accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due on any indebtedness shall be deemed an acceptance on account only, notwithstanding any notation on or accompanying such partial payment to the contrary, and shall not in any way (a) waive or excuse the existence of an Event of Default, (b) waive, impair or extinguish any right or remedy available to Lender hereunder, or (c) waive the requirement of punctual payment and performance or constitute a novation in any respect. Whenever any payment under this Note falls due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day.

Section 5 Representations and Warranties. As of the date hereof, Borrower hereby represents and warrants to Lender as follows:

(b) The execution and delivery of and performance by the Borrower of its obligations under this Agreement are within the power and authority of the Borrower, and have been duly authorized by all necessary limited liability company action of the Borrower; and

(c) This Note is a legal, valid and binding agreement of the Borrower, enforceable against the Borrower in accordance with its terms, except as such enforceability may be limited by the Borrower's bankruptcy, insolvency, reorganization, moratorium or other laws or equitable principles relating to or limiting creditors' rights generally and except indemnifications to the extent unenforceable as a matter of public policy, and any instrument or agreement required hereunder, when executed and delivered, will be similarly legal, valid, binding and enforceable.

Section 6 Events of Default. The occurrence of anyone or more of the following shall constitute an " Event of Default " under this Note:

(a) Borrower fails to pay when and as due and payable any amounts payable by Borrower to Lender under the terms of this Note and such failure continues for one-hundred and eighty (180) calendar days after Borrower's receipt of written notice from Lender of its failure to pay such amounts and Lender determines in its sole discretion that there is no reasonable likelihood that Borrower will cure such failure within a reasonable period of time thereafter.

(b) Any other covenant, agreement or condition in this Note is not fully and timely performed, observed or kept, and such failure to perform, observe or keep continues for thirty (30) days after Borrower's receipt of written notice from Lender of its failure to so perform.

(d) A receiver or similar official is appointed for a substantial portion of the Borrower's business, or the business is terminated, or, the Borrower is liquidated or dissolved.

Section 7 Remedies. Upon the occurrence of an Event of Default, Lender may at any time thereafter exercise anyone or more of the following rights, powers and remedies:

(a) Lender may accelerate the maturity date and declare the unpaid principal balance and accrued but unpaid interest on this Note, and all other amounts payable hereunder, at once due and payable, and upon such declaration the same shall at once be due and payable.

(b) Lender may set off the amount due against any and all accounts, credits, money, securities or other property now or hereafter on deposit with, held by or in the possession of Lender to the credit or for the account of Borrower, without notice to or the consent of Borrower.

(c) Lender may exercise any of its other rights, powers and remedies at law or in equity.

Section 8 Remedies Cumulative. All of the rights and remedies of Lender under this Note are cumulative of each other and of any and all other rights at law or in equity, and the exercise by Lender of anyone or more of such rights and remedies shall not preclude the simultaneous or later exercise by Lender of any or all such other rights and remedies. No single or partial exercise of any right or remedy shall exhaust it or preclude any other or further exercise thereof, and every right and remedy may be exercised at any time and from time to time. No failure by Lender to exercise, nor delay in exercising, any right or remedy shall operate as a waiver of such right or remedy or as a waiver of any Event of Default.

Section 9 Costs and Expenses of Enforcement. Borrower agrees to pay to Lender on demand all costs and expenses incurred by Lender in seeking to collect this Note, including court costs and reasonable out-of-pocket attorneys' fees and expenses, whether or not suit is filed hereon, or whether in connection with bankruptcy, insolvency or appeal.

A determination that any provision of this Note is unenforceable or invalid shall not affect the enforceability or validity of any other provision and the determination that the application of any provision of this Note to any person or circumstance is illegal or unenforceable shall not affect the enforceability or validity of such provision as it may apply to other persons or circumstances. (p) **Obligations under Loan Documents and other Material Contracts.** Manager shall take such actions as are necessary or appropriate under the circumstances to ensure that Owner is in compliance with the terms of the Loan Documents and any other material agreement relating to the Property to which Owner is a party. Nothing herein contained shall be deemed to obligate Manager to fund from its own resources any payments owed by Owner under the Loan Documents or otherwise be deemed to make Manager a direct obligor under the Loan Documents or other material contract of Owner.

(q) **Management Standard** . Manager shall perform all of its obligations under this Agreement in a professional manner consistent with the standards it employs at all of its managed locations and in any event, consistent with the standard set forth in the Loan Documents.

3. **Duties of Owner.** Owner shall cooperate with Manager in the performance of Manager's duties under this Agreement and to that end, upon the request of Manager, to provide reasonable office space for Manager employees on the premises of the Property (to the extent available) and to give Manager access to all files, books and records of Owner relevant to the Property. Owner shall not unreasonably withhold or delay any consent or authorization to Manager required or appropriate under this Agreement, subject to the conditions or the Loan Documents.

4. Compensation of Manager.

(a) **Reimbursement of Expenses** . Manager shall be entitled to reimbursement, on a monthly basis, for all out-of-pocket reasonable and customary expenses actually incurred by Manager in the discharge of its duties hereunder, including, without limitation, all expenses incurred on Owner's behalf pursuant to Section 2 of this Agreement, including the cost to Manager of the personnel pursuant to Section 2(d). Such expense reimbursement shall be the obligation of Owner, whether or not Gross Revenues are sufficient to pay such amounts.

(b) **Management Fee** . Owner shall pay to Manager as the full amount due for the services herein provided a monthly fee (the "Management Fee") which shall be five percent (5%) of the Property's trailing twelve month Gross Revenue divided by twelve (12) ("Base Fee"), plus an annual incentive fee (the "Incentive Fee") based upon the performance of the Property as set forth on Exhibit B hereto. For purposes of this Agreement, the term "Gross Revenue" shall mean all receipts (excluding security deposits unless and until Owner recognizes the same as income) of Manager or Owner (whether or not received by Manager on behalf or for the account of Owner) arising from the operation of Owner's business at the Property, including without limitation, rental payments of self-storage customers at the Property, vending machine or concessionaire revenues, maintenance charges, if any, paid by the tenants of the Property in addition to basic rent and parking fees, if any. Gross Revenue shall be determined on a cash

basis. The Management Fee shall be paid promptly, in arrears within thirty (30) days of the end of each month.

Except as provided in this Section 4, it is further understood and agreed that Manager shall not be entitled to additional compensation of any kind in connection with the performance by it of its duties under this Agreement.

(c) **Inspection of Books and Records** . Owner shall have the right, upon prior reasonable notice to Manager, to inspect Manager's books and records with respect to the Property, to assure that proper fees and charges are assessed hereunder. Manager shall cooperate with any such inspection. Owner shall bear the cost of any such inspection; provided, however, that if it is ascertained that Manager has overcharged Owner by more than 5% in any given quarter, the cost of such inspection shall be borne by Manager. Manager shall promptly reimburse Owner for any overpayment.

5. Use of Trademarks, Service Marks and Related Items.

(a) GJR Investments, Inc. ("GJR") hereby grants Manager, as its agent, the non-exclusive right to operate the Property under the name and flag of "Private Mini Storage" or any derivation thereof (collectively, "Private Mini"). We managed the Texas properties through Thursday, August 4, 2005. Our submanagement agreement terminated that day, subject to only the payment of the management fees that we earned through that day. Walter Pennington has provided Dennis with a detail of those fees for his approval. We would appreciate prompt payment since our cash is tight. Thank you.

If the date for any deposit, payment or prepayment hereunder is extended by operation of law or otherwise, interest with respect thereto shall be payable at the then-applicable Interest Rate during such extension.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Loan or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business

Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest, if applicable.

(c) If on any Deposit Date, all or any portion of the amounts required to be deposited in the Sub-Account pursuant to Section 5.03(b) are not deposited by or on behalf of the Borrowers by the time specified in the first sentence of Section 5.04(a), then the Collateral Agent shall immediately have the right to take control of the Collection Account in accordance with the Collection Account Control Agreement. Such remedy shall be in addition to and not exclusive of any other remedies provided for under this Agreement.

The Borrowers may prepay the Loans on any Payment Date, in whole or in part, subject to the requirements of this Section without penalty or premium (except as provided in Section 5.01(b)), on five days' prior written notice to the Lender, provided that (i) the principal amount prepaid is at least \$1,000,000 (unless otherwise agreed to in writing by the Lender), (ii) Borrowers shall not prepay more than \$5,000,000 in the aggregate in any twelve (12) month period (other than a payment of all obligations, in accordance with Section 5.01(b)), (iii) the Borrowers pay to the Lender, on the date of prepayment, accrued unpaid interest on the amount so prepaid and (iv) Borrowers shall pay any Hedge Breakage. The Borrowers may notify the Lender in writing that it has elected to terminate the Facility in connection with the prepayment in full of the Loans and all other outstanding Obligations. Upon such prepayment in full, together with payment in full the fee described in Section 5.01(b), and the termination of the Facility, the Lender's interest in the Collateral shall be released in accordance with Section 3.02 and the Commitment of the Lender hereunder shall terminate.

Section 5.06. [Reserved].

Section 5.07. Illegality; Substituted Interest Rate, etc. Notwithstanding any other provision hereof, if (i) any Requirement of Law or any change therein or in the interpretation or application thereof shall make it unlawful for the Lender to make or maintain any Loans at the Interest Rate or (ii) the Lender shall have determined (which determination shall be conclusive and binding upon the Borrowers) that, by reason of circumstances affecting the LIBOR interbank market, adequate and reasonable means do not exist for ascertaining the Interest Rate, then (a) the obligation of the Lender to make or maintain Loans at the Interest Rate shall be suspended and the Lender shall promptly notify the Borrowers thereof (by telephone confirmed in writing) and (b) each Loan then outstanding, if any, shall, from and including the commencement of the next Interest Period or at such earlier date as may be required by law, until payment in full thereof, bear interest at the rate per annum equal to the greater of the Prime Rate plus the Applicable Margin or the Interest Rate in effect on the date immediately preceding the date any event described in clause (i) or (ii) occurred. If subsequent to such suspension of the obligation of the Lenders to make or maintain the Loans at the Interest Rate, the circumstances described in clause (i) or (ii) of the preceding sentence, as applicable, no longer exist, the Lender shall so notify the Borrowers, and the obligation of the Lender to do so shall be reinstated effective as of the date the circumstances described in clause (i) or (ii), as applicable, no longer exist.

Section 5.08. Payments of Principal; Mandatory Prepayment s.

(a) On each Payment Date, the Borrowers shall pay to the Lender, an amount equal to the Targeted Principal, if any, for such Payment Date.

(b) If any Monthly Settlement Report reports that a Borrowing Base Deficiency exists as of such date with respect to any Monthly Pool, then the Borrowers shall no later than the next Business Day following delivery of such Monthly Settlement Report pay to the Lender an amount equal to the Borrowing Base Deficiency for such Monthly Pool on such date and any Hedge Breakage. If an item of Collateral included in the Borrowing Base and for which a Loan was advanced fails at any time to be acceptable to the Lender under the definition of Eligible Vehicle Collateral, as reasonably determined by the Lender in its sole discretion, the Vehicle Facility Value of such Collateral as of such date of determination will be deemed to be zero.

(c) Upon discovery by any of the Loan Parties of a breach of any of the representations and warranties set forth in Section 6.14, the party discovering such breach shall give prompt written notice to the Borrowers and to the other parties. If such breach would, in and of itself, result in a Borrowing Base Deficiency with respect to any Monthly Pool, which Borrowing Base Deficiency is not cured by the next Business Day after the Borrowers discover or receive notice of such breach, the Borrowers shall, unless such breach shall have been cured in all material respects, remit to the Lender an amount equal to the amount of such Borrowing Base Deficiency, in the manner set forth in Section 5.08. The foregoing obligation shall apply to all representations and warranties of the Borrowers contained in Section 6.14 whether or not the Borrowers have knowledge of the breach at the time of the breach or at the time the representations and warranties were made. The Lender shall not have any duty to conduct an affirmative investigation as to the occurrence of any breach of any representations and warranties of the Borrowers set forth in Section 6.14 that would require the Borrowers to remit any mandatory repayment pursuant to this Section.

Section 5.09. Increased Costs.

(a) If any Change in Law shall: (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or (ii) impose on the Lender or the London interbank market any other condition affecting this Agreement or Loans made by the Lender; and the result of any of the foregoing shall be to increase the cost to the Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or otherwise), then the Borrowers shall, jointly and severally, pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) If the Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, as a consequence of this Agreement or the Loans made by the Lender to a level below that which the Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's policies and the policies of the Lender's holding company with respect to capital

adequacy), then from time to time the Borrowers shall, jointly and severally, pay to the Lender such additional amount or amounts as will compensate the Lender or the Lender's holding company for any such reduction suffered.

(c) A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and the basis therefor shall be delivered to the Borrowers by the Lender and shall be conclusive absent manifest error. The Borrowers shall pay the Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of the Lender to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate the Lender pursuant to this Section for any increased costs or reductions incurred more than 90 days prior to the date that the Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.10. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes; *provided* that if the Borrowers shall be required to deduct any Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrowers shall make such deductions and (iii) the Borrowers shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) The Borrowers shall, jointly and severally, indemnify the Lender, within 10 days after written demand therefor, for the full amount of any Taxes paid by the Lender on or with respect to any payment by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment delivered to the Borrowers by the Lender, shall be conclusive absent manifest error.

(c) As soon as practicable after any payment of Taxes by the Borrowers to a Governmental Authority, the Borrowers shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(d) If the Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers pursuant to this Section 5.10, it shall pay over such refund to the Borrowers (but only to the extent of indemnity payments made by the Borrowers under this Section 5.10 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided, however*, that the Borrowers, upon the request of the Lender, agrees to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender in the event the Lender is required to repay such refund to such Governmental Authority. Nothing contained in this Section 5.10 shall require the Lender to make available its tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrowers or any other Person.

(e) Without prejudice to the survival of any other agreement of the Borrowers hereunder, the agreements and obligations of the Borrowers contained in this Section 5.10 shall survive the termination of this Agreement.

Each of the Loan Parties represents and warrants to the Collateral Agent and the Lender as of the Closing Date and on each Loan Date that:

Section 6.01. Organization; Powers. Each of the Loan Parties is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, has all requisite corporate power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 6.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate, as the case may be, powers. The Transactions to be entered into by each Loan Party have been duly authorized by all necessary corporate and, if required, stockholder action. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party (as the case may be), enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 6.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except filings

necessary to perfect Liens created under the Security Documents, (b) will not violate any applicable law or regulation or the charter, by-laws or other

organizational documents of any Loan Party or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing any material indebtedness or any other material indenture, agreement or other instrument binding upon any Loan Party or its assets, or give rise to a right thereunder to require any payment to be made by any Loan Party, and (d) will not result in the creation or imposition of any Lien on any asset of any Loan Party, except Liens created under the Security Documents.

Section 6.04. Financial Condition; No Material Adverse Change.

(a) UHI has heretofore furnished to the Lender the consolidated balance sheet and statements of income, equity and cash flows of AMERCO as of and for the fiscal year ended March 31, 2005, and the consolidated balance sheet and statements of income, stockholders equity and cash flows of AMERCO as of and for the fiscal quarter ended December 31, 2005, each certified by a Financial Officer of UHI or AMERCO. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of AMERCO as of such date and for such period in accordance with GAAP, subject to year end audit adjustments. As of the date hereof, no Loan Party has any liabilities in excess of \$25,000,000 except as disclosed on Schedule 6.04.

(b) Since December 31, 2005, there has been no Material Adverse Change.

Section 6.05. Properties; Liens and Licenses.

(a) Each of the Loan Parties has good title to, or valid leasehold interests in, or licenses of or easements for all the real and personal property material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes, and none of such property is subject to any Lien other than Permitted Encumbrances.

(b) Each of the Loan Parties owns, or is licensed to use, all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Loan Parties does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) Each of the Loan Parties has all licenses and permits that are material to the business of such Loan Party. Each license or permit that is material to the business of the Loan Parties, is valid and in full force and effect, and each of the Loan Parties is in compliance in all material respects with the terms and conditions thereof.

Section 6.06. Litigation Matters. There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of any Loan Party, threatened against or affecting the Loan Parties (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

Section 6.07. Compliance with Laws and Agreements. Each of the Loan Parties is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

Section 6.08. Investment and Holding Company Status. None of the Loan Parties is (a) an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a "holding company" as defined in, or subject to regulation under, the Public Utility Holding Company Act of 1935.

Section 6.09. Taxes. Each of the Loan Parties has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the applicable Loan Party has set aside on its books adequate reserves or (b) the filing of local Tax returns and reports to the extent that the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 6.10. ERISA. Each Plan has been administered in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements of AMERCO reflecting such amounts, exceed the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements of AMERCO reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans.

Section 6.11. Disclosure. Each of the Loan Parties has disclosed to the Lender all agreements, instruments and corporate or other restrictions to which any of the Loan Parties is subject that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. None of the reports, financial statements, certificates or other information furnished by or on behalf of any Loan Party to the Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder, including any Monthly Settlement Report, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, taken as a whole, in the light of the circumstances under which they were made, not misleading; *provided* that, with respect to projected financial information, each of the Loan Parties represents only that such

information was prepared in good faith based upon assumptions believed to be reasonable at the time.

Section 6.12. The Collateral. The Collateral is owned by the Person granting each security interest in such Collateral under any Security Document, free and clear of any Lien or other adverse claim except as contemplated under the Loan Documents. Each of the representations and warranties of the Loan Parties contained herein are true and correct. No agreements have been executed and delivered pursuant to which a Person pledges or grants, or purports to pledge or grant, any Lien, other than Permitted Encumbrances, on the Collateral to any Person other than the Collateral Agent.

With respect to the Borrowers, the Security Agreement is effective to create in favor of the Collateral Agent, a legal, valid and enforceable security interest in the Collateral and, upon the filing of the necessary financing statements in the offices specified in the Security Agreement, or the filing of liens on Vehicles in the offices specified in the Security Agreement, as applicable, the interest of the Collateral Agent in the Collateral will be perfected under Article 9 of the UCC as in effect on the date hereof in the applicable jurisdiction or the applicable state motor vehicle law, as applicable, prior to and enforceable against all creditors of and purchasers from the Borrowers and all other Persons whatsoever (other than the Collateral Agent and its successors and assigns). On or prior to the date each Loan is made hereunder and each recomputation of the Borrowing Base, all financing statements and other documents required to be recorded or filed in order to perfect and protect the Collateral Agent's interests in the Collateral against all creditors of and purchasers from the Borrowers and all other Persons whatsoever will have been duly filed in each filing office necessary for such purpose and all filing fees and taxes, if any, payable in connection with such filings shall have been paid in full.

As of the date of this Agreement, all premiums in respect of such insurance have been paid.

Section 6.16. Labor Matters. As of the date hereof, there are no strikes, lockouts or slowdowns against any Loan Party pending or, to the knowledge of any of the Loan Parties, threatened. The hours worked by and payments made to employees of the Loan Parties have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters. All payments due from any Loan Party, or for which any claim may be made against any Loan Party, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the applicable Loan Party. The consummation of the Transactions will

not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Loan Party is bound.

Section 6.17. Security Documents. The representations and warranties in each Security Document are true and correct.

Section 6.18. Margin Regulations. No proceeds of any Loan will be used, directly or indirectly, by the Loan Parties for the purpose of purchasing or carrying any Margin Stock or for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the Regulations of the Board, including Regulation T, U or X.

(c) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in Sections 8.02, 8.07 and Article IX

of this Agreement, and such failure shall continue unremedied for a period of three (3) days after knowledge thereof by any Loan Party;

(d) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in any Loan Document, and such failure shall continue unremedied for a period of thirty (30) days after notice thereof from the Lender to the Borrowers, except those certain covenants, conditions or agreements listed in subsection 10.01(c) above;

(e) any Loan Party shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Indebtedness in excess of \$10,000,000, when and as the same shall become due and payable (after giving effect to any period of grace expressly applicable thereto);

(f) any event or condition occurs that results in any Indebtedness in excess of \$10,000,000 becoming due prior to its scheduled maturity or that enables or permits (after giving

effect to any period of grace expressly applicable thereto) the holder or holders of any material Indebtedness or any trustee or agent on its or their behalf to cause any material indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; *provided* that this clause (f) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of AMERCO, UHI or any of the Borrowers, or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for AMERCO, UHI or the Borrowers, or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any of the Loan Parties shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (g) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for AMERCO, UHI or any of the Borrowers or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(i) AMERCO, UHI or any of the Borrowers shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(j) one or more judgments or decrees shall be entered against any Loan Party involving in the aggregate a liability (not paid or fully covered by insurance) of \$5,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 60 days from the entry thereof;

(k) any Lien on any portion of the Vehicle Collateral having a Vehicle Facility Value equal to or greater than 2% of the Outstanding Loans at such time, or on any portion of any other Collateral, purported to be created under the Security Documents shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on the applicable Collateral, with the priority required by the Security Documents and that could individually or in the aggregate have a Material Adverse Effect on such Vehicle Collateral or the interests of the Lender in such Vehicle Collateral or such other Collateral under the Loan Documents, except as a result of the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents;

(l) the Guarantee Agreement shall cease to be in full force and effect, or any Guarantor shall make an assertion to such effect in any judicial proceeding; and

(m) an ERISA Event that when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect.

Section 10.02. Consequences of an Event of Default. If an Event of Default specified in Section 10.01 hereof shall occur and be continuing, then, and in every such event (other than an event with respect to the Borrowers described in clause (f), (g) or (h) of Section 10.01), the Facility provided by this Agreement shall immediately terminate, and the Outstanding Loans, together with accrued and unpaid interest thereon, and all other Obligations, shall immediately become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers; and in case of any event with respect to the Borrowers, AMERCO or UHI described in clause (f), (g) or (h) of Section 10.01, the Facility provided by this Agreement shall automatically and immediately terminate, and the Outstanding Loans, together with accrued and unpaid interest thereon, and all other Obligations, shall immediately become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers. Further, if an Event of Default specified in Section 10.01 hereof shall occur and be continuing, then, and in every such event the Collateral Agent shall have the right to collect, receive, appropriate or realize upon the Collateral or otherwise foreclose or enforce Collateral Agent's security interests in any or all Collateral in any manner permitted by the Security Agreement. Additionally, if an Event of Default shall have occurred and be continuing, no monies on deposit in the Collection Account shall be released until all outstanding Obligations are paid in full. Further, if an Event of Default shall occur and be continuing, then, and in every such event the Lender shall have the right to draw upon the Guarantee. Notwithstanding the foregoing, if an Event of Default shall occur and be continuing, each of the Collateral Agent and the Lender may pursue any remedies available to it in order to seek repayment of all outstanding Obligations in full.

ARTICLE XI

ACCELERATED AMORTIZATION EVENT

Section 11.01. Consequences of Accelerated Amortization Event.

(a) Within a reasonable (at the discretion of the Lender) period of time following an Accelerated Amortization Event, the Borrowers may elect, upon prior written notice to the Lender, to pledge additional Eligible Vehicle Collateral under the Security Agreement and allocate such Eligible Vehicle

Collateral to one or more Monthly Pools, without borrowing additional amounts hereunder, to satisfy the Fleet Owner Cash Flow Ratio requirement and avoid an Accelerated Amortization Event; *provided*, that if the Borrowers elect to pledge additional Eligible Vehicle Collateral in accordance with this Section 11.01 (a), then from and after the date of such election, the Interest Rate on all Outstanding Loans shall be LIBOR plus 2.00% per annum for the remaining term of the Facility.

(b) Upon the occurrence of an Accelerated Amortization Event, (i) the Borrowing Base shall be reduced as provided herein; and (ii) the Lender may draw upon the

(c) Guarantee (if needed) to pay down the Outstanding Loans and avoid a Borrowing Base Deficiency.

Section 12.02. Waivers; Amendments.

(a) No failure or delay by the Collateral Agent or the Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent and the Lender hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any

event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Loan Parties, the Collateral Agent and the Lender.

Section 12.03. Expenses; Indemnity; Damage Waiver .

(a) The Borrowers shall pay (i) all costs and expenses incurred by the Lender, including the reasonable fees, charges and disbursements of counsel for the Lender, in connection with the negotiation, preparation, execution and delivery of the Loan Documents (including expenses incurred in connection with its due diligence activities) and (ii) all costs and expenses incurred by the Lender or the Collateral Agent, including the reasonable fees, charges and disbursements of any counsel for the Lender or the Collateral Agent, in connection with (A) the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such costs and expenses incurred during any workout, restructuring or negotiations in respect of such Loans, and (B) in the case of the Lender, the administration of, and any amendments, modifications, waivers or supplements of or to the provisions of, any of the Loan Documents.

(b) The Borrowers shall indemnify the Lender, the Collateral Agent and the Related Parties of any of the foregoing Persons (each such Person being called an " Indemnitee ") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, (iii) the noting of the lien of the Collateral Agent on the Certificate of Title of any item of Vehicle Collateral, (iv) the titling or retitling of any item of Vehicle Collateral, (v) the manufacture, purchase, acceptance, nonacceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any item of Vehicle Collateral, or (vi) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) To the extent permitted by applicable law, the Borrowers shall not assert, and each of them hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages)

arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(d) All amounts due under this Section shall be payable not later than 30 days after written demand therefor.

Section 12.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that a Loan Party may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) The Lender may, without the consent of the Loan Parties, assign all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that (i) except in the case of an assignment to an Affiliate of BTMUCC or its successors or assigns, or an assignment of the entire remaining amount of the Lender's Commitment or entire remaining Loans, the amount of the Commitment and Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered by the assigning Lender) shall not be less than \$5,000,000 unless the Borrowers otherwise consent, (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, except that this clause (ii) shall not be construed to prohibit the assignment of a proportionate part of all of the assigning Lender's rights and obligations in respect of (A) Loans, (B) Loans separately from (or without assigning) Commitments or (C) Commitments separately from (or without assigning) Loans, (iii) the parties to each assignment shall execute and deliver an Assignment and Acceptance, and (iv) the assignee, if it shall not be a Lender hereunder prior to such assignment, shall deliver to the Borrowers its notice and payment information. From and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, the Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 5.07, 5.09, 5.10 and 12.03). Any assignment or transfer by the Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by the Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(c) The Lender may, without the consent of the Loan Parties, sell participations to one or more Persons (a "Participant") in all or a portion of the Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); *provided* that (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Loan Parties shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which the Lender sells such a participation shall provide that the Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that the Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver to any of the Loan Documents that would adversely affect such Participant. The Loan Parties agree that each Participant shall be entitled to the benefits of Sections 5.07, 5.09 and 5.10 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section provided that such Participant agrees to be subject to Sections 5.10(d) as though it was a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender.

(d) The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

(e) The Collateral Agent may, with the consent of the Lender and without the consent of the Loan Parties, assign all or a portion of its rights and obligations under this Agreement.

Section 12.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 5.09, 5.10 and 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 12.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different

counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 7.01(a), this Agreement shall become effective when it shall have been executed by the Lender and when the Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, the Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by the Lender or Affiliate to or for the credit or the account of the Borrowers against any of and all the obligations of the Borrowers now or hereafter existing under this Agreement held by the Lender, irrespective of whether or not the Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of the Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which the Lender may have.

Section 12.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Servicer/Manager, each Guarantor and each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan

Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrowers or its properties in the courts of any jurisdiction.

(c) Each of the Servicer/Manager, each Guarantor and each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each of the Servicer/Manager, each Guarantor and each Borrower hereby irrevocably agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth in Section 12.01 or at such other address of which the Lender shall have been notified pursuant thereto. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 12.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 12.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.12. Confidentiality. The Lender and the Collateral Agent each agree to maintain the confidentiality of the Information (as defined below) and not use the Information for any purpose not contemplated by this Agreement, except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any

subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) with the consent of UHI or the Borrowers or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Lender or the Collateral Agent, as applicable, on a nonconfidential basis from a source other than UHI or the Borrowers. For the purposes of this Section, " Information " means all information received from UHI or the Borrowers relating to UHI or the Borrowers or its business, other than any such information that is publicly available or available to the Lender or the Collateral Agent, as applicable on a nonconfidential basis prior to disclosure by UHI or the Borrowers, provided that such information is identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.13. Joint and Several Liability of the Borrowers. Each Borrower acknowledges and agrees that, whether or not specifically indicated as such in a Loan Document, all Obligations shall be joint and several Obligations of each individual Borrower, and in furtherance of such joint and several Obligations, each Borrower hereby irrevocably and unconditionally guarantees the payment of all Obligations of each other Borrower. Each Borrower hereby acknowledges and agrees that such Borrower shall be jointly and severally liable to the Lender and the Collateral Agent for all representations, warranties, covenants, obligations and indemnities of the Borrowers hereunder.

(d) The Collateral Agent may rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. Borrowers will reimburse the Collateral Agent (or cause the Collateral Agent to be reimbursed) for all reasonable out-of-pocket expenses incurred or made by the Collateral Agent, including costs of collection, and the reasonable compensation, expenses and disbursements of the Collateral Agent's agents, counsel, accountants and experts, but excluding any expenses incurred by the Collateral Agent through the Collateral Agent's own willful misconduct, negligence or bad faith.

Replacement of Collateral Agent .

(a) No resignation or removal of the Collateral Agent, and no appointment of a successor Collateral Agent, will become effective until the acceptance of appointment by the successor Collateral Agent reasonably acceptable to the Lender pursuant to this Section 7. The Collateral Agent may resign by notifying the Lender and the Borrowers. The Lender may remove the Collateral Agent at any time with or without cause by notifying other parties to this Security Agreement and following such removal or resignation may appoint a successor Collateral Agent. Following the removal or resignation of any Person in the capacity of Collateral Agent, the obligations (solely in the case of obligations performed, or required to be performed, prior to such termination) of such Person in such capacity will terminate.

(b) If the Collateral Agent resigns or is removed or if a vacancy exists in the office of the Collateral Agent for any reason, the Lender will appoint a successor Collateral Agent promptly.

(c) Any successor Collateral Agent must execute and deliver an acceptance of its appointment to the retiring Collateral Agent, the Lender and each other party to this Security Agreement, and thereupon the resignation or removal of the retiring Collateral Agent will become effective, and such successor Collateral Agent will have all the rights, powers, duties and obligations of the Collateral Agent under this Security Agreement. Indemnification .

(a) To the extent that the Borrowers do not so indemnify the Collateral Agent in Section 12.03 of the Credit Agreement, the Lender will indemnify, defend and hold harmless the Collateral Agent and its respective officers, directors, employees and agents (each, an "Indemnified Person"), from and against any and all costs, expenses, losses, damages, claims and liabilities incurred by it in connection with the acceptance, administration and performance of its respective duties and obligations under this Security Agreement, including the costs and expenses of defending itself against any loss, damage, claim or liability incurred by it in connection with the exercise or performance of any of its powers or duties under this Security Agreement, but excluding any cost, expense, loss, damage, claim or liability incurred by the Collateral Agent through the Collateral Agent's own willful misconduct, negligence or bad faith.

(b) The payment obligations of the Lender to the Collateral Agent pursuant to this Section 8 will survive the resignation or removal of the Collateral Agent and the termination of this Security Agreement. When the Collateral Agent incurs expenses after the occurrence of an Event of Default, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or State bankruptcy, insolvency or similar law.

The Borrowers shall collect, enforce and receive delivery of the Receivables in accordance with past practice until otherwise notified by the Lender.

The Borrowers shall comply with all material Requirements of Law applicable to the Borrowers which relate to the production, possession, operation, maintenance and control of the Collateral.

Authorized Action by Collateral Agent. The Borrowers hereby irrevocably appoint the Collateral Agent as its attorney-in-fact and agree that the Collateral Agent may perform (but the Collateral Agent shall not be obligated to and shall incur no liability to the Borrowers or any third party for failure so to do) any act which the Borrowers are obligated by this Security Agreement to perform, and to exercise such rights and powers as Borrowers might exercise with respect to the Collateral, including, without limitation, the right to (a) collect by legal proceedings or otherwise and endorse, receive and receipt for all dividends, interest, payments, proceeds and other sums and property now or hereafter payable on or on account of the Collateral; (b) enter into any extension, reorganization, deposit, merger, consolidation or other agreement pertaining to, or deposit, surrender, accept, hold or apply other property in exchange for the Collateral; (c) insure, process, preserve and enforce the Collateral; (d) make any compromise or settlement, and take any action it deems advisable, with respect to the Collateral; (e) pay any Indebtedness of any Borrower relating to the Collateral; (f) execute UCC financing statements and other documents, instruments and agreements required hereunder; (g) note any Borrower's lien on certificates of title relating to the Collateral; provided, however, that the Collateral Agent may exercise such powers only after the occurrence and during the continuance of an Event of Default. an Event of Default, as that term is defined in the Credit Agreement. Waivers; Amendments. No failure or delay by the Lender or the Collateral Agent in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lender and the Collateral Agent hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by subsection (b) of this Section 13, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Lender may have had notice or knowledge of such Default at the time.

Neither this Security Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Security Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers, the Collateral Agent and the Lender.

Successors and Assigns. The provisions of this Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that a Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender and the Collateral Agent (and any attempted assignment or transfer by a Borrower without such consent shall be null and void). Nothing in this Security Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of BTMUCC) any legal or equitable right, remedy or claim under or by reason of this Security Agreement:

The Lender may, without the consent of the Borrowers, assign all or a portion of its rights and obligations under this Security Agreement;

The Collateral Agent may not assign, without the consent of the Lender, all or a portion of its rights and obligations under this Security Agreement; and

The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Security Agreement to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 13 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release the Lender from any of its

obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

Severability. Any provision of this Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Security Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Security Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated.

Borrowers' Continuing Liability. Notwithstanding any provision of this Security Agreement or any other Loan Document or any exercise by the Lender or the Collateral Agent of any of its rights hereunder or thereunder (including, without limitation, any right to collect or enforce any Collateral), (i) the Borrowers and their Subsidiaries shall remain liable to perform their obligations and duties in connection with the Collateral (including, without limitation, the Fleet Owner Agreement, the Rental Company Contracts, the Dealership Contracts and all other agreements relating to the Collateral) and (ii) neither the Lender nor the Collateral Agent shall assume any liability to perform such obligations and duties or to enforce any of the Borrowers' rights in connection with the Collateral (including, without limitation, Fleet Owner Agreement, the Rental Company Contracts, the Dealership Contracts and all other agreements relating to the Collateral).

Governing Law. THIS SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

Each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Security Agreement or any other Loan Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Security Agreement or any other Loan Document against any Borrower or its properties in the courts of any jurisdiction.

Each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Security Agreement or any other Loan Document in any court referred to in subsection (g)(i) of this Section 13. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Each Borrower hereby irrevocably agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Borrower at its address set forth in Section 15(a) or at such other address of which the Lender shall have been notified pursuant thereto. Nothing in this Security Agreement or any other Loan Document will affect the right of any party to this Security Agreement to serve process in any other manner permitted by law.

WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). THE BORROWER CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER.

(i) Headings. Section and subsection headings used herein are for convenience of reference only, are not part of this Security Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Security Agreement.

(j) Joint and Several Liability of Borrowers. GUARANTEE

GUARANTEE, dated as of May 31, 2006, made by U-HAUL INTERNATIONAL, INC. and AMERCO (each, a “Guarantor” and collectively, the “Guarantors”), in favor of BTMU CAPITAL CORPORATION, as lender (the “Lender” and a “Lender Party”) and ORANGE TRUCK TRUST 2006, as collateral agent (the “Collateral Agent” and a “Lender Party” and, together with the Lender, the “Lender Parties”), parties to the Credit Agreement referred to below.

RECITALS

Pursuant to the Credit Agreement, dated as of May 31, 2006 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among U-HAUL SALES & LEASING CO., U-HAUL CO. OF ARIZONA and U-HAUL INTERNATIONAL, INC. (each, a “Borrower” and collectively, the “Borrowers”), the Guarantors, ORANGE TRUCK TRUST 2006, as Collateral Agent, and the Lender, the Lender has agreed to make Loans to the Borrowers upon the terms and subject to the conditions set forth therein, such loans to be evidenced by the Note issued by the Borrowers thereunder. The Borrowers are members of an affiliated group of corporations that includes the Guarantors. The Borrowers and the Guarantors are engaged in related businesses, and the Guarantors will derive substantial direct and indirect benefit from the making of the Loans. It is a condition precedent to the obligation of the Lender to make the Loans to the Borrowers under the Credit Agreement that the Guarantors hereto shall have executed and delivered this Guarantee to the Lender Parties.

NOW, THEREFORE, in consideration of the premises and to induce the Lender to enter into the Credit Agreement and make the Loans to the Borrowers, under the Credit Agreement, the Guarantors hereby agree with the Lender Parties as follows:

Defined Terms.

Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Guarantee shall refer to this Guarantee as a whole and not to any particular provision of this Guarantee, and section and paragraph references are to this Guarantee unless otherwise specified.

The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

Guarantee.

The Guarantors hereby, unconditionally and irrevocably, jointly and severally, guarantee to the Lender Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by each of the Borrowers of their obligations under the Loan Documents, whether at stated maturity, by acceleration or otherwise.

Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of the Guarantors hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by the Guarantors under applicable federal and state laws relating to the insolvency of debtors.

The Guarantors further agree to pay any and all expenses (including, without limitation, all fees and disbursements of counsel) which may be paid or incurred by any Lender Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, the Guarantors under this Guarantee. This Guarantee shall remain in full force and effect until the Obligations are paid in full and the Commitments are terminated, notwithstanding that from time to time prior thereto the Borrowers, individually or collectively, may be free from any Obligations.

The Guarantors agree that the Obligations may at any time and from time to time exceed the amount of the liability of the Guarantors hereunder without impairing this Guarantee or affecting the rights and remedies of the Lender hereunder.

No payment or payments made by any Borrower, the Guarantors, any other guarantor or any other Person or received or collected by any Lender Party from any Borrower, the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Guarantors hereunder which shall, notwithstanding any such payment or payments other than payments made by the Guarantors in respect of the Obligations or payments received or collected from the Guarantors in respect of the Obligations, remain liable for the Obligations up to the maximum liability of the Guarantors hereunder until the Obligations are paid in full and the Commitments are terminated.

The Guarantors agree that whenever, at any time, or from time to time, it shall make any payment to any Lender Party on account of its liability hereunder, it will notify such Lender Party in writing that such payment is made under this Guarantee for such purpose.

Right of Set-off. The Guarantors hereby irrevocably authorize each Lender Party at any time and from time to time without notice to the Guarantors, any such notice being expressly waived by the Guarantors, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender Party to or for the credit or the account of the Guarantors, or any part thereof in

such amounts as such Lender Party may elect, against and on account of the obligations and liabilities of the Guarantors to such Lender Party hereunder and claims of every nature and description of such Lender Party against the Guarantors, in any currency, whether arising hereunder, under the Credit Agreement, the Note, any Loan Documents or otherwise, as such Lender Party may elect, whether or not such Lender Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Lender Party shall notify the Guarantors promptly of any such set-off and the application made by such Lender Party, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of any Lender Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which each Lender Party may have.

No Subrogation. Notwithstanding any payment or payments made by the Guarantors hereunder or any set-off or application of funds of the Guarantors by any Lender Party, the Guarantors shall not be entitled to be subrogated to any of the rights of the Lender Party against the Borrowers or any other guarantor or any collateral security or guarantee or right of offset held by any Lender Party for the payment of the Obligations, nor shall the Guarantors seek or be entitled to seek any contribution or reimbursement from the Borrowers or any other guarantor in respect of payments made by the Guarantors hereunder, until all amounts owing to the Lender Parties by the Borrowers on account of the Obligations are paid in full and the Commitments are terminated. If any amount shall be paid to the Guarantors on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by the Guarantors in trust for the Lender Parties, segregated from other funds of the Guarantors, and shall, forthwith upon receipt by the Guarantors, be turned over to the Lender Parties in the exact form received by the Guarantors (duly indorsed by the Guarantors to the Lender Parties, if required), to be applied against the Obligations, whether matured or unmatured, in such order as each Lender Party may determine.

Amendments, etc. with respect to the Obligations; Waiver of Rights. The Guarantors shall remain obligated hereunder notwithstanding that, without any reservation of rights against the Guarantors and without notice to or further assent by the Guarantors, (a) any demand for payment of any of the Obligations made by any Lender Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Lender Parties, (c) the Credit Agreement, the Note and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Lender Parties may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by any Lender Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released by such Lender Party. Neither Lender Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Guarantee or any property subject thereto. When making any demand hereunder against the Guarantors, any Lender Party may, but shall be under no obligation to, make a similar demand on the Borrowers or any other guarantor, and any failure by such Lender Party to make any such demand or to collect any payments from the Borrowers or any such other guarantor or any release of a Borrower or such other guarantor shall not relieve the Guarantors of their obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of any Lender Party against the Guarantors. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

Guarantee Absolute and Unconditional. The Guarantors waive (i) any and all notice of the creation, renewal, extension or accrual of any of the Obligations, (ii) notice or proof of reliance by any Lender Party upon this Guarantee and (iii) acceptance of this Guarantee by any Lender Party. Each of the Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Guarantee. All dealings between the Borrowers and the Guarantors, on the one hand, and each Lender Party and the Borrowers, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. The Guarantors waive diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrowers or the Guarantors with respect to the Obligations. The Guarantors understand and agree that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of the Credit Agreement, the Note or any other Loan Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Lender Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrowers against any Lender Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of any Borrower or the Guarantors) which constitutes, or might be construed to constitute, an equitable or legal discharge of any Borrower for the Obligations, or of the Guarantors under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against the Guarantors, any Lender Party may, but shall be under no obligation to, pursue such rights and remedies as it may have against any Borrower or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the such Lender Party to pursue such other rights or remedies or to collect any payments from any Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any Borrower or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve the Guarantors of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of such Lender Party against the Guarantors. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each of the Guarantors and its respective successors and assigns, and shall inure to the benefit of each Lender Party, and its respective successors, indorsees, transferees and assigns, until all the Obligations and the obligations of the Guarantors under this Guarantee shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Borrowers, individually or collectively, may be free from any Obligations.

Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Lender Parties upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Not Affected by Bankruptcy. Notwithstanding any modification, discharge or extension of the Obligations or any amendment, modification, stay or cure of each Lender Party's rights which may occur in any bankruptcy or reorganization case or proceeding against any Borrower, whether permanent or temporary, and whether or not assented to by each Lender Party, each Guarantor hereby agrees that it shall be obligated hereunder to pay and perform the Obligations and discharge its other obligations in accordance with the terms of the Obligations and the terms of this Guarantee. Each Guarantor understands and acknowledges that, by virtue of this Guarantee, it has specifically assumed any and all risks of a bankruptcy or reorganization case or proceeding with respect to

any or all Borrowers. Without in any way limiting the generality of the foregoing, any subsequent modification of the Obligations in any reorganization case concerning any Borrower shall not affect the obligation of the any Guarantor to pay and perform the Obligations in accordance with the original terms thereof.

Payments . Each Guarantor hereby guarantees that payments hereunder will be paid to each Lender Party without set-off or counterclaim in U.S. Dollars at the office of each Lender Party specified in Section 12.01 of the Credit Agreement.

Notices . All notices, requests and demands to or upon each Lender Party or each Guarantor to be effective shall be in writing (or by telex, fax or similar electronic transfer confirmed in writing) and shall be deemed to have been duly given or made (1) when delivered by hand or (2) if given by mail, when deposited in the mails by certified mail, return receipt requested, or (3) if by telex, fax or similar electronic transfer, when sent and receipt has been confirmed, addressed as follows:

if to the Lender, at its address or transmission number for notices provided in Section 12.01 of the Credit Agreement;

if to the Collateral Agent, at its address or transmission number for notices provided in Section 12.01 of the Credit Agreement; and

if to the Guarantors, at their addresses or transmission number for notices set forth under their signatures below.

The Lender Parties and the Guarantors may change their addresses and transmission numbers for notices by notice in the manner provided in this Section.

Severability . Any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Integration . This Guarantee represents the agreement of each Guarantor with respect to the subject matter hereof and there are no promises or representations by any Lender Party relative to the subject matter hereof not reflected herein.

Amendments in Writing; No Waiver; Cumulative Remedies .

None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Guarantors and the Lender Parties, provided that any provision of this Guarantee may be waived by the Lender Parties in a letter or agreement executed by the Lender Parties or by telex or facsimile transmission from the Lender Parties.

Each Lender Party shall not by any act (except by a written instrument pursuant to Section 13(a) hereof), of delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of any Lender Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Lender Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Lender Party would otherwise have on any future occasion.

The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

Section Headings . The section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

Successors and Assigns . This Guarantee shall be binding upon the successors and assigns of the Guarantors and shall inure to the benefit of each Lender Party and its successors and assigns.

GOVERNING LAW . THIS GUARANTEE SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Submission to Jurisdiction; Waivers . Each Guarantor hereby irrevocably and unconditionally:

submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Guarantors at their addresses set forth under their signatures below or at such other addresses of which the Lender Parties shall have been notified pursuant hereto;

agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

Acknowledgments. Each Guarantor hereby acknowledges that:

it has been advised by counsel in the negotiation, execution and delivery of this Guarantee and the other Loan Documents to which each is a party;

no Lender Party has a fiduciary relationship with or a duty to the Guarantors arising out of or in connection with this Guarantee or any of the other Loan Documents to which it is a party, and the relationship between the Guarantors and the Borrower s on the one hand, and the Guarantors and each Lender Party, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among any Guarantor, any Borrower and each Lender Party.

- (i) *first*, to the payment of all interest, fees and expenses due and payable to the Lenders and the Administrative Agent, pro rata in accordance with the amounts owing under this Agreement;
- (ii) *second*, to the payment of amounts owing to the Hedge Provider;
- (iii) *third*, to the payment of Targeted Principal payable to the Lenders under this Agreement, pro rata in accordance with their Lender Commitment Percentages;

- (iv) *fourth* , to the payment in full of all other Obligations then due and payable under this Agreement; and
- (v) *fifth* , to the Collection Sub-Account to be held until the next Payment Date and applied in accordance with this Section 5.03.

Section 5.04. Payments to be Made.

(a) The Borrowers shall make each payment (including principal of or interest on any Loan or other amounts) or deposit hereunder and under any other Loan Document not later than 3:00 p.m., New York City time, on each Deposit Date or Payment Date, as applicable, in immediately available funds, without setoff, defense or counterclaim (i) in the case of interest, Targeted Principal, on the Deposit Date immediately preceding the Payment Date that relates to the Interest Period for which such amount is owing, and (ii) in each other case on the date on which such amount is due. Each such payment shall be made to the Lenders at such place as may be designated from time to time by the Lenders in writing to the Borrowers. If any deposit or payment hereunder or under the Loans becomes due and payable on a day other than a Business Day, such amount shall be due and payable on the next succeeding Business Day. If the date for any deposit, payment or prepayment hereunder is extended by operation of law or otherwise, interest with respect thereto shall be payable at the then-applicable Interest Rate during such extension.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Loan or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest, if applicable.

(c) If on any Deposit Date, all or any portion of the amounts required to be deposited in the Sub-Account pursuant to Section 5.03(b) are not deposited by or on behalf of the Borrowers by the time specified in the first sentence of Section 5.04(a), then the Administrative Agent shall immediately have the right to take control of the Collection Account in accordance with the Collection Account Control Agreement. Such remedy shall be in addition to and not exclusive of any other remedies provided for under this Agreement.

Section 5.05. Optional Prepayments. The Borrowers may prepay the Loans on any Business Day, in whole or in part, subject to the requirements of this Section without penalty or premium (except as provided in Section 5.01(c)), on five days' prior written notice to the Administrative Agent, provided that (i) the principal amount prepaid is at least \$1,000,000 (unless otherwise agreed to in writing by the Lenders), (ii) the Borrowers pay to the Lenders, on the date of prepayment, accrued unpaid interest on the amount so prepaid and (iii) the Borrowers shall pay any applicable Hedge Breakage. The Borrowers may notify the Administrative Agent in writing that it has elected to terminate the Facility in connection with the prepayment in full of the Loans and all other outstanding Obligations. Upon such prepayment in full, together with payment in full the fee described in Section 5.01(c), and the termination of the Facility, the Administrative Agent's interest in the Collateral shall be released in accordance with Section 3.02 and the Commitment of the Lenders hereunder shall terminate.

Section 5.06. [Reserved].

Section 5.07. Illegality; Substituted Interest Rate, etc. Notwithstanding any other provision hereof, if (i) any Requirement of Law or any change therein or in the interpretation or application thereof shall make it unlawful for a Lender to make or maintain any Loans at the Interest Rate or (ii) such Lender shall have determined (which determination shall be conclusive and binding upon the Borrowers) that, by reason of circumstances affecting the LIBOR interbank market, adequate and reasonable means do not exist for ascertaining the Interest Rate, then (a) the obligation of such Lender to make or maintain Loans at the Interest Rate shall be suspended and such Lender shall promptly notify the Borrowers and the Administrative Agent thereof (by telephone confirmed in writing) and (b) each of such Lender's Loan then outstanding, if any, shall, from and including the commencement of the next Interest Period or at such earlier date as may be required by law, until payment in full thereof, bear interest at the rate per annum equal to the greater of the Prime Rate or the Interest Rate in effect on the date immediately preceding the date any event described in clause (i) or (ii) occurred. If subsequent to such suspension of the obligation of such Lender to make or maintain the Loans at the Interest Rate, the circumstances described in clause (i) or (ii) of the preceding sentence, as applicable, no longer exist, such Lender shall so notify the Borrowers, and the obligation of such Lender to do so shall be reinstated effective as of the date the circumstances described in clause (i) or (ii), as applicable, no longer exist.

Section 5.08. Payments of Principal; Mandatory Prepayments.

(a) On each Payment Date, the Borrowers shall pay to the Lenders, an aggregate amount equal to the Targeted Principal, if any, for such Payment Date. Such amount shall be allocated among the Lender's ratably in accordance with their respective Lender Commitment Percentages.

(b) If any Monthly Settlement Report reports that a Borrowing Base Deficiency exists as of such date with respect to any Monthly Pool, then the Borrowers shall no later than the next Business Day following delivery of such Monthly Settlement Report pay to the Lenders an amount equal to the Borrowing Base Deficiency for such Monthly Pool on such date, and any applicable Hedge Breakage. Such amount shall be allocated among the Lender's ratably in accordance with their respective Lender Commitment Percentages. If an item of Collateral included in the Borrowing Base and for which a Loan was advanced fails at any time to be acceptable to the Lenders under the definition of Eligible Vehicle Collateral, as reasonably determined by the Lenders in its sole discretion, the Vehicle Facility Value of such Collateral as of such date of determination will be deemed to be zero.

(c) Upon discovery by any of the Loan Parties of a breach of any of the representations and warranties set forth in Section 6.14, the party discovering such breach shall give prompt written notice to the Borrowers and the Administrative Agent and to the other parties. If such breach would, in and of itself, result in a Borrowing Base Deficiency with respect to any Monthly Pool, which Borrowing Base Deficiency is not cured by the next Business Day after the Borrowers discovers or receives notice of such breach, the Borrowers shall, unless such breach shall have been cured in all material respects, remit to the Lenders an amount equal to the amount of such Borrowing Base Deficiency, in the manner set forth in Section 5.08(b). The foregoing obligation shall apply to all representations and warranties of the Borrowers contained in Section 6.14 whether or not the Borrowers have knowledge of the breach at the time of the breach or at the time the representations and warranties were made. Neither the Administrative Agent nor any Lender shall have any duty to conduct an affirmative

investigation as to the occurrence of any breach of any representations and warranties of the Borrowers set forth in Section 6.14 that would require the Borrowers to remit any mandatory repayment pursuant to this Section.

Section 5.09. Increased Costs.

(a) If any Change in Law shall: (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Lenders (except any such reserve requirement reflected in the Adjusted LIBO Rate); or (ii) impose on the Lenders or the London interbank market any other condition affecting this Agreement or Loans made by the Lenders; and the result of any of the foregoing shall be to increase the cost to the Lenders of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by the Lenders hereunder (whether of principal, interest or otherwise), then the Borrowers shall, jointly and severally, pay to the Lenders such additional amount or amounts as will compensate the Lenders for such additional costs incurred or reduction suffered.

(b) If a Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrowers shall, jointly and severally, pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 5.09 and the basis therefor shall be delivered to the Borrowers by each Lender and shall be conclusive absent manifest error. The Borrowers shall pay each Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of a Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate any Lender pursuant to this Section for any increased costs or reductions incurred more than 90 days prior to the date that the Administrative Agent or any Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of any Lender's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.10. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes; *provided* that if the Borrowers shall be required to deduct any Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) each Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrowers shall make such deductions and (iii) the Borrowers shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) The Borrowers shall, jointly and severally, indemnify a Lender, within 10 days after written demand therefor, for the full amount of any Taxes paid by such Lender on or with respect to any payment by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment delivered to the Borrowers by a Lender, shall be conclusive absent manifest error.

(c) As soon as practicable after any payment of Taxes by the Borrowers to a Governmental Authority, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) If any Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers pursuant to this Section 5.10, it shall pay over such refund to the Borrowers (but only to the extent of indemnity payments made by the Borrowers under this Section 5.10 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided, however*, that the Borrowers, upon the request of such Lender, agree to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender in the event such Lender is required to repay such refund to such Governmental Authority. Nothing contained in this Section 5.10 shall require such Lender to make available its tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrowers or any other Person.

(e) Without prejudice to the survival of any other agreement of the Borrowers hereunder, the agreements and obligations of the Borrowers contained in this Section 5.10 shall survive the termination of this Agreement.

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Each of the Loan Parties represents and warrants to the Administrative Agent and each Lender as of the Closing Date and on each Loan Date

that:

Section 6.01. Organization; Powers. Each of the Loan Parties is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, has all requisite corporate power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

Section 6.02. Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's corporate or individual, as the case may be, powers. The Transactions to be entered into by each Loan Party have been duly authorized by all necessary corporate and, if required, stockholder action. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party (as the case may be), enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 6.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except filings necessary to perfect Liens created under the Security Documents, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of any Loan Party or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing any material indebtedness or any other material indenture, agreement or other instrument binding upon any Loan Party or its assets, or give rise to a right thereunder to require any payment to be made by any Loan Party, and (d) will not result in the creation or imposition of any Lien on any asset of any Loan Party, except Liens created under the Security Documents.

Section 6.04. Financial Condition; No Material Adverse Change.

(a) UHI has heretofore furnished to the Administrative Agent the consolidated balance sheet and statements of income, equity and cash flows of AMERCO as of and for the fiscal year ended March 31, 2005 and fiscal quarter ended December 31, 2005. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of AMERCO as of such dates and for such periods in accordance with GAAP, subject to year end audit adjustments. As of the date hereof, no Loan Party has any liabilities in excess of \$25,000,000 except as disclosed on Schedule 6.04.

(b) Since December 31, 2005, there has been no material adverse change in the business, condition (financial or otherwise), operations, performance or properties of AMERCO, UHI or the Borrowers.

Section 6.05. Properties; Liens and Licenses.

(a) Each of the Loan Parties has good title to, or valid leasehold interests in, or licenses of or easements for all the real and personal property material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes, and none of such property is subject to any Lien other than Permitted Encumbrances.

(b) Each of the Loan Parties owns, or is licensed to use, all trademarks, trade names, copyrights, patents and other intellectual property material to its business, and the use thereof by the Loan Parties does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) Each of the Loan Parties has all licenses and permits that are material to the business of such Loan Party. Each license or permit that is material to the business of the Loan Parties, is valid and in full force and effect, and each of the Loan Parties is in compliance in all material respects with the terms and conditions thereof.

Section 6.06. Litigation Matters. There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of any Loan Party, threatened against or affecting the Loan Parties (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

Section 6.07. Compliance with Laws and Agreements. Each of the Loan Parties is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

Section 6.08. Investment and Holding Company Status. None of the Loan Parties is (a) an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a "holding company" as defined in, or subject to regulation under, the Public Utility Holding Company Act of 1935.

Section 6.09. Taxes. Each of the Loan Parties has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the applicable Loan Party has set aside on its books adequate reserves or (b) the filing of local Tax returns and reports to the extent that the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 6.10. ERISA. Each Plan has been administered in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not reasonably be expected to result in a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements of AMERCO reflecting such amounts, exceed the fair market value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements of AMERCO reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans.

Section 6.11. Disclosure. Each of the Loan Parties has disclosed to the Administrative Agent all agreements, instruments and corporate or other restrictions to which any of the Loan Parties is subject that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. None of the reports, financial statements, certificates or other information furnished by or on behalf of any Loan Party to the Administrative Agent in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder, including any Monthly Settlement Report, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, taken as a whole, in the light of the circumstances under which they were made, not misleading; *provided that*, with respect to projected financial information, each of the Loan Parties represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

Section 6.12. The Collateral. The Collateral is owned by the Person granting each security interest in such Collateral under any Security Document, free and clear of any Lien or other adverse claim except as contemplated under the Loan Documents. Each of the representations and warranties of the Loan Parties contained herein are true and correct. No agreements have been executed and delivered pursuant to which a Person pledges or grants, or purports to pledge or grant, any Lien, other than Permitted Encumbrances, on the Collateral to any Person other than the Administrative Agent.

With respect to the Borrowers, the Security Agreement is effective to create in favor of the Administrative Agent, a legal, valid and enforceable security interest in the Collateral and, upon the filing of the necessary financing statements in the offices specified in the Security Agreement, or the filing of liens on Vehicles in the offices specified in the Security Agreement, as applicable, the interest of the Administrative Agent in the Collateral will be perfected under Article 9 of the UCC or the applicable state motor vehicle law, as applicable, prior to and enforceable against all creditors of and purchasers from the Borrowers and all other Persons whatsoever (other than the Administrative Agent and its successors and assigns). On or prior to the date each Loan is made hereunder and each recomputation of the Borrowing Base, all financing statements and other documents required to be recorded or filed in order to perfect and protect the Administrative Agent's interests in the Collateral against all creditors of and purchasers from the Borrowers and all other Persons whatsoever will have been duly filed in each filing office necessary for such purpose and all filing fees and taxes, if any, payable in connection with such filings shall have been paid in full.

Section 6.13. Liens on the Collateral. Effective immediately upon the Closing Date, and on each Loan Date, (a) no effective financing statement or other similar instrument covering any Collateral is on file in any recording office, and (b) no Lien covering any Vehicle constituting Collateral is noted on the Certificate of Title of such Vehicle or on file in any title recording office, in each case other than in favor of the Administrative Agent.

Section 6.14. Eligible Vehicle Collateral. As of the date of each Borrowing Request, all Vehicles set forth in the Vehicle Schedule to be delivered with each Borrowing Request are Eligible Vehicle Collateral.

Section 6.15. Insurance. Schedule 6.15 sets forth a description of all insurance maintained by or on behalf of the Loan Parties as of the date of this Agreement including all policies covering the Collateral. As of the date of this Agreement, all premiums in respect of such insurance have been paid.

Section 6.16. Labor Matters. As of the date hereof, there are no strikes, lockouts or slowdowns against any Loan Party pending or, to the knowledge of any of the Loan Parties, threatened. The hours worked by and payments made to employees of the Loan Parties have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters. All payments due from any Loan Party, or for which any claim may be made against any Loan Party, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of the applicable Loan Party. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Loan Party is bound.

Section 6.17. Security Documents. The representations and warranties in each Security Document are true and correct.

Section 6.18. Margin Regulations. No proceeds of any Loan will be used, directly or indirectly, by the Loan Parties for the purpose of purchasing or carrying any Margin Stock or for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the Regulations of the Board, including Regulation T, U or X.

Each such Hedge shall have been entered into with a Hedge Provider.

The Administrative Agent shall notify the Borrowers of the Effective Date, and such notice shall be conclusive and binding. Notwithstanding the foregoing, the obligations of the Lenders to make Loans hereunder shall not become effective unless each of the foregoing conditions is satisfied (or waived pursuant to Section 12.02) at or prior to 3:00 p.m., New York City time, on June 6, 2006 (and, in the event such conditions are not so satisfied or waived, the Facility shall terminate at such time).

ARTICLE VIII

AFFIRMATIVE COVENANTS

Until the Commitments have expired or been terminated and the principal of and interest on each Loan and all fees and other amounts payable hereunder shall have been paid in full, each of the Loan Parties covenants and agrees with the Administrative Agent and each Lender that:

Section 8.01. Financial Statements and Other Information . The Loan Parties shall furnish to the Administrative Agent:

(f) promptly following any request therefor, such other information regarding the operations, business affairs and financial condition of AMERCO or any Loan Party, or compliance with the terms of any Loan Document, as the Administrative Agent may reasonably request; and

(g) provided that the Administrative Agent is unable to obtain such other information from a publicly available source, promptly following any request therefore, on a quarterly basis, a report of the name and location of all Persons that rent Vehicles on behalf of the Borrowers and their Affiliates in the ordinary course of business pursuant to a Dealership Contract, as of the date of such report.

(a) Each Loan Party shall furnish to the Administrative Agent written notice of the following promptly upon obtaining knowledge thereof:

(i) the occurrence of any Default or Accelerated Amortization Event;

(ii) the filing or commencement of any action, suit or proceeding by or before any arbitrator or Governmental Authority against or affecting any Loan Party or any Affiliate thereof that, if adversely determined, could reasonably be expected to result in a Material Adverse Effect; and

(b) Each notice delivered under this Section shall be accompanied by a statement of a Financial Officer or other executive officer of any of the Loan Parties setting forth the details of the event or development requiring such notice and any action taken or proposed to be taken with respect thereto.

Section 8.03. Information Regarding Collateral. No Loan Party shall effect or permit any change referred to in the preceding sentence unless all filings have been made under the UCC or otherwise that are required in order for the Administrative Agent to continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral.

Section 8.06. Maintenance of Properties and Fleet Owner Cash Flow. Each Loan Party shall keep and maintain all Collateral, and all other property material to the conduct of its business in good working order and condition, ordinary wear and tear excepted. U-Haul Leasing & Sales Co. shall (i) maintain the Fleet Owner Agreement in effect as a valid and existing obligation of itself and its marketing Affiliates, (ii) update the Fleet Owner Agreement from time to time as appropriate to reflect changes in the marketing Affiliates party to the various Dealership Contracts and Rental Company Contracts and (iii) not without the prior written consent of the Administrative Agent, amend or otherwise modify the Fleet Owner Agreement in a manner that would materially and adversely effect the amount of Fleet Owner Cash Flows payable to U-Haul Leasing & Sales Co. thereunder.

Section 8.07. Insurance. The Loan Parties shall, at their own expense, maintain at all times and keep in full force and effect policies of insurance with respect to the properties of the Loan Parties constituting Collateral, including general and vicarious liability insurance (including bodily injury coverage) related to the Vehicles (updated from time to time to reflect any changes to the Vehicles constituting Collateral) in such amounts, against such risks and with such terms (including deductibles, limits of liability and loss payment provisions) as are required by applicable law and consistent with industry standards. All such insurance policies shall be in form, substance and insured amount satisfactory to the Administrative Agent, with standard coverage and subject to deductibles and with reputable insurance companies, as may be reasonably required by the Administrative Agent. Each Loan Party shall permit any representatives designated by the Administrative Agent, at the Borrowers' expense, upon reasonable prior notice, to visit and inspect its properties, to examine and make extracts from its books and records, and to discuss its affairs, finances and condition with its officers and independent accountants, all at such reasonable times and as often as reasonably requested. Any such inspection shall be subject to the confidentiality restrictions set forth in Section 12.12.

Section 8.09. Compliance with Laws and Agreements. Each Loan Party shall comply with all laws, rules, regulations and orders of any Governmental Authority (including ERISA) applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 8.10. Use of Proceeds. The proceeds of the Loans shall be used solely for to finance the purchase and assembly of Eligible Vehicle Collateral (including the manufacture of the van box of any Vehicle comprising Eligible Vehicle Collateral) occurring during the 60 days immediately preceding the date of such Loan.

Section 8.11. Further Assurances. Each Loan Party shall, and shall cause each other Loan Party to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, Certificates of Title and other documents), which may be required under any applicable law, or which the Administrative Agent may reasonably request, to effectuate the transactions contemplated by the Loan Documents or to grant, preserve, protect or perfect the Liens created or intended to be created by the Security Documents or the validity or priority of any such Lien, all at the expense of the Loan Parties. Each Loan Party also agrees to provide to the Administrative Agent, upon request, evidence reasonably satisfactory to the Administrative Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

Section 8.12. Casualty.

(a) Each Loan Party shall furnish to the Administrative Agent prompt notice of any casualty or other damage to any portion of the Collateral having a value in excess of \$75,000 or the commencement of any action or proceeding for the taking of any Collateral or any part thereof or interest therein by condemnation or similar proceeding.

(b) If any event described in paragraph (a) of this Section results in Net Proceeds (whether in the form of insurance proceeds, or otherwise), the Administrative Agent is authorized to collect such Net Proceeds and, if received by a Loan Party, such Net Proceeds shall be deposited in the Collection Sub-Account. All such Net Proceeds retained by or paid over to the Administrative Agent shall be held by the Administrative Agent and released from time to time to pay the costs of repairing, restoring or replacing the affected property in accordance with the terms of this Agreement and the applicable provisions of the Security Documents, subject to the provisions of the Security Documents regarding application of such Net Proceeds during a Default or an Event of Default.

(c) If any Net Proceeds retained by the Administrative Agent or deposited in the Collection Sub-Account as provided above continue to be held by the Administrative Agent on the date that any prepayment is due pursuant to Section 5.08 in respect of the event resulting in such Net Proceeds, then such Net Proceeds shall be applied to prepay Loans as provided in Section 5.08.

Borrowers; and in case of any event with respect to the Borrowers described in clause (f), (g) or (h) of Section 10.01, the Facility provided by this Agreement shall automatically and immediately terminate, and the Outstanding Loans, together with accrued and unpaid interest thereon, and all other Obligations, shall immediately become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers. Further, if an Event of Default specified in Section 10.01 hereof shall occur and be continuing, then, and in every such event the Administrative Agent, on behalf of the Lenders, shall have the right to collect, receive, appropriate or realize upon the Collateral or otherwise foreclose or enforce Administrative Agent's security interests in any or all Collateral in any manner permitted by the Security Agreement. (b) Upon the occurrence of an Accelerated Amortization Event, (i) the Borrowing Base shall be reduced as provided herein; and (ii) the Lender may draw upon the Guarantee (if needed) to pay down the Outstanding Loans and avoid a Borrowing Base Deficiency.

ARTICLE XI

THE ADMINISTRATIVE AGENT

Section 11.01. The Administrative Agent. Each of the Lenders hereby irrevocably appoints the Administrative Agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to such Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Administrative Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the secured parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents.

The financial institution serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Administrative Agent, and such financial institution and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Servicer, the Borrower or other Affiliate thereof as if it were not an Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Administrative Agent is required to exercise in writing by the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.02), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower that is communicated to or obtained by the financial institution serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be deemed to have knowledge of any Event of Default unless and until written notice thereof is given to such Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article VII in this Agreement or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Affiliates of the Administrative Agent and any

such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided below, the Administrative Agent may resign at any time by notifying the Lenders and the Borrowers. Upon any such resignation, the Lenders shall have the right, in consultation with the Borrowers, to appoint a successor. If no successor shall have been so appointed by the Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a qualified successor Administrative Agent which shall be a financial institution with an office in New York, New York, or an Affiliate of any such financial institution. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Administrative Agent's resignation hereunder, the provisions of this Article XI and Section 11.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Section 12.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent and any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and any Lender hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent and any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers, the Required Lenders and the Administrative Agent or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Loan Party or Loan Parties that are parties thereto with the consent of the Required Lenders and the Administrative Agent; *provided* that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender or the Administrative Agent, (ii) reduce the principal amount of any Loan or reduce the rate of interest on such Loan, or reduce any fees payable hereunder, without the written consent of each affected Lender, (iii) postpone the scheduled date of

Section 12.03. Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all costs and expenses incurred by the Administrative Agent, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, in connection with the negotiation, preparation, execution and delivery of the Loan Documents (including expenses incurred in connection with its due diligence activities) and (ii) all costs and expenses incurred by the Administrative Agent and the Lenders, including the reasonable fees, charges and disbursements of any counsel for the Administrative Agent and the Lenders, in connection with (A) the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such costs and expenses incurred during any workout, restructuring or negotiations in respect of such Loans, and (B) in the case of the Administrative Agent and the Lenders, the administration of, and any amendments, modifications, waivers or supplements of or to the provisions of, any of the Loan Documents.

(b) The Borrowers shall indemnify the Administrative Agent and the Lenders, and each Related Party of any of the foregoing Persons (each such Person being called an " Indemnatee ") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated hereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or the use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnatee is a party thereto; *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence or willful misconduct of such Indemnatee.

(c) To the extent permitted by applicable law, the Borrowers shall not assert, and each of them hereby waives, any claim against any Indemnatee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(d) All amounts due under this Section shall be payable not later than 30 days after written demand therefor.

Section 12.04. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that a Loan Party may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and the Required Lenders (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent and each Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Each Lender may, with the consent of the Administrative Agent and without the consent of the Loan Parties, assign all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that (i) except in the case of an assignment to an Affiliate of such assigning Lender or its successors or assigns, or an assignment of the entire remaining amount of such Lender's Commitment or entire remaining Loans of such assigning Lender, the amount of the Commitment and Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered by the assigning Lender) shall not be less than \$5,000,000 unless the Borrowers and the Administrative Agent otherwise consent, (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, except that this clause (ii) shall not be construed to prohibit the assignment of a proportionate part of all of the assigning Lender's rights and obligations in respect of (A) Loans, (B) Loans separately from (or without assigning) Commitments or (C) Commitments separately from (or without assigning) Loans, (iii) the parties to each assignment shall execute and deliver an Assignment and Acceptance, (iv) the assignee, if it shall not be a Lender hereunder prior to such assignment, shall pay an assignment fee in the amount of \$3,500 to the Administrative Agent, and (v) the assignee, if it shall not be a Lender hereunder prior to such assignment, shall deliver to the Borrowers and the Administrative Agent its notice and payment information. Subject to acceptance and recording thereof pursuant to paragraph (d) of this Section, from and after the effective date specified in each Assignment and Acceptance the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, the Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 5.07, 5.09, 5.10 and 12.03). Any assignment or transfer by the Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by the Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(c) Each Lender may, with the consent of the Administrative Agent and without the consent of the Loan Parties, sell participations to one or more Persons (a " Participant ") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); *provided* that (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Loan Parties shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which the Lender sells such a participation shall provide that the Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that the Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 12.02(b) that affects such Participant. Subject to paragraph (f) of this Section, the Loan Parties agree that each Participant shall be entitled to the benefits of Sections 5.07, 5.09 and 5.10 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section provided that such Participant agrees to be subject to Sections 5.10(f) as though it was a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender.

(d) Each Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

(e) The Administrative Agent, in its capacity as administrative agent, may not assign all or a portion of its rights and obligations as administrative agent under this Agreement without the prior written consent of the Borrowers and the Required Lenders. Such consent shall not be unreasonably withheld.

Section 12.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lenders may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 5.09, 5.10, 12.03 and 12.12 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 12.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the Lenders constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 7.01(a), this Agreement shall become effective when it shall have been executed by the Lenders and the Administrative Agent and when the Lenders and the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, the Administrative Agent and the Lenders and each of their respective Affiliates are hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by the Administrative Agent and the Lenders or their respective Affiliates to or for the credit or the account of the Borrowers against any of and all the obligations of the Borrowers now or hereafter existing under this Agreement held by the Lenders, irrespective of whether or not the Lenders shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of the Lenders under this Section are in addition to other rights and remedies (including other rights of setoff) which the Lenders may have.

Section 12.09. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) Each of the Servicer/Manager, the Guarantor and each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Lenders or the Administrative Agent may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrowers or its properties in the courts of

any jurisdiction.

(c) UHI and the Borrowers hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each of the Servicer/Manager, the Guarantor and each Borrower hereby irrevocably agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth in Section 12.01 or at such other address of which the Lenders and the Administrative Agent shall have been notified pursuant thereto. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 12.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 12.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.12. Confidentiality. The Lenders and the Administrative Agent agree to maintain the confidentiality of the Information (as defined below) and not use the Information for any purpose not contemplated by this Agreement, except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (g) with the consent of UHI or the Borrowers or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Lenders or the Administrative Agent on a nonconfidential basis from a source other than UHI or the Borrowers. For the purposes of this Section, " Information " means all information received from UHI or the Borrowers relating to UHI or the Borrowers or its business, other than any such information that is publicly available or available to the Lenders or the Administrative Agent on a nonconfidential basis prior to disclosure by UHI or the Borrowers, provided that such information is identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.13. Joint and Several Liability of the Borrowers. Each Borrower acknowledges and agrees that, whether or not specifically indicated as such in a Loan Document, all Obligations shall be joint and several Obligations of each individual Borrower, and in furtherance of such joint and several Obligations, each Borrower hereby irrevocably and unconditionally guarantees the payment of all Obligations of each other Borrower. Each Borrower hereby acknowledges and agrees that such Borrower shall be jointly and severally liable to the Lenders and the Administrative Agent for all representations, warranties, covenants, obligations and indemnities of the Borrowers hereunder.

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Security Agreement shall be deemed to have been given on the date of receipt.

(b) Waivers; Amendments. No failure or delay by the Lenders or the Administrative Agent in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lenders and the Administrative Agent hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Lenders may have had notice or knowledge of such Default at the time.

Neither this Security Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except, in the case of this Security Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers, the Administrative Agent and the Lenders.

(c) Successors and Assigns. The provisions of this Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that a Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and the Lenders (and any attempted assignment or transfer by a Borrower without such consent shall be null and void). Nothing in this Security Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each Lender) any legal or equitable right, remedy or claim under or by reason of this Security Agreement.

(i) The Administrative Agent may, without the consent of the Borrowers, assign all or a portion of its rights and obligations under this Security Agreement; and

(ii) The Administrative Agent may at any time pledge or assign a security interest in all or any portion of its rights under this Security Agreement to secure obligations of such Administrative Agent, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release such Administrative Agent from any of its obligations hereunder or substitute any such pledgee or assignee for such Administrative Agent as a party hereto.

(d) Severability. Any provision of this Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(e) Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Security Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lenders or the Administrative Agent may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Security Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. Notwithstanding any provision of this Security Agreement or any other Loan Document or any exercise by the Lenders or the Administrative Agent of any of its rights hereunder or thereunder (including, without limitation, any right to collect or enforce any Collateral).

(f) Borrowers' Continuing Liability. Notwithstanding any provision of this Security Agreement or any other Loan Document or any exercise by the Lenders or the Administrative Agent of any of its rights hereunder or thereunder (including, without limitation, any right to collect or enforce any Collateral), (i) the Borrowers and their Subsidiaries shall remain liable to perform their obligations and duties in connection with the Collateral (including, without limitation, the Fleet Owner Agreement, the Rental Company Contracts, the Dealership Contracts and all other agreements relating to the Collateral) and (ii) neither the Lenders nor the Administrative Agent shall assume any liability to perform such obligations and duties or to enforce any of the Borrowers' rights in connection with the Collateral (including, without limitation, Fleet Owner Agreement, the Rental Company Contracts, the Dealership Contracts and all other agreements relating to the Collateral).

(g) Governing Law. THIS SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(i) Each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of

the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Security Agreement or any other Loan Document shall affect any right that each Lender or the Administrative Agent may otherwise have to bring any action or proceeding relating to this Security Agreement or any other Loan Document against any Borrower or its properties in the courts of any jurisdiction.

(ii) Each Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Security Agreement or any other Loan Document in any court referred to in subparagraph (g)(i) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(iii) Each Borrower hereby irrevocably agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Borrower at its address set forth in Section 7(a) or at such other address of which the Administrative Agent and the Lenders shall have been notified pursuant thereto. Nothing in this Security Agreement or any other Loan Document will affect the right of any party to this Security Agreement to serve process in any other manner permitted by law.

(h) WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). THE BORROWER CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER.

(i) Headings. Section and subsection headings used herein are for convenience of reference only, are not part of this Security Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Security Agreement.

(j) Joint and Several Liability of Borrowers. Each Borrower acknowledges and agrees that, whether or not specifically indicated as such in a Loan Document, all Secured Obligations shall be joint and several Secured Obligations of each individual Borrower, and in furtherance of such joint and several Secured Obligations, each Borrower hereby irrevocably and unconditionally guarantees the payment of all Secured Obligations of each other Borrower. Each Borrower hereby acknowledges and agrees that such Borrower shall be jointly and severally liable to the Lenders and the Administrative Agent for all representations, warranties, covenants and, obligations and indemnities of the Borrowers hereunder.

(k) Third Party Beneficiary. Each Borrower acknowledges and agrees that each Lender is an intended beneficiary of this Security Agreement.

GUARANTEE

GUARANTEE, dated as of June 6, 2006, made by U-HAUL INTERNATIONAL, INC. (the “Guarantor”), in favor of BAYERISCHE HYPO-UND VEREINSBANK AG, NEW YORK BRANCH and other lenders party to the Credit Agreement from time to time the “Lenders” and the “Lender Parties”) and BAYERISCHE HYPO-UND VEREINSBANK AG, NEW YORK BRANCH, as administrative agent (the “Administrative Agent” and together with the Lenders, the “Lender Parties”), parties to the Credit Agreement referred to below.

RECITALS

Pursuant to the Credit Agreement, dated as of June 6, 2006 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among U-HAUL SALES & LEASING CO., U-HAUL CO. OF ARIZONA and U-HAUL INTERNATIONAL, INC. (each, a “Borrower” and collectively, the “Borrowers”), the Guarantor, BAYERISCHE HYPO-UND VEREINSBANK AG, NEW YORK BRANCH as Administrative Agent and the Lenders, the Lenders have agreed to make loans to the Borrowers upon the terms and subject to the conditions set forth therein, such loans to be evidenced by the Note issued by the Borrowers thereunder. The Borrowers are members of an affiliated group of corporations that includes the Guarantor. The Borrowers and the Guarantor are engaged in related businesses, and the Guarantor will derive substantial direct and indirect benefit from the making of the loans. It is a condition precedent to the obligation of the Lenders to make the loans to the Borrowers under the Credit Agreement that the Guarantor hereto shall have executed and delivered this Guarantee to the Lender Parties.

NOW, THEREFORE, in consideration of the premises and to induce the Lenders to enter into the Credit Agreement and make the loans to the Borrowers, under the Credit Agreement, the Guarantor hereby agrees with the Lender Parties as follows:

Defined Terms.

Unless otherwise defined herein, terms defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Guarantee shall refer to this Guarantee as a whole and not to any particular provision of this Guarantee, and section and paragraph references are to this Guarantee unless otherwise specified.

The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

Guarantee.

The Guarantor hereby, unconditionally and irrevocably, guarantees to the Lender Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by each of U-Haul Sales & Leasing Co. and U-Haul Co. of Arizona (each, an “Affiliate Borrower” and collectively, the “Affiliate Borrowers”) of its obligations under the Loan Documents, whether at stated maturity, by acceleration or otherwise.

Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of the Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by the Guarantor under applicable federal and state laws relating to the insolvency of debtors.

The Guarantor further agrees to pay any and all expenses (including, without limitation, all fees and disbursements of counsel) which may be paid or incurred by any Lender Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, the Guarantor under this Guarantee. This Guarantee shall remain in full force and effect until the Obligations are paid in full and the Commitments are terminated, notwithstanding that from time to time prior thereto the Affiliate Borrowers, individually or collectively, may be free from any Obligations.

The Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of the Guarantor hereunder without impairing this Guarantee or affecting the rights and remedies of any Lender Party hereunder.

No payment or payments made by any Borrower, the Guarantor, any other guarantor or any other Person or received or collected by any Lender Party from any Borrower, the Guarantor, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Guarantor hereunder which shall, notwithstanding any such payment or payments other than payments made by the Guarantor in respect of the Obligations or payments received or collected from the Guarantor in respect of the Obligations, remain liable for the Obligations up to the maximum liability of the Guarantor hereunder until the Obligations are paid in full and the Commitments are terminated.

The Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the Lender Parties on account of its liability hereunder, it will notify the Lender Parties in writing that such payment is made under this Guarantee for such purpose.

Right of Set-off. The Guarantor hereby irrevocably authorizes each Lender Party at any time and from time to time without notice to the Guarantor, any

such notice being expressly waived by the Guarantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender Party to or for the credit or the account of the Guarantor, or any part thereof in such amounts as such Lender Party may elect, against and on account of the obligations and liabilities of the Guarantor to such Lender Party hereunder and claims of every nature and description of such Lender Party against the Guarantor, in any currency, whether arising hereunder, under the Credit Agreement, the Note, any Loan Documents or otherwise, as such Lender Party may elect, whether or not such Lender Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Lender Party shall notify the Guarantor promptly of any such set-off and the application made by such Lender Party, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which each Lender Party may have.

No Subrogation. Notwithstanding any payment or payments made by the Guarantor hereunder or any set-off or application of funds of the Guarantor by any Lender Party, the Guarantor shall not be entitled to be subrogated to any of the rights of any Lender Party against the Affiliate Borrowers or any other guarantor or any collateral security or guarantee or right of offset held by any Lender Party for the payment of the Obligations, nor shall the Guarantor seek or be entitled to seek any contribution or reimbursement from the Affiliate Borrowers or any other guarantor in respect of payments made by the Guarantor hereunder, until all amounts owing to the Lender Parties by the Affiliate Borrowers on account of the Obligations are paid in full and the Commitments are terminated. If any amount shall be paid to the Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by the Guarantor in trust for the Lender Parties, segregated from other funds of the Guarantor, and shall, forthwith upon receipt by the Guarantor, be turned over to the Lender Parties in the exact form received by the Guarantor (duly indorsed by the Guarantor to each Lender Party, if required), to be applied against the Obligations, whether matured or unmatured, in such order as the Lender Parties may determine.

Amendments, etc. with respect to the Obligations; Waiver of Rights. The Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against the Guarantor and without notice to or further assent by the Guarantor, (a) any demand for payment of any of the Obligations made by any Lender Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Lender Parties, (c) the Credit Agreement, the Note and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Lender Parties may deem advisable from time to time, and (d) any collateral security, guarantee or right of offset at any time held by any Lender Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. No Lender Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Guarantee or any property subject thereto. When making any demand hereunder against the Guarantor, each Lender Party may, but shall be under no obligation to, make a similar demand on the Affiliate Borrowers or any other guarantor, and any failure by any Lender Party to make any such demand or to collect any payments from the Affiliate Borrowers or any such other guarantor or any release of an Affiliate Borrower or such other guarantor shall not relieve the Guarantor of its obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of any Lender Party against the Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

Guarantee Absolute and Unconditional. The Guarantor waives (i) any and all notice of the creation, renewal, extension or accrual of any of the Obligations, (ii) notice of or proof of reliance by each Lender Party upon this Guarantee and (iii) acceptance of this Guarantee by any Lender Party. The Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Guarantee; and all dealings between the Affiliate Borrowers and the Guarantor, on the one hand, and the Lender Parties and the Affiliate Borrowers, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. The Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Affiliate Borrowers or the Guarantor with respect to the Obligations. The Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of the Credit Agreement, the Note or any other Loan Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Lender Party, (b) any defense, set-off or counterclaim (other than a defense of payment of performance) which may at any time be available to or be asserted by the Affiliate Borrowers against any Lender Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of any Affiliate Borrower or the Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of any Affiliate Borrower for the Obligations, or of the Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against the Guarantor, each Lender Party may, but shall be under no obligation to, pursue such rights and remedies as it may have against any Affiliate Borrower or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by any Lender Party to pursue such other rights or remedies or to collect any payments from any Affiliate Borrower or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of any Affiliate Borrower or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve the Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of such Lender Party against the Guarantor. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantor and the successors and assigns thereof, and shall inure to be benefit of each Lender Party, and its respective successors, indorsees, transferees and assigns, until all the Obligations and the obligations of the Guarantor under this Guarantee shall have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Credit Agreement the Affiliate Borrowers, individually or collectively, may be free from any Obligations.

Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Lender Parties upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Affiliate Borrower or the Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Affiliate Borrower or the Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Not Affected by Bankruptcy. Notwithstanding any modification, discharge or extension of the Obligations or any amendment, modification, stay or cure of each Lender Party's rights which may occur in any bankruptcy or reorganization case or proceeding against any Affiliate Borrower, whether permanent or

temporary, and whether or not assented to by each Lender Party, the Guarantor hereby agrees that it shall be obligated hereunder to pay and perform the Obligations and discharge its other obligations in accordance with the terms of the Obligations and the terms of this Guarantee. The Guarantor understands and acknowledges that, by virtue of this Guarantee, it has specifically assumed any and all risks of a bankruptcy or reorganization case or proceeding with respect to any or all Affiliate Borrowers. Without in any way limiting the generality of the foregoing, any subsequent modification of the Obligations in any reorganization case concerning any Affiliate Borrower shall not affect the obligation of the Guarantor to pay and perform the Obligations in accordance with the original terms thereof.

Payments. The Guarantor hereby guarantees that payments hereunder will be paid to each Lender Party without set-off or counterclaim in U.S. Dollars at the office of each Lender Party, as applicable, as specified in Section 12.01 of the Credit Agreement.

Notices. All notices, requests and demands to or upon each Lender Party or the Guarantor to be effective shall be in writing (or by telex, fax or similar electronic transfer confirmed in writing) and shall be deemed to have been duly given or made (1) when delivered by hand or (2) if given by mail, when deposited in the mails by certified mail, return receipt requested, or (3) if by telex, fax or similar electronic transfer, when sent and receipt has been confirmed, addressed as follows:

if to Bayerische Hypo- und Vereinsbank AG, New York Branch, as Lender or as Administrative Agent, at its address or transmission number for notices as provided in Section 12.01 of the Credit Agreement;

if to any other Lender, at its address or transmission number for notices as provided in Section 12.01 of the Credit Agreement; and

if to the Guarantor, at its address or transmission number for notices set forth under its signature below.

Each Lender Party and the Guarantor may change its address and transmission numbers for notices by notice in the manner provided in this Section.

Severability. Any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Integration. This Guarantee represents the agreement of the Guarantor with respect to the subject matter hereof and there are no promises or representations by any Lender Party relative to the subject matter hereof not reflected herein.

Amendments in Writing; No Waiver; Cumulative Remedies.

None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Guarantor and each Lender Party, provided that any provision of this Guarantee may be waived by the Lender Parties in a letter or agreement executed by the Lender Parties or by telex or facsimile transmission from the Lender Parties.

Each Lender Party shall not by any act (except by a written instrument pursuant to Section 13(a) hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of any Lender Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Lender Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Lender Party would otherwise have on any future occasion.

The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

Section Headings. The section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

Successors and Assigns. This Guarantee shall be binding upon the successors and assigns of the Guarantor and shall inure to the benefit of each Lender Party and its successors and assigns.

GOVERNING LAW. THIS GUARANTEE SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Submission To Jurisdiction; Waivers. The Guarantor hereby irrevocably and unconditionally:

submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Guarantor at its address set forth under its signature below or at such other address of which the Lender Parties shall have been notified pursuant hereto;

agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

Acknowledgments. The Guarantor hereby acknowledges that:

it has been advised by counsel in the negotiation, execution and delivery of this Guarantee and the other Loan Documents to which it is a party;

no Lender shall have any fiduciary relationship with or duty to the Guarantor arising out of or in connection with this Guarantee or any of the other Loan Documents to which it is a party, and the relationship between the Guarantor and the Affiliate Borrower s on the one hand, and the Guarantor and the Lender Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Guarantor, the Affiliate Borrower s, and any Lender Party.

WAIVER OF JURY TRIAL. EACH GUARANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS GUARANTEE OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

Mr. Jason Berg, Chief Accounting Officer
AMERCO
1325 Airmotive Way, Ste. 100
Reno, Nevada 89502

Dear Mr. Berg

As stated in Note 3 to the financial statements of AMERCO and consolidated entities for the year ended March 31, 2006, the Company changed its method of accounting for inventory from the last-in first-out (LIFO) using an internal index method to using an external index method. The Company states that the newly adopted accounting principle is preferable in the circumstances because the external index approach more accurately determines income through the process of matching costs against revenues as the Consumer Price Index (CPI) is applied to saleable inventory, which is consumed by customers, and the Purchase Price Index (PPI) is applied to production inventory, which is consumed in the manufacturing process . In connection with our audit of the above mentioned financial statements, we have evaluated the circumstances and the business judgment and planning which formulated your basis to make the change in accounting principle.

It should be understood that criteria have not been established by the Financial Accounting Standards Board for selecting from among the alternative accounting principles that exist in this area. Further, the American Institute of Certified Public Accountants has not established the standards by which an auditor can evaluate the preferability of one accounting principle among a series of alternatives. However, for purposes of the Company's compliance with the requirements of the Securities and Exchange Commission, we are furnishing this letter.

Based on our audit, we concur in management's judgment that the newly adopted accounting principle described in Note 3 is preferable in the circumstances. In formulating this position, we are relying on management's business planning and judgment, which we do not find to be unreasonable.

Very truly yours,

/s/ B D O Seidman, LLP
