ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that AMERCO has filed with the Securities and Exchange Commission, or the SEC, utilizing the “shelf” registration process for the offering and sale of securities pursuant to Rule 415 under the Securities Act of 1933, as amended, or the Securities Act. Under the shelf registration process, we may, over time, sell up to \$300,000,000 of any combination of securities described in this prospectus.

This prospectus provides you with a general description of the securities that AMERCO may offer hereunder. Each time AMERCO sells a type or series of securities, it will provide a prospectus supplement that will contain specific information about the offering and the terms of the particular securities offered. The prospectus supplement may also add, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described under the headings “Where You Can Find More Information.”

In each prospectus supplement, we will include the following information:

- designation or classification;

- original issue discount, if any;
- the rates and times of payment of interest, dividends or other payments, if any;
- redemption, conversion, exchange, settlement or sinking fund terms, if any;
- ranking;
- restrictive covenants, if any;
- voting or other rights, if any;
- the names of any underwriters, agents or dealers to or through which the securities will be sold;
- any compensation of those underwriters, agents or dealers;
- information about any securities exchanges or automated quotation systems on which the securities will be listed or traded or the fact that such securities will not be listed or traded on any exchange;
- any risk factors applicable to the securities that we propose to sell;
- important federal income tax considerations; and
- any other material information about the offering and sale of the securities.

A prospectus supplement may include a discussion of risks or other special considerations applicable to us or the offered securities. A prospectus supplement may also add, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and the applicable prospectus supplement, you must rely on the information in the prospectus supplement. Please carefully read both this prospectus and the applicable prospectus supplement together with additional information described under the heading “Where You Can Find More Information.” This prospectus may not be used to offer or sell any securities unless accompanied by a prospectus supplement.

The registration statement containing this prospectus, including exhibits to the registration statement, provides additional information about us and the securities offered under this prospectus. The registration statement can be read at the SEC website or at the SEC's public reading room mentioned under the heading "Where You Can Find More Information."

We have not authorized any broker-dealer, salesperson or other person to give any information or to make any representation other than those contained or incorporated by reference in this prospectus and any accompanying supplement to this prospectus. You must not rely upon any information or representation not contained or incorporated by reference in this prospectus or the accompanying prospectus supplement. This prospectus and the accompanying supplement to this prospectus do not constitute an offer to sell or the solicitation of an offer to buy securities, nor do this prospectus and the accompanying supplement to this prospectus constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation. The information contained in this prospectus and the accompanying prospectus supplement speaks only as of the date set forth on the cover page and may not reflect subsequent changes in our business, financial condition, results of operations and prospects even though this prospectus and any accompanying prospectus supplement is delivered or securities are sold on a later date.

We may sell the securities directly to or through underwriters, dealers or agents. We, and our underwriters or agents, reserve the right to accept or reject all or part of any proposed purchase of securities. If we do offer securities through underwriters or agents, we will include in the applicable prospectus supplement:

- the names of those underwriters or agents;
- applicable fees, discounts and commissions to be paid to them;
- details regarding over-allotment options, if any; and
- the net proceeds to us.

Common Stock. We may issue shares of our common stock from time to time. Holders of our common stock are entitled to one vote per share for the election of directors and on all other matters that require stockholder approval. Subject to any preferential rights of any outstanding preferred stock, in the event of our liquidation, dissolution or winding up, holders of our common stock are entitled to share ratably in the assets remaining after payment of liabilities and the liquidation preferences of any outstanding preferred stock. Our common stock does not carry any redemption rights or any preemptive rights enabling a holder to subscribe for, or receive shares of, any class of our common stock or any other securities convertible into shares of any class of our common stock.

Preferred Stock. We may issue shares of our preferred stock from time to time, in one or more series. Under our certificate of incorporation, our board of directors has the authority, without further action by stockholders, to designate up to 50,000,000 shares of preferred stock in one or more series and to fix the rights, preferences, privileges, qualifications and restrictions granted to or imposed upon the preferred stock, including dividend rights, conversion rights, voting rights, rights and terms of redemption, liquidation preference and sinking fund terms, any or all of which may be greater than the rights of the common stock.

If we issue preferred stock, we will fix the rights, preferences, privileges, qualifications and restrictions of the preferred stock of each series that we sell under this prospectus and applicable prospectus supplements in the certificate of designations relating to that series. If we issue preferred stock, we will incorporate by reference into the registration statement of which this prospectus is a part the form of any certificate of designations that describes the terms of the series of preferred stock we are offering before the issuance of the related series of preferred stock. We urge you to read the prospectus supplement related to any series of preferred stock we may offer, as well as the complete certificate of designations that contains the terms of the applicable series of preferred stock.

Debt Securities. We may issue debt securities from time to time, in one or more series, as either senior or subordinated debt. The senior debt securities will rank equally with any other unsubordinated debt that we may have and may be secured or unsecured. The subordinated debt securities will be subordinate and junior in right of payment, to the extent and in the manner described in the instrument governing the debt, to all or some portion of

our indebtedness. Additionally, we may issue common and/or preferred stock from time to time. Any such issuance of equity securities may cause the dilution of our existing outstanding equity securities.

If we issue debt securities, they will be issued under one or more documents called indentures, which are contracts between us and a trustee for the holders of the debt securities. If we issue preferred stock, it will be issued pursuant to a certificate of designation of the rights and preferences of such securities, to the extent and in the manner described in such document. We urge you to read the prospectus supplement related to the series of debt securities or equity securities being offered, as the case may be, as well as the complete indenture that contains the terms of the debt securities (which will include a supplemental indenture) and the complete preferred stock certificate of designation, if any. If we issue debt securities, indentures and forms of debt securities containing the terms of debt securities being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we would subsequently file with the SEC. Similarly, if we issue preferred stock, the certificate of designation containing the terms of such preferred stock being offered will be incorporated by reference into the registration statement of which this prospectus is a part from reports we would subsequently file with the SEC.

In this prospectus, when we use the terms “AMERCO,” the “Company,” “the combined company,” “we,” “us” or “our,” we mean AMERCO and its subsidiaries.

ABOUT AMERCO

We are North America’s largest “do-it-yourself” moving and storage operator through our subsidiary U-Haul International, Inc. (“U-Haul”). U-Haul is synonymous with “do-it-yourself” moving and storage and is a leader in supplying products and services to help people move and store their household and commercial goods. Our primary service objective is to provide a better and better product or service to more and more people at a lower and lower cost. Unless the context otherwise requires, the term “Company,” “we,” “us,” or “our” refers to AMERCO and all of its legal subsidiaries.

We were founded in 1945 as a sole proprietorship under the name “U-Haul Trailer Rental Company” and have rented trailers ever since. Starting in 1959, we rented trucks on a one-way and in-town basis exclusively through independent U-Haul dealers. In 1974, we began developing our network of U-Haul managed retail centers, through which we rent our trucks and trailers, self-storage rooms and sell moving and self-storage products and services to complement our independent dealer network.

We rent our distinctive orange and white U-Haul trucks and trailers as well as offer self-storage rooms through a network of over 1,400 Company operated retail moving centers and approximately 14,900 independent U-Haul dealers. In addition, we have an independent storage facility network with over 5,100 active affiliates. We also sell U-Haul brand boxes, tape and other moving and self-storage products and services to “do-it-yourself” moving and storage customers at all of our distribution outlets and through our eMove web site.

We believe U-Haul is the most convenient supplier of products and services addressing the needs of North America’s “do-it-yourself” moving and storage market. Our broad geographic coverage throughout the United States and Canada and our extensive selection of U-Haul brand moving equipment rentals, self-storage rooms and related moving and storage products and services provide our customers with convenient “one-stop” shopping.

Through Republic Western Insurance Company, which we refer to as RepWest, our property and casualty insurance subsidiary, we manage the property, liability and related insurance claims processing for U-Haul. Oxford Life Insurance Company, which we refer to as Oxford, is our life insurance subsidiary. Oxford sells Medicare supplement, life insurance, annuities and other related products to non U-Haul customers.

We are a publicly traded Nevada corporation. Our common stock is listed on the NASDAQ Global Select Market under the symbol “UHAL.” Our principal executive offices are located at 1325 Airmotive Way, Suite 100, Reno, Nevada 89502-3239. Our telephone number is (775) 688-6300, and our website address is www.amerco.com. Information contained in or linked to our website is not a part of this prospectus.

You can get more information regarding our business by reading our most recent Annual Report on Form 10-K and the other reports and information that we file with the SEC. See “Where You Can Find More Information.”

RISK FACTORS

Before making an investment decision, you should carefully consider the risks described under “Risk Factors” in the applicable prospectus supplement, together with all of the other information appearing in this prospectus or incorporated by reference into this prospectus and any applicable prospectus supplement, in light of your particular investment objectives and financial circumstances. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. This prospectus and the incorporated documents also contain forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks mentioned elsewhere in this prospectus.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains “forward-looking statements” regarding future events and our future results of operations. We may make additional written or oral forward-looking statements from time to time in filings with the SEC or otherwise. We believe such forward-looking statements are within the meaning of the safe-harbor provisions of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or Exchange Act. Such statements may include, but are not limited to, projections of revenues, earnings or loss, estimates of capital expenditures, plans for future operations, products or services, financing needs and plans; our perceptions of our legal positions and anticipated outcomes of government investigations and pending litigation against us, liquidity, goals and strategies, plans for new business, storage occupancy, growth rate assumptions, pricing, costs, and access to capital and leasing markets as well as assumptions relating to the foregoing. The words “believe,” “expect,” “anticipate,” “estimate,” “project” and similar expressions identify forward-looking statements, which speak only as of the date the statement was made.

Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could significantly affect results include, without limitation, the risk factors enumerated at the end of this section, as well as the following: the Company’s ability to operate pursuant to the terms of its credit facilities; the Company’s ability to maintain contracts that are critical to its operations; the costs and availability of financing; the Company’s ability to execute its business plan; the Company’s ability to attract, motivate and retain key employees; general economic conditions; fluctuations in our costs to maintain and update our fleet and facilities; our ability to refinance our debt; changes in government regulations, particularly environmental regulations; our credit ratings; the availability of credit; changes in demand for our products; changes in the general domestic economy; the degree and nature of our competition; the resolution of pending litigation against the Company; changes in accounting standards and other factors described in this report or the other documents we file with the SEC. The above factors, the following disclosures, as well as other statements in this report and in the Notes to Consolidated Financial Statements, could contribute to or cause such risks or uncertainties, or could cause our stock price to fluctuate dramatically. Consequently, the forward-looking statements should not be regarded as representations or warranties by the Company that such matters will be realized. The Company assumes no obligation to update or revise any of the forward-looking statements, whether in response to new information, unforeseen events, changed circumstances or otherwise.

Additional factors or events that could affect our future results are described from time to time in our SEC reports. See in particular the “Risk Factors” section of this prospectus. Readers are cautioned not to place undue reliance on forward-looking statements. We assume no obligation to update such information.

You should carefully consider the trends, risks and uncertainties described in the “Risk Factors” section of this prospectus and other information in this prospectus and reports filed with the SEC before making any investment decision with respect to the notes. If any of the trends, risks or uncertainties set forth in the “Risk Factors” section of this prospectus actually occurs or continues, our business, financial condition or operating results could be materially adversely affected. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this cautionary statement.

PLAN OF DISTRIBUTION

We may sell the securities covered by this prospectus from time to time in one or more offerings. Registration of the securities covered by this prospectus does not mean, however, that those securities will necessarily be offered or sold.

We may sell the securities separately or together:

- through one or more underwriters or dealers in a public offering and sale by them;
- through agents; or
- directly to investors.

We will set forth the terms of the offering of any securities being offered in the applicable prospectus supplement.

If we utilize underwriters in an offering of securities using this prospectus, we will execute an underwriting agreement with those underwriters. The underwriting agreement will provide that the obligations of the underwriters with respect to a sale of the offered securities are subject to certain conditions precedent and that the underwriters will be obligated to purchase all the offered securities if any are purchased. Underwriters may sell those securities to or through dealers. The underwriters may change any initial public offering price and any

discounts or concessions allowed or reallocated or paid to dealers from time to time. If we utilize underwriters in an offering of securities using this prospectus, the applicable prospectus supplement will contain a statement regarding the intention, if any, of the underwriters to make a market in the offered securities.

If we utilize a dealer in an offering of securities using this prospectus, we will sell the offered securities to the dealer, as principal. The dealer may then resell those securities to the public at a fixed price or at varying prices to be determined by the dealer at the time of resale.

e may also use this prospectus to offer and sell securities through agents designated by us from time to time. Unless otherwise indicated in the prospectus supplement, any agent will be acting on a reasonable efforts basis for the period of its appointment.

We may offer to sell securities either at a fixed price or at prices that may be changed, at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices. We may also use this prospectus to directly solicit offers to purchase securities. Except as set forth in the applicable prospectus supplement, none of our directors, officers, or employees nor those of our subsidiaries will solicit or receive a commission in connection with those direct sales. Those persons may respond to inquiries by potential purchasers and perform ministerial and clerical work in connection with direct sales.

We may authorize underwriters, dealers and agents to solicit offers by certain institutions to purchase securities pursuant to delayed delivery contracts providing for payment and delivery on a future date specified in the prospectus supplement. Institutions with which delayed delivery contracts may be made include commercial and savings banks, insurance companies, educational and charitable institutions and other institutions that we may approve. The obligations of any purchaser under any delayed delivery contract will not be subject to any conditions except that any related sale of offered securities to underwriters shall have occurred and the purchase by an institution of the securities covered by its delayed delivery contract shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which that institution is subject.

Underwriters, dealers or agents participating in a distribution of securities by use of this prospectus and an applicable prospectus supplement may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the offered securities, whether received from us or from purchasers of offered securities for whom they act as agent, may be deemed to be underwriting discounts and commissions under the Securities Act.

Under agreements that we may enter into, underwriters, dealers or agents who participate in the distribution of securities by use of this prospectus and an applicable prospectus supplement may be entitled to indemnification by us against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments that those underwriters, dealers or agents may be required to make.

Underwriters, dealers, agents or their affiliates may be customers of, engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business, for which they have received or will receive customary compensation.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The following table sets forth the estimated expenses in connection with the issuance and distribution of the securities registered hereby, which will be borne by the registrants. All amounts shown are estimates, except the Securities and Exchange Commission registration fee:

Miscellaneous	25,000.00 ⁽¹⁾
Total	<u>\$ 76,390.00⁽¹⁾</u>

⁽¹⁾ Estimated.

Item 15. Indemnification of Directors and Officers.

The Nevada General Corporation Law requires AMERCO to indemnify officers and directors for any expenses incurred by any officer or director in connection with any actions or proceedings, whether civil, criminal, administrative, or investigative, brought against such officer or director because of his or her status as an officer or director, to the extent that the director or officer has been successful on the merits or otherwise in defense of the action or proceeding. The Nevada General Corporation Law permits a corporation to indemnify an officer or director, even in the absence of an agreement to do so, for expenses incurred in connection with any action or proceeding if such officer or director acted in good faith and in a manner in which he or she reasonably believed to be in or not opposed to the best interests of the corporation and such indemnification is authorized by the stockholders, by a quorum of disinterested directors, by independent legal counsel in a written opinion authorized by a majority vote of a quorum of directors consisting of disinterested directors, or by independent legal counsel in a written opinion if a quorum of disinterested directors cannot be obtained. AMERCO's Restated Articles of Incorporation eliminate personal liability of directors and officers, to AMERCO or its stockholders, for damages for breach of their fiduciary duties as directors or officers, except for liability (i) for acts or omissions that involve intentional misconduct, fraud, or a knowing violation of law, or (ii) for the unlawful payment of dividends. In addition, AMERCO's Bylaws provide that AMERCO shall indemnify, to the fullest extent authorized or permitted by law, any person made, or threatened to be made, a defendant in any threatened, pending, or completed action, suit, or proceeding by reason of the fact that he or she was a director or officer of AMERCO. AMERCO has also executed Indemnification Agreements that provide that certain of AMERCO's directors and officers shall be indemnified and held harmless by AMERCO to the fullest extent permitted by applicable law or the Restated Articles of incorporation or Bylaws of AMERCO. The Nevada General Corporation Law prohibits indemnification of a director or officer if a final adjudication establishes that the officer's or director's acts or omissions involved intentional misconduct, fraud, or a knowing violation of the law and were material to the cause of action. Despite the foregoing limitations on indemnification, the Nevada General Corporation Law may permit an officer or director to apply to the court for approval of indemnification even if the officer or director is adjudged to have committed intentional misconduct, fraud, or a knowing violation of the law. The Nevada General Corporation Law also provides that indemnification of directors is not permitted for the unlawful payment of distributions, except for those directors registering their dissent to the payment of the distribution.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act of 1933, if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415 (a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of

any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual reports pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) The undersigned registrant hereby undertakes:

(i) for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and

(ii) for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the city of Phoenix, state of Arizona, on October 6, 2010.

Re: Securities Being Registered under Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as counsel to you in connection with your filing of a Registration Statement on Form S-3 (as amended or supplemented, the “**Registration Statement**”) pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), relating to the registration of up to \$300,000,000 of any combination of (i) common stock, par value \$0.25 per share (the “**Common Stock**”), of AMERCO, a Nevada corporation (the “**Company**”), (ii) preferred stock, par value \$0._____ per share, of the Company (the “**Preferred Stock**”), and (iii) debt securities of the Company (“**Debt Securities**”). The Common Stock, Preferred Stock and Debt Securities are sometimes referred to collectively herein as the “**Securities**.” Securities may be issued in an unspecified number (with respect to Common Stock and Preferred Stock) or in an unspecified principal amount (with respect to Debt Securities). The Registration Statement provides that the Securities may be offered separately or together, in separate series, in amounts, at prices and on terms to be set forth in one or more prospectus supplements (each a “**Prospectus Supplement**”) to the prospectus contained in the Registration Statement.

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinions expressed below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinions set forth below, on certificates of officers of the Company.

The opinions expressed below are limited to the General Corporation Law of Nevada (which includes reported judicial decisions interpreting the General Corporation Law of Nevada) and the federal law of the United States. Without limiting the generality of the foregoing, we express no opinion with respect to (i) state securities or “blue sky” laws, or (ii) state or federal antitrust laws.

For purposes of the opinions expressed below, without limiting any other exceptions or qualifications set forth herein, we have assumed that after the issuance of any Securities offered pursuant to the Registration Statement, the total number of issued shares of Common Stock or Preferred Stock, as applicable, will not exceed the total number of authorized shares of Common Stock or Preferred Stock, as applicable, under the Company’s Restated Articles of Incorporation, as amended and then in effect (the “**Charter**”).

For purposes of the opinions expressed below, we refer to the following as the “ *Future Authorization and Issuance* ” of Securities:

- with respect to any of the Securities, (a) the authorization by the Company of the terms and issuance of such Securities (the “ *Authorization* ”) and (b) the issuance of such Securities in accordance with the Authorization therefor upon the receipt by the Company of the consideration (which, in the case of shares of Common Stock or Preferred Stock, is not less than the par value of such shares) to be paid therefor in accordance with the Authorization;
- with respect to Preferred Stock, (a) the establishment of the terms of such Preferred Stock by the Company in conformity with the Charter and applicable law and (b) the execution, acknowledgement and filing with the Nevada Secretary of State, and the effectiveness of, a certificate of designations to the Charter setting forth the terms of such Preferred Stock in accordance with the Charter and applicable law; and
- with respect to Debt Securities, (a) the authorization, execution and delivery of the indenture or a supplemental indenture relating to such Securities by the Company and the trustee thereunder and/or (b) the establishment of the terms of such Securities by the Company in conformity with the applicable indenture or supplemental indenture and applicable law, and (c) the execution, authentication and issuance of such Securities in accordance with the applicable indenture or supplemental indenture and applicable law.

Based upon the foregoing, and subject to the additional qualifications set forth below, we are of the opinion that:

- (1) Upon the Future Authorization and Issuance of shares of Common Stock, such shares of Common Stock will be validly issued, fully paid and non-assessable.
- (2) Upon the Future Authorization and Issuance of shares of Preferred Stock, such shares of Preferred Stock will be validly issued, fully paid and non-assessable.
- (3) Upon the Future Authorization and Issuance of Debt Securities, such Debt Securities will be valid and binding obligations of the Company.

The opinions expressed above are subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general application affecting the rights and remedies of creditors and to general principles of equity.

This opinion letter and the opinions it contains shall be interpreted in accordance with the Legal Opinion Principles issued by the Committee on Legal Opinions of the American Bar Association's Business Law Section as published in 53 Business Lawyer 831 (May 1998).

We hereby consent to the inclusion of this opinion as Exhibit 5.1 to the Registration Statement and to the references to our firm under the caption "Legal Matters" in the Registration Statement. In giving our consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations thereunder.

Very truly yours,
