PLACE: Shoen Family Conference and Fitness Center

Dear Fellow Stockholders:

July 6, 2022

We look forward to the 2022 Annual Meeting of Stockholders (“2022 Annual Meeting”) of AMERCO (the “Company”) and are pleased to once again offer our meeting materials over the internet and to webcast this annual meeting. We believe that using the internet to distribute our materials and to host the meeting will allow more stockholders to participate in the meeting. We also expect that this approach will lower costs associated with the meeting and is consistent with our environmental sustainability initiatives.

During the meeting, four (4) proposals will be presented for your consideration and approval:

Proposal 1: The election of the following Directors, each to hold office and serve as a member of the Board of Directors (the “Board”) until the 2023 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, John P. Brogan, James J. Grogan, Richard J. Herrera, Karl A. Schmidt, Roberta R. Shank and Samuel J. Shoen.

Proposal 2: The ratification of the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2023.

Proposal 3: A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board and executive officers of the Company with respect to AMERCO, its subsidiaries, and its various constituencies, for the fiscal year ended March 31, 2022.

Proposal 4: A proposal received from a Company stockholder proponent regarding adoption of greenhouse gas emission reduction targets in order to achieve net zero emissions.

I encourage you to read the proxy statement for more information on each of these proposals, and to vote on each proposal.

In addition, stockholders may also vote on any other business as may properly come before the 2022 Annual Meeting or any continuation, postponement or adjournment thereof. On such other business, to the maximum extent allowed by the Securities and Exchange Commission’s proxy rules, NASDAQ listing rules and any other applicable law, any proxy holders will vote as they determine in their discretion.

I encourage stockholders to participate in the 2022 Annual Meeting via the webcast, in order to reduce the carbon footprint resulting from the meeting. I also encourage you to vote, whether or not you attend or participate in the meeting. The Board has fixed the close of business on June 21, 2022, as the record date for determination of stockholders entitled to notice of and to vote at the 2022 Annual Meeting or any continuation, adjournment or postponement thereof. If you vote over the internet or by telephone, your vote must be received by 11:59 p.m. Eastern Daylight Time on August 17, 2022, to be counted. Mail-in ballots should be mailed by August 4, 2022.

Sincerely yours,

/s/ Edward J. Shoen

Edward J. Shoen

PROXY STATEMENT

2022 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, AUGUST 18, 2022

This proxy statement (“Proxy Statement”) is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the “Board”) of AMERCO, a Nevada corporation (the “Company” or “AMERCO”), with respect to the 2022 Annual Meeting of Stockholders of AMERCO and any continuation, adjournment or postponement thereof (the “Annual Meeting”). The matters to be voted upon at the Annual Meeting are:

- i. The election of the following Directors, each to hold office and serve as a member of the Board until the 2023 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, John P. Brogan, James J. Grogan, Richard J. Herrera, Karl A. Schmidt, Roberta R. Shank and Samuel J. Shoen;
- ii. The ratification of the appointment of BDO USA, LLP (“BDO”) as the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2023 (“Fiscal 2023”);
- iii. A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board and executive officers of the Company with respect to AMERCO, its subsidiaries, and its various constituencies for the fiscal year ended March 31, 2022 (“Fiscal 2022”); and
- iv. A proposal received from a Company stockholder proponent regarding adoption of greenhouse gas emission reduction targets in order to achieve net zero emissions.

The Notice of Internet Availability of Proxy Materials (the “Notice”) is first being sent to stockholders on or about July 6, 2022. The Proxy Statement and the form of proxy relating to the Annual Meeting are first being made available to stockholders on or about July 6, 2022.

The Board has fixed the close of business on June 21, 2022, as the record date (the “Record Date”) for determination of stockholders entitled to notice of and to vote at the Annual Meeting or any continuation, adjournment or postponement thereof.

Why am I being provided with these materials?

Owners of record of AMERCO common stock as of the close of business on the Record Date are entitled to vote in connection with the Annual Meeting. As a stockholder, you are requested to vote on the proposals described in this Proxy Statement. This Proxy Statement describes the proposals presented for stockholder action at our Annual Meeting and includes information required to be disclosed to stockholders in connection with the Annual Meeting.

Why have I received a Notice of Internet Availability of Proxy Materials?

In accordance with applicable rules of the Securities and Exchange Commission (the “SEC”) governing the solicitation of proxies, we are permitted to furnish proxy materials to our stockholders on the internet, in lieu of mailing printed copies of the documents. You will not receive a printed copy of the proxy materials unless you request a printed copy. The Notice instructs you as to how to access the proxy materials on the internet. The Notice also instructs you as to how to vote. If you would like to receive a printed copy of the proxy materials, please follow the instructions for requesting such materials included in the Notice. You may also download or print these materials, or any portion thereof, from any computer with internet access and a printer.

Who can vote in connection with the Annual Meeting?

You may vote if you were the record or beneficial owner of AMERCO common stock as of the close of business on the Record Date. As of the Record Date, there were 19,607,788 shares of common stock outstanding and entitled to vote. Each holder of common stock on the Record Date is entitled to cast one vote per share on all items being voted on at the Annual Meeting.

How do I attend the Annual Meeting?

The Annual Meeting will be webcast live over the internet at amerco.com and will be hosted at the Shoen Family Conference and Fitness Center, 45 E. Roanoke Road, Phoenix, Arizona 85004, at 9:00 a.m. Pacific Daylight Time / 12 noon Eastern Daylight Time, on August 18, 2022. Rather than physically attending the Annual Meeting, we encourage stockholders to attend the Annual Meeting via the live webcast. We believe this is one way to reduce the carbon footprint resulting from the Annual Meeting. In-person attendance at the Annual Meeting is limited to stockholders as of the Record Date or their legal proxies, and valid photo identification and a copy of such proxy, if applicable, is required for any such attendee. If your shares are held in “street name” (for instance, through a brokerage firm or bank), you will also need to bring evidence of your beneficial ownership, such as a recent statement from your brokerage account. We discuss holders in “street name” in more detail below.

What am I voting on?

You are voting on:

Proposal 1: The election of the following Directors, each to hold office and serve as a member of the Board until the 2023 Annual Meeting of Stockholders: Edward J. Shoen, James E. Acridge, John P. Brogan, James J. Grogan, Richard J. Herrera, Karl A. Schmidt, Roberta R. Shank and Samuel J. Shoen.

Proposal 2: The ratification of the appointment of BDO as the Company’s independent registered public accounting firm for Fiscal 2023.

Proposal 3: A proposal received from Company stockholder proponents to ratify and affirm the decisions and actions taken by the Board and executive officers of the Company with respect to AMERCO, its subsidiaries, and its various constituencies for Fiscal 2022.

Proposal 4: A proposal received from a Company stockholder proponent regarding adoption of greenhouse gas emission reduction targets in order to achieve net zero emissions.

In addition, stockholders may also vote on any other business as may properly come before the Annual Meeting or any continuation, postponement or adjournment thereof. On such other business, to the maximum extent allowed by the SEC’s proxy rules and NASDAQ Listing Rules and any other applicable law, the proxy holders will vote as they determine in their discretion.

How does the Board recommend that I vote my shares?

The Board recommendations are as follows:

Proposal 1: The Board recommends a vote “FOR” each of the Director nominees named in this Proxy Statement;

Proposal 2: The Board recommends a vote “FOR” such proposal;

Proposal 3: The Board recommends a vote “FOR” such proposal; and

Proposal 4: The Board recommends a vote “AGAINST” such proposal.

We encourage all stockholders to vote their shares. If you own your shares pursuant to the AMERCO Employee Stock Ownership Plan (“ESOP”) and you do not vote, the ESOP Trustee will vote your shares on your behalf, in its discretion. If you own your shares in “street name” we encourage you to specifically direct your broker (or other record holder) to vote your shares by returning appropriate voting instructions which will be provided to you from such broker or other record holder.

What types of votes are permitted on each Item?

Proposal 1: You may either vote “FOR” all the nominees to the Board, you may “WITHHOLD” for all nominees, or you may “WITHHOLD” your vote from any individual nominee you specify.

Proposal 2: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

Proposal 3: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

Proposal 4: You may vote “FOR,” “AGAINST” or “ABSTAIN”.

If you vote “WITHHOLD” in the case of Proposal 1 or “ABSTAIN” (in the case of Proposals 2, 3 or 4), your vote will not be counted as a vote cast on such Proposal.

Who will pay the costs of soliciting these Proxies?

The Board is soliciting proxies from stockholders and Directors, officers or other employees may assist in such effort by mail, email, telephone, facsimile or in person. We are not paying any third party to solicit proxies on behalf of the Board, but should any costs arise related to the solicitation of proxies then the Company shall bear such costs. We will not provide compensation, other than usual compensation, to our Directors, officers and other employees who solicit proxies.

How many votes are needed to approve each Item?

Proposal 1: The eight (8) nominees receiving the most “FOR” votes will be elected.

Proposal 2: There must be a “FOR” vote from the majority of votes cast.

Proposal 3: There must be a “FOR” vote from the majority of votes cast.

Proposal 4: There must be a “FOR” vote from the majority of votes cast.

How many votes must be present, whether in person or by proxy, to hold the Annual Meeting?

In order for the Annual Meeting to proceed, holders of one-third of the outstanding shares of common stock of the Company entitled to vote must be present, in person or by proxy, at the meeting. This is referred to as a quorum. Abstentions, withheld votes, and broker non-votes (as described below) are included and counted for purposes of establishing a quorum at the meeting.

What are broker non-votes?

Broker non-votes occur with respect to shares held in “street name,” in cases where the record owner (for instance, the brokerage firm or bank) does not receive voting instructions from the beneficial owner and does not have discretionary voting authority with respect to a particular matter. Brokerage firms and banks have discretionary voting authority to vote with respect to “routine” matters; however, they do not have discretionary authority to vote on “non-routine” matters. The following proposals will be considered “non-routine” and therefore your broker will not be able to vote your shares with respect to these proposals unless the broker receives specific voting instructions from you: Proposal 1 (Election of Directors), Proposal 3 (Stockholder Proposal to Ratify and Affirm the Decisions and Actions Taken by the Board and Executive Officers of the Company with respect to AMERCO, its Subsidiaries, and its Various Constituencies for Fiscal 2022) and Proposal 4 (Stockholder Proposal Regarding Adoption of Greenhouse Gas Emission Reduction Targets in Order to Achieve Net Zero Emissions). Broker non-votes are not considered votes cast and thus will not be counted towards any of the foregoing proposals and will have no effect on the outcome of such proposals. However, broker non-votes (as well as “abstain” and withheld votes) will be counted towards the presence of a quorum.

What if my AMERCO shares are not registered directly in my name?

If the record owner of your shares is a brokerage firm or bank, then your shares are considered to be held in “street name”. If on the Record Date your shares were held in “street name” or you otherwise were not the record holder of such shares, then you are the beneficial owner of such shares, and such shares are not registered directly in your name. The organization holding your account is considered the stockholder of record for purposes of the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. You will receive the Notice, and other proxy materials if requested, as well as voting instructions, directly from that organization. As discussed directly above, if you own your shares in “street name” and do not instruct your broker, banker or other designated record holder of the shares as to how to vote, such person or entity will only have discretion to vote on Proposal 2 (the Ratification of the Appointment of BDO as the Company’s Independent Registered Public Accounting Firm for Fiscal 2023), which is considered to be a “routine” matter. We encourage you to specifically direct your broker (or other designated record holder) as to how to vote your shares by returning your voting instructions form or other documents as requested by your broker or other designated record holder.

If I am a stockholder of record of AMERCO, how do I cast my vote?

There are several ways to cast your vote:

- You may vote over the internet, by going to proxyvote.com. You will need to type in the control number indicated on your Proxy Card and follow the instructions.
- You may vote over the telephone by dialing 1-800-690-6903 and follow the recorded instructions. You will need the control number indicated on your Proxy Card.
- You may vote by mailing in the Proxy Card. To vote by mail, you must first request and obtain a paper copy of the materials, which will include a Proxy Card. Then, complete, sign and date your Proxy Card and mail it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.
- You may vote in person, at the commencement of the Annual Meeting.

If you vote over the internet or by telephone, your vote must be received by 11:59 p.m. Eastern Daylight Time on August 17, 2022, to be counted. If you vote by mail, please ensure that your completed Proxy Card is mailed no later than August 4, 2022.

How do I vote if I hold my stock through the AMERCO ESOP?

If you hold your stock through the ESOP, you may vote in the same manner as stockholders of record, as described immediately above. If you do not vote your stock held through the ESOP, the ESOP Trustee will vote your shares for you, in the ESOP Trustee's discretion. We encourage you to vote your ESOP shares.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock that you owned as of the close of business on the Record Date.

Who tabulates the votes cast at the Annual Meeting?

We have hired Broadridge Financial Solutions, Inc. or its designee ("Broadridge") to tabulate the votes cast in connection with the Annual Meeting. In addition, an employee of Broadridge or its designee will be present at the meeting to serve as the Inspector of Elections.

Could other matters be decided at the Annual Meeting?

We are not aware of any other matters that will be considered at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, all shares validly represented by proxies will be voted in accordance with the discretion of the appointed proxy holder to the extent allowed by SEC and NASDAQ Listing Rules.

What does it mean if I receive more than one Notice or Proxy Card?

If you receive more than one Notice or Proxy Card, your shares are owned in more than one name or in multiple accounts. In order to ensure that all of your shares are voted, you must follow the voting instructions included in each Notice and Proxy Card.

How will I know the voting results?

Preliminary voting results will be announced at the Annual Meeting. Final results will be reported on Form 8-K filed with the SEC within four (4) business days following the Annual Meeting.

How can I access the Proxy Statement and Annual Report electronically?

To access the Proxy Statement and Annual Report electronically, please visit proxyvote.com or the Company's Investor Relations website, amerco.com. You may also consent to receive all future Company proxy statements and annual reports electronically via e-mail. To sign up for e-delivery, please go to amerco.com, and click on the yellow "Electronic Delivery Enrollment" box toward the top of the page and follow the instructions.

How can I revoke my Proxy?

You may change or revoke your vote by filing with the Company's Secretary by the close of business on August 17, 2022, either a notice of revocation or a signed Proxy Card bearing a later date or by later re-voting by telephone or over the internet no later than 11:59 p.m. Eastern Daylight Time on August 17, 2022. You may also revoke your vote with respect to your shares if you attend the Annual Meeting in person and so request, although attendance at the meeting will not automatically revoke your proxy absent specific action on your part.

PROPOSAL 1
THE ELECTION OF DIRECTORS

The independent Directors have nominated the following individuals to stand for election at this Annual Meeting: Edward J. Shoen, James E. Acridge, John P. Brogan, James J. Grogan, Richard J. Herrera, Karl A. Schmidt, Roberta R. Shank and Samuel J. Shoen, and to serve as members of the Board until the 2023 Annual Meeting or until their respective successors are duly elected and qualified or their earlier death, resignation or removal. As of the filing date of this Proxy Statement, each of the nominees is willing and able to serve as a Director of the Company. See “Board of Directors and Corporate Governance” for information regarding each of the Director nominees.

The person named in the enclosed proxy will vote to elect all of the nominees as Directors for terms ending at the 2023 Annual Meeting, unless you withhold authority to vote for any or all of the nominees by marking the proxy to that effect or so voting in person. If one or more of the eight (8) nominees becomes unavailable to serve prior to the date of the Annual Meeting, the person named as proxy holder will vote those shares for the election of such other person(s) as the Board may recommend, unless the Board reduces the total number of Directors.

Directors are elected by a plurality of the shares cast, whether in person or by proxy. Votes may be cast “FOR” all nominees, “WITHHOLD” for all nominees, or “WITHHOLD” as to individual specific nominees. The eight (8) nominees who receive the greatest number of votes cast “FOR” the election of such nominees will be elected as Directors.

The Board recommends a vote “FOR” each Director nominee named in the Proxy Statement.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The purpose of this Compensation Discussion and Analysis (“CD&A”) is to provide material information about the Company’s compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Proxy Statement with respect to the compensation of our Named Executive Officers. For Fiscal 2022, the Company’s Named Executive Officers were:

Edward J. Shoen, Chairman and President of AMERCO;
Jason A. Berg, Chief Financial Officer of AMERCO;
Laurence J. De Respino, General Counsel;
Samuel J. Shoen, Vice Chairman and U-Box Project Manager; and
John C. Taylor, President of U-Haul International, Inc. (“U-Haul”).

Compensation Philosophy and Objectives

The objectives of the Company’s executive compensation program are to retain current executive officers, to encourage existing personnel to self-develop and magnify functional responsibilities and to entice qualified individuals to join the Company in executive positions as such positions are created or vacated. The compensation program is intended to encourage an environment of teamwork, loyalty and fairness at all levels of the Company.

While this CD&A focuses on the compensation of the Named Executive Officers, the philosophy and objectives we discuss are generally applicable to all of the Company’s senior officers.

Implementation of Objectives

It is the duty of the Compensation Committee of the Board to review and determine the annual compensation paid to the President and other executive officers. The Compensation Committee and the President implemented these policies while keeping in mind the Company’s approach to overhead costs and such executive officer’s impact on the Company’s objective of providing customers with an affordable product and service. The Compensation Committee obtains feedback from the President for establishing and reviewing the performance of the other executive officers, appropriate levels and components of compensation, and any other items as the Compensation Committee may request.

The Compensation Committee evaluates the compensation of the President at least annually to ensure that it is fair, reasonable and aligned with the Company’s overall objectives.

The Compensation Committee did not utilize any benchmarking measure in Fiscal 2022 and traditionally has not tied compensation directly to a specific performance measurement, market value of the Company's common stock or benchmark related to any established peer or industry group. Rather, the Company generally seeks to compensate individual executives commensurate with historic pay levels for such position, adjusted for time and tenure with the Company. Salary increases were strongly correlated to the President's assessment of each Named Executive Officer's performance and the President's recommendation on the appropriateness of any increase. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer's functional responsibilities within the Company.

The intention of the Company has been to compensate the Named Executive Officers in a manner that maximizes the Company's ability to deduct such compensation expenses for federal income tax purposes, which, for tax years beginning before January 1, 2022, included review and consideration of the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Despite this consideration, the Company has always retained the discretion to provide compensation that is not "performance-based" under the Code when it is determined that such compensation is in the best interests of the Company and its stockholders and other constituencies. For Fiscal 2023, the Company expects to deduct most of the compensation paid to the Named Executive Officers pursuant to the Code.

Elements Used to Achieve Compensation Objectives

The principal components of the Company's compensation program in Fiscal 2022 were:

- Base salary;
- Discretionary cash bonus;
- Certain long-term incentives; and
- Other benefits.

Base Salary. The Company pays its Named Executive Officers base salaries commensurate with the scope of their job responsibilities, individual experience, performance, and the period of time over which they have performed their duties. The base salary is typically reviewed annually with adjustments made based upon an analysis of performance and the addition or removal of functional responsibilities. There are no guarantees of base salary adjustments. The amount of base salary paid to each of the Named Executive Officers during Fiscal 2022 is shown in the Summary Compensation Table ("SCT").

Discretionary Cash Bonus. In Fiscal 2022, discretionary cash bonuses were awarded on occasion to Named Executive Officers based upon subjective criteria determined by the Compensation Committee or the President. These criteria may include such factors as level of responsibility, contributions to results, and retention considerations. The Company has not entered into any agreements stipulating or guaranteeing bonuses for any of its Named Executive Officers. The amount of discretionary cash bonuses paid to each of the Named Executive Officers during Fiscal 2022 is shown in the SCT.

Certain Long-Term Incentives. In Fiscal 2022, the Company did not grant equity interests to Named Executive Officers other than through its ESOP, which is available on the same terms to all employees of the Company. The Company has not implemented any specific policy requiring its Named Executive Officers or other officers and/or employees to own the Company's common stock.

Other Benefits. The Named Executive Officers participate in employee benefits plans generally available to all full-time employees of the Company on a non-discriminatory basis including medical, dental, vision, and prescription drug insurance, life insurance, accidental death and dismemberment insurance, disability insurance, a 401(k) plan, vacation and sick pay, and postretirement benefits.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the CD&A prepared by management and included in this Proxy Statement for the Annual Meeting. In reliance on these reviews and discussions with management, the Compensation Committee recommended to the Board, and the Board has approved, that the CD&A be included in the Proxy Statement for the Annual Meeting for filing with the SEC.

This report is submitted by the Compensation Committee.

James E. Acridge

John P. Brogan

Roberta R. Shank

Pursuant to Instructions 1 and 2 to Item 407(e)(5) of Regulation S-K this “Compensation Committee Report” shall not be deemed to be filed with the SEC for purposes of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), nor shall such report be deemed to be incorporated by reference in any past or future filing by the Company under the Exchange Act or the Securities Act of 1933, as amended (the “Securities Act”), unless the intention to do so is expressly indicated.

Compensation Risk Assessment

The Company has assessed the risks that could arise from its compensation policies for all employees, including employees who are not Named Executive Officers, and does not believe that such policies are reasonably likely to have a material adverse effect on the Company. In consideration of these matters and after reviewing each element of the Company’s compensation programs including base salary, cash incentives and equity compensation, we determined that (i) our Named Executive Officers’ compensation, including incentive compensation, is not a significant percentage of revenue for the Company or any applicable subsidiary’s revenue, (ii) due in large part to our equity ownership structure, we believe that the interests of management and stockholders are strongly aligned, and (iii) due to the limited nature of our incentive compensation and range of potential increases in salaries year over year, as well as our overall conservative approach to compensation, our policies and programs do not encourage excessive risk-taking by our management or our Board and we believe such policies and procedures result in a strong alignment between the interests of management and stockholders.

2020 Advisory Vote on the Compensation of the Company’s Named Executive Officers

AMERCO provided stockholders with an advisory vote on its compensation of the Company’s Named Executive Officers in 2020. At our 2020 Annual Meeting of Stockholders, more than 92% of the votes cast on this proposal were in favor of our executive compensation program and policies. The Compensation Committee evaluated the results of the vote and, due in large part to the substantial stockholder support of our executive compensation program, the Compensation Committee did not make any significant changes to our executive compensation program and policies for Fiscal 2022 compensation. The Compensation Committee will continue to consider the outcome of future advisory votes when making future compensation decisions for the Named Executive Officers. At our 2020 Annual Meeting of Stockholders, the stockholders approved the Board’s recommendation to make the frequency of future advisory votes on the compensation of the Named Executive Officers occur every three (3) years. Based on this vote, the Board determined that our next stockholder advisory vote on the compensation of Named Executive Officers will be at our 2023 Annual Meeting.

Analysis of Fiscal 2022 Compensation Decisions

The compensation amounts for Edward J. Shoen, the Chairman and President of AMERCO, and of the other executive officers are established by the Compensation Committee. Base salaries for the Named Executive Officers did not materially change in Fiscal 2022.

Discretionary cash bonuses were paid to Edward J. Shoen, Jason A. Berg, John C. Taylor, Laurence J. De Respino and Samuel J. Shoen in Fiscal 2022 in recognition of their service to the Company as recommended by the Compensation Committee or the President, as applicable. The Company does not have an established bonus plan for its Named Executive Officers. Such discretionary cash bonuses were approved by the Compensation Committee based upon the Committee's best judgment in light of its evaluation of performance and existing facts and circumstances.

CEO PAY RATIO

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are required to disclose the median total annual compensation of all Company employees (excluding our principal executive officer), the total annual compensation of Mr. Edward J. Shoen, President and Chief Executive Officer of AMERCO (“CEO”), and the ratio of these two amounts.

The Company has elected to identify its median employee every three years unless a significant change in employee population or employee compensation arrangements has occurred. In Fiscal 2022, Mr. Shoen earned \$1,011,744, as reflected in the Summary Compensation Table included in this Proxy Statement. Our Fiscal 2022 median employee’s annual total compensation was \$22,785. The ratio of the compensation paid to our CEO compared to the compensation paid to our median employee for Fiscal 2022 was 44:1.

In our Fiscal 2022 calculation, we calculated our median employee compensation using the same rules used to calculate total compensation for our CEO as set forth in the Summary Compensation Table. The pay ratio is a reasonable estimate calculated in accordance with SEC rules and methods for pay ratio disclosure. Due to estimates, assumptions and adjustments permitted under such rules, our pay ratio disclosures and methodologies may not be consistent with the disclosures and methodologies used by other companies.

In determining our median employee for Fiscal 2022, we prepared a list of all Company employees, whether full-time, part-time, temporary or seasonal, working in the United States and Canada as of March 31, 2022, and the taxable compensation paid to each such employee for Fiscal 2022. Mr. Shoen was not included in such list. We had approximately 34,100 employees as of March 31, 2022, of which 16,200 were full-time and 17,900 were part-time employees. The number of Company employees that worked in the United States was 32,200 and 1,900 in Canada. Employees on leaves of absence greater than one (1) year were excluded from our list of employees.

For the purpose of identifying our median-compensated employee, we used a compensation measure consisting of base salary, base wages and bonuses for our employees. We did not annualize the compensation of any of our employees and, in accordance with the rules, we did not convert our part-time employees into a full-time equivalent status. The compensation paid to our Canadian employees was converted from Canadian dollars to U.S. dollars using a currency conversion rate representing the average daily conversion rate in the first and last months of Fiscal 2022. We did not make any cost-of-living adjustments to the wages paid to any employees.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO has served as the Company’s principal independent registered public accounting firm since 2003 and the Audit Committee has selected BDO to audit AMERCO’s financial statements for Fiscal 2023. The following table shows the fees that AMERCO and its consolidated entities paid or accrued for the audit and other services provided by BDO for Fiscal 2022 and 2021.

	<u>Year Ended March 31,</u>	
	<u>2022</u>	<u>2021</u>
	(In thousands)	
Audit fees	\$ 3,322	\$ 3,153
Audit-related fees	75	85
Tax fees	-	400
All other fees	-	-
Total	\$ 3,397	\$ 3,638

Audit Fees. This category includes the audit of AMERCO’s annual financial statements included in the Annual Report on Form 10-K and the effectiveness of internal control over financial reporting as of fiscal year end, review of financial statements included in AMERCO’s Quarterly Reports on Form 10-Q, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings for those fiscal years. This category also includes advice on accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by U.S. jurisdictions.

Audit-Related Fees. This category consists of assurance and related services provided by BDO that are reasonably related to the performance of the audit or review of AMERCO's financial statements and are not reported above under "Audit Fees." The services for the fees disclosed under this category include benefit plan audits.

Tax Fees. This category consists of professional services provided by BDO for tax compliance, tax advice and tax planning.

All Other Fees. This category consists of fees billed for any other products and services provided by BDO not covered under the other captions above.

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the independent registered public accounting firm. All Fiscal 2022 non-audit services listed above were pre-approved. The Audit Committee has determined that the provision of services by BDO described in the preceding paragraphs were compatible with maintaining BDO's independence as the Company's principal independent registered public accounting firm.

PROPOSAL 2 - RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO currently serves as the Company's independent registered public accounting firm and has conducted the audit of the Company's accounts since fiscal 2003. The Audit Committee has appointed BDO to serve as the independent registered public accounting firm to conduct an audit of our accounts for Fiscal 2023.

Selection of the Company's independent registered public accounting firm is not required to be submitted to a vote of the stockholders for ratification. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the Board has elected to submit the selection of BDO as the Company's independent registered public accounting firm to stockholders for ratification as a matter of good corporate practice. Even if stockholders vote in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company, our stockholders and other constituencies.

Representatives of BDO are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The Board recommends a vote "FOR" Proposal 2, the ratification of the appointment of BDO as the Company's independent registered public accounting firm for Fiscal 2023.

PROPOSAL 3 - STOCKHOLDER PROPOSAL REGARDING RATIFICATION OF THE DECISIONS AND ACTIONS OF THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS FOR FISCAL 2022

Proposal 3 for consideration is a proposal from Company stockholders to ratify and affirm the decisions and actions taken by the Board and executive officers with respect to AMERCO, its subsidiaries, and the Company's various constituencies for Fiscal 2022. This proposal originates from the stockholder proposal originally received by the Company on September 24, 2008, approved at our 2009 Annual Meeting of Stockholders by a vote of 74% of shares voted, and which provided as follows:

“Motion:

We do hereby submit a proposal for inclusion in the AMERCO Annual Meeting Proxy statement, that AMERCO include on the ballot and in the annual meeting materials for such respective annual meetings a stockholder proposal from the undersigned stockholder proponents (or such other stockholder proponent(s) as may make the request, or as a management proposal in the event the undersigned are no longer stockholders of the Company and no comparable proposal is received from another stockholder), that all decisions and actions made by the AMERCO Board of Directors and executive officers, with respect to AMERCO and its subsidiaries for the time frame of April 1 of the year prior to the date of such Proxy Statement through March 31 of the year of such Proxy Statement, be ratified and affirmed.

Reason for Making the Proposal:

To support the AMERCO Board of Directors and executive officers on their decisions for these time periods. We believe the Company is headed in a positive direction due to their leadership and guidance.

Relevant Notices:

1) We do not have any material interest in the subject matter of the proposal.

2) We are not members of any partnership, limited partnership, syndicate or other group pursuant to any agreement, arrangement, relationship, understanding, or otherwise, whether or not in writing, organized in whole or in part for the purpose of acquiring, owning or voting shares of AMERCO stock.

3) The above stockholders have continuously held at least \$2,000 in market value of AMERCO shares and we intend to hold the stock through the date of the annual meeting.”

In regard to this Proposal 3, reference is hereby made to the Company’s 2022 Annual Report on Form 10-K, as well as the Company’s other public reports and other filings with the SEC, for disclosures relating to the Company.

The Board recommends a vote “FOR” approval of Proposal 3, regarding the ratification of the decisions and actions of the Board and executive officers with respect to AMERCO, its subsidiaries, and its various constituencies for Fiscal 2022.

PROPOSAL 4 - STOCKHOLDER PROPOSAL REGARDING ADOPTION OF GREENHOUSE GAS EMISSION REDUCTION TARGETS IN ORDER TO ACHIEVE NET ZERO EMISSIONS

The Company has received notice of the intention of a stockholder to present the following proposal for voting at the Annual Meeting. The text of the stockholder proposal and supporting statement appears exactly as received by the Company. All statements contained in a stockholder proposal and supporting statement are the sole responsibility of the proponent of such stockholder proposal. The Company will provide the names, addresses and shareholdings (to the Company’s knowledge) of the proponent of any stockholder proposal upon receiving an oral or written request made to the Company’s corporate secretary by mail at 2727 North Central Avenue, Phoenix, Arizona 85004 or phone at 602-263-6788.

STOCKHOLDER PROPOSAL

Whereas: In 2018, the Intergovernmental Panel on Climate Change evaluated the goals of the 2015 Paris Agreement and advised that net carbon emissions must fall 45% by 2030 and reach net zero by 2050 in order to limit warming below 1.5 degrees Celsius. Exceeding this limit presents significant economic risks: up to 10% of total global economic value is projected to be lost by 2050 under current emissions trajectories.

Despite the global imperative to cut greenhouse gas emissions, AMERCO has made little headway in doing so. The Company does not publish a sustainability report, nor does it disclose any of its operational or value chain emissions. Adopting a science-based net-zero greenhouse gas reduction target would help AMERCO transition to a low-carbon economy, better position it to respond to shifting consumer preference for sustainability-oriented products and companies, and allow it to better align with investor interest in companies that proactively manage ESG-related risks.

Ryder, an AMERCO peer, better addresses its climate-related risks by disclosing its greenhouse gas emissions to CDP and setting emissions reduction targets inclusive of its full value chain. Ryder has set goals to reduce its Scope 1 emissions by 10%, Scope 2 emissions by 30%, and Scope 3 emissions by 15% by 2024, and in 2020, it began offering zero emission electric-powered vehicles for last-mile transportation purposes.

The majority of AMERCO's emissions are believed to be from customer vehicle use, which, for comparison, comprised 81% of Ryder's total emissions in 2020. An appropriate approach to cutting AMERCO's customer-related emissions would be to incorporate zero emission vehicles into its fleet. Auspiciously, Ford and GM, which manufacture the majority of AMERCO's U-Haul fleet, are expanding their electric vehicle manufacturing capabilities and setting electric and zero emission vehicle production targets.

Given the risks associated with climate change and the opportunities to mitigate them, Proponents believe the AMERCO board and management could best address investor concerns by adopting science-based targets covering Scopes 1, 2 and 3. Such action would provide shareholders with assurance that AMERCO is on a path to reduce its full value chain emissions.

Resolved: Shareholders request that AMERCO adopt independently verified short, medium, and long-term science-based greenhouse gas emissions reduction targets, inclusive of emissions from its full value chain, in order to achieve net-zero emissions by 2050 or sooner and to attain appropriate emissions reductions prior to 2030, in line with the Paris Agreement's goal of maintaining global temperature rise to 1.5 degrees Celsius.

Supporting Statement: In assessing targets, we recommend, at management's discretion:

- Consideration of approaches used by advisory groups such as the Science Based Targets initiative;
- Establishing short, medium, and long-term zero emission vehicle procurement goals.

The Board recommends a vote "AGAINST" Proposal 4.

Board Diversity

The Company does not have a specific written policy regarding Board diversity as it relates to the selection of nominees for the Board. However, Board diversity is considered by our Board to be desirable. We believe Board diversity strengthens our alignment with our constituencies and fosters improved decision-making, goal setting and resource allocation. Board candidates are considered based upon various criteria, including, but not limited to, their broad-based business and professional skills and experiences, viewpoints and perspectives, concern for the long-term interests of our stockholders and constituencies, and their personal integrity. The Board considers each nominee in the context of the Board as a whole, with the objective of assembling a Board that can best maintain the success of our business. For instance, we believe our Directors are knowledgeable and experienced in various business sectors and governmental or academic endeavors, many of whom are serving or have served on other boards, which further illustrates the diversity present on our Board and the ultimate benefit to our Company, stockholders and other constituencies.

Leadership Structure and the Board’s Role in Risk Oversight

Currently, the roles of President and Board Chairman are combined, which we believe fosters clear accountability, effective decision-making, alignment on corporate strategy and oversight of risk. Specifically, our Board believes that its current leadership structure, with Edward J. Shoen serving as both President and Board Chairman, is appropriate and best serves the interests of our Company, stockholders and other constituencies. The Company does not have a lead independent director.

Management is responsible for managing the risks that the Company faces. The Board is responsible for overseeing management's approach to risk management and supports the achievement of the Company's objectives, including strategic objectives, to improve long-term performance and enhance stockholder value. A fundamental part of risk management is not only understanding the risks the Company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in reviewing our strategic objectives and plans is a key part of the Board's assessment of management's approach and tolerance to risk. While the Board has ultimate oversight responsibility for overseeing management's risk management process, various committees of the Board assist them in fulfilling that responsibility.

The Board has delegated to its various committees the oversight of risk management practices for categories of risk relevant to their functions. For example, through its Audit Committee, our Board oversees the management by our financial reporting group of our financial statement disclosure controls, systems of internal control over financial reporting, significant financial and accounting matters, cybersecurity and other information technology risks affecting the Company, as well as the Company's compliance with legal and regulatory requirements. Through its Compensation Committee, our Board manages potential business risks inherent in our compensation programs to ensure that they do not encourage unacceptable levels of risk. The Executive Finance Committee oversees risks associated with the Company's credit and debt positions and liquidity, monitors the level of risk associated with investment policies and investment portfolios, and evaluates current strategic endeavors by evaluating both short- and long-term debt structures.

Director Independence

Our Board has affirmatively determined, based upon the recommendation of our Independent Governance Committee, that all of our Directors, except Edward J. Shoen and Samuel J. Shoen, are "independent" under the NASDAQ Listing Rules. In addition, all of the Directors who serve on our Audit Committee and Compensation Committee each satisfy the enhanced independence standards established by the NASDAQ Listing Rules.

OTHER INFORMATION REGARDING THE BOARD OF DIRECTORS

The full Board of the Company met in Board meetings eleven times during Fiscal 2022. For Fiscal 2022, each Director attended at least 91% of the scheduled Board meetings and meetings for the committees on which such respective individual served. The independent Directors met in executive session, without the presence of management, as part of each regularly scheduled Board meeting.

Directors are encouraged to attend our annual meetings of stockholders. Participation via the webcast is encouraged, particularly in cases where travel from out of town would otherwise be required. All Directors attended our 2021 Annual Meeting of Stockholders, which was held on August 19, 2021.

The Board has established the following standing committees: Audit Committee, Executive Finance Committee, Compensation Committee and Independent Governance Committee. Additionally, the Board formed an Advisory Board consisting of non-Board members. The Company does not have a nominating committee, and the responsibility for director nominations is vested in the independent Directors. The Board does not believe that a separate nominating committee is necessary because the independent Directors effectively serve the function of a nominating committee. The Board has adopted a resolution addressing the director nomination process and related matters; however, the Board may, in the future, choose to change its director nomination policy, including its policy related to stockholder nomination of directors. This process is described below, under the heading "Director Nomination Process."

See page 20 of this Proxy Statement for a discussion of Director compensation.

Listed below are descriptions of the Company’s standing committees and the current memberships thereof. The charters for the Independent Governance Committee, Audit Committee and Compensation Committee are available at amerco.com.

The designation does not impose on Mr. Brogan any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an “audit committee financial expert” pursuant to SEC and NASDAQ requirements does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board. The Audit Committee met eight (8) times during Fiscal 2022.

Executive Finance Committee. The Executive Finance Committee is comprised of John P. Brogan, Edward J. Shoen and Samuel J. Shoen. The Compensation Committee reviews the Company’s executive compensation plans and policies, including benefits and incentives, to ensure that they are consistent with the goals and objectives of the Company, and to the extent required by applicable law or regulation, is responsible for determining or recommending to the Board for determination, the compensation of the President and the compensation of all of the Company’s other executive officers. Additionally, the Compensation Committee reviews and makes recommendations to the Board regarding management recommendations for changes in executive compensation and monitors management plans and programs for the retention, motivation and development of senior management. The Compensation Committee met five (5) times during Fiscal 2022.

Independent Governance Committee. The Independent Governance Committee is comprised of John P. Brogan, James J. Grogan, Roberta R. Shank and Thomas W. Hayes. Mr. Hayes is not a member of the Company's Board. The Independent Governance Committee monitors and evaluates the Company's corporate governance principles and standards and proposes to the Board any modifications which are deemed appropriate for sound corporate governance and compliance with relevant state corporate law, SEC rules and NASDAQ Listing Rules. In addition, the committee reviews the independence of potential candidates for Board membership. The committee also reviews other matters as referred to it by the Board from time to time. The committee has the authority and a budget from which to retain professionals. Each member of the Independent Governance Committee is determined by the Board to be free of any relationship that would interfere with his or her exercise of independent judgment as a member of this committee. The Independent Governance Committee met five (5) times during Fiscal 2022. The non-Board member of the Independent Governance Committee is encouraged to attend all Board meetings of the Company.

Mr. Hayes has served as a member of the Independent Governance Committee since 2003 and brings to AMERCO over 30 years of broad executive and financial management experience. He is the former Treasurer, Auditor General and Director of Finance for the State of California. He was also the President of a multibillion-dollar investment management company, has held leadership positions in restructuring troubled public and private sector entities, and was designated as an audit committee financial expert by Fremont General, then a NYSE-listed firm, when Mr. Hayes served on that company's audit committee. In addition, Mr. Hayes is a United States Marine Corps combat veteran.

Advisory Board. The Advisory Board was reestablished by the Board in April 2016. The Advisory Board in fiscal 2022 was comprised of Carrie Martz. Her term on the Advisory Board ended in April 2022. Additional members to be determined by the Board may be added in the future. Advisory Board members are not Directors and as such do not have the authority to vote on Board matters but are given full access to the affairs of the Board, including Board materials and are allowed full participation at Board meetings. The Board has authorized up to two Advisory Board members, who serve at the discretion of the Board.

Ms. Martz has a 35-year history of building successful brands having founded The Martz Agency in 1980. Ms. Martz sold her advertising and public relations agency in 2013 to the founder of Go Daddy, Bob Parsons. Ms. Martz has since founded Clean Light Laboratories, LLC, a company that has brought to market a UV-C sanitizer scientifically proven to kill SARS-CoV2. Ms. Martz is also the founder of Carrie On Consulting, where she works with companies on brand development and their digital footprint. Ms. Martz served on the board of Cancer Treatment Centers of America Western Region for 8 years. She has also served on dozens of non-profit boards adding value to their cause-related and social impact programs including over 20 years on Phoenix Suns Charities. Ms. Martz has been honored as a past recipient of Phoenix Chamber Athena Award, Bronze Award Recipient of the Stevie International Marketing Woman of the Year award as well as Arizona Chamber of Commerce Athena Small Business of the Year Award.

DIRECTOR NOMINATION PROCESS

Director Qualifications. The responsibility for Director nominations is vested in the independent Directors. Persons nominated to the Board must have personal integrity and high ethical character. A candidate should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a Director to the Company, its stockholders and other constituencies. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder, stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for Director, the independent Directors will assure that:

- a majority of the Board is independent under the applicable SEC and NASDAQ standards;
- all Audit Committee members are independent under the applicable SEC and NASDAQ standards;

- all Compensation Committee members are independent under the applicable SEC and NASDAQ standards;
- at least three (3) of the Directors satisfy the financial literacy requirements required for service on the Audit Committee; and
- at least one (1) of the Directors qualifies as an audit committee financial expert under the NASDAQ standards.

Identifying Director Candidates. The independent Directors utilize a variety of methods for identifying and evaluating nominees to serve as Directors. The Board has a policy of re-nominating incumbent Directors who continue to satisfy the Board's criteria for membership, whom the independent Directors believe continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the independent Directors will solicit recommendations for nominees from persons the independent Directors believe are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The independent Directors may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the independent Directors will oversee the collection of information concerning the background and qualifications of the candidates and determine whether the candidates satisfy the minimum qualifications required by the Board for election as Director and whether the candidates possess the specific skills and qualities that, under the Board's policies, as described in this section, must be possessed by one or more members of the Board.

The independent Directors may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's President and other senior members of management. Diversity in terms of business and professional skills and experience, viewpoints, perspective, education and other factors, is considered in the decision-making process.

The independent Directors will make their selections based on all the available information and relevant considerations including, without limitation, the desire for Board diversity as previously discussed herein. The independent Directors' selection will be based on who, in the view of the independent Directors, will be best suited for membership on the Board.

In making their selection, the independent Directors will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the Directors may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The Directors may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Recommendations for Nomination. The policy of the Board is to consider properly submitted stockholder recommendations for candidates for membership on the Board as described below. The evaluation process for such recommendations for nominations is overseen by the Company's independent Directors. In evaluating any recommendations for nomination, the independent Directors seek to achieve qualified Directors who can represent fairly and equally all stockholders of the Company and who satisfy the membership qualifications and criteria described above. Any stockholder recommendations for nomination for consideration by the independent Directors should be mailed or delivered to the Company's Secretary at 2727 N. Central Avenue, Phoenix, Arizona 85004. A recommendation for nomination by a stockholder must be accompanied by the following information about the stockholder:

- the stockholder's name and address;
- the number of shares of the Company's stock owned by the recommending stockholder and the time period for which such shares have been held;

- if the recommending stockholder is not a stockholder of record, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder and a statement from the recommending stockholder of the length of time that the shares have been held; and

- a statement from the stockholder as to whether the stockholder has a good faith intention to continue to hold the reported shares through the date of the next annual meeting at which the candidate would be elected.

If the recommendation is submitted by a group of two or more stockholders, the above information must be submitted with respect to each stockholder in the group. The recommendation must be received by the Company not later than 120 calendar days prior to the first anniversary of the date the Company mailed its proxy materials for the prior year's annual meeting, except that if the date of the annual meeting for the current year is moved more than 30 calendar days from the anniversary date of the annual meeting for the prior year, or if the Company did not hold an annual meeting in the prior year, the submission will be considered timely if it is submitted within a reasonable time in advance of the mailing of the Company's materials for the annual meeting for the current year. The recommendation must be accompanied by consent of the proposed nominee to be interviewed by the independent Directors and other Board members and to serve as Director of the Company.

The recommendation must also contain information about the recommended nominee, including:

- the recommended nominee's name and address;

- the information required by Items 401, 403 and 404 of SEC Regulation S-K (generally providing for disclosure of arrangements or understandings regarding the nomination, the business experience of the proposed nominee, legal proceedings involving the proposed nominee, the proposed nominee's ownership of securities of the Company, and transactions and relationships between the proposed nominee and the Company);

- a description of all relationships between the recommended nominee and any of the Company's competitors, customers, suppliers, labor unions or other persons with special interests regarding the Company;

- the qualifications of the recommended nominee; and

- a statement from the recommending stockholder that in his or her view, the candidate, if elected, would represent all the stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of the Company.

The Secretary of the Company will forward all recommendations to the independent Directors. The acceptance of a recommendation from a stockholder does not imply that the independent Directors will recommend to the Board the nomination of the individual recommended by the stockholder. In addition, the Company's Restated Bylaws ("Bylaws") permit stockholders to nominate Directors at an annual meeting and nothing in the above procedures is intended to conflict with the provisions of the Company's Bylaws governing nominations by stockholders.

The information contained in this Proxy Statement about the Company's Director nominations process is just a summary. A complete copy of the policies and procedures with respect to stockholder director nominations can be obtained from the Company, free of charge, by writing to our Secretary at the address provided herein under the caption "Stockholders Proposals For Next Annual Meeting."

DIRECTOR COMPENSATION

The Company's Director compensation program is intended to fairly pay Directors for their time and efforts on behalf of AMERCO and its direct subsidiaries, as the case may be, in recognition of their fiduciary obligations to stockholders and for their liability exposure. Directors are compensated in the form of a cash fee. The Company does not currently offer stock options or equity grants to its Directors other than shares granted under the ESOP. For Fiscal 2022, the annual fee for all services as a Director of the Company was \$67,500. Additionally, Audit Committee members also received a \$55,000 annual fee for service on such committee, and Executive Finance Committee and Compensation Committee members received a \$25,000 annual fee for service on each such committee. Board members serving on the Independent Governance Committee receive an annual fee of \$27,500 and the non-Board Independent Governance Committee member receives an annual fee of \$67,500. These amounts are paid in equal monthly installments. The Company also reimburses Directors and the non-Director committee members for the incidental costs associated with their attendance at Board and committee meetings. Director fees paid to Edward J. Shoen and Samuel J. Shoen are included in the SCT.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As set forth in the Audit Committee Charter and consistent with NASDAQ Listing Rules, the Company's Audit Committee reviews and maintains oversight over related party transactions which are required to be disclosed under the SEC rules and regulations and in accordance with generally accepted accounting principles in the United States. Accordingly, all such related party transactions are submitted to the Audit Committee for ongoing review and oversight. Related party transactions are reviewed based on the overall fairness of the transaction to the Company and whether the transaction as a whole is in the best interests of the Company and its applicable constituencies. The Company's internal processes are designed to ensure that the Company's legal and/or finance departments identify and monitor potential related party transactions that may require disclosure and Audit Committee oversight.

AMERCO has engaged in related party transactions and has continuing related party interests with certain major stockholders, Directors and officers of the consolidated group as disclosed below. Management believes that the transactions described below were completed on terms substantially equivalent to those that would prevail in third party, arm's-length transactions.

Stuart M. Shoen is the son of Edward J. Shoen. Mr. Shoen is employed by SAC Holdings, described below. Mr. Shoen serves on the boards of U-Haul, Real Estate and Oxford.

Elnora Cunningham is the sister-in-law of Edward J. Shoen. Ms. Cunningham is employed by U-Haul and was paid approximately \$129,000 in salary for her services during Fiscal 2022.

During Fiscal 2022, the Company purchased \$0.3 million of refinishing supplies from Space Age Auto Paint Store Inc. Edward J. Shoen, a significant stockholder, officer and Director of AMERCO, owns Space Age Auto Paint Store Inc.

SAC Holding Corporation and SAC Holding II Corporation (collectively, "SAC Holdings") were established in order to acquire and develop self-storage properties. These properties are managed by the Company pursuant to management agreements. SAC Holdings, Four SAC Self-Storage Corporation, Five SAC Self-Storage Corporation, Galaxy Investments, L.P. and 2015 SAC Self Storage, LLC are substantially controlled by Blackwater Investments, Inc. ("Blackwater"). Blackwater is wholly owned by WGHP, which is owned by various trusts associated with Edward J. Shoen (our Chairman of the Board, President and a significant stockholder) and Mark V. Shoen (a significant stockholder).

The Company currently manages the self-storage properties owned or leased by Blackwater and Mercury Partners, L.P. ("Mercury"), pursuant to a standard form of management agreement under which the Company receives a management fee of between 4% and 10% of the gross receipts plus reimbursement for certain expenses. The Company received management fees, exclusive of reimbursed expenses, of \$38.5 million, \$31.2 million and \$29.0 million from the above-mentioned entities during Fiscal 2022, 2021 and 2020, respectively. This management fee is consistent with the fee received for other properties the Company previously managed for third parties. Mark V. Shoen controls the general partner of Mercury. The limited partner interests of Mercury are owned indirectly by James P. Shoen and various trusts benefitting Edward J. Shoen and James P. Shoen or their descendants. Mercury holds the option to purchase a portfolio of properties currently leased by Mercury and a U-Haul subsidiary, which option is exercisable in 2024.

The Company leases space for marketing company offices, vehicle repair shops and hitch installation centers from subsidiaries of Blackwater. Total lease payments pursuant to such leases were \$2.4 million, \$2.6 million and \$2.6 million for Fiscal 2022, 2021 and 2020, respectively. The terms of the leases are similar to the terms of leases for other properties owned by unrelated parties that are leased to the Company.

As of March 31, 2022, subsidiaries of Blackwater acted as independent U-Haul dealers. The financial and other terms of such dealership contracts are substantially identical to the terms of those with the Company's other independent dealers, whereby commissions are paid by the Company based upon equipment rental revenue. However, in some instances the dealership contracts with these entities are for a specified term of years, as opposed to being on a month-by-month term. The Company paid the above-mentioned entities \$88.3 million, \$69.2 million and \$62.1 million in commissions pursuant to such dealership contracts during Fiscal 2022, 2021 and 2020, respectively.

These agreements, excluding Dealer Agreements, provided revenue of \$28.5 million, expenses of \$2.4 million and cash flows of \$25.9 million during Fiscal 2022. Revenues and commission expenses related to the Dealer Agreements were \$417.9 million and \$88.3 million, respectively, for Fiscal 2022.

In February 2011, the Company and U.S. Bank Trust Company, National Association, a national banking association as successor in interest to U.S. Bank National Association (the "Trustee") entered into the U-Haul Investors Club[®] Indenture. The Company and the Trustee entered into this indenture to provide for the issuance of notes ("U-Notes") by the Company directly to investors over the Company's proprietary website, uhaulinvestorsclub.com. The U-Notes[®] are secured by various types of collateral including rental equipment and real estate. U-Notes are issued in series that vary as to principal amount, interest rate and maturity. U-Notes are obligations of the Company and are secured by the associated collateral; they are not guaranteed by any of the Company's affiliates or subsidiaries.

As of March 31, 2022, the following related parties invested in U-Notes, in amounts in excess of \$120,000, upon the following terms.

Phoenix, Arizona

MEETING PROCEDURES

In fairness to all stockholders attending the 2022 Annual Meeting of Stockholders (“Annual Meeting”) of AMERCO, and in the interest of an orderly meeting, we ask you to honor the following:

A. The meeting will not be open to the public. Pursuant to Section 6 of Article II of AMERCO’s Restated Bylaws (the “Bylaws”), attendance at the Annual Meeting is limited to (i) stockholders entitled to vote at the Annual Meeting and (ii) the persons upon whom proxies valid for purposes of the meeting have been conferred or their duly appointed substitutes (if the related proxies confer a power of substitution). A person otherwise entitled to attend the Annual Meeting will cease to be so entitled if, in the judgment of the chairman of the meeting, such person engages in disorderly conduct impeding the proper conduct of the Annual Meeting. Stockholders of record or their proxies and beneficial owners may be asked to show proof of entitlement to attend the Annual Meeting. Stockholders of record voting by proxy will not be admitted to the meeting unless their proxies are revoked, in which case the holders of the revoked proxies will not be permitted to attend the meeting. In addition, the media will not be given access to the meeting. The meeting will be webcast over the internet at amerco.com and such webcast will be open to the public. We encourage stockholders and other stakeholders and media members to watch the Annual Meeting via our webcast. We believe this is one way to reduce the carbon footprint attributable to the Annual Meeting.

B. With the exception of cameras and recording devices provided by the Company, cameras and recording devices of all kinds (including stenographic) are prohibited in the meeting room.

C. Pursuant to Article II, Section 9 of the Bylaws after calling the meeting to order, the chairman of the meeting will require the registration of all stockholders intending to vote in person, and the filing of all proxies with the Inspector of Elections. After the announced time for such filing of proxies has ended, no further proxies or changes, substitutions, or revocations of proxies will be accepted.

D. Pursuant to Article II, Section 9 of the Bylaws the chairman of the meeting has, among other things, absolute authority to determine the order of business to be conducted at the Annual Meeting and to establish rules for, and appoint personnel to assist in, preserving the orderly conduct of the business of the Annual Meeting (including any informal, or question-and answer, portions thereof).

E. When an item is before the Annual Meeting for consideration, questions and comments are to be confined to that item only.

F. Pursuant to Article II, Section 5 of the Bylaws, only such business (including director nominations) as shall have been properly brought before the meeting shall be conducted.

Pursuant to the Bylaws, in order to be properly brought before the meeting, such business must have either been (1) specified in the written notice of the meeting given to stockholders on the record date for such meeting by or at the direction of the Board of Directors of the Company (the “Board”), (2) brought before the meeting at the direction of the Board of Directors or the chairman of the annual meeting, or (3) specified in a written notice given by or on behalf of a

stockholder on the record date for such meeting entitled to vote thereat or a duly authorized proxy for such stockholder, in accordance with all of the following requirements.

- a) Such notice must have been delivered personally to, or mailed to and received at, the principal executive office of the corporation, addressed to the attention of the Secretary no later than March 9, 2022.
- b) Such notice must have set forth:
 - i. a full description of each such item of business proposed to be brought before the meeting and the reasons for conducting such business at such meeting,
 - ii. the name and address of the person proposing to bring such business before the meeting,
 - iii. the class and number of shares held of record, held beneficially, and represented by proxy by such person as of the record date for the meeting,
 - iv. if any item of such business involves a nomination for director, all information regarding each such nominee that would be required to be set forth in a definitive proxy statement filed with the Securities and Exchange Commission pursuant to Section 14 of the Exchange Act, as amended, or any successor thereto (the "Exchange Act"), and the written consent of each such nominee to serve if elected,
 - v. any material interest of such stockholder in the specified business,
 - vi. whether or not such stockholder is a member of any partnership, limited partnership, syndicate, or other group pursuant to any agreement, arrangement, relationship, understanding, or otherwise, whether or not in writing, organized in whole or in part for the purpose of acquiring, owning, or voting shares of the corporation, and
 - vii. all other information that would be required to be filed with the SEC if, with respect to the business proposed to be brought before the meeting, the person proposing such business was a participant in a solicitation subject to the Exchange Act.

No business shall be brought before any meeting of the Company's stockholders otherwise than as provided in this Section. The chairman of the meeting may, if the facts warrant, determine that any proposed item of business or nomination as director was not brought before the meeting in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the improper item of business or nomination shall be disregarded.

G. At the appropriate time, any stockholder who wishes to address the Annual Meeting should do so only upon being recognized by the chairman of the meeting. After such recognition, please state your name, whether you are a stockholder or a proxy for a stockholder, and, if you are a proxy, name the stockholder you represent. All matters should be concisely presented.

H. Pursuant to Article II, Section 6 of the Bylaws, a person otherwise entitled to attend the Annual Meeting will cease to be so entitled if, in the judgment of the chairman of the meeting, such person engages in disorderly conduct impeding the proper conduct of the meeting against the interests of all stockholders as a group.

I. If there are any question's remaining after the meeting is adjourned, please take them up with the representatives of the Company at the Secretary's desk. Also, any matters of a personal nature that concern you as a stockholder should be referred to these representatives after such meeting.

J. Pursuant to Article II, Section 12 of the Bylaws, all informalities or irregularities in any call or notice of a meeting, or in the areas of credentials, proxies, quorums, voting, and similar matters, will be deemed waived if no objection is made at the Annual Meeting.

K. The views, constructive comments and criticisms from stockholders are welcome. However, it is requested that no matter be brought up that is irrelevant to the business of the Company.

L. It is requested that common courtesy be observed at all times.

Our objective is to (1) encourage open communication and the free expression of ideas that are conducive to the best interests of stockholders of the Company, and (2) to conduct an informative and meaningful meeting in a fair and orderly manner. Your cooperation in accomplishing these objectives will be sincerely appreciated by the Company and its stockholders.
