2009 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, AUGUST 27, 2009

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of AMERCO, a Nevada corporation (the "Company"), with respect to the 2009 Annual Meeting of Stockholders of AMERCO and any adjournment thereof (the "Annual Meeting"). The matters to be voted upon at the Annual Meeting are: (i) the re-election of two directors, (ii) the ratification of the appointment of BDO Seidman, LLP as the Company's independent Registered Public Accounting Firm for the fiscal year ending March 31, 2010 ("Fiscal 2010"), (iii) a proposal received from Company stockholders ("Stockholder Proponents") to ratify and affirm the decisions and actions taken by the AMERCO Board of Directors and Executive Officers, with respect to AMERCO and its subsidiaries, for the time frame of April 1, 2008 through March 31, 2009, and (iv) a proposal from the Stockholder Proponents that on a going-forward basis in all Company annual meeting proxy statements subsequent to the Proxy Statement for the 2009 Annual Meeting, the Company include on the ballot and in the annual meeting materials for such respective annual meetings a stockholder proposal from the Stockholder Proponents (or such other stockholder proponent(s) as may make the request, or as a management proposal in the event the undersigned are no longer stockholders of the Company and no comparable proposal is received from another stockholder) that all decisions and actions made by the AMERCO Board of Directors and Executive Officers, with respect to AMERCO and its subsidiaries, for the time frame of April 1 of the year prior to the date of such proxy statement through March 31 of the year of such proxy statement, be ratified and affirmed.

It is anticipated that the Notice of internet availability of Proxy materials is being first sent to stockholders on or about July 14, 2009. The Proxy Statement and the form of proxy relating to the Annual Meeting are first being made available to stockholders on July 14, 2009.

Why am I being provided with these materials?

Owners of record of AMERCO common stock as of the close of business on July 1, 2009 (the "Record Date") are entitled to vote in connection with the Annual Meeting. As a stockholder, you are requested to vote on the items of business described in this Proxy Statement. This Proxy Statement describes the items presented for stockholder action at our Annual Meeting and includes information required to be disclosed to stockholders.

Why have I received a Notice of Internet Availability of Proxy Materials?

In accordance with applicable laws and regulations, we are permitted to furnish proxy materials to our stockholders on the Internet, in lieu of mailing printed copies of the documents. You will not receive a printed copy of the proxy materials, unless you request a printed copy. The Notice of Internet Availability of Proxy Materials (the "Notice") instructs you as to how to access the proxy materials on the Internet. The Notice also instructs you as to how to vote. If you would like to receive a printed copy of the proxy materials, you must follow the instructions for requesting such materials included in the Notice. You may also download or print these materials, or any portion thereof, from any computer with Internet access and a printer. The Proxy Statement consists of approximately 25 pages.

Who can vote in connection with the Annual Meeting?

You may vote if you were the record owner of AMERCO common stock as of the close of business on July 1, 2009. As of June 30, 2009, there were 19,607,788 shares of common stock outstanding and entitled to vote.

How do I attend the Annual Meeting?

The Annual Meeting will be webcast live over the Internet at <http://www.amerco.com> and will be hosted at the U-Haul Central Towers, 2727 N. Central Avenue, Phoenix, Arizona, 85004, at 8:00 am, PDT, on August 27, 2009. We encourage stockholders to attend the Annual Meeting via the live webcast, in order to reduce the carbon footprint attributable to the Annual Meeting. In-person attendance at the Annual Meeting is limited to stockholders as of the Record Date and their legal proxies, and valid photo identification is required. If your shares are held in "street

name” (for instance, through a brokerage firm or bank), you will also need to bring evidence of your beneficial ownership, such as a recent statement from your brokerage account.

What am I voting on?

You are voting on:

- Item 1: The re-election of two directors;
- Item 2: The ratification of the appointment of BDO Seidman, LLP as the Company’s independent Registered Public Accounting Firm for Fiscal 2010;
- Item 3: A proposal received from Stockholder Proponents to ratify and affirm the decisions and actions taken by the AMERCO Board of Directors and Executive Officers, with respect to AMERCO and its subsidiaries, for the time frame of April 1, 2008 through March 31, 2009;
- Item 4: A proposal from the Stockholder Proponents that on a going-forward basis in all Company annual meeting proxy statements subsequent to the Proxy Statement for the 2009 Annual Meeting, the Company include on the ballot and in the annual meeting materials for such respective annual meetings a stockholder proposal from the Stockholder Proponents (or such other stockholder proponent(s) as may make the request, or as a management proposal in the event the undersigned are no longer stockholders of the Company and no comparable proposal is received from another stockholder) that all decisions and actions made by the AMERCO Board of Directors and Executive Officers, with respect to AMERCO and its subsidiaries, for the time frame of April 1 of the year prior to the date of such proxy statement through March 31 of the year of such proxy statement, be ratified and affirmed;

as well as any other business that may properly come before the meeting.

How does the Board recommend that I vote my shares?

The Board recommendations are as follows:

- Item 1: The Board recommends a vote “FOR”;
- Item 2: The Board recommends a vote “FOR”;
- Item 3: The Board recommends a vote “FOR”; and
- Item 4: The Board recommends a vote “FOR”.

We encourage all stockholders to vote their shares. If you own your shares pursuant to the Employee Stock Ownership Plan (“ESOP”) and you do not vote, the ESOP Trustee will vote your shares on your behalf, in its discretion. If you own your shares in “street name” and do not instruct your broker or other record owner of the shares as to how to vote, such broker or other record owner may vote your shares pursuant to its discretionary authority, if any. If you are a registered stockholder and sign the Proxy Card but do not instruct the Proxy Holder as to how to vote, the Proxy Holder will vote your shares on your behalf, in his or her discretion.

What types of votes are permitted on each Item?

- Item 1: You may either vote "FOR" all the nominees to the Board of Directors, you may "WITHHOLD" for all nominees, or you may "WITHHOLD" your vote from any nominee you specify.
- Item 2: You may vote "FOR," "AGAINST" or "ABSTAIN".
- Item 3: You may vote "FOR," "AGAINST" or "ABSTAIN".
- Item 4: You may vote "FOR," "AGAINST" or "ABSTAIN".

If you vote "WITHHOLD" (in the case of Item 1 above) or "ABSTAIN" (in the case of Items 2, 3 or 4 above) your vote will not be counted towards the vote total for such Item .

How many votes are needed to approve each Item?

- Item 1: The two nominees receiving the most "FOR" votes will be elected.
- Item 2: There must be a "FOR" vote from the majority of votes cast and entitled to vote.
- Item 3: There must be a "FOR" vote from the majority of votes cast and entitled to vote.
- Item 4: There must be a "FOR" vote from the majority of votes cast and entitled to vote.

How many votes must be present, whether in person or by proxy, to hold the Annual Meeting?

In order for the Annual Meeting to proceed, holders of one-third of the outstanding shares of common stock must be present, in person or by proxy, at the meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the meeting.

What are broker non-votes?

Broker non-votes occur with respect to shares held in "street name", in cases where the record owner (for instance, the brokerage firm or bank) does not receive voting instructions from the beneficial owner and does not have discretionary voting authority with respect to those shares. Broker non-votes, as well as "ABSTAIN" votes will each be counted towards the presence of a quorum but will not be counted towards the vote total for any Item .

What if my AMERCO shares are not registered directly in my name but are held in "street name"?

If at the Record Date your shares were held in "street name" (for instance, through a brokerage firm or bank), then you are the beneficial owner of such shares, and such shares are not registered directly in your name. The organization holding your account is considered the stockholder of record for purposes of the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. You will receive the Notice and other proxy materials if requested, as well as voting instructions, directly from that organization.

If I am a stockholder of record of AMERCO, how do I cast my vote?

There are several ways to cast your vote:

- You may vote over the Internet, by going to www.proxyvote.com . You will need to type in the Control Number indicated on your Proxy Card and follow the instructions.
- You may vote over the telephone, by dialing 1-800-690-6903 and follow the recorded instructions. You will need the Control Number indicated on your Proxy Card.
- You may vote by mailing in the Proxy Card ballot. To vote by mail using the enclosed Proxy Card (if you received a printed copy of these proxy materials by mail or if you printed a Proxy Card off the Internet), you will need to complete, sign and date your Proxy Card and return it promptly in the envelope provided or mail it to AMERCO c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.
- You may vote in person, at the commencement of the Annual Meeting.

If you vote over the Internet or telephone, your vote must be received by 11:59 p.m. Eastern Time on August 26, 2009 to be counted. If you vote by mail, please ensure that your completed Proxy Card is mailed no later than August 17, 2009.

How do I vote if I hold my stock through the AMERCO ESOP?

If you hold your stock through the ESOP, you may vote in the same manner as stockholders of record, as described immediately above.

If I am a beneficial owner of AMERCO shares, how do I vote?

If you are a beneficial owner, you will need to follow the voting instructions provided to you by the organization holding your account (for instance, your brokerage firm). To request documents or if you have any questions about voting, you will need to contact your broker. As a beneficial owner, if you would like to vote in person at the Annual Meeting, you must obtain and bring to the Annual Meeting a Legal Proxy from your broker or other applicable registered owner of your shares, in advance of the meeting.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock that you owned as of the close of business on the Record Date.

Who counts the votes?

We have hired Broadridge Financial Solutions, Inc. ("Broadridge") to count the votes. In addition, an employee of Broadridge will be present at the meeting to serve as the Inspector of Election.

Could other matters be decided at the Annual Meeting?

We are not aware of any other matters that will be considered at the Annual Meeting. If any other matters are properly brought to the Annual Meeting, the person identified on the Proxy Card as Proxy Holder will vote in accordance with his or her best judgment.

What does it mean if I receive more than one Notice or Proxy Card?

If you receive more than one Notice or Proxy Card, your shares are owned in more than one name or in multiple accounts. In order to ensure that all of your shares are voted, you must follow the voting instructions included in **each** Notice and Proxy Card.

How will I know the vote results?

Preliminary voting results will be announced at the Annual Meeting. Final results will be published in the Company's quarterly report on Form 10-Q for the second quarter of Fiscal 2010 or in a current report on Form 8-K.

How can I access the AMERCO Proxy Statement and annual report electronically?

To access the AMERCO Proxy Statement and Annual Report electronically, please visit www.proxyvote.com or the Company's Investor Relations web site, www.amerco.com. You may also consent to receive all future Company proxy statements and annual reports electronically via e-mail. To sign up for e-delivery, please go to www.amerco.com, and click on the yellow "Electronic Delivery Enrollment" box toward the top left corner of the page and follow the instructions.

How can I revoke my Proxy?

Even after you have submitted your proxy card or voted by telephone or by Internet you may change or revoke your vote at any time before the proxy is exercised by filing with the Company's Secretary either a notice of revocation or a signed proxy card bearing a later date, re-voting by telephone, or re-voting by Internet. The powers of the proxy holders will be suspended with respect to your shares if you attend the Annual Meeting in person and so request, although attendance at the meeting will not automatically revoke your proxy absent specific action on your part.

ELECTION OF DIRECTORS

The Company's Board of Directors currently consists of eight directors. The Company's Restated Articles of Incorporation and Bylaws both provide for the division of the Board of Directors into four classes, designated as Class I, Class II, Class III, and Class IV. Subject to applicable law, each class consists, as nearly as may be possible, of one-fourth of the total number of directors constituting the entire Board of Directors. The term of each directorship is four years and the terms of the four classes are staggered in a manner so that in most cases only one class is elected by the stockholders each year.

At the Annual Meeting, two Class III directors will be elected to serve until the 2013 Annual Meeting of Stockholders. Unless you vote your shares otherwise, it is the intention of the Proxy Holder to vote for the two director nominees named below. However, if any nominee named herein becomes unavailable to serve at the time of election (which is not anticipated), and, as a consequence, other nominees are designated, the Proxy Holder shall have the discretion and authority to vote or refrain from voting in accordance with his or her judgment.

Directors are elected by a plurality of the shares represented at the meeting, whether in person or by proxy. Votes may be cast "FOR" all nominees, "WITHHOLD" for all nominees, or "WITHHOLD" as to specific nominees. The two Class III nominees who receive the greatest number of votes cast "FOR" the election of such nominees shall be elected as directors.

“Controlled Company” Status and Director Independence

As of June 30, 2009, Edward J. Shoen, Chairman of the Board of Directors and President of AMERCO, James P. Shoen, a director and executive officer of AMERCO, and Mark V. Shoen, an executive officer of AMERCO, collectively are the owners of 9,342,598 shares (approximately 47.7%) of the outstanding common stock of AMERCO. On June 30, 2006, Edward J. Shoen, James P. Shoen, Mark V. Shoen, Rosemarie T. Donovan (as Trustee of various separate Shoen Irrevocable Trusts) and Southwest Fiduciary, Inc. (as Trustee of three separate Irrevocable “C” Trusts) (collectively, the “Reporting Persons”) entered into a Stockholder Agreement in which the Reporting Persons are required to vote their AMERCO stock as one block, as determined by the majority of shares subject to the Stockholder Agreement. As of March 1, 2007, Adagio Trust Company replaced Southwest Fiduciary, Inc. as the trustee of the Irrevocable “C” Trusts, and became a signatory to the Stockholder Agreement. As of January 1, 2009 Dunham Trust Company became the successor to Adagio Trust Company as the trustee of the Irrevocable “C” Trusts. As of the Record Date, 11,017,321 shares (approximately 56.2% of the Company’s outstanding voting stock) are owned by the Reporting Persons and are subject to the Stockholder Agreement. The Reporting Persons appointed James P. Shoen as proxy to vote their collective shares as provided in the Stockholder Agreement. For additional information, see the Schedule 13Ds filed on July 13, 2006, on March 9, 2007 and on June 26, 2009 with the Securities and Exchange Commission (“SEC”).

As a result of their stock ownership and the Stockholder Agreement, Edward J. Shoen, Mark V. Shoen and James P. Shoen are in a position to significantly influence the business affairs and policies of the Company, including the approval of significant transactions, the election of the members of the Board of Directors and other matters submitted to Company stockholders. There can be no assurance that the interests of the Reporting Persons will not conflict with the interest of the other stockholders of the Company. Furthermore, as a result of the Reporting Persons’ voting power, the Company is a “controlled company” as defined in the Nasdaq Listing Rules and, therefore, may avail itself of certain exemptions thereunder, including exemptions from the rules that require the Company to have (i) a majority of independent directors on the Board; (ii) a compensation committee composed solely of independent directors; (iii) a nominating committee composed solely of independent directors; (iv) compensation of executive officers determined by a majority of the independent directors or a compensation committee composed solely of independent directors; and (v) director nominees selected, or recommended for the Board’s selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors. The Company currently avails itself of the exemption to the Nasdaq Listing Rule requiring that compensation of executive officers be determined by a majority of the independent directors or the compensation committee. However, the Company’s Compensation Committee evaluates the compensation of the Company’s President at least annually to ensure that such compensation is fair, reasonable and aligned with the Company’s overall objectives .

Based on an evaluation by the Company’s Independent Governance Committee, such committee recommended to the Board of Directors that Daniel R. Mullen, M. Frank Lyons, John M. Dodds, Charles J. Bayer, John P. Brogan, and Michael L. Gallagher be determined to be independent. The full Board of Directors, in furtherance of the recommendation of the Independent Governance Committee and based upon its own investigation, has determined that the Directors listed in this paragraph are independent as defined under applicable NASDAQ and SEC provisions.

OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

The full Board of Directors of the Company met in regularly scheduled Board meetings seven times during the fiscal year ended March 31, 2009 (“Fiscal 2009”). For Fiscal 2009, each director attended at least 85% of the scheduled Board meetings and committees meetings for the committees on which such respective individual served.

The independent Directors met in executive session, without the presence of management, as part of each regularly scheduled Board meeting.

Directors are encouraged to attend our annual meetings of stockholders. Participation via the webcast is encouraged, particularly in cases where travel from out of town would otherwise be required. All directors attended our 2008 Annual Meeting of Stockholders, which was held on August 28, 2008.

The Board of Directors has established the following standing committees: Audit Committee, Executive Finance Committee, Compensation Committee and Independent Governance Committee. The Company also has an Advisory Board, which is comprised of non-director members. The Company does not have a nominating committee. Currently, the responsibility for director nominations is vested in the independent members of the Board; however, as a “controlled company” the Company is not required to do so under the Nasdaq Listing Rules, and the Company reserves the right to cease having the responsibility for director nominations vested in the independent members of the Board. The Board does not believe that a nominating committee is necessary because the independent directors participate in the nominating process. The Board of Directors has adopted a resolution addressing the director nomination process and related matters; however, the Board may, in the future, choose to change its director nomination policy, including its policy related to stockholder nomination of directors. This process is described below, under the heading “Director Nomination Process.”

For Fiscal 2010, the annual fee for services rendered as a director of the Company is \$55,000. Additionally, Audit Committee, Advisory Board and Independent Governance Committee members receive a \$55,000 annual fee for service on such committee, and Executive Finance Committee and Compensation Committee members receive a \$25,000 annual fee. These amounts are paid in equal monthly installments.

Listed below are summaries of the Company’s committees and the Advisory Board, and the memberships thereof.

Audit Committee . The Audit Committee is comprised of John P. Brogan, Charles J. Bayer, John M. Dodds and Daniel R. Mullen. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities as to financial reporting, audit functions and risk management. The Audit Committee monitors the financial information that is provided to stockholders and others, the independence and performance of the Company’s independent Registered Public Accounting Firm and internal audit department and the systems of internal control established by management and the Board of Directors. The Audit Committee operates pursuant to a written charter approved by the Board of Directors. Messrs. Brogan, Bayer, Dodds and Mullen are each considered “independent” pursuant to the NASDAQ listing rules and the rules of the SEC. The Board of Directors has determined that each member meets the applicable requirements of audit committee members under NASDAQ listing rules. Mr. Brogan is designated the Audit Committee “financial expert” as defined by the rules of the SEC and the other similar financial sophistication rules under NASDAQ regulations. Stockholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Brogan’s experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Brogan any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to these SEC and NASDAQ requirements does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board. Messrs. Bayer and Mullen have been determined by the Board to meet the qualifications of “audit committee financial expert” as well. The Audit Committee met six times during Fiscal 2009.

Executive Finance Committee . The Executive Finance Committee is comprised of Edward J. Shoen, John P. Brogan and Charles J. Bayer. The Executive Finance Committee is authorized to act on behalf of the Board of Directors in approving any transaction involving the finances of the Company. The Committee has the authority to give final approval for the borrowing of funds on behalf of the Company without further action or approval of the Board of Directors. This committee acted by unanimous written consent on approximately ten occasions during Fiscal 2009.

Compensation Committee . The Compensation Committee is comprised of John P. Brogan and John M. Dodds. The Compensation Committee reviews the Company’s executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company. The

Committee reviews and makes recommendations to the Board of Directors regarding management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee operates pursuant to a written charter approved by the Board of Directors in fiscal 2007. The Compensation Committee met four times during Fiscal 2009.

Independent Governance Committee . The Independent Governance Committee is comprised of Paul A. Bible, Michael L. Gallagher and Thomas W. Hayes. Mr. Bible and Mr. Hayes are not members of the Company's Board of Directors. The Independent Governance Committee monitors and evaluates the Company's corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance. The committee may review other matters as referred to it by the Board. The committee has the authority and a budget from which to retain professionals. Each member of the Independent Governance Committee is determined by the Board to be free of any relationship that would interfere with his or her exercise of independent judgment as a member of this committee. The Independent Governance Committee met three times during Fiscal 2009. Additionally, the non-Board members of the Independent Governance Committee are encouraged to attend all Board meetings of the Company.

Mr. Hayes was President of Metropolitan West Financial Inc, a diversified financial management company with over \$60 billion in managed funds. He has also served as the State Treasurer of California, California's Director of Finance, and was responsible for overseeing the successful restructuring of Orange County's investment pool, following that county's bankruptcy filing.

Mr. Bible has served as a member of the Independent Governance Committee since 2003. He is the president and a stockholder in the Reno, Nevada law firm Bible Mousel, P.C., and currently serves as the chairman of the compliance committee for (i) H Group Holding, Inc., an affiliate of the Hyatt Corporation; (ii) Jacobs Entertainment, Inc., the holding company of Black Hawk Gaming & Development Company, Inc. and (iii) Colony Resorts LVH Acquisitions, LLC and RIH Resorts, LLC. He is the former chairman of the Board of Trustees of the University of Nevada, Reno Foundation, and is the former chairman of the Nevada Gaming Commission. He was recently elected to the board of directors of Fisher Communications, Inc. ("FSCI"), a publicly traded Seattle based communications company that owns and manages radio and television stations.

Advisory Board Members . The Advisory Board is comprised of Barbara Campbell and Richard J. Herrera. Advisory Board members do not vote, but are given full access to the affairs of the Board, including all meetings and votes of the Board and are treated in all other respects as a Board member. The Board has authorized up to two Advisory Board members who serve at the will of the Board.

Ms. Campbell is President and founder of Consensus, LLC. Prior to founding Consensus, Ms. Campbell served as the chairman of the board for the State of Nevada Tax Commission and Vice President of Finance for MGM Grand Resorts Development. Ms. Campbell is also a Trustee for the Donald W. Reynolds Foundation and previously served as chairwoman of the audit committee for the Federal Home Loan Bank of San Francisco.

Mr. Herrera has a long history in the retail industry, most recently as Executive Vice President of Eastern Seaboard Packaging and Executive Vice President of ABUS Lock USA. Mr. Herrera was employed as Marketing Vice President/Retail Sales Manager for U-Haul from 1988-2001, and served on the Company's Board of Directors from 1993-2001 and the U-Haul Board from 1990-2001.

See "Security Ownership of Certain Beneficial Owners and Management" and "Certain Relationships and Related Transactions" for additional information relating to the directors.

DIRECTOR NOMINATION PROCESS

Director Qualifications . Persons nominated to the Board should have personal integrity and high ethical character. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without

favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Board will assure that:

- at least three of the directors satisfy the financial literacy requirements required for service on the Audit Committee; and
- at least one of the directors qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission.

Identifying Director Candidates . The Board utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Board has a policy of re-nominating incumbent directors who continue to satisfy the Board's criteria for membership and whom the independent directors believe continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the independent directors will solicit recommendations for nominees from the persons the independent directors believe are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The independent directors may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the independent directors will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Board for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board's policies must be possessed by one or more members of the Board.

The independent directors may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's chief executive officer and other senior members of management.

The independent directors will make their selections based on all the available information and relevant considerations. The independent directors' selection will be based on who, in the view of the independent directors, will be best suited for membership on the Board.

In making its selection, the independent directors will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the independent directors may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The independent directors may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Nominees . The policy of the Board of Directors is to consider properly submitted stockholder recommendations for candidates for membership on the Board of Directors as described below. The evaluation process for such nominations is overseen by the Company's independent directors. In evaluating such nominations, the independent directors seek to achieve qualified directors that can represent fairly and equally all stockholders of the Company and based on the membership qualifications and criteria described above. Any stockholder nominations for consideration by the independent directors should be mailed or delivered to the Company's Secretary at 2721 N. Central Avenue, Phoenix, Arizona 85004. The recommendation must be accompanied by the following information about the stockholder:

- the stockholder's name and address, including telephone number;
- the number of shares of the Company's stock owned by the recommending stockholder and the time period for which such shares have been held;

- if the recommending stockholder is not a stockholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time the shares have been held; and
- a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of the next annual meeting at which the candidate would be elected.

If the recommendation is submitted by a group of two or more stockholders, the above information must be submitted with respect to each stockholder in the group. The recommendation must be received by the Company not later than 120 days prior to the first anniversary of the date of the proxy statement for the prior annual meeting, except in the event that the date of the annual meeting for the current year is moved more than 30 days from the anniversary date of the annual meeting for the prior year, the submission will be considered timely if it is submitted a reasonable time in advance of the mailing of the Company's proxy statement for the annual meeting for the current year. The recommendation must be accompanied by consent of the proposed nominee to be interviewed by the independent directors and other Board members and to serve as director of the Company.

The recommendation must also contain information about the proposed nominee, including:

- the proposed nominee's name and address;
- the information required by Items 401, 403 and 404 of SEC Regulation S-K (generally providing for disclosure of arrangements or understandings regarding the nomination, the business experience of the proposed nominee, legal proceedings involving the proposed nominee, the proposed nominee's ownership of securities of the Company, and transactions and relationships between the proposed nominee and the Company);
- a description of all relationships between the proposed nominee and any of the Company's competitors, customers, suppliers, labor unions or other persons with special interests regarding the Company;
- the qualifications of the proposed nominee; and
- a statement from the recommending stockholder that in his or her view, the nominee, if elected, would represent all the stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The Secretary will forward all recommendations to the independent directors. The acceptance of a recommendation from a stockholder does not imply that the independent directors will recommend to the Board of Directors the nomination of the stockholder recommended candidate. In addition, the Company's Bylaws permit stockholders to nominate directors at an annual meeting and nothing in the above procedures is intended to conflict with the provisions of the Company's Bylaws governing nominations by stockholders.

This information contained in this proxy statement about the Company's nominations process is just a summary. A complete copy of the policies and procedures with respect to stockholder director nominations can be obtained from the Company, free of charge, by writing to our Secretary at the address listed above.

Compensation Discussion and Analysis

Overview

The purpose of this Compensation Discussion and Analysis (“CD&A”) is to provide material information about the Company’s compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Proxy Statement with respect to the compensation of our Named Executive Officers. For Fiscal 2009, the Company’s Named Executive Officers were:

Edward J. Shoen, Chairman and President of AMERCO;
Mark V. Shoen, Vice President of U-Haul Business Consultants;
James P. Shoen, Vice President of U-Haul Business Consultants;
Richard M. Amoroso, President of RepWest; and
Jason A. Berg, Principal Financial Officer and Chief Accounting Officer of AMERCO.

Compensation Philosophy and Objectives

The objectives of the Company’s executive compensation program are to retain current executive officers, to encourage existing personnel to self-develop and magnify functional responsibilities and to entice qualified executives to join the Company in executive positions as they are created or vacated. The compensation program encourages an environment of teamwork, loyalty and fairness at all levels of the Company.

While this CD&A focuses on the compensation of the Named Executive Officers, the philosophy and objectives we discuss are generally applicable to all of the Company’s senior officers.

Implementation of Objectives

It is the duty of the Compensation Committee to review and determine the annual compensation paid to the President and review the general compensation policies for the Company’s other executive officers regularly. The Compensation Committee and the President implement these policies while keeping in mind the Company’s approach to overhead costs and such executive officer’s impact on the Company’s objective of providing customers with an affordable product and service. The Compensation Committee traditionally delegates significant responsibility to the President for establishing and reviewing the performance of the other Named Executive Officers, appropriate levels and components of compensation, and any other items as the Compensation Committee may request.

The Compensation Committee evaluates the compensation of the President at least annually to ensure that it is fair, reasonable and aligned with the Company’s overall objectives. The President performs this function for the remainder of the Named Executive Officers.

The Compensation Committee did not utilize any benchmarking measure in Fiscal 2009 and traditionally has not tied compensation directly to a specific profitability measurement, market value of the Company’s common stock or benchmark related to any established peer or industry group. Rather, the Company generally seeks to compensate individual executives commensurate with historic pay levels for such position adjusted for time and tenure with the Company. Salary increases are strongly correlated to the President’s assessment of each Named Executive Officer’s performance and his recommendation on the appropriateness of any increase. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer’s functional responsibilities within the Company.

The intention of the Company has been to compensate the Named Executive Officers in a manner that maximizes the Company’s ability to deduct such compensation expenses for federal income tax purposes. However, the Compensation Committee and the President have the discretion to provide compensation that is not “performance-based” under Section 162(m) of the Internal Revenue Code when they determine that such

compensation is in the best interests of the Company and its stockholders. For Fiscal 2009 the Company expects to deduct all compensation expenses paid to the Named Executive Officers.

Elements Used to Achieve Compensation Objectives

The principal components of the Company's compensation program in Fiscal 2009 were:

- Base salary;
- Discretionary cash bonus;
- Certain long-term incentives; and
- Other benefits.

Base Salary . The Company pays its Named Executive Officers base salaries commensurate with the scope of their job responsibilities, individual experience, performance, and the period of time over which they have performed their duties. The base salary is typically reviewed annually with adjustments made based upon an analysis of performance and the addition or removal of functional responsibilities. There are no guarantees of base salary adjustments. The amount of base salary paid to each of the Named Executive Officers during Fiscal 2009 is shown in the Summary Compensation Table ("SCT").

Discretionary Cash Bonus . Discretionary cash bonuses are awarded on occasion to Named Executive Officers based upon subjective criteria determined by the Compensation Committee. These criteria may include such factors as level of responsibility, contributions to results, and retention considerations. The Company has not entered into any agreements stipulating or guaranteeing bonuses for any of its Named Executive Officers. The amount of discretionary cash bonuses paid to each of the Named Executive Officers during Fiscal 2009 is shown in the SCT.

Certain Long-Term Incentives . The Company did not grant in Fiscal 2009 equity interests to Named Executive Officers other than through its ESOP, which is available to all employees of the Company. The Company has not implemented any specific policy requiring its Named Executive Officers or other officers and/or employees to own the Company's common stock.

Other Benefits . The Named Executive Officers participate in employee benefits plans generally available to all full-time employees of the Company on a non-discriminatory basis including medical, dental, vision, and prescription drug insurance, life insurance, accidental death and dismemberment insurance, disability insurance, a 401(k) plan, vacation and sick pay, and postretirement benefits. The Company does not provide other perquisites to its executive officers, therefore such additional tables are not provided as they are inapplicable.

Analysis of Fiscal 2009 Compensation Decisions

The compensation amounts for Edward "Joe" Shoen, Mark V. Shoen and James P. Shoen are established by the Compensation Committee. The historical financial performance and their status as significant stockholders of AMERCO are considered in this decision-making process. As significant stockholders with their personal wealth tied to increasing AMERCO's value, their focus is on developing long-term success for AMERCO.

The base salaries for Joe, Mark and James were unchanged from Fiscal 2008.

The changes in the other Named Executive Officers base salaries and discretionary bonuses reflected the President's evaluation of their job responsibilities and individual performance during the previous fiscal years.

Director Compensation

The Company's director compensation program is designed to fairly pay directors for their time and efforts on behalf of AMERCO and its direct subsidiaries, as the case may be, in recognition of their fiduciary obligations to stockholders and for their liability exposure. Directors are primarily compensated in the form of a cash fee. The Company offers no stock options or grants to its directors. For Fiscal 2010 the annual fee for all services as a Director of the Company is \$55,000. Additionally, Audit Committee, Advisory Board and Independent Governance Committee members receive a \$55,000 annual fee for service on such committee, and Executive Finance Committee and Compensation Committee members receive a \$25,000 annual fee. The Company also reimburses Directors and the non-Director committee members for the incidental costs associated with their attendance at Board and committee meetings. These amounts are paid in equal monthly installments. Director fees paid to Edward J. Shoen and James P. Shoen are included in the Summary Compensation Table directly above.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As set forth in the Audit Committee Charter the Audit Committee reviews and maintains oversight over related-party transactions which are required to be disclosed under SEC rules and regulations. Accordingly, all such related-party transactions are submitted to the Audit Committee for ongoing review and oversight. The Company's internal processes ensure that the Company's legal and/or finance departments identify and monitor potential related-party transactions which may require disclosure and Audit Committee oversight.

AMERCO has engaged in related party transactions, and has continuing related party interests, with certain major stockholders, directors and officers of the consolidated group as disclosed below. Management believes that the transactions described below were consummated on terms equivalent to those that would prevail in arm's-length transactions.

Samuel J. Shoen, the son of Edward J. Shoen, is employed by U-Haul as Vice President. Mr. Shoen was paid an aggregate salary and bonus of \$188,008 for his services during fiscal 2009.

SAC Holding Corporation and SAC Holding II Corporation (collectively, "SAC Holdings") were established in order to acquire self-storage properties. These properties are being managed by the Company pursuant to management agreements. In the past, the Company has sold various self-storage properties to SAC Holdings, and such sales provided significant cash flows to the Company.

Management believes that its past sales of self-storage properties to SAC Holdings has provided a unique structure for the Company to earn moving equipment rental revenues and property management fee revenues from the SAC Holdings self-storage properties that the Company manages.

During fiscal 2009, subsidiaries of the Company held various junior unsecured notes of SAC Holdings. Substantially all of the equity interest of SAC Holdings is controlled by Blackwater, wholly-owned by Mark V. Shoen, a significant stockholder and executive officer of AMERCO. The Company does not have an equity ownership interest in SAC Holdings. The Company recorded interest income of \$18.4 million, \$18.6 million and \$19.2 million, and received cash interest payments of \$14.1 million, \$19.2 million and \$44.5 million, from SAC Holdings during fiscal 2009, 2008 and 2007, respectively. The cash interest payments for fiscal 2007 included a payment to significantly reduce the outstanding interest receivable from SAC Holdings. The largest aggregate amount of notes receivable outstanding during fiscal 2009 was \$198.1 million and the aggregate notes receivable balance at March 31, 2009 was \$197.6 million. In accordance with the terms of these notes, SAC Holdings may repay the notes without penalty or premium.

Interest accrues on the outstanding principal balance of junior notes of SAC Holdings that the Company holds at a rate of 9% per annum. A fixed portion of that basic interest is paid on a monthly basis. Additional interest can be earned on notes totaling \$122.2 million of principal depending upon the amount of remaining basic interest and the cash flow generated by the underlying property. This amount is referred to as the "cash flow-based calculation."

To the extent that this cash flow-based calculation exceeds the amount of remaining basic interest, contingent interest would be paid on the same monthly date as the fixed portion of basic interest. To the extent that the cash flow-based calculation is less than the amount of remaining basic interest, the additional interest payable on the applicable monthly date is limited to the amount of that cash flow-based calculation. In such a case, the excess of the remaining basic interest over the cash flow-based calculation is deferred. In addition, subject to certain contingencies, the junior notes provide that the holder of the note is entitled to receive a portion of the appreciation realized upon, among other things, the sale of such property by SAC Holdings. To date, no excess cash flows related to these arrangements have been earned or paid.

During fiscal 2009, AMERCO and U-Haul held various junior notes from Private Mini Storage Realty, L.P. ("Private Mini"). The equity interests of Private Mini are ultimately controlled by Blackwater. The Company recorded interest income of \$5.3 million, \$5.1 million and \$5.0 million, and received cash interest payments of \$5.3 million, \$5.1 million and \$5.0 million, from Private Mini during fiscal 2009, 2008 and 2007, respectively. The balance of notes receivable from Private Mini at March 31, 2009 was \$68.2 million. The largest aggregate amount outstanding during fiscal 2009 was \$69.1 million.

The Company currently manages the self-storage properties owned or leased by SAC Holdings, Mercury Partners, L.P. ("Mercury"), Four SAC Self-Storage Corporation ("4 SAC"), Five SAC Self-Storage Corporation ("5 SAC"), Galaxy Investments, L.P. ("Galaxy"), and Private Mini pursuant to a standard form of management agreement, under which the Company receives a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. The Company received management fees, exclusive of reimbursed expenses, of \$24.3 million, \$23.7 million and \$23.5 million from the above mentioned entities during fiscal 2009, 2008 and 2007, respectively. This management fee is consistent with the fee received for other properties the Company previously managed for third parties. SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini are substantially controlled by Blackwater. Mercury is substantially controlled by Mark V. Shoen. James P. Shoen, a significant stockholder and director of AMERCO, has an interest in Mercury.

The Company leases space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of SAC Holdings, 5 SAC and Galaxy. Total lease payments pursuant to such leases were \$2.4 million, \$2.1 million and \$2.7 million for fiscal 2009, 2008 and 2007, respectively. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

At March 31, 2009, subsidiaries of SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini acted as U-Haul independent dealers. The financial and other terms of the dealership contracts with the aforementioned companies and their subsidiaries are substantially identical to the terms of those with the Company's other independent dealers whereby commissions are paid by the Company based upon equipment rental revenue. During fiscal 2009, 2008 and 2007 the Company paid the above mentioned entities \$34.7 million, \$36.0 million and \$36.6 million, respectively in commissions pursuant to such dealership contracts.

These agreements and notes with subsidiaries of SAC Holdings, 4 SAC, 5 SAC, Galaxy and Private Mini, excluding dealer agreements, provided revenue of \$43.2 million, expenses of \$2.4 million and cash flows of \$38.1 million during fiscal 2009. Revenues and commission expenses related to the dealer agreements were \$164.0 million and \$34.7 million, respectively.

In prior years, Real Estate sold various properties to SAC Holdings and its affiliates at prices in excess of Real Estate's carrying values, resulting in gains which were deferred and treated as additional paid-in capital. The transferred properties had historically been stated at the original cost basis as the gains were eliminated in consolidation. In March 2004, these deferred gains were recognized and treated as contributions from a related party in the amount of \$111.0 million as a result of the deconsolidation of SAC Holding Corporation. In November 2007, the remaining portion of these deferred gains was recognized and treated as contributions from a related party in the amount of \$46.1 million as a result of the deconsolidation of SAC Holding II Corporation.

DERIVATIVE ACTION

The disclosure in this section is required by the federal securities laws because the plaintiff, Paul F. Shoen, is the brother of one or more directors, officers and 5% stockholders.

In September 2002, Paul F. Shoen filed a stockholder derivative lawsuit in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Paul F. Shoen vs. SAC Holding Corporation et al., CV 02-05602, seeking damages and equitable relief on behalf of AMERCO from SAC Holdings and certain current and former members of the AMERCO Board of Directors, including Edward J. Shoen, Mark V. Shoen and James P. Shoen as Defendants. AMERCO is named as a nominal Defendant in the case. The complaint alleges breach of fiduciary duty, self-dealing, usurpation of corporate opportunities, wrongful interference with prospective economic advantage and unjust enrichment and seeks the unwinding of sales of self-storage properties by subsidiaries of AMERCO to SAC prior to the filing of the complaint. The complaint seeks a declaration that such transfers are void as well as unspecified damages. In October 2002, the Defendants filed motions to dismiss the complaint. Also in October 2002, Ron Belec filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned Ron Belec vs. William E. Carty, et al., CV 02-06331 and in January 2003, M.S. Management Company, Inc. filed a derivative action in the Second Judicial District Court of the State of Nevada, Washoe County, captioned M.S. Management Company, Inc. vs. William E. Carty, et al., CV 03-00386. Two additional derivative suits were also filed against these parties. Each of these suits is substantially similar to the Paul F. Shoen case. The Court consolidated the five cases and thereafter dismissed these actions in May 2003, concluding that the AMERCO Board of Directors had the requisite level of independence required in order to have these claims

resolved by the Board. Plaintiffs appealed this decision and, in July 2006, the Nevada Supreme Court reversed the ruling of the trial court and remanded the case to the trial court for proceedings consistent with its ruling, allowing the Plaintiffs to file an amended complaint and plead in addition to substantive claims, demand futility.

In November 2006, the Plaintiffs filed an amended complaint. In December 2006, the Defendants filed motions to dismiss, based on various legal theories. In March 2007, the Court denied AMERCO's motion to dismiss regarding the issue of demand futility, stating that "Plaintiffs have satisfied the heightened pleading requirements of demand futility by showing a majority of the members of the AMERCO Board of Directors were interested parties in the SAC transactions." The Court heard oral argument on the remainder of the Defendants' motions to dismiss, including the motion ("Goldwasser Motion") based on the fact that the subject matter of the lawsuit had been settled and dismissed in earlier litigation known as Goldwasser v. Shoen, C.V.N.-94-00810-ECR (D.Nev.), Washoe County, Nevada. In addition, in September and October 2007, the Defendants filed Motions for Judgment on the Pleadings or in the Alternative Summary Judgment, based on the fact that the stockholders of the Company had ratified the underlying transactions at the 2007 annual meeting of stockholders of AMERCO. In December 2007, the Court denied this motion. This ruling does not preclude a renewed motion for summary judgment after discovery and further proceedings on these issues. On April 7, 2008, the litigation was dismissed, on the basis of the Goldwasser Motion. On May 8, 2008, the Plaintiffs filed a notice of appeal of such dismissal to the Nevada Supreme Court. On May 20, 2008, AMERCO filed a cross appeal relating to the denial of its Motion to Dismiss in regards to Demand Futility. The appeals are currently pending and the issues will be fully briefed before the Nevada Supreme Court by September 13, 2009.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO Seidman, LLP served as the Company's principal independent registered public accounting firm since August 2002 and the Audit Committee has selected BDO Seidman, LLP to audit AMERCO's financial statements for fiscal 2010. Representatives of BDO Seidman, LLP are expected to be present at the Annual Meeting. The following table shows the fees that AMERCO and its consolidated entities paid or accrued for the audit and other services provided by BDO Seidman, LLP for fiscal 2009 and 2008.

	March 31,	
	2009	2008
	(in thousands)	
Audit fees	\$ 3,341	\$ 3,656
Audit-related fees	66	60
Tax fees	-	-
All other fees	-	-
Total	\$ 3,407	\$ 3,716

Audit Fees. This category includes the audit of AMERCO's annual financial statements and the effectiveness of internal control over financial reporting as of fiscal year end, review of financial statements included in AMERCO's Form 10-Q quarterly reports, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements for those fiscal years. This category also includes advice on accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by U.S. jurisdictions and the preparation of an annual "management letter" on internal control matters.

Audit-Related Fees. This category consists of assurance and related services provided by BDO Seidman, LLP that are reasonably related to the performance of the audit or review of AMERCO's financial statements and are not reported above under "Audit Fees." The services for the fees disclosed under this category include benefit plan audits.

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the independent registered public

accounting firm. All Fiscal 2009 non-audit services listed above were pre-approved. The Audit Committee has determined that the provision of services by BDO Seidman, LLP described in the preceding paragraphs were compatible with maintaining BDO Seidman, LLP's independence as the Company's principal independent registered public accounting firm.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO Seidman, LLP currently serves as the Company's independent registered public accounting firm, and has conducted the audit of the Company's accounts since 2002. The Audit Committee has appointed BDO Seidman, LLP to serve as the independent registered public accounting firm to conduct an audit of our accounts for Fiscal 2010.

Selection of the Company's independent registered public accounting firm is not required to be submitted to a vote of the stockholders for ratification. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the Board of Directors has elected to submit the selection of BDO Seidman, LLP as the Company's independent registered public accounting firm to stockholders for ratification as a matter of good corporate practice. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of BDO Seidman, LLP are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership of, and transactions in, the Company's securities with the Securities and Exchange Commission. Such directors, executive officers and 10% stockholders are also required to furnish the Company with copies of all Section 16 (a) forms they file.

Based solely on a review of the data available on www.sec.gov, the Company believes that during Fiscal 2009, all required Section 16(a) filings by its directors, officers and 10% stockholders were filed on a timely basis, with the exception of three transactions involving purchases of the Company's Series A 8 1/2% Preferred Stock. In each of such three instances, the Form 4 report was filed less than twenty-four hours after the requisite filing deadline.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

For inclusion in the proxy statement and form of proxy relating to the 2010 Annual Meeting of Stockholders of AMERCO, a stockholder proposal intended for presentation at that meeting must be submitted in accordance with the applicable rules of the SEC and received by the Secretary of AMERCO, c/o U-Haul International, Inc., 2721 North Central Avenue, Phoenix, Arizona 85004, on or before March 16, 2010. Stockholder proposals submitted outside the processes of Rule 14a-8 will be considered untimely if submitted after May 28, 2010. If a stockholder submits a proposal after the close of business on May 28, 2010, the Company's proxy holders will be allowed to use their discretionary authority to vote against the proposal when and if the proposal is raised at the 2010 Annual Meeting. Proposals to be presented at the 2010 Annual Meeting of Stockholders of AMERCO that are not intended for inclusion in the proxy statement and form of proxy must be submitted by that date and in

accordance with the applicable provisions of the Company's Bylaws, a copy of which is available upon written request, delivered to the Secretary of AMERCO at the address in the preceding sentence. The Company suggests that proponents submit their proposals to the Secretary of AMERCO by Certified Mail-Return Receipt Requested.
